The Blenheim Foundation

Trustees' report for the year ended 5 April 2025

The Trustees present their Annual report under the Charities Act 2011 together with the independently examined financial statements for the year ended 5 April 2025 which have been prepared in accordance with the requirements of the Act and the Statement of Recommended Practice (SORP), applicable to charities preparing their financial statements in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) issued by the Charity Commission and effective from 1 January 2019.

1. Reference and Administration Information

Reference and administration information is set out on the Legal and administrative information page.

2. Structure, Governance and Management

(a) This settlement was created by deed dated 6 November 1984 by the 11th Duke of Marlborough in charitable form. The charitable objects of the settlement are as follows:-

(i) the restoration and preservation of Blenheim Palace and park and other specified buildings and land in the vicinity thereof for the public benefit;

(ii) the promotion of the study and appreciation of Blenheim Palace and park as a place of historic and architectural interest and natural beauty;

(iii) the education of the public in the arts of architecture, landscaping and history; and

(iv) the provision, or assistance in the provision, of social welfare facilities at Blenheim for recreation or other leisure activities with the object of improving the conditions of life of the public at large.

The 11th Duke of Marlborough died on 16 October 2014.

(b) The Trustees have powers to pay or apply all or part of the income and capital of the settlement for the above purposes.

(c) No part of the trust fund or the income thereof may be applied on the restoration or preservation of any property which is occupied personally by the Duke or any other person or any part of Blenheim Palace and park not regularly open to the public or used for commercial purposes.

(d) Subject to the above, the Trustees may, if they consider the purposes of the trust can no longer be fulfilled, transfer the trust fund to such charity as they shall, at their absolute discretion, select.

(e) On 13 December 1984 the trustees of Blenheim Settled Estates conveyed some 10 acres of land at Long Hanborough, together with 7 Witney Road, to the Trustees to be held as an accretion to the capital.

(f) The original settled capital, together with accretions thereto, are considered to be the equivalent of an expendable endowment. No restriction has been placed on the Trustees on its application.

3. Statutory objectives, aims and activities

The Settlement meets its objectives by funding various restoration projects at Blenheim Palace and in Blenheim Park, in areas open to the public.

The Blenheim Foundation

Trustees' report for the year ended 5 April 2025

4. Restoration funding at Blenheim Palace in Blenheim Park

Following discussions during the year ended 5 April 2009 and agreement by the Charity Commission the Trustees entered into an agreement with the Blenheim Palace Visitors Partnership whereby in general Blenheim Palace Visitors Partnership undertakes all restoration works on the Palace and Park with the Blenheim Foundation only making a contribution towards the cost of specific projects in order to ensure the efficient management of all restoration projects being undertaken. The Blenheim Palace Visitors Partnership came to an end on 31 March 2015 and restoration work was until December 2016 undertaken by Blenheim Visitors Limited, however, a new charitable company limited by guarantee, the Blenheim Palace Heritage Foundation, has now taken over the house opening operations and now undertakes restoration work on the Palace and Park.

In addition, in order that the grant support could be suitably co-ordinated, the Trustees of the Blenheim Palace 1984 and 2006 Maintenance Fund Settlements agreed that they would make any distributions for the maintenance and restoration of Blenheim Palace and Park to the Trustees of the Blenheim Foundation, subject to the Trustees of the Blenheim Foundation undertaking expenditure of such sums only on Blenheim Palace and Park. Following agreement by HM Revenue & Customs of these arrangements, the three sets of Trustees of the Settlements have entered into an agreement to this effect. Following Blenheim Palace Heritage Foundation undertaking restoration work on the Palace and Park donations from the Maintenance Fund Settlements now pass directly to that Foundation.

The Blenheim Foundation, New York, a United States registered charity, has similar objectives as those set out in paragraph 2 above and this Foundation has made grants to the Foundation to assist in projects being undertaken by the UK Trustees (see 7(a) below).

5. Achievements for the year

During the year the Trustees made no charitable donations.

6. Public Benefit

The public benefit of the Foundation's grant making is met by the Trustees applying funds in assisting those areas of Blenheim Palace and Park open to the public being preserved for the enjoyment of the public both now and in the future. The Trustees have complied with the duty under the Charities Act 2011 to have due regard to the public benefit.

