The Jacob Foundation

Company Limited by Guarantee

Trustees' Annual Report (Incorporating the Director's Report) *(continued)*

Year ended 31 December 2024

Structure, governance and management

The Jacob Foundation ("the Foundation") is a company limited by guarantee number 1864076 and a registered charity number 290759 established in October 1984. The Foundation is governed by its Memorandum and Articles of Association.

The Council of Management meets during the year to consider objectives and policy. All Trustees give their time voluntarily and no benefit or expense was paid to them in the year.

The principal and registered office of the Foundation is New Burlington House, 1075 Finchley Road, London NW11 0PU.

Group structure and relationships

The charity owns the entire share capital of an operating subsidiary The Jewish News Ltd, incorporated in England and Wales, and its company registration number is 03302610. The Jewish News Ltd's registered office is New Burlington House, 1075 Finchley Road, London NW11 0PU.

Management of the group

The day to day operations of the subsidiary are delegated to the management team working within The Jewish News Ltd. Large and one-off type transactions, premises, legal and financial related areas are undertaken and approved by the Trustees.

Risk management

The Trustees have identified and reviewed the major risks to which the Charity is exposed, in particular those relating to the operations and finances of the Charity and are satisfied that the systems are in place to manage those risks.

Objectives and activities

The objects of the Foundation are to generally promote such purposes as are charitable according to the law of England and Wales, and to promote and support foundations, institutions, trusts and undertakings established anywhere in the world exclusively for charitable purposes. The Foundation intends to continue to support similar organisations in the future.

The Foundation has concentrated its activities in operating news outlets serving the Jewish community. The Foundation owns the entire issued share capital of The Jewish News Ltd which publishes The Jewish News newspaper together with its website. The newspaper serves the Jewish Community by providing news, information and a forum in which matters of interest to the community can be discussed. By this means, the charity has provided an important service to the Jewish community.

The Foundation also operates by making grants to institutions that fall within its objects and within its stated policy. No grants were awarded during the year (2023: £25,000).

The Trustees confirm their compliance with the duty to have due regard to the public benefit guidance published by the Charity Commission when reviewing the Charity's aims and objectives and in planning future activities.

The Jacob Foundation
Company Limited by Guarantee
Trustees' Annual Report (Incorporating the Director's Report) (continued)
Year ended 31 December 2024

Message from the Council of Management

The levels of support required over the course of 2024 to maintain the Jewish News as an independent, charity-owned source of agenda-free news, information and 'connection' for the Jewish community in Britain have remained high, largely due to the impact of the tragic events of 7th October 2023 and its aftermath.

Annual funding required during 2024 to support the Jewish News exceeded £500,000. We were delighted to build on the success of the 2023 Crowd-funding campaign and to attract continued support from generous donors from prior years as well as donations from a number of major charitable foundations and philanthropists who had not previously supported us.

The Foundation was established in 1984 (then with the name "The Kessler Foundation") with the primary role of taking over ownership of the Jewish Chronicle newspaper from its prior owners, the Kessler family. The structure established in 1984 was primarily intended to ensure transparency of ownership and independence from external influence. The Jewish News inherited this structure in 2020 and now sits proudly independently under the Foundation. The Jewish News today is the leading independent source of news, information, celebration and advocacy for the British Jewish community.

In this context, the provision of loans to support the operations of The Jewish News continues to be seen by the Trustees as consistent with the fulfilment of the charitable objectives of the Foundation.

As at the end of December 2024, outstanding loans to The Jewish News amounted to just over £1.3m. The Trustees conducted a review of the recoverability of these loans in October 2024 and concluded, by reference to external comparable businesses and the forward business plans of The Jewish News, that an impairment to those loans of £500,000 was appropriate. A further review will be held in 2026.

In early 2025, we held our first major fundraising event since The Jacob Foundation took ownership of The Jewish News in 2020. Our Media and More lunch featuring Stephen Fry in conversation with first JN ambassador, Robert Peston, exceeded our expectations both in terms of cementing awareness of the Foundation and its charitable purpose and in the sum raised. Our thanks for all those who attended and supported us.

This enabled us to support investment by The Jewish News in additional editorial resource - a new junior reporter and a new deputy editor. This has helped The Jewish News to do more in depth reporting on antisemitism and has added significantly to its clout on social media, particularly X.

The Jewish News' website traffic has increased by around 20 percent year on year. To build on this, the updated Jewish News website (with improved search function, stickability and navigation) will go live during Q4 2025. There will now be a new dedicated student section and a business and tech section, providing regular aspirational positive content and a break from the doom and gloom that is often the news coverage at the moment.

The Jewish News continues to have the largest following on the young social media platforms in the English-speaking world. We have just exceeded 300k followers combined on Instagram and TikTok.

Sadly, recent events have shown our community is more divided than ever. It is therefore more important than ever that as a media outlet The Jewish News provides space for debate and for the range of views across our community. This is especially important if we want to connect with younger readers. The Jewish News has cemented its position as the leading outlet doing this.

The Jewish News remains an important communal asset that prides itself on standing for rigour, intelligence, truth and quality journalism. In these challenging times, the reliable, balanced and respected voice of The Jewish News, in print, online and on social media, is more important to our community than ever. The Jacob Foundation is proud to support the work of The Jewish News and delighted that our donor base has continued to grow.

The Jacob Foundation

Company Limited by Guarantee

Trustees' Annual Report (Incorporating the Director's Report) *(continued)*

Year ended 31 December 2024

Grant making policy

The charity also makes grants to organisations that meet the criteria laid down by the Foundation's constitution and as agreed by the trustees from time to time.

Achievements and performance

During the period of these accounts, the Foundation has continued to focus considerable effort towards supporting The Jewish News in its mission of providing high quality news and information for the Community, reflective of the broad range of views across the Community, with balance as well as complete transparency and freedom from individual influence.

During the year, the Trustees carried out a sample review, supported by the Foundation's lawyers, of the content of the newspaper to satisfy themselves that the editorial content continues to meet the objectives of the Foundation. The management and editorial team of the Jewish News are congratulated on the continued high quality of the newspaper they produce.

The Jewish News continues to enjoy the support of both the Foundation and the donors who have generously provided financial support to maintain its operation. The continued decline of local newspapers and the ageing nature of the regular readership make clear that the future focus needs to shift increasingly to online and social media content in order to access new and younger readership. The Jewish News continues to develop in those areas and has put together an exciting new strategy to transform its online and social media reach. It is hoped that this move will unlock new sources of revenue and, over time, lead to significant improvement in its financial and trading position.

Financial review

The financial results of the charity for the year ended 31 December 2024 are fully reflected in the attached financial statements together with the notes thereon.

Financial Position

The financial position of the group is satisfactory. The charity's Consolidated Statement of Financial Activities shows a net deficit for the year of £71,841 (2023: net surplus £130,899) and the Consolidated Statement of Financial Position shows a total deficit of £78,523 (2023: £6,682).

Reserves policy

It is the policy of the charity to maintain unrestricted funds, which are the free reserves of the charity, at a level which the Council of Management think appropriate after considering the future commitments of the charity and the likely governance costs of the charity for the next year.

Principal Funding Sources

The Foundation's principal funding source is voluntary donations. The trading subsidiary receives advertising income.

Plans for future periods

The Foundation plans to continue the activities outlined above in the forthcoming years subject to satisfactory incoming resources.

The Jacob Foundation

Company Limited by Guarantee

Trustees' Annual Report (Incorporating the Director's Report) *(continued)*

Year ended 31 December 2024

Trustees' responsibilities statement

The charity trustees (who are also the directors of The Jacob Foundation for the purposes of company law) are responsible for preparing a trustees' annual report and financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Company law requires the charity trustees to prepare financial statements for each year which give a true and fair view of the state of affairs of the charitable company and the group and of the incoming resources and application of resources, including the income and expenditure, of the charitable group for that period. In preparing the financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable UK accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business.

The trustees are responsible for keeping adequate accounting records that are sufficient to show and explain the charity's transactions and disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Statement as to disclosure to our auditors

Each of the persons who is a trustee at the date of approval of this report confirms that:

- so far as they are aware, there is no relevant audit information of which the charity's auditor is unaware; and
- they have taken all steps that they ought to have taken as a trustee to make themselves aware of any relevant audit information and to establish that the charity's auditor is aware of that information.

Auditor

Cohen Arnold is deemed to have been re-appointed in accordance with section 487 of the Companies Act 2006.

Small company provisions

This report has been prepared in accordance with the provisions applicable to companies entitled to the small companies exemption.

The trustees' annual report (incorporating the directors' report) was approved 31 October 2025 and signed on behalf of the board of trustees by:

R Gibber
Trustee

The Jacob Foundation

Company Limited by Guarantee

Independent Auditor's Report to the Members of The Jacob Foundation

Year ended 31 December 2024

Opinion

We have audited the financial statements of The Jacob Foundation (the 'parent charity') and its subsidiaries (the 'group') for the year ended 31 December 2024 which comprise the consolidated statement of financial activities (including the consolidated income and expenditure account), the consolidated statement of financial position, the statement of financial position, consolidated statement of cash flows and the related notes, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and the United Kingdom Accounting Standards including FRS 102 The Financial Reporting Standard applicable in the UK and Republic of Ireland (United Kingdom Generally Accepted Accounting Practice).

