Charity Registration Number 291070

TRUSTEES' ANNUAL REPORT

The Trustees of The Beis Nadvorne Charitable Trust (“the Charity”) present their Annual Report along with the Unaudited Accounts (“the Accounts”) of the Charity for the year from 1 October 2023 to 30 September 2024. The Accounts have been prepared in accordance with the Accounting Policies set out on Pages 8 & 9 and comply with the Charity’s Governing Document, the Charities Act 2011 and the relevant version of the Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK (FRS 102).

- **OBJECTIVES AND ACTIVITIES**

Summary of purposes of the Charity as set out in its Governing Document

The Trustees shall stand possessed of the Trust Fund upon trust to pay or apply the whole of the income and the capital of the Trust Fund to or towards or in furtherance or for the benefit of such one or more charities, charitable institutions or charitable purposes in any part of the world in such shares and in such manner as the Trustees in their absolute discretion may from time to time determine provided always that:

1. The Trustees shall have power if they so think fit to make payments direct to individual persons in any part of the world (provided that such persons shall qualify as charitable beneficiaries according to English Law) and shall not be limited to making payments to organisations or institutions.
2. Nothing herein contained shall empower or authorise the Trustees to apply any part of the Trust Fund or the income thereof other than for the purposes which are charitable according to English Law.

Charities and Public Benefit

The Trustees have considered the Charity Commission’s general guidance on public benefit and are satisfied that the Charity complies with that guidance.

Grant Making Policy

To act according to the Declaration of Trust which enables grants to be made from both income and capital. All applications to the Charity for grants, donations or loans are considered carefully by the Trustees at regular meetings. On most occasions, if the Trustees feel that the application meets their approval in principle, they will meet the applicants face to face and discuss with them the most effective way of providing assistance. The Trustees usually then have a further meeting before making a decision as to whether assistance should be granted, and if so, in what form and to what level.

The Trustees find that, in most cases, this is the most effective way of aiding Charitable Institutions and Beneficiaries as it allows the Trustees a degree of flexibility in terms of deciding whether they will assist by way of a Donation or a Charitable Loan and also ensures that each application to the Charity is considered fairly.

- **ACHIEVEMENTS AND PERFORMANCE**

Summary of the main achievements of the Charity

The Trustees continued to support The Beis Nadvorne Synagogue, Institutions of Higher and Further Education, and Institutions caring for the poor and sick, who qualify as Charitable Beneficiaries under English Law.

During the current year, the Trustees are delighted to announce that the Charity in the year ended 30 September 2023 made donations of some £575k (2023: £634k) to Charitable Beneficiaries and Institutions that support such Beneficiaries.

Monies are raised by way of Charitable Donations received from Charitable Foundations, Corporate Donors and Individuals. The Charity also owns a portfolio of residential properties which provide rental income for the Charity to distribute. The returns on investment from the Investment Properties are detailed in the Investments Policy below.

TRUSTEES' ANNUAL REPORT *(Continued)*

- **FINANCIAL REVIEW**

Review of the Charity's Financial Position at the end of the period

The Charity's Incoming Resources increased/(decreased) by some £235k (2023: *increased £29k*), the Trustees (increased)/decreased its Resources Expended by some £168k (2023: *increased of £79k*) and, including a surplus on the disposal of one of the Charity's Investments in the sum of £68k (2023: *£0k*). The Trustees took the view that the Covid-19 pandemic made the value of its Investment Properties uncertain and, as in the previous year, they kept the valuation of its portfolio without change (2023: *£0k*). In the current year, the Trustees' opinion is that the market has stabilised and property values have been left unchanged. Consequently, there was a surplus for the year of some £34k (2023: *surplus £38k*). The Charity's Funds therefore increased/decreased by the same amount (2023: *increased/decreased by the same amount*).

Reserves Policy

The Charity's Reserves are represented primarily in Fixed Assets as described in the section headed "Investments Policy". The Trustees try to retain cash reserves where practical, however, the continued improvement of the Investment Property portfolio and Synagogue facilities are the primary objectives. The Trustees feel comfortable relying on their pool of donors and work hard to ensure that the Charity is not dependent on one or two individuals which ensures regular cash flow into the Charity. At the end of the year the Charity held an Unrestricted Fund Reserve amounting to £2.97m (2023: *£2.93m*).