All Trustees work on a voluntary basis and receive no benefits from the Foundation.

The Foundation's Public Benefit Policy is reviewed annually by the Trustees.

The Trustees have regard to the guidance contained in the Charity Commission's general guidance on public benefit when reviewing their aims and objectives and in planning their future activities.

7. Financial Review

(a) The Trustees have an ongoing programme of projects for the maintenance and restoration of Blenheim Palace. The income of the Foundation is, subject to reserves for future restoration projects, being applied for the maintenance and restoration of Blenheim Palace. The Trustees may also apply the original settled property (and accretions thereto) for such maintenance and restoration.

(b) During the year ended 5 April 2025 the Trustees received donations of £22,000 (2024: £nil) and gross investment income of £185,058 (2024: £65,035). The Trustees approved restoration expenditure of £885,000 of which £207,058 came from unrestricted income and £677,942 from capital (2024: £87,894 of which £65,035 came from unrestricted income and £22,859 from capital).

(c) All governance costs incurred during the year were met from capital.

The Blenheim Foundation

Trustees' report for the year ended 5 April 2025

(d) During the year profits of £699,645 were realised on the investment portfolio. The overall value of the investments decreased from £10,982,650 to £10,591,250, including the effect of unrealised losses on the portfolio.

8. Risk Management

The Trustees assess annually the risks facing the Settlement and review the effectiveness of the contracts to monitor and mitigate against them.

9. Investment Policy

The Settlement's investments are regarded as long-term assets, the purpose of which is to generate income and capital gains on a long-term basis which maintain real value for funding the Settlement's expenditure on its charitable objectives. There is no limitation on the investment powers of the Trustees and they may acquire assets, including land and chattels, either as investments or in furtherance of the objects set out in paragraph 2 above. The day-to-day management of the investments is handled by independent investment managers with discretionary powers within appropriate limits set by the Trustees. The Trustees meet with their investment advisors on a regular basis to review their performance.

10. Reserves Policy

Whilst the Foundation's reserves are wholly made up of an expendable endowment, the Trustees regard the reserves as split between the following categories:-

(a) **Expendable Endowment** The purpose of the Expendable Endowment is to maintain the original capital of the Foundation and protect it against inflation by retaining available gains (as reduced by relevant costs) to ensure the long term viability of the Foundation.

(b) **Restricted Fund.** This reserve represents funds received from the Blenheim Foundation, New York, which can only be applied for projects at Blenheim Palace specified by the donor. This fund had a nil balance as at 6 April 2024 and 5 April 2025 and there were no transactions to report for the year.

(c) **Unrestricted Income.** This is the element of the reserves that the Trustees regard as being immediately available to meet expenditure on the preservation and restoration of Blenheim Palace in accordance with the Foundation's objectives. To the extent that income is not available to meet any restoration projects undertaken or funded by the Trustees their intention is that such costs will be funded from the Capital Account.

The Blenheim Foundation

Trustees' report for the year ended 5 April 2025

11. Statement of Responsibilities of the Trustees

The Trustees are responsible for preparing the annual report and the financial information in accordance with applicable law and regulations.

Charity law requires the Trustees to prepare financial information for each financial year. Under that law the Trustees have elected to prepare the financial information in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). The financial information is required by law to give a true and fair view of the state of affairs of the charity and of the surplus or deficit of the charity for that period. In preparing the financial information, the Trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP
- make judgements and estimates that are reasonable and prudent;
- state whether applicable UK accounting standards have been followed, subject to any material departures disclosed and explained in the financial information; and
- prepare the financial information on the going concern basis unless it is inappropriate to presume that the charity will continue in operation.

The Trustees are responsible for keeping proper records which disclose with reasonable accuracy the financial position of the Foundation and to enable them to ensure that the financial information complies with the Charities Act 2011. They are also responsible for safeguarding the assets of the Foundation and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

12. Appointment of Trustees

The power of appointment is vested in the holder of the title of the Dukedom of Marlborough.

The financial position is as set out in the financial information on pages 6 to 14.

We hereby approve this report.

For and on behalf of the Trustees

The Blenheim Foundation

Independent examiner's report to the trustees of the Blenheim Foundation

I report to the trustees on my examination of the financial information of The Blenheim Foundation for the year ended 5 April 2025 which comprise the statement of financial activities, the balance sheet and the notes to the financial information, including a summary of significant accounting policies.