In our opinion the financial statements:

- give a true and fair view of the state of the group's and parent charity's affairs as at 31 December 2024 and of the group's incoming resources and application of resources, including its income and expenditure, for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the group in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

In auditing the financial statements, we have concluded that the trustees' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the group's or the parent charity's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the trustees with respect to going concern are described in the relevant sections of this report.

The Jacob Foundation
Company Limited by Guarantee

Independent Auditor's Report to the Members of The Jacob Foundation *(continued)*

Year ended 31 December 2024

Other information

The other information comprises the information included in the annual report, other than the financial statements and our auditor's report thereon. The trustees are responsible for the other information. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

Opinion on other matter prescribed by the Companies Act 2006

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the trustees' annual report including the strategic report for the financial year for which the financial statements are prepared is consistent with the financial statements; and
- the trustees' annual report including the strategic report has been prepared in accordance with applicable legal requirements.

Matters on which we are required to report by exception

In the light of the knowledge and understanding of the group and the parent charity and its environment obtained in the course of the audit, we have not identified material misstatements in the trustees' annual report.

We have nothing to report in respect of the following matters where the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept by the parent charity, or returns adequate for our audit have not been received from branches not visited by us; or
- the parent charity's financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of trustees' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit; or
- the trustees were not entitled to prepare the financial statements in accordance with the small companies regime and take advantage of the small companies' exemptions in preparing the trustees annual report and from the requirement to prepare a strategic report.

The Jacob Foundation
Company Limited by Guarantee

Independent Auditor's Report to the Members of The Jacob Foundation *(continued)*

Year ended 31 December 2024

Responsibilities of trustees

As explained more fully in the trustees' responsibilities statement, the trustees (who are also the directors for the purposes of company law) are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the trustees are responsible for assessing the group's and the parent charity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the trustees either intend to liquidate the group or the parent charity or to cease operations, or have no realistic alternative but to do so.

Auditor's responsibility for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud. The extent to which our procedures are capable of detecting irregularities, including fraud is detailed below:

- We obtained an understanding of the legal and regulatory frameworks that are applicable to the group through discussion with the trustees and identified financial reporting legislation, charity legislation and media legislation as being most significant to these financial statements.
- We communicated these identified frameworks amongst our audit team and remained alert to any indications of non-compliance throughout the audit. We ensured that the engagement team had sufficient competence and capability to identify or recognise non-compliance with the laws and regulations.
- We discussed with the trustees the policies and procedures regarding compliance with these legal and regulatory frameworks.
- We assessed the susceptibility of the group's financial statements to material misstatement due to non-compliance with legal and regulatory frameworks, including how fraud might occur, by enquiry with the trustees during the planning and finalisation stages of our audit. The susceptibility to such material misstatement was determined to be low.
- Based on this understanding, we designed our audit procedures to identify non-compliance with the identified legal and regulatory frameworks, which were part of our procedures on the related financial statement items. Our procedures included reviewing the group's internal controls policies and procedures, reviewing the minutes of board meetings and correspondence with regulatory bodies including HM Revenue & Customs, testing transactions outside the normal course of the business and journal entries, and discussions with the management.

The Jacob Foundation
Company Limited by Guarantee

Independent Auditor's Report to the Members of The Jacob Foundation *(continued)*

Year ended 31 December 2024

Auditor's responsibility for the audit of the financial statements *(Continued)*

Owing to the inherent limitations of an audit, there is an unavoidable risk that we may not have detected some material misstatements in the financial statements, even though we have properly planned and performed our audit in accordance with auditing standards. For example, the further removed non-compliance with laws and regulations (irregularities) is from the events and transactions reflected in the financial statements, the less likely the inherently limited procedures required by auditing standards would identify it. In addition, as with any audit, there remained a higher risk of non-detection of irregularities, as these may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal controls. We are not responsible for preventing non-compliance and cannot be expected to detect non-compliance with all laws and regulations.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at www.frc.org.uk/auditorsresponsibilities. This description forms part of our auditor's report.

Use of our report

This report is made solely to the charity's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the charity's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charity and the charity's members as a body, for our audit work, for this report, or for the opinions we have formed.

The notes on pages 14 to 23 form part of these financial statements.

The Jacob Foundation
Company Limited by Guarantee
Notes to the Financial Statements
Year ended 31 December 2024

1. General information

The charity is a public benefit entity and a private company limited by guarantee, registered in England and Wales and a registered charity in England and Wales. The address of the registered office is New Burlington House, 1075 Finchley Road, London NW11 0PU.

2. Statement of compliance

These financial statements have been prepared in compliance with FRS 102, 'The Financial Reporting Standard applicable in the UK and the Republic of Ireland', the Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (Charities SORP (FRS 102)); the Companies Act 2006 and the Charities Act 2011.

3. Accounting policies

Basis of preparation

The financial statements have been prepared on the historical cost basis, as modified by the revaluation of certain financial assets and liabilities and investment properties measured at fair value through income or expenditure.

The financial statements are prepared in sterling, which is the functional currency of the entity.

Group financial statements

The group financial statements incorporate the audited financial statements of the company and its wholly owned subsidiary, The Jewish News Limited, whose financial statements are made up to the same date as the holding company 31 December 2024. A separate statement of financial activities and income and expenditure account for the charity has not been presented because the charity has taken advantage of the exemption afforded by section 408 of the Companies Act 2006.

Going concern

At the time of approving the financial statements, the trustees have a reasonable expectation that the charity has adequate resources to continue in operational existence for the foreseeable future. Thus the trustees continue to adopt the going concern basis of accounting in preparing the financial statements. The Trustees recognise that the trading subsidiary is likely to continue to make losses and the Trustees are satisfied that they should be able to raise sufficient funds (including from existing pledges) to meet the cash flow requirements.

Judgements and key sources of estimation uncertainty

In the application of the charity's accounting policies, the trustees are required to make judgements, estimates and assumptions about the carrying amount of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised where the revision affects only that period, or in the period of the revision and future periods where the revision affects both current and future periods.

No critical accounting estimates were required in preparing these financial statements.

The Jacob Foundation
Company Limited by Guarantee
Notes to the Financial Statements *(continued)*
Year ended 31 December 2024

3. Accounting policies *(continued)*

Fund accounting

General unrestricted funds comprise the accumulated surplus or deficit on income and expenditure account. They are available for use at the discretion of the trustees to further any of the charity's purposes.

Income resources

All income is included in the statement of financial activities when entitlement has passed to the charity, it is probable that the economic benefits associated with the transaction will flow to the charity and the amount can be reliably measured. The following specific policies are applied to particular categories of income:

- Cash donations are recognised on receipt. Other donations are recognised once the charity has been notified of the donation, unless performance conditions require deferral of the amount. Income tax recoverable in relation to donations received under Gift Aid or deeds of covenant is recognised at the time of the donation;
- Interest receivable is accounted for on an accruals basis;
- Trading subsidiary income is recognised when services have been provided to the customer which is considered the point of delivery and is measured at the fair value of the consideration received for services supplied, net of discounts and value added tax.

Resources expended

Expenditure is recognised on an accruals basis as a liability is incurred. Expenditure includes any VAT which cannot be fully recovered, and is classified under headings of the statement of financial activities to which it relates:

- grants for charitable purposes are charged to the SOFA where a constructive obligation exists, notwithstanding that they might be paid in future accounting periods;
- governance costs include those costs incurred in the governance of the charity's assets and are primarily associated with constitutional and statutory requirements;
- trading subsidiary expenses comprise of costs relating to the operation of The Jewish News' publications and website, which is represented net of VAT.

All costs are allocated to expenditure categories reflecting the use of the resource. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs are apportioned between the activities they contribute to on a reasonable, justifiable and consistent basis.

Fixed assets investments

All fixed asset investments are initially recorded at cost.

Shares in the subsidiary company are held at cost as the main purpose of this investment is to provide a service to the community.

Tangible assets

Tangible assets are initially recorded at cost, and subsequently stated at cost less any accumulated depreciation and impairment losses. Any tangible assets carried at revalued amounts are recorded at the fair value at the date of revaluation less any subsequent accumulated depreciation and subsequent accumulated impairment losses.

The Jacob Foundation
Company Limited by Guarantee
Notes to the Financial Statements *(continued)*
Year ended 31 December 2024

3. Accounting policies *(continued)*

Depreciation

Depreciation is calculated so as to write off the cost of an asset, less its estimated residual value, over the useful economic life of that asset as follows:

Plant and machinery	25% straight line
Fixtures and fittings	25% straight line

Cash at bank and in hand

Cash at bank and cash in hand includes cash and short term highly liquid investments with a short maturity of three months or less from the date of acquisition or opening of the deposit or similar account.

Financial instruments

The charity has elected to apply the provisions of Section 11 'Basic Financial Instruments' and Section 12 'Other Financial Instruments Issues' of FRS102 to all of its financial instruments.

Financial instruments are recognised in the charity's balance sheet when the charity becomes party to the contractual provisions of the instrument.

Financial assets and liabilities are offset, with the net amounts presented in the financial statements, when there is a legally enforceable right to set off the recognised amounts and there is an intention to settle on a net basis or to realise the asset and settle the liability simultaneously.