The Charity does not normally retain cash however, it currently has large reserves, mainly incorporating the Revaluation Reserve £1,579k (2023: *£1,584k*) which is unrealised and not yet available for distribution. The balance of Reserves is the Income and Expenditure Account £1,389k (2023: *£1,350k*) which comprises property rental surpluses used to pay off borrowings which had been drawn down to fund property investments made in the past. The Trustees have taken the decision to temporarily cease making further property investments. In time, when the Trustees feel that the property market is at the point where it is in the interests of the Charity and its Beneficiaries to sell, the net proceeds will become available for distribution or reinvestment in other income producing assets.

Going Concern

The Trustees have prepared the Unaudited Accounts on a going concern basis because in their opinion it is appropriate to presume that the Charity will continue in operation.

Investments Policy

The Charity owns a portfolio of Residential Investment Properties and aims to achieve a return based on rental income in excess of 3.0% based on the Trustees' valuation. The Trustees aim to achieve capital growth in the market value of these properties in excess of 3.0% per annum.

The Trustees are pleased to report that the rental income in the year from the Investment Properties was £193k (2023: *£238k*) which follows the disposal of that investment during the year, meeting the target with a return of 6.67% (2023: *7.6%*). The Trustees do not expect any long-term negative consequences from Covid-19 for the Charity from the general downturn in the UK property market on the contrary, now that the UK property market is recovering the Charity is going to benefit from further Capital and Rental growth and that it is in the best interests of the Charity and its beneficiaries for the Charity to continue holding these Investments for the foreseeable future.

TRUSTEES' ANNUAL REPORT *(Continued)*

Risk Management

There are three major risks that have been identified by the Trustees. The first is the risk of a fall in property values and rental income. The Trustees feel that the risk is mitigated by their expertise in the property market, which they feel would allow them to protect the interests of the Charity. The Trustees meet regularly to assess the performance of the Charity's property portfolio. The Trustees feel that, due to stability in rental income, it is in the best interest of the Charity and its beneficiaries for the Charity to continue to hold the properties for the foreseeable future.

The second is the risk of a reduction in donations. The Trustees feel that this is beyond their control, however, they continue to monitor the situation on an ongoing basis.

Thirdly, there is a risk that Charitable Loans will not be repaid. This is mitigated by the careful consideration and interviewing of applicants by the Trustees prior to any funding being provided. To date, the Charity has not had to write off any loans.

● ***STRUCTURE, GOVERNANCE AND MANAGEMENT***

INDEPENDENT EXAMINER'S REPORT
TO THE TRUSTEES OF
THE BEIS NADVORNE CHARITABLE TRUST

Charity Registration Number 291070

FOR THE YEAR 1 OCTOBER 2023 TO 30 SEPTEMBER 2024

I report to the Trustees on my examination of the Unaudited Accounts ("the Accounts") of The Beis Nadvorne Charitable Trust ("The Charity") for the year ended 30 September 2024.

Responsibilities and Basis of Report

As the Charity's Trustees, you are responsible for the preparation of the Accounts in accordance with the requirements of the Charities Act 2011 ("the 2011 Act").

I report in respect of my examination of the Accounts of the Charity carried out under Section 145 of the 2011 Act and in carrying out my examination, I have followed all the applicable Directions given by the Charity Commission (under Section 145(5)(b) of the 2011 Act).

Independent Examiner's Statement

The Charity's gross income exceeded £250,000 and I am qualified to undertake the examination by being a qualified member of The Institute of Chartered Accountants in England and Wales.

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination which give me cause to believe that in, any material respect:

- the accounting records were not kept in accordance with Section 130 of the 2011 Act; or
- the Accounts do not accord with the accounting records; or
- the Accounts did not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair view' which is not a matter considered as part of an independent examination.

Your attention is drawn to the fact that the Charity has prepared the Accounts in accordance with the relevant version of the Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK (FRS 102) in preference to the Accounting and Reporting by Charities: Statement of Recommended Practice issued on 1 April 2005 which is referred to in the extant regulations but has since been withdrawn. We understand that this has been done in order for the Accounts to provide a true and fair view in accordance with UK Generally Accepted Accounting Practice.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the Accounts to be reached.

TRUSTEES' ANNUAL REPORT

The Trustees of The Beis Nadvorne Charitable Trust (“the Charity”) present their Annual Report along with the Unaudited Accounts (“the Accounts”) of the Charity for the year from 1 October 2022 to 30 September 2023. The Accounts have been prepared in accordance with the Accounting Policies set out on Pages 8 & 9 and comply with the Charity’s Governing Document, the Charities Act 2011 and the relevant version of the Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK (FRS 102).