Respective responsibilities of trustees and examiner and basis of report

As the charity's trustees, you are responsible for the preparation of the financial information in accordance with the requirements of the Charities Act 2011 ("the Act").

I report in respect of my examination of the charity's financial information carried out under section 145 of the Act and in carrying out my examination I have followed all the applicable directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the charity as required by section 130 of the Act; or
2. the financial information does not accord with those records; or

3. the financial information does not comply with the applicable requirements concerning the form and content of the financial information set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the financial information gives a true and fair view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the financial information to be reached.

The notes on pages 8 - 14 form part of the financial information

The Blenheim Foundation

Notes to the financial information for the year ended 5 April 2025

1 Accounting policies

1.1 General information

The Blenheim Foundation was established as a charitable trust by a deed dated 6 November 1984. It is registered with the Charity Commission in England & Wales (No. 290988). The address of the principal office is Withers LLP, 20 Old Bailey, London, EC4M 7AN.

1.2 Basis of preparation

The financial information has been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their financial information in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019). The financial information is also prepared in accordance with the Charities Act 2011.

The financial information has been prepared under the historical cost convention, as modified to include investments at market value.

The trustees confirm that the charity is a public benefit entity as defined by FRS102.

The financial information is prepared on a going concern basis; there are no material uncertainties about the charity's ability to continue as a going concern.

1.3 Fund accounting

Unrestricted funds are available for use at the discretion of the trustees in furtherance of the general objectives of the charity and have not been designated for other purposes.

The expendable endowment represents the original capital of the Foundation, together with the additional funds added on 13 December 1984 by the Trustees of the Blenheim Settled Estates and certain transfers in respect of realised and unrealised gains less certain allocated expenditure. There is no requirement to spend the expendable endowment unless, or until, the charity's trustees decide to do so. These funds are invested to produce unrestricted income which can be spent in accordance with the charitable objects.

1.4 Functional currency

The financial information is prepared in sterling, which is the functional currency of the charity. Monetary amounts in the financial information are rounded to the nearest £.

1.5 Income

Investment income and interest is credited to the Statement of financial activities in the period in which it is receivable. Donations are credited in the period in which they are receivable.

The Blenheim Foundation

Notes to the financial information for the year ended 5 April 2025

1 Accounting policies

(Continued)

1.6 Expenditure

Expenditure is recognised on an accruals basis as a liability is incurred. Expenditure includes any VAT which cannot be recovered and is reported as part of the expenditure to which it relates.

Support costs consist of costs not directly attributable to direct charitable expenditure but which are in respect of the general administration of the charity and overall management of the funds.

1.7 Investments

Investments are stated at market value at the balance sheet date. Realised and unrealised gains or losses are recognised in the Statement of financial activities. Realised gains or losses are the difference between disposal proceeds and cost. Unrealised gains or losses are the difference between the market value at the year end and the opening market value (or original cost if purchased in the year).

1.8 Heritage assets

Heritage assets are chattels and are stated in the financial information at cost in accordance with the historical cost convention. The Heritage assets are held at Blenheim Palace and are on display to the public. No provision is made in the financial information for any depreciation of the assets as this is considered to be negligible. In the event of a disposal of a chattel any realised profit (or loss) is taken through the statement of financial activities and then transferred to/(from) the Endowment funds.

The Foundation received a donation of Heritage assets from Victor Churchill in 2009 which have not been included in the balance sheet as the Trustees consider the significant costs involved in obtaining a valuation would exceed the additional benefit derived by the users of the financial information in assessing the Trustees' stewardship of the assets.

1.9 Foreign currency translation

Assets and liabilities in foreign currencies are translated into sterling at the rates of exchange ruling at the balance sheet date. Transactions in foreign currencies are translated into sterling at the rate of exchange ruling at the date of transaction. Exchange rate differences are taken into account in arriving at the net movement in funds.

1.10 Cash flow statement

No cash flow statement is included in the financial information as the Settlement is exempt being a small charity.

The Blenheim Foundation

Notes to the financial information for the year ended 5 April 2025

2 Expenditure

	2025 £	2024 £