Basic financial assets

Basic financial assets, which include debtors and cash and bank balances, are initially measured at transaction price including transaction costs and are subsequently carried at amortised cost using the effective interest method unless the arrangement constitutes a financing transaction, where the transaction is measured at the present value of the future receipts discounted at a market rate of interest. Financial assets classified as receivable within one year are not amortised.

Basic financial liabilities

Basic financial liabilities, including creditors and bank loans are initially recognised at transaction price unless the arrangement constitutes a financing transaction, where the debt instrument is measured at the present value of the future payments discounted at a market rate of interest. Financial liabilities classified as payable within one year are not amortised.

The Jacob Foundation

Company Limited by Guarantee

Trustees' Annual Report (Incorporating the Director's Report) *(continued)*

Year ended 31 December 2023

Structure, governance and management

The Jacob Foundation ("the Foundation") is a company limited by guarantee number 1864076 and a registered charity number 290759 established in October 1984. The Foundation is governed by its Memorandum and Articles of Association.

The Council of Management meets during the year to consider objectives and policy. All Trustees give their time voluntarily and no benefit or expense was paid to them in the year.

The principal and registered office of the Foundation is New Burlington House, 1075 Finchley Road, London NW11 0PU.

Group structure and relationships

The charity owns the entire share capital of an operating subsidiary The Jewish News Ltd, incorporated in England and Wales, and its company registration number is 03302610. The Jewish News Ltd's registered office is New Burlington House, 1075 Finchley Road, London NW11 0PU.

Management of the group

The day to day operations of the subsidiary are delegated to the management team working within The Jewish News Ltd. Large and one-off type transactions, premises, legal and financial related areas are undertaken and approved by the Trustees.

Risk management

The Trustees have identified and reviewed the major risks to which the Charity is exposed, in particular those relating to the operations and finances of the Charity and are satisfied that the systems are in place to manage those risks.

Objectives and activities

The objects of the Foundation are to generally promote such purposes as are charitable according to the law of England and Wales, and to promote and support foundations, institutions, trusts and undertakings established anywhere in the world exclusively for charitable purposes. The Foundation intends to continue to support similar organisations in the future.

The Foundation has concentrated its activities in operating news outlets serving the Jewish community. The Foundation owns the entire issued share capital of The Jewish News Ltd which publishes The Jewish News newspaper together with its website. The newspaper serves the Jewish Community by providing news, information and a forum in which matters of interest to the community can be discussed. By this means, the charity has provided an important service to the Jewish community.

The Foundation also operates by making grants to institutions that fall within its objects and within its stated policy. Grants were awarded during the year in the amount of £25,000 (2022: £Nil).

The Trustees confirm their compliance with the duty to have due regard to the public benefit guidance published by the Charity Commission when reviewing the Charity's aims and objectives and in planning future activities.

The Jacob Foundation
Company Limited by Guarantee

Trustees' Annual Report (Incorporating the Director's Report) (continued)
Year ended 31 December 2023

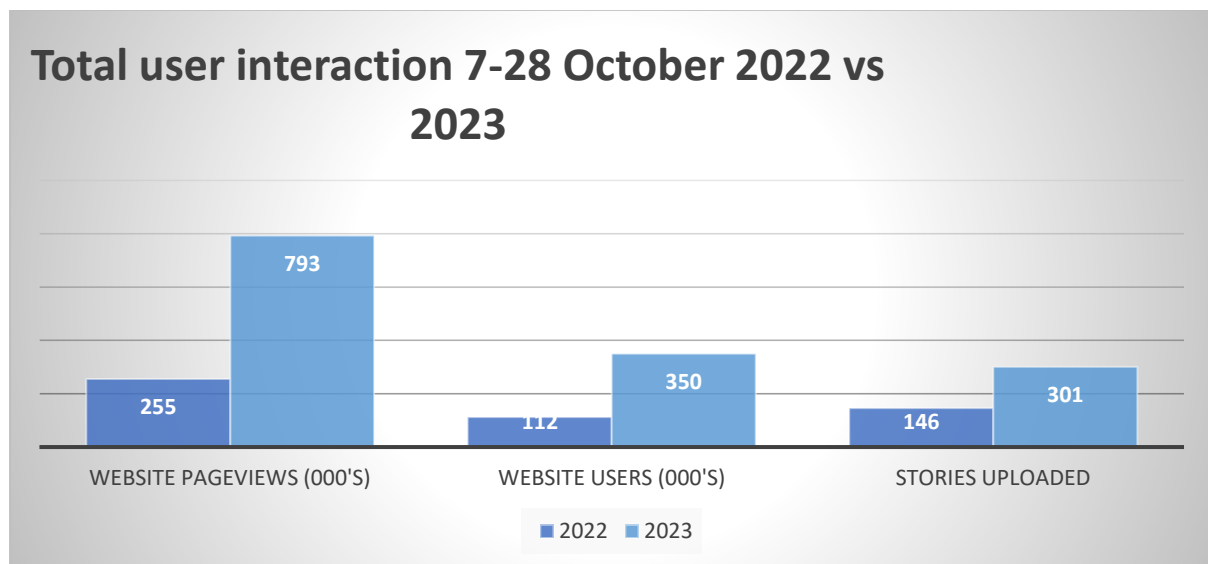

Message from the Council of Management

Community news media continues to be a challenging environment and our focus is to do all we can to reduce the annual support required to maintain the Jewish News as an independent, charity-owned source of agenda-free news, information and ‘connection’ for the Jewish community in Britain. The levels of support needed over the last year or so have been heightened by the impact of the tragic events of 7th October 2023 and the unfolding catastrophe for the region that followed that terrorist outrage.

Following those events, much of the activity around the transformation of the Jewish News business model was put on hold as it was not practical for that tiny organisation both to meet the needs of the community in relation to news flow arising out of the terrible events in Israel and also focus to the extent needed on those future plans.

Jewish News 2023 trading performance was weaker than expected in terms of sales, exacerbated post 7th October with the cancellation of one show (and reduced revenue from the Simcha Show held on 4th November 2023, so within weeks of those tragic events) and the loss of important advertising in the magazines from Israeli advertisers. There were also a number of one-off costs associated with the new website and shift to digital. Aside from this, advertising overall for the year, and revenue levels, were relatively resilient. 2023 full year sales were close to the level in 2022.

With the tragic events of 7th October, the Jewish News organisation effectively shifted to a 24/7 continuous news organisation, generating up to 5 times the number of stories in the equivalent period in the previous year – see sample table below as an illustration of this. Inevitably, costs since 7th October have been higher, with increased use of freelancers and additional staff and other costs. Following consultation with the Foundation, the Jewish News scrapped all paid advertising in the first issue following 7th October - for the first time in its 22 year history, it offered each of the organisations operating appeals free advertising.

The data on website traffic, social media impressions, online articles and blog posts as well as national media appearances by members of the JN team showed a huge peak in activity in October and November 2023, after which they remained very significantly ahead of the level in the prior year –by a factor of at least double in terms of stories produced, and many more in terms of on-line views and social media impressions. We see these numbers and what they tell us in terms of the impact the Jewish News is having, with our support, and the number of people it is reaching in this way as a clear validation of how the Jewish News is directly fulfilling the Foundation’s objectives.

The Jacob Foundation

Company Limited by Guarantee

Trustees' Annual Report (Incorporating the Director's Report) *(continued)*

Year ended 31 December 2023

Annual funding required during 2023 to support the Jewish News reached in excess of £400,000, a level not seen in the Foundation since the years prior to taking on ownership of the Jewish News. This includes for the first time meaningful direct funding from the community at large, based on the results of our Crowdfunding Campaign in late 2023 discussed further below. The latest plan developed during 2024 should in due course bring us to a level well below this which we believe is realistic and consistent with the support we have received from our loyal and committed donors.

The Foundation was established in 1984 (then with the name "the Kessler Foundation") with the primary role of taking over ownership of the Jewish Chronicle newspaper ("JC") from its prior owners, the Kessler family. The structure established in 1984 was primarily intended to ensure transparency of ownership and the independence of the JC from external influence. The JC is now owned and operated under a very different structure but, the Jewish News today has inherited this structure and sits proudly independently under the Foundation. The Jewish News today is the leading independent source of news, information, celebration and advocacy for the British Jewish community.

In this context, the provision of loans to support the operations of the Jewish News is seen by the Trustees as consistent with the fulfilment of the charitable objectives of the Foundation. As at the end of December 2023, outstanding loans to the Jewish News amounted to £830,700 and have continued to rise through the course of 2024 to a level of just over £1.2m. The Trustees conducted a review of the recoverability of these loans in October 2024 and concluded, by reference to external comparable businesses and the forward business plans of the Jewish News, that an impairment to those loans of £500,000 was now appropriate, principally to recognise the impact of the delay in the digital transformation project.

In December 2023, we conducted our first ever public crowd-funding campaign, raising £84,000 (before matching) from around 300 new donors. Raising this significant amount of new funding has helped absorb some of the extra costs and revenue losses from the 7th October attacks and their aftermath. This level of support, and the broad array of very supportive messages received for the campaign right across the key institutions of the British Jewish community, from the Chief Rabbi and other religious leaders to many of the largest charities and most significant philanthropists, have given us great confidence that in the process of confronting the terrible tragedies of the last few months, Jewish News has shown how important it is to our community. A typical example is the following from Edward Isaacs, President of UJS:-

My name is Edward Isaacs and I'm president of UJS. I'm delighted to be supporting the Jewish News fundraising campaign. Over the last few weeks, the Jewish News has been phenomenally helpful in getting the Jewish student voice out there about the current situation on campus. I urge all of you to support the Jewish News as they are key to the success of our Jewish community, and I look forward to working with them over the coming weeks and months ahead to platform the Jewish student experience on campus. Support today for the Jewish News has never been more important. Here's to our success as a community and thank you so much.