- **OBJECTIVES AND ACTIVITIES**

Summary of purposes of the Charity as set out in its Governing Document

The Trustees shall stand possessed of the Trust Fund upon trust to pay or apply the whole of the income and the capital of the Trust Fund to or towards or in furtherance or for the benefit of such one or more charities, charitable institutions or charitable purposes in any part of the world in such shares and in such manner as the Trustees in their absolute discretion may from time to time determine provided always that:

1. The Trustees shall have power if they so think fit to make payments direct to individual persons in any part of the world (provided that such persons shall qualify as charitable beneficiaries according to English Law) and shall not be limited to making payments to organisations or institutions.
2. Nothing herein contained shall empower or authorise the Trustees to apply any part of the Trust Fund or the income thereof other than for the purposes which are charitable according to English Law.

Charities and Public Benefit

The Trustees have considered the Charity Commission’s general guidance on public benefit and are satisfied that the Charity complies with that guidance.

Grant Making Policy

To act according to the Declaration of Trust which enables grants to be made from both income and capital. All applications to the Charity for grants, donations or loans are considered carefully by the Trustees at regular meetings. On most occasions, if the Trustees feel that the application meets their approval in principle, they will meet the applicants face to face and discuss with them the most effective way of providing assistance. The Trustees usually then have a further meeting before making a decision as to whether assistance should be granted, and if so, in what form and to what level.

The Trustees find that, in most cases, this is the most effective way of aiding Charitable Institutions and Beneficiaries as it allows the Trustees a degree of flexibility in terms of deciding whether they will assist by way of a Donation or a Charitable Loan and also ensures that each application to the Charity is considered fairly.

- **ACHIEVEMENTS AND PERFORMANCE**

Summary of the main achievements of the Charity

The Trustees continued to support The Beis Nadvorne Synagogue, Institutions of Higher and Further Education, and Institutions caring for the poor and sick, who qualify as Charitable Beneficiaries under English Law.

During the current year, the Trustees are delighted to announce that the Charity in the year ended 30 September 2023 made donations of some £634k (2022: £644k) to Charitable Beneficiaries and Institutions that support such Beneficiaries.

Monies are raised by way of Charitable Donations received from Charitable Foundations, Corporate Donors and Individuals. The Charity also owns a portfolio of residential properties which provide rental income for the Charity to distribute. The returns on investment from the Investment Properties are detailed in the Investments Policy below.

TRUSTEES' ANNUAL REPORT (Continued)

- **FINANCIAL REVIEW**

Review of the Charity's Financial Position at the end of the period

The Charity's Incoming Resources increased by some £29k (2022: *increased £252k*), the Trustees increased its Resources Expended by some £79k (2022: *increased of £207k*) and, including a surplus on the disposal of one of the Charity's Investments in the sum of £0k (2022: *£0k*). The Trustees took the view that the Covid-19 pandemic made the value of its Investment Properties uncertain and, as in the previous year, they kept the valuation of its portfolio without change (2022: *£0k*). Current year the Trustees opinion is that the market has stabilised on property values have been left unchanged. Consequently, there was a surplus for the year of some £38k (2022: *surplus £88k*). The Charity's Funds therefore increased/decreased by the same amount (2022: *increased/decreased by the same amount*).

Reserves Policy

The Charity's Reserves are represented primarily in Fixed Assets as described in the section headed "Investments Policy". The Trustees try to retain cash reserves where practical, however, the continued improvement of the Investment Property portfolio and Synagogue facilities are the primary objectives. The Trustees feel comfortable relying on their pool of donors and work hard to ensure that the Charity is not dependent on one or two individuals which ensures regular cash flow into the Charity. At the end of the year the Charity held an Unrestricted Fund Reserve amounting to £2.934m (2022: *£2.895m*).

The Charity does not normally retain cash however, it currently has large reserves, mainly incorporating the Revaluation Reserve £1,584k (2022: *£1,584k*) which is unrealised and not yet available for distribution. The balance of Reserves is the Income and Expenditure Account £1,350k (2022: *£1,312k*) which comprises property rental surpluses used to pay off borrowings which had been drawn down to fund property investments made in the past. The Trustees have taken the decision to temporarily cease making further property investments. In time, when the Trustees feel that the property market is at the point where it is in the interests of the Charity and its Beneficiaries to sell, the net proceeds will become available for distribution or reinvestment in other income producing assets.