The Jacob Foundation

Company Limited by Guarantee

Trustees' Annual Report (Incorporating the Director's Report) *(continued)*

Year ended 31 December 2023

Grant making policy

The charity also makes grants to organisations that meet the criteria laid down by the Foundation's constitution and as agreed by the trustees from time to time.

Achievements and performance

During the period of these accounts, the Foundation has continued to focus considerable effort towards supporting the Jewish News in its mission of providing high quality news and information for the Community, reflective of the broad range of views across the Community, with balance as well as complete transparency and freedom from individual influence.

During the year, the Trustees carried out a sample review, supported by the Foundation's lawyers, of the content of the newspaper to satisfy themselves that the editorial content continues to meet the objectives of the Foundation. The management and editorial team of the Jewish News are congratulated on the continued high quality of the newspaper they produce.

The Jewish News continues to enjoy the support of both the Foundation and the donors who have generously provided financial support to maintain its operation. The continued decline of local newspapers and the ageing nature of the regular readership make clear that the future focus needs to shift increasingly to online and social media content in order to access new and younger readership. The Jewish News continues to develop in those areas and has put together an exciting new strategy to transform its online and social media reach. It is hoped that this move will unlock new sources of revenue and, over time, lead to significant improvement in its financial and trading position.

Financial review

The financial results of the charity for the year ended 31 December 2023 are fully reflected in the attached financial statements together with the notes thereon.

Financial Position

The financial position of the group is satisfactory. The charity's Consolidated Statement of Financial Activities shows a net surplus for the year of £130,899 (2022: net deficit £66,093) and total deficit of £6,682 (2022: £137,581).

Reserves policy

It is the policy of the charity to maintain unrestricted funds, which are the free reserves of the charity, at a level which the Council of Management think appropriate after considering the future commitments of the charity and the likely governance costs of the charity for the next year.

Principal Funding Sources

The Foundation's principal funding source is voluntary donations. The trading subsidiary receives advertising income.

Plans for future periods

The Foundation plans to continue the activities outlined above in the forthcoming years subject to satisfactory incoming resources.

The Jacob Foundation

Company Limited by Guarantee

Trustees' Annual Report (Incorporating the Director's Report) *(continued)*

Year ended 31 December 2023

Trustees' responsibilities statement

The charity trustees (who are also the directors of The Jacob Foundation for the purposes of company law) are responsible for preparing a trustees' annual report and financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Company law requires the charity trustees to prepare financial statements for each year which give a true and fair view of the state of affairs of the charitable company and the group and of the incoming resources and application of resources, including the income and expenditure, of the charitable group for that period. In preparing the financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable UK accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business.

The trustees are responsible for keeping adequate accounting records that are sufficient to show and explain the charity's transactions and disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Statement as to disclosure to our auditors

Each of the persons who is a trustee at the date of approval of this report confirms that:

- so far as they are aware, there is no relevant audit information of which the charity's auditor is unaware; and
- they have taken all steps that they ought to have taken as a trustee to make themselves aware of any relevant audit information and to establish that the charity's auditor is aware of that information.

Auditor

Cohen Arnold is deemed to have been re-appointed in accordance with section 487 of the Companies Act 2006.

Small company provisions

This report has been prepared in accordance with the provisions applicable to companies entitled to the small companies exemption.

The trustees' annual report (incorporating the directors' report) was approved 31 October 2024 and signed on behalf of the board of trustees by:

The Jacob Foundation

Company Limited by Guarantee

Independent Auditor's Report to the Members of The Jacob Foundation

Year ended 31 December 2023

Opinion

We have audited the financial statements of The Jacob Foundation (the 'parent charity') and its subsidiaries (the 'group') for the year ended 31 December 2023 which comprise the consolidated statement of financial activities (including the consolidated income and expenditure account), the consolidated statement of financial position, the statement of financial position, consolidated statement of cash flows and the related notes, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and the United Kingdom Accounting Standards including FRS 102 The Financial Reporting Standard applicable in the UK and Republic of Ireland (United Kingdom Generally Accepted Accounting Practice).

In our opinion the financial statements:

- give a true and fair view of the state of the group's and parent charity's affairs as at 31 December 2023 and of the group's incoming resources and application of resources, including its income and expenditure, for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the group in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

In auditing the financial statements, we have concluded that the trustees' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the group's or the parent charity's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the trustees with respect to going concern are described in the relevant sections of this report.

The Jacob Foundation
Company Limited by Guarantee

Independent Auditor's Report to the Members of The Jacob Foundation *(continued)*

Year ended 31 December 2023

Other information

The other information comprises the information included in the annual report, other than the financial statements and our auditor's report thereon. The trustees are responsible for the other information. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

Opinion on other matter prescribed by the Companies Act 2006

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the trustees' annual report including the strategic report for the financial year for which the financial statements are prepared is consistent with the financial statements; and
- the trustees' annual report including the strategic report has been prepared in accordance with applicable legal requirements.

Matters on which we are required to report by exception

In the light of the knowledge and understanding of the group and the parent charity and its environment obtained in the course of the audit, we have not identified material misstatements in the trustees' annual report.

We have nothing to report in respect of the following matters where the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept by the parent charity, or returns adequate for our audit have not been received from branches not visited by us; or
- the parent charity's financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of trustees' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit; or
- the trustees were not entitled to prepare the financial statements in accordance with the small companies regime and take advantage of the small companies' exemptions in preparing the trustees annual report and from the requirement to prepare a strategic report.

The Jacob Foundation
Company Limited by Guarantee

Independent Auditor's Report to the Members of The Jacob Foundation *(continued)*

Year ended 31 December 2023

Responsibilities of trustees

As explained more fully in the trustees' responsibilities statement, the trustees (who are also the directors for the purposes of company law) are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the trustees are responsible for assessing the group's and the parent charity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the trustees either intend to liquidate the group or the parent charity or to cease operations, or have no realistic alternative but to do so.

Auditor's responsibility for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud. The extent to which our procedures are capable of detecting irregularities, including fraud is detailed below:

- We obtained an understanding of the legal and regulatory frameworks that are applicable to the group through discussion with the trustees and identified financial reporting legislation, charity legislation and media legislation as being most significant to these financial statements.
- We communicated these identified frameworks amongst our audit team and remained alert to any indications of non-compliance throughout the audit. We ensured that the engagement team had sufficient competence and capability to identify or recognise non-compliance with the laws and regulations.
- We discussed with the trustees the policies and procedures regarding compliance with these legal and regulatory frameworks.
- We assessed the susceptibility of the group's financial statements to material misstatement due to non-compliance with legal and regulatory frameworks, including how fraud might occur, by enquiry with the trustees during the planning and finalisation stages of our audit. The susceptibility to such material misstatement was determined to be low.
- Based on this understanding, we designed our audit procedures to identify non-compliance with the identified legal and regulatory frameworks, which were part of our procedures on the related financial statement items. Our procedures included reviewing the group's internal controls policies and procedures, reviewing the minutes of board meetings and correspondence with regulatory bodies including HM Revenue & Customs, testing transactions outside the normal course of the business and journal entries, and discussions with the management.

The Jacob Foundation
Company Limited by Guarantee

Independent Auditor's Report to the Members of The Jacob Foundation *(continued)*

Year ended 31 December 2023

Auditor's responsibility for the audit of the financial statements *(Continued)*

Owing to the inherent limitations of an audit, there is an unavoidable risk that we may not have detected some material misstatements in the financial statements, even though we have properly planned and performed our audit in accordance with auditing standards. For example, the further removed non-compliance with laws and regulations (irregularities) is from the events and transactions reflected in the financial statements, the less likely the inherently limited procedures required by auditing standards would identify it. In addition, as with any audit, there remained a higher risk of non-detection of irregularities, as these may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal controls. We are not responsible for preventing non-compliance and cannot be expected to detect non-compliance with all laws and regulations.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at www.frc.org.uk/auditorsresponsibilities. This description forms part of our auditor's report.

Use of our report

This report is made solely to the charity's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the charity's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charity and the charity's members as a body, for our audit work, for this report, or for the opinions we have formed.

The Jacob Foundation
Company Limited by Guarantee
Notes to the Financial Statements
Year ended 31 December 2023

1. General information

The charity is a public benefit entity and a private company limited by guarantee, registered in England and Wales and a registered charity in England and Wales. The address of the registered office is New Burlington House, 1075 Finchley Road, London NW11 0PU.

2. Statement of compliance

These financial statements have been prepared in compliance with FRS 102, 'The Financial Reporting Standard applicable in the UK and the Republic of Ireland', the Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (Charities SORP (FRS 102)); the Companies Act 2006 and the Charities Act 2011.

3. Accounting policies

Basis of preparation

The financial statements have been prepared on the historical cost basis, as modified by the revaluation of certain financial assets and liabilities and investment properties measured at fair value through income or expenditure.

The financial statements are prepared in sterling, which is the functional currency of the entity.

Group financial statements

The group financial statements incorporate the audited financial statements of the company and its wholly owned subsidiary, The Jewish News Limited, whose financial statements are made up to the same date as the holding company 31 December 2023. A separate statement of financial activities and income and expenditure account for the charity has not been presented because the charity has taken advantage of the exemption afforded by section 408 of the Companies Act 2006.

Going concern

At the time of approving the financial statements, the trustees have a reasonable expectation that the charity has adequate resources to continue in operational existence for the foreseeable future. Thus the trustees continue to adopt the going concern basis of accounting in preparing the financial statements. The Trustees recognise that the trading subsidiary is likely to continue to make losses and the Trustees are satisfied that they should be able to raise sufficient funds (including from existing pledges) to meet the cash flow requirements.

Judgements and key sources of estimation uncertainty

In the application of the charity's accounting policies, the trustees are required to make judgements, estimates and assumptions about the carrying amount of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised where the revision affects only that period, or in the period of the revision and future periods where the revision affects both current and future periods.

No critical accounting estimates were required in preparing these financial statements.

The Jacob Foundation
Company Limited by Guarantee
Notes to the Financial Statements *(continued)*
Year ended 31 December 2023

3. Accounting policies *(continued)*

Fund accounting

General unrestricted funds comprise the accumulated surplus or deficit on income and expenditure account. They are available for use at the discretion of the trustees to further any of the charity's purposes.

Income resources

All income is included in the statement of financial activities when entitlement has passed to the charity, it is probable that the economic benefits associated with the transaction will flow to the charity and the amount can be reliably measured. The following specific policies are applied to particular categories of income:

- Cash donations are recognised on receipt. Other donations are recognised once the charity has been notified of the donation, unless performance conditions require deferral of the amount. Income tax recoverable in relation to donations received under Gift Aid or deeds of covenant is recognised at the time of the donation;
- Interest receivable is accounted for on an accruals basis;
- Trading subsidiary income is recognised when services have been provided to the customer which is considered the point of delivery and is measured at the fair value of the consideration received for services supplied, net of discounts and value added tax.

Resources expended

Expenditure is recognised on an accruals basis as a liability is incurred. Expenditure includes any VAT which cannot be fully recovered, and is classified under headings of the statement of financial activities to which it relates:

- grants for charitable purposes are charged to the SOFA where a constructive obligation exists, notwithstanding that they might be paid in future accounting periods;
- governance costs include those costs incurred in the governance of the charity's assets and are primarily associated with constitutional and statutory requirements;
- trading subsidiary expenses comprise of costs relating to the operation of The Jewish News' publications and website, which is represented net of VAT.

All costs are allocated to expenditure categories reflecting the use of the resource. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs are apportioned between the activities they contribute to on a reasonable, justifiable and consistent basis.

Fixed assets investments

All fixed asset investments are initially recorded at cost.

Shares in the subsidiary company are held at cost as the main purpose of this investment is to provide a service to the community.

Tangible assets

Tangible assets are initially recorded at cost, and subsequently stated at cost less any accumulated depreciation and impairment losses. Any tangible assets carried at revalued amounts are recorded at the fair value at the date of revaluation less any subsequent accumulated depreciation and subsequent accumulated impairment losses.

The Jacob Foundation
Company Limited by Guarantee
Notes to the Financial Statements *(continued)*
Year ended 31 December 2023

3. Accounting policies *(continued)*

Depreciation

Depreciation is calculated so as to write off the cost of an asset, less its estimated residual value, over the useful economic life of that asset as follows:

Plant and machinery	25% straight line
Fixtures and fittings	25% straight line

Cash at bank and in hand

Cash at bank and cash in hand includes cash and short term highly liquid investments with a short maturity of three months or less from the date of acquisition or opening of the deposit or similar account.

Financial instruments

The charity has elected to apply the provisions of Section 11 'Basic Financial Instruments' and Section 12 'Other Financial Instruments Issues' of FRS102 to all of its financial instruments.

Financial instruments are recognised in the charity's balance sheet when the charity becomes party to the contractual provisions of the instrument.

Financial assets and liabilities are offset, with the net amounts presented in the financial statements, when there is a legally enforceable right to set off the recognised amounts and there is an intention to settle on a net basis or to realise the asset and settle the liability simultaneously.

Basic financial assets

Basic financial assets, which include debtors and cash and bank balances, are initially measured at transaction price including transaction costs and are subsequently carried at amortised cost using the effective interest method unless the arrangement constitutes a financing transaction, where the transaction is measured at the present value of the future receipts discounted at a market rate of interest. Financial assets classified as receivable within one year are not amortised.

Basic financial liabilities

Basic financial liabilities, including creditors and bank loans are initially recognised at transaction price unless the arrangement constitutes a financing transaction, where the debt instrument is measured at the present value of the future payments discounted at a market rate of interest. Financial liabilities classified as payable within one year are not amortised.

STRUCTURE, GOVERNANCE AND MANAGEMENT

The Jacob Foundation ("the Foundation") is a company limited by guarantee number 1864076 and a registered charity number 290759 established in October 1984. The Foundation is governed by its Memorandum and Articles of Association.

The Council of Management meets during the year to consider objectives and policy. All Trustees give their time voluntarily and no benefit or expense was paid to them in the year.

The principal and registered office of the Foundation is New Burlington House, 1075 Finchley Road, London NW11 0PU.

RISK MANAGEMENT

The Trustees have identified and reviewed the major risks to which the Charity is exposed, in particular those relating to the operations and finances of the Charity and are satisfied that the systems are in place to manage those risks.

THE JACOB FOUNDATION
COMPANY LIMITED BY GUARANTEE
COUNCIL OF MANAGEMENT'S REPORT (INCLUDING THE DIRECTORS'
REPORT) (continued)
YEAR ENDED 31 DECEMBER 2022

OBJECTIVES AND ACTIVITIES

The objects of the Foundation are to generally promote such purposes as are charitable according to the law of England and Wales, and to promote and support foundations, institutions, trusts and undertakings established anywhere in the world exclusively for charitable purposes. The Foundation intends to continue to support similar organisations in the future.

The Foundation has concentrated its activities in operating news outlets serving the Jewish community. The Foundation owns the entire issued share capital of The Jewish News Limited which publishes The Jewish News newspaper together with its website. The newspaper serves the Jewish Community by providing news, information and a forum in which matters of interest to the community can be discussed. By this means, the charity has provided an important service to the Jewish community.

The Foundation also operates by occasionally making grants to institutions that fall within its objects and within its stated policy. No grants were awarded during the year (2021: £33,030).

The Trustees confirm their compliance with the duty to have due regard to the public benefit guidance published by the Charity Commission when reviewing the Charity's aims and objectives and in planning future activities.

GROUP STRUCTURE AND RELATIONSHIPS

The Charity has one wholly owned non-charitable subsidiary, The Jewish News Limited.

Grant making policy

The charity also makes grants to organisations that meet the criteria laid down by the Foundation's constitution and as agreed by the trustees from time to time.

ACHIEVEMENTS AND PERFORMANCE

The Council of Management's Report for the period ended 30 September 2020 outlined the circumstances which culminated in the Foundation coming to take ownership of the Jewish News.

During the period of these accounts, the Foundation has continued to focus considerable effort towards supporting the Jewish News in its mission of providing high quality news and information for the Community, reflective of the broad range of views across the Community, with balance as well as complete transparency and freedom from individual influence.

During the year, the Trustees reviewed the content of the newspaper to satisfy themselves that the editorial content continues to meet the objectives of the Foundation. The management and editorial team of the Jewish News are congratulated on the continued high quality and relevance of their output.

Unfortunately, during the period, the trading environment remained challenging as a consequence of the extended nature of the pandemic and associated lockdowns and the continued suspension of in-person events which had previously been a valuable source of income for the Jewish News. This meant support required for the newspaper was somewhat higher than had been anticipated.

THE JACOB FOUNDATION
COMPANY LIMITED BY GUARANTEE
COUNCIL OF MANAGEMENT'S REPORT (INCLUDING THE DIRECTORS'
REPORT) (continued)
YEAR ENDED 31 DECEMBER 2022

ACHIEVEMENTS AND PERFORMANCE (continued)

The Jewish News continues to enjoy the support of both the Foundation and the donors who have generously provided financial support to maintain its operation. The continued decline of local newspapers and the ageing nature of the regular readership make clear that the future focus needs to shift increasingly to online and social media content in order to access new and younger readership. The Jewish News continues to develop in those areas and has put together an exciting new strategy to transform its online and social media reach. It is hoped that this move will unlock new sources of revenue and, over time, lead to significant improvement in its financial and trading position.

FINANCIAL REVIEW

The financial results of the charity for the year ended 31 December 2022 are fully reflected in the attached financial statements together with the notes thereon.

Financial Position

The financial position of the charity is satisfactory. The charity's Statement of Financial Activities shows total reserves of £509,894 (2021: £272,914).

Reserves policy

It is the policy of the charity to maintain unrestricted funds, which are the free reserves of the charity, at a level which the Council of Management think appropriate after considering the future commitments of the charity and the likely governance costs of the charity for the next year.

Principal Funding Sources

The Foundation's principal funding source is voluntary donations.