Going Concern

The Trustees have prepared the Unaudited Accounts on a going concern basis because in their opinion it is appropriate to presume that the Charity will continue in operation.

Investments Policy

The Charity owns a portfolio of Residential Investment Properties and aims to achieve a return based on rental income in excess of 3.0% based on the Trustees' valuation. The Trustees aim to achieve capital growth in the market value of these properties in excess of 3.0% per annum.

The Trustees are pleased to report that the rental income in the year from the Investment Properties was £238k (2022: *£170k*), meeting the target with a return of 7.6% (2022: *5.5%*). The Trustees do not expect any long-term negative consequences from Covid-19 for the Charity from the general downturn in the UK property market on the contrary, now that the UK property market is recovering the Charity is going to benefit from further Capital and Rental growth and that it is in the best interests of the Charity and its beneficiaries for the Charity to continue holding these Investments for the foreseeable future.

TRUSTEES' ANNUAL REPORT *(Continued)*

Risk Management

There are three major risks that have been identified by the Trustees. The first is the risk of a fall in property values and rental income. The Trustees feel that the risk is mitigated by their expertise in the property market, which they feel would allow them to protect the interests of the Charity. The Trustees meet regularly to assess the performance of the Charity's property portfolio. The Trustees feel that, due to stability in rental income, it is in the best interest of the Charity and its beneficiaries for the Charity to continue to hold the properties for the foreseeable future.

The second is the risk of a reduction in donations. The Trustees feel that this is beyond their control, however, they continue to monitor the situation on an ongoing basis.

Thirdly, there is a risk that Charitable Loans will not be repaid. This is mitigated by the careful consideration and interviewing of applicants by the Trustees prior to any funding being provided. To date, the Charity has not had to write off any loans.

● ***STRUCTURE, GOVERNANCE AND MANAGEMENT***

The Charity is constituted by Declaration of Trust dated 18 July 1984 and was Registered with the Charity Commission on 19 February 1985 under Charity Number 291070.

The Trustees in office in the year were as follows:

M. S. Landau
M. Leifer
Mrs. S. D. Leifer

The power of appointing new Trustees or a new Trustee thereof shall be exercisable by the persons who are, for the time being, the Trustees hereof.

● ***REFERENCE AND ADMINISTRATIVE DETAILS***

Reference and Administrative Details are set out on Page 1 and form part of this report.

The Trustees declare that they have approved the Trustees' Report above.

INDEPENDENT EXAMINER'S REPORT
TO THE TRUSTEES OF
THE BEIS NADVORNE CHARITABLE TRUST

Charity Registration Number 291070

FOR THE YEAR 1 OCTOBER 2022 TO 30 SEPTEMBER 2023

I report to the Trustees on my examination of the Unaudited Accounts ("the Accounts") of The Beis Nadvorne Charitable Trust ("The Charity") for the year ended 30 September 2023.

Responsibilities and Basis of Report

As the Charity's Trustees, you are responsible for the preparation of the Accounts in accordance with the requirements of the Charities Act 2011 ("the 2011 Act").

I report in respect of my examination of the Accounts of the Charity carried out under Section 145 of the 2011 Act and in carrying out my examination, I have followed all the applicable Directions given by the Charity Commission (under Section 145(5)(b) of the 2011 Act).

Independent Examiner's Statement

The Charity's gross income exceeded £250,000 and I am qualified to undertake the examination by being a qualified member of The Institute of Chartered Accountants in England and Wales.

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination which give me cause to believe that in, any material respect:

- the accounting records were not kept in accordance with Section 130 of the 2011 Act; or
- the Accounts do not accord with the accounting records; or
- the Accounts did not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair view' which is not a matter considered as part of an independent examination.

Your attention is drawn to the fact that the Charity has prepared the Accounts in accordance with the relevant version of the Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK (FRS 102) in preference to the Accounting and Reporting by Charities: Statement of Recommended Practice issued on 1 April 2005 which is referred to in the extant regulations but has since been withdrawn. We understand that this has been done in order for the Accounts to provide a true and fair view in accordance with UK Generally Accepted Accounting Practice.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the Accounts to be reached.

THE BEIS NADVORNE CHARITABLE TRUST

Charity Registration Number 291070

TRUSTEES' ANNUAL REPORT

The Trustees of The Beis Nadvorne Charitable Trust ("the Charity") present their Annual Report along with the Unaudited Accounts ("the Accounts") of the Charity for the year from 1 October 2021 to 30 September 2022. The Accounts have been prepared in accordance with the Accounting Policies set out on Pages 8 & 9 and comply with the Declaration of Trust and applicable law.