PLANS FOR FUTURE PERIODS

The Foundation plans to continue the activities outlined above in the forthcoming years subject to satisfactory incoming resources.

SMALL COMPANY PROVISIONS

This report has been prepared in accordance with the provisions applicable to companies entitled to the small companies exemption.

The council of management's report (including the directors' report) was approved on 10 October 2023 and signed on behalf of the Council of Management by:

R Gibber

INDEPENDENT EXAMINER'S REPORT TO THE TRUSTEES OF THE JACOB
FOUNDATION
YEAR ENDED 31 DECEMBER 2022

I report to the trustees on my examination of the financial statements of The Jacob Foundation (the charity) for the year ended 31 December 2022.

RESPONSIBILITIES AND BASIS OF REPORT

As the trustees of the company (and also its directors for the purposes of company law) you are responsible for the preparation of the financial statements in accordance with the requirements of the Companies Act 2006 (the 2006 Act).

Having satisfied myself that the accounts of the company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of the charity's accounts as carried out under section 145 of the Charities Act 2011 (the 2011 Act). In carrying out my examination I have followed the Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

INDEPENDENT EXAMINER'S STATEMENT

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

1. accounting records were not kept in respect of the charity as required by section 386 of the 2006 Act; or
2. the financial statements do not accord with those records; or
3. the financial statements do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination; or
4. the financial statements have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

For the year ending 31 December 2022 the charity was entitled to exemption from audit under section 477 of the Companies Act 2006 relating to small companies.

Directors' responsibilities:

- The members have not required the company to obtain an audit of its financial statements for the year in question in accordance with section 476;
- The directors acknowledge their responsibilities for complying with the requirements of the Act with respect to accounting records and the preparation of financial statements.

These financial statements have been prepared in accordance with the provisions applicable to companies subject to the small companies' regime.

These financial statements were approved by the Council of Management and authorised for issue on 10 October 2023, and are signed on behalf of the board by:

THE JACOB FOUNDATION
COMPANY LIMITED BY GUARANTEE
NOTES TO THE FINANCIAL STATEMENTS
YEAR ENDED 31 DECEMBER 2022

1. GENERAL INFORMATION

The charity is a public benefit entity and a private company limited by guarantee, registered in England and Wales and a registered charity in England and Wales. The address of the registered office is New Burlington House, 1075 Finchley Road, London, NW11 0PU.

2. STATEMENT OF COMPLIANCE

These financial statements have been prepared in compliance with FRS 102, 'The Financial Reporting Standard applicable in the UK and the Republic of Ireland', the Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (Charities SORP (FRS 102)) and the Companies Act 2006.

3. ACCOUNTING POLICIES

Basis of preparation

The financial statements have been prepared on the historical cost basis, as modified by the revaluation of certain financial assets and liabilities and investment properties measured at fair value through income or expenditure.

The financial statements are prepared in sterling, which is the functional currency of the entity.

Going concern

At the time of approving the financial statements, the Council of Management have a reasonable expectation that the charity has adequate resources to continue in operational existence for the foreseeable future. Thus the Council of Management continue to adopt the going concern basis of accounting in preparing the financial statements.

Judgements and key sources of estimation uncertainty

In the application of the charity's accounting policies, the Council of Management are required to make judgements, estimates and assumptions about the carrying amount of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised where the revision affects only that period, or in the period of the revision and future periods where the revision affects both current and future periods.

No critical accounting estimates were required in preparing these financial statements.

Fund accounting

Unrestricted funds are available for use at the discretion of the trustees to further any of the charity's purposes.

THE JACOB FOUNDATION
COMPANY LIMITED BY GUARANTEE
NOTES TO THE FINANCIAL STATEMENTS *(continued)*
YEAR ENDED 31 DECEMBER 2022

3. ACCOUNTING POLICIES *(continued)*

Incoming resources

All incoming resources are included in the statement of financial activities when entitlement has passed to the charity; it is probable that the economic benefits associated with the transaction will flow to the charity and the amount can be reliably measured. The following specific policies are applied to particular categories of income:

- Cash donations are recognised on receipt. Other donations are recognised once the charity has been notified of the donation, unless performance conditions require deferral of the amount. Income tax recoverable in relation to donations received under Gift Aid or deeds of covenant is recognised at the time of the donation.

- Interest receivable is accounted for on an accruals basis.

Resources expended

Expenditure is recognised on an accruals basis as a liability is incurred. Expenditure includes any VAT which cannot be fully recovered, and is classified under headings of the statement of financial activities to which it relates:

- Grants for charitable purposes are charged to the SOFA where a constructive obligation exists, notwithstanding that they might be paid in future accounting periods.

- Governance costs include those costs incurred in the governance of the charity's assets and are primarily associated with constitutional and statutory requirements.

Financial instruments

The charity has elected to apply the provisions of Section 11 'Basic Financial Instruments' and Section 12 'Other Financial Instruments Issues' of FRS102 to all of its financial instruments.

Financial instruments are recognised in the charity's balance sheet when the charity becomes party to the contractual provisions of the instrument.

Financial assets and liabilities are offset, with the net amounts presented in the financial statements, when there is a legally enforceable right to set off the recognised amounts and there is an intention to settle on a net basis or to realise the asset and settle the liability simultaneously.

Basic financial assets

Basic financial assets, which include debtors and cash and bank balances, are initially measured at transaction price including transaction costs and are subsequently carried at amortised cost using the effective interest method unless the arrangement constitutes a financing transaction, where the transaction is measured at the present value of the future receipts discounted at a market rate of interest. Financial assets classified as receivable within one year are not amortised.

Basic financial liabilities

Basic financial liabilities, including creditors and bank loans are initially recognised at transaction price unless the arrangement constitutes a financing transaction, where the debt instrument is measured at the present value of the future payments discounted at a market rate of interest. Financial liabilities classified as payable within one year are not amortised.

THE JACOB FOUNDATION
COMPANY LIMITED BY GUARANTEE
NOTES TO THE FINANCIAL STATEMENTS *(continued)*
YEAR ENDED 31 DECEMBER 2022

4. LIMITED BY GUARANTEE

In the event of the Foundation being wound up the liability in respect of the guarantee is limited to £1 per member of the Foundation.

STRUCTURE, GOVERNANCE AND MANAGEMENT

The Jacob Foundation ("the Foundation") is a company limited by guarantee number 1864076 and a registered charity number 290759 established in October 1984. The Foundation is governed by its Memorandum and Articles of Association.

The Council of Management meets during the year to consider objectives and policy. All Trustees give their time voluntarily and no benefit or expense was paid to them in the year.

The principal and registered office of the Foundation is New Burlington House, 1075 Finchley Road, London NW11 0PU.

RISK MANAGEMENT

The Trustees have identified and reviewed the major risks to which the Charity is exposed, in particular those relating to the operations and finances of the Charity and are satisfied that the systems are in place to manage those risks.

THE JACOB FOUNDATION (FORMERLY THE KESSLER FOUNDATION)
COMPANY LIMITED BY GUARANTEE
COUNCIL OF MANAGEMENT'S REPORT (INCLUDING THE DIRECTORS'
REPORT) *(continued)*
PERIOD FROM 1 OCTOBER 2020 TO 31 DECEMBER 2021

OBJECTIVES AND ACTIVITIES

The objects of the Foundation are to generally promote such purposes as are charitable according to the law of England and Wales, and to promote and support foundations, institutions, trusts and undertakings established anywhere in the world exclusively for charitable purposes. The Foundation intends to continue to support similar organisations in the future.

The Foundation has concentrated its activities in operating news outlets serving the Jewish community. The Foundation owns the entire issued share capital of The Jewish News Limited which publishes The Jewish News newspaper together with its website. The newspaper serves the Jewish Community by providing news, information and a forum in which matters of interest to the community can be discussed. By this means, the charity has provided an important service to the Jewish community.

The Foundation also operates by making grants to institutions that fall within its objects and within its stated policy. Grants were awarded during the year in the amount of £33,030 (2020: £920,500).

The Trustees confirm their compliance with the duty to have due regard to the public benefit guidance published by the Charity Commission when reviewing the Charity's aims and objectives and in planning future activities.

GROUP STRUCTURE AND RELATIONSHIPS

The Charity has one wholly owned non-charitable subsidiary, The Jewish News Limited.

Grant making policy

The charity also makes grants to organisations that meet the criteria laid down by the Foundation's constitution and as agreed by the trustees from time to time.

ACHIEVEMENTS AND PERFORMANCE

The Council of Management's Report for the period ended 30 September 2020 outlined the circumstances which culminated in the Foundation coming to take ownership of the Jewish News.

During the period of these accounts, the Foundation has continued to focus considerable effort towards supporting the Jewish News in its mission of providing high quality news and information for the Community, reflective of the broad range of views across the Community, with balance as well as complete transparency and freedom from individual influence.

During the year, the Trustees carried out a sample review, supported by the Foundation's lawyers, of the content of the newspaper to satisfy themselves that the editorial content continues to meet the objectives of the Foundation. The management and editorial team of the Jewish News are congratulated on the continued high quality of the newspaper they produce.

Unfortunately, during the course of 2021, the trading environment continued to deteriorate as a consequence of the extended nature of the pandemic and associated lockdowns and the continued suspension of in-person events which had previously been a valuable source of income for the Jewish News. This meant support required for the newspaper was somewhat higher than had been anticipated.

THE JACOB FOUNDATION (FORMERLY THE KESSLER FOUNDATION)
COMPANY LIMITED BY GUARANTEE
COUNCIL OF MANAGEMENT'S REPORT (INCLUDING THE DIRECTORS'
REPORT) (continued)

PERIOD FROM 1 OCTOBER 2020 TO 31 DECEMBER 2021

ACHIEVEMENTS AND PERFORMANCE (continued)

The Jewish News continues to enjoy the support of both the Foundation and the donors who have generously provided financial support to maintain its operation. The continued decline of local newspapers and the ageing nature of the regular readership make clear that the future focus needs to shift increasingly to online and social media content in order to access new and younger readership. The Jewish News continues to develop in those areas and has put together an exciting new strategy to transform its online and social media reach. It is hoped that this move will unlock new sources of revenue and, over time, lead to significant improvement in its financial and trading position.

FINANCIAL REVIEW

The financial results of the charity for the period ended 31 December 2021 are fully reflected in the attached financial statements together with the notes thereon.

Financial Position

The financial position of the charity is satisfactory. The charity's Statement of Financial Activities shows total reserves of £272,914 (2020: £82,440).

Reserves policy

It is the policy of the charity to maintain unrestricted funds, which are the free reserves of the charity, at a level which the Council of Management think appropriate after considering the future commitments of the charity and the likely governance costs of the charity for the next year.

Principal Funding Sources

The Foundation's principal funding source is voluntary donations.

PLANS FOR FUTURE PERIODS

The Foundation plans to continue the activities outlined above in the forthcoming years subject to satisfactory incoming resources.

SMALL COMPANY PROVISIONS

This report has been prepared in accordance with the provisions applicable to companies entitled to the small companies exemption.

The council of management's report (including the directors' report) was approved on 29/9/2022 and signed on behalf of the Council of Management by:

THE JACOB FOUNDATION (FORMERLY THE KESSLER FOUNDATION)
COMPANY LIMITED BY GUARANTEE
INDEPENDENT EXAMINER'S REPORT TO THE TRUSTEES OF THE JACOB
FOUNDATION (FORMERLY THE KESSLER FOUNDATION)
PERIOD FROM 1 OCTOBER 2020 TO 31 DECEMBER 2021

I report to the trustees on my examination of the financial statements of The Jacob Foundation ('the charity') for the period ended 31 December 2021.

RESPONSIBILITIES AND BASIS OF REPORT

As the trustees of the company (and also its directors for the purposes of company law) you are responsible for the preparation of the financial statements in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

Having satisfied myself that the accounts of the company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of the charity's accounts as carried out under section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

INDEPENDENT EXAMINER'S STATEMENT

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

1. accounting records were not kept in respect of the charity as required by section 386 of the 2006 Act; or
2. the financial statements do not accord with those records; or
3. the financial statements do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination; or
4. the financial statements have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

For the period ending 31 December 2021 the charity was entitled to exemption from audit under section 477 of the Companies Act 2006 relating to small companies.

Directors' responsibilities:

- The members have not required the company to obtain an audit of its financial statements for the period in question in accordance with section 476;
- The directors acknowledge their responsibilities for complying with the requirements of the Act with respect to accounting records and the preparation of financial statements.

These financial statements have been prepared in accordance with the provisions applicable to companies subject to the small companies' regime.

These financial statements were approved by the Council of Management and authorised for issue on 29/9/2022, and are signed on behalf of the board by:

THE JACOB FOUNDATION (FORMERLY THE KESSLER FOUNDATION)
COMPANY LIMITED BY GUARANTEE
NOTES TO THE FINANCIAL STATEMENTS
PERIOD FROM 1 OCTOBER 2020 TO 31 DECEMBER 2021

1. GENERAL INFORMATION

The charity is a public benefit entity and a private company limited by guarantee, registered in England and Wales and a registered charity in England and Wales. The address of the registered office is New Burlington House, 1075 Finchley Road, London, NW11 0PU.

2. STATEMENT OF COMPLIANCE

These financial statements have been prepared in compliance with FRS 102, 'The Financial Reporting Standard applicable in the UK and the Republic of Ireland', the Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (Charities SORP (FRS 102)) and the Companies Act 2006.

3. ACCOUNTING POLICIES

Basis of preparation

The financial statements have been prepared on the historical cost basis, as modified by the revaluation of certain financial assets and liabilities and investment properties measured at fair value through income or expenditure.

The financial statements are prepared in sterling, which is the functional currency of the entity.

Going concern

At the time of approving the financial statements, the Council of Management have a reasonable expectation that the charity has adequate resources to continue in operational existence for the foreseeable future. Thus the Council of Management continue to adopt the going concern basis of accounting in preparing the financial statements.

Judgements and key sources of estimation uncertainty

In the application of the charity's accounting policies, the Council of Management are required to make judgements, estimates and assumptions about the carrying amount of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised where the revision affects only that period, or in the period of the revision and future periods where the revision affects both current and future periods.

No critical accounting estimates were required in preparing these financial statements.

Fund accounting

Unrestricted funds are available for use at the discretion of the trustees to further any of the charity's purposes.

THE JACOB FOUNDATION (FORMERLY THE KESSLER FOUNDATION)
COMPANY LIMITED BY GUARANTEE
NOTES TO THE FINANCIAL STATEMENTS *(continued)*
PERIOD FROM 1 OCTOBER 2020 TO 31 DECEMBER 2021

3. ACCOUNTING POLICIES *(continued)*

Incoming resources

All incoming resources are included in the statement of financial activities when entitlement has passed to the charity; it is probable that the economic benefits associated with the transaction will flow to the charity and the amount can be reliably measured. The following specific policies are applied to particular categories of income:

- Cash donations are recognised on receipt. Other donations are recognised once the charity has been notified of the donation, unless performance conditions require deferral of the amount. Income tax recoverable in relation to donations received under Gift Aid or deeds of covenant is recognised at the time of the donation.

- Interest receivable is accounted for on an accruals basis.

Resources expended

Expenditure is recognised on an accruals basis as a liability is incurred. Expenditure includes any VAT which cannot be fully recovered, and is classified under headings of the statement of financial activities to which it relates:

- Grants for charitable purposes are charged to the SOFA where a constructive obligation exists, notwithstanding that they might be paid in future accounting periods.

- Governance costs include those costs incurred in the governance of the charity's assets and are primarily associated with constitutional and statutory requirements.

Financial instruments

The charity has elected to apply the provisions of Section 11 'Basic Financial Instruments' and Section 12 'Other Financial Instruments Issues' of FRS102 to all of its financial instruments.

Financial instruments are recognised in the charity's balance sheet when the charity becomes party to the contractual provisions of the instrument.

Financial assets and liabilities are offset, with the net amounts presented in the financial statements, when there is a legally enforceable right to set off the recognised amounts and there is an intention to settle on a net basis or to realise the asset and settle the liability simultaneously.

Basic financial assets

Basic financial assets, which include debtors and cash and bank balances, are initially measured at transaction price including transaction costs and are subsequently carried at amortised cost using the effective interest method unless the arrangement constitutes a financing transaction, where the transaction is measured at the present value of the future receipts discounted at a market rate of interest. Financial assets classified as receivable within one year are not amortised.

Basic financial liabilities

Basic financial liabilities, including creditors and bank loans are initially recognised at transaction price unless the arrangement constitutes a financing transaction, where the debt instrument is measured at the present value of the future payments discounted at a market rate of interest. Financial liabilities classified as payable within one year are not amortised.

PERIOD FROM 1 JULY 2019 TO 30 SEPTEMBER 2020

OBJECTIVES AND ACTIVITIES

The objects of the Foundation are to generally promote such purposes as are charitable according to the law of England and Wales, and to promote and support foundations, institutions, trusts and undertakings established anywhere in the world exclusively for charitable purposes. The Foundation intends to continue to support similar organisations in the future.

The Foundation has concentrated its activities in operating news outlets serving the Jewish community. The Foundation previously owned the entire issued share capital of Jewish Chronicle Limited which publishes The Jewish Chronicle newspaper. Currently, The Foundation owns the entire issued share capital of The Jewish News Limited which publishes The Jewish News newspaper together with its website. The newspaper serves the Jewish Community by providing news, information and a forum in which matters of interest to the community can be discussed. By this means, the charity has provided an important service to the Jewish community.

The Foundation also operates by making grants to institutions that fall within its objects and within its stated policy. Grants were awarded during the year in the amount of £920,500 (2019: £nil).

The Foundation raises funds from its trading subsidiary, through investing surplus funds and through charitable donations.

The Trustees confirm their compliance with the duty to have due regard to the public benefit guidance published by the Charity Commission when reviewing the Charity's aims and objectives and in planning future activities.

GROUP STRUCTURE AND RELATIONSHIPS

The Charity has one wholly owned non-charitable subsidiary, The Jewish News Limited.

Grant making policy

The charity also makes grants to organisations that meet the criteria laid down by the Foundation's constitution and as agreed by the trustees from time to time.

ACHIEVEMENTS AND PERFORMANCE

The Sale of the JC and Acquisition of the JN

The report contained in the annual report and financial statements for the year ended 30th June 2019 provide an account of the events leading up to the liquidation and final sale to a third-party of the Jewish Chronicle Limited in a transaction announced on 24th April 2020. Following that transaction, the Foundation received the sum of £1,017,018 as repayment of its loans, secured by debenture, related to the Jewish Chronicle Limited.

THE JACOB FOUNDATION (FORMERLY THE KESSLER FOUNDATION)
COMPANY LIMITED BY GUARANTEE
COUNCIL OF MANAGEMENT'S REPORT (INCLUDING THE DIRECTORS'
REPORT) (continued)
PERIOD FROM 1 JULY 2019 TO 30 SEPTEMBER 2020

Following consultation with the original donors of the funds which had enabled the Foundation to make those loans, a Donations Committee was formed in accordance with the Articles of Association and charitable donations made in varying amounts were made to the following charities:-

	Donation £
JLC Social Care and Assistance Fund	720,000
UJIA	52,000
Greenaway Foundation	50,000
Limmud	40,000
Work Avenue	25,000
JLC Emergency Community Fund	15,000
Jewish Care	7,000
Spread a Smile	5,000
Campaign against Anti-Semitism	2,500
Jewish Blind & Disabled	2,000
CST	2,000
	920,500

These donations were in large part associated with the Jewish community's response to the coronavirus pandemic and assisting Jewish charities facing operating and fundraising challenges as a consequence.

Having made these donations, the Foundation was left with a small residual balance. Following discussions with a small number of potential new donors, a proposal was approved by the Trustees for the Foundation to take ownership of The Jewish News Limited. The Jewish News is the leading source of news and opinion for the UK Jewish community and its former owners had been keen for some time to move its ownership to a charity. The Foundation supported this ambition as a means to ensure that the British Jewish community could continue to rely on the Jewish News to provide high quality news and information for the Community, reflective of the broad range of views across that community, with balance as well as complete transparency and freedom from individual influence. Financial commitments from around a dozen donors from across the community who shared that vision, including the previous owners of the Jewish News, were obtained and agreements for the transfer of the newspaper and its associated website were completed in October 2020.

At around the same time, the name of the Foundation was changed from The Kessler Foundation to The Jacob Foundation. This change signified the end of the near 40-year relationship between the Foundation, the Jewish Chronicle and the Kessler family.

Since taking ownership of the Jewish News, the Foundation has supported that business with a number of loans, but overall, trading has been relatively stable despite the pandemic, and the need for financial support from the Foundation somewhat lower than had been anticipated at the time of taking over ownership the Jewish News. With the support of the Foundation, the Jewish News has been able to further strengthen the editorial team and continue to offer balanced, reliable and innovative news coverage for the Jewish community in Britain. The prospect of a return to holding a number of their popular events in the year ahead is a further source of encouragement.

REPORT) (continued)
PERIOD FROM 1 JULY 2019 TO 30 SEPTEMBER 2020

FINANCIAL REVIEW

The financial results of the charity for the period ended 30 September 2020 are fully reflected in the attached financial statements together with the notes thereon.

Financial Position

The financial position of the charity is satisfactory. The charity's Statement of Financial Activities shows total reserves of £82,440 (2019: £838,643).

Reserves policy

It is the policy of the charity to maintain unrestricted funds, which are the free reserves of the charity, at a level which the Council of Management think appropriate after considering the future commitments of the charity and the likely governance costs of the charity for the next year.

Principal Funding Sources

The Foundation's principal funding source is voluntary donations.

PLANS FOR FUTURE PERIODS

The Foundation plans to continue the activities outlined above in the forthcoming years subject to satisfactory incoming resources.

SMALL COMPANY PROVISIONS

This report has been prepared in accordance with the provisions applicable to companies entitled to the small companies exemption.

The Council of Management's report (including the directors' report) was approved on 27/9/2021 and signed on behalf of the Council of Management by:

INDEPENDENT EXAMINER'S REPORT TO THE TRUSTEES OF THE JACOB
FOUNDATION (FORMERLY THE KESSLER FOUNDATION)
PERIOD FROM 1 JULY 2019 TO 30 SEPTEMBER 2020

I report to the trustees on my examination of the financial statements of The Jacob Foundation ('the charity') for the period ended 30 September 2020.

RESPONSIBILITIES AND BASIS OF REPORT

As the trustees of the company (and also its directors for the purposes of company law) you are responsible for the preparation of the financial statements in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

Having satisfied myself that the accounts of the company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of the charity's accounts as carried out under section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

INDEPENDENT EXAMINER'S STATEMENT

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

1. accounting records were not kept in respect of the charity as required by section 386 of the 2006 Act; or
2. the financial statements do not accord with those records; or
3. the financial statements do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination; or
4. the financial statements have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

For the period ending 30 September 2020 the charity was entitled to exemption from audit under section 477 of the Companies Act 2006 relating to small companies.

Directors' responsibilities:

- The members have not required the company to obtain an audit of its financial statements for the period in question in accordance with section 476;
- The directors acknowledge their responsibilities for complying with the requirements of the Act with respect to accounting records and the preparation of financial statements.

These financial statements have been prepared in accordance with the provisions applicable to companies subject to the small companies' regime.

These financial statements were approved by the Council of Management and authorised for issue on 27/9/2021, and are signed on behalf of the Council of Management by:

THE JACOB FOUNDATION (FORMERLY THE KESSLER FOUNDATION)
COMPANY LIMITED BY GUARANTEE
NOTES TO THE FINANCIAL STATEMENTS
PERIOD FROM 1 JULY 2019 TO 30 SEPTEMBER 2020

1. GENERAL INFORMATION

The charity is a public benefit entity and a private company limited by guarantee, registered in England and Wales and a registered charity in England and Wales. The address of the registered office is New Burlington House, 1075 Finchley Road, London NW11 0PU.

2. STATEMENT OF COMPLIANCE

These financial statements have been prepared in compliance with FRS 102, 'The Financial Reporting Standard applicable in the UK and the Republic of Ireland', the Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (Charities SORP (FRS 102)) and the Companies Act 2006.

3. ACCOUNTING POLICIES

Basis of preparation

The financial statements have been prepared on the historical cost basis, as modified by the revaluation of certain financial assets and liabilities and investment properties measured at fair value through income or expenditure.

The financial statements are prepared in sterling, which is the functional currency of the entity.

Going concern

At the time of approving the financial statements, the Council of Management have a reasonable expectation that the charity has adequate resources to continue in operational existence for the foreseeable future. Thus, the Council of Management continue to adopt the going concern basis of accounting in preparing the financial statements.

The Council of Management have also considered the effect of the ongoing Covid-19 pandemic and consider that it is unlikely to cause a disruption to the Charity.

Judgements and key sources of estimation uncertainty

In the application of the charity's accounting policies, the Council of Management are required to make judgements, estimates and assumptions about the carrying amount of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised where the revision affects only that period, or in the period of the revision and future periods where the revision affects both current and future periods.

No critical accounting estimates were required in preparing these financial statements.

Fund accounting

Unrestricted funds are available for use at the discretion of the trustees to further any of the charity's purposes.

THE JACOB FOUNDATION (FORMERLY THE KESSLER FOUNDATION)
COMPANY LIMITED BY GUARANTEE
NOTES TO THE FINANCIAL STATEMENTS *(continued)*
PERIOD FROM 1 JULY 2019 TO 30 SEPTEMBER 2020

3. ACCOUNTING POLICIES *(continued)*

Incoming resources

All incoming resources are included in the statement of financial activities when entitlement has passed to the charity; it is probable that the economic benefits associated with the transaction will flow to the charity and the amount can be reliably measured. The following specific policies are applied to particular categories of income:

- Cash donations are recognised on receipt. Other donations are recognised once the charity has been notified of the donation, unless performance conditions require deferral of the amount. Income tax recoverable in relation to donations received under Gift Aid or deeds of covenant is recognised at the time of the donation.
- Interest receivable is accounted for on an accruals basis.

Resources expended

Expenditure is recognised on an accruals basis as a liability is incurred. Expenditure includes any VAT which cannot be fully recovered, and is classified under headings of the statement of financial activities to which it relates:

- Grants for charitable purposes are charged to the SOFA where a constructive obligation exists, notwithstanding that they might be paid in future accounting periods.
- Governance costs include those costs incurred in the governance of the charity's assets and are primarily associated with constitutional and statutory requirements.

Financial instruments

The charity has elected to apply the provisions of Section 11 'Basic Financial Instruments' and Section 12 'Other Financial Instruments Issues' of FRS102 to all of its financial instruments.

Financial instruments are recognised in the charity's balance sheet when the charity becomes party to the contractual provisions of the instrument.

Financial assets and liabilities are offset, with the net amounts presented in the financial statements, when there is a legally enforceable right to set off the recognised amounts and there is an intention to settle on a net basis or to realise the asset and settle the liability simultaneously.

Basic financial assets

Basic financial assets, which include debtors and cash and bank balances, are initially measured at transaction price including transaction costs and are subsequently carried at amortised cost using the effective interest method unless the arrangement constitutes a financing transaction, where the transaction is measured at the present value of the future receipts discounted at a market rate of interest. Financial assets classified as receivable within one year are not amortised.

Basic financial liabilities

Basic financial liabilities, including creditors and bank loans are initially recognised at transaction price unless the arrangement constitutes a financing transaction, where the debt instrument is measured at the present value of the future payments discounted at a market rate of interest. Financial liabilities classified as payable within one year are not amortised.