- **OBJECTIVES AND ACTIVITIES**

Summary of purposes of the Charity as set out in its Governing Document

The Trustees shall stand possessed of the Trust Fund upon trust to pay or apply the whole of the income and the capital of the Trust Fund to or towards or in furtherance or for the benefit of such one or more charities, charitable institutions or charitable purposes in any part of the world in such shares and in such manner as the Trustees in their absolute discretion may from time to time determine provided always that:

1. The Trustees shall have power if they so think fit to make payments direct to individual persons in any part of the world (provided that such persons shall qualify as charitable beneficiaries according to English Law) and shall not be limited to making payments to organisations or institutions.
2. Nothing herein contained shall empower or authorise the Trustees to apply any part of the Trust Fund or the income thereof other than for the purposes which are charitable according to English Law.

Charities and Public Benefit

The Trustees have considered the Charity Commission's general guidance on public benefit and are satisfied that the Charity complies with that guidance.

Grant Making Policy

To act according to the Declaration of Trust which enables grants to be made from both income and capital. All applications to the Charity for grants, donations or loans are considered carefully by the Trustees at regular meetings. On most occasions, if the Trustees feel that the application meets their approval in principle, they will meet the applicants face to face and discuss with them the most effective way of providing assistance. The Trustees usually then have a further meeting before making a decision as to whether assistance should be granted, and if so, in what form and to what level.

The Trustees find that, in most cases, this is the most effective way of aiding Charitable Institutions and Beneficiaries as it allows the Trustees a degree of flexibility in terms of deciding whether they will assist by way of a Donation or a Charitable Loan and also ensures that each application to the Charity is considered fairly.

- **ACHIEVEMENTS AND PERFORMANCE**

Summary of the main achievements of the Charity

The Trustees continued to support The Beis Nadvorne Synagogue, Institutions of Higher and Further Education, and Institutions caring for the poor and sick, who qualify as Charitable Beneficiaries under English Law.

During the current year, the Trustees are delighted to announce that the Charity in the year ended 30 September 2022 made donations of some £644k (2021: £410k) to Charitable Beneficiaries and Institutions that support such Beneficiaries.

Monies are raised by way of Charitable Donations received from Charitable Foundations, Corporate Donors and Individuals. The Charity also owns a portfolio of residential properties which provide rental income for the Charity to distribute. The returns on investment from the Investment Properties are detailed in the Investments Policy below.

TRUSTEES' ANNUAL REPORT (Continued)

- **FINANCIAL REVIEW**

Review of the Charity's Financial Position at the end of the period

The Charity's Incoming Resources increased by some £252k (2021: decreased £43k), the Trustees increased its Resources Expended by some £207k (2021: decreased of £109k) and, including a surplus on the disposal of one of the Charity's Investments in the sum of £0k (2021: £0k). The Trustees took the view that the Covid-19 pandemic made the value of its Investment Properties uncertain and, as in the previous year, they kept the valuation of its portfolio without change (2021: £0k). Current year the Trustees opinion is that the market has stabilised on property values have been left unchanged. Consequently, there was a surplus for the year of some £88k (2021: surplus £42k). The Charity's Funds therefore increased/decreased by the same amount (2021: increased/decreased by the same amount).

Reserves Policy

The Charity's Reserves are represented primarily in Fixed Assets as described in the section headed "Investments Policy". The Trustees try to retain cash reserves where practical, however, the continued improvement of the Investment Property portfolio and Synagogue facilities are the primary objectives. The Trustees feel comfortable relying on their pool of donors and work hard to ensure that the Charity is not dependent on one or two individuals which ensures regular cash flow into the Charity. At the end of the year the Charity held an Unrestricted Fund Reserve amounting to £2,895m (2021: £2.807m).

The Charity does not normally retain cash however, it currently has large reserves, mainly incorporating the Revaluation Reserve £1,584k (2021: £1,584k) which is unrealised and not yet available for distribution. The balance of Reserves is the Income and Expenditure Account £1,312k (2021: £1,224k) which comprises property rental surpluses used to pay off borrowings which had been drawn down to fund property investments made in the past. The Trustees have taken the decision to temporarily cease making further property investments. In time, when the Trustees feel that the property market is at the point where it is in the interests of the Charity and its Beneficiaries to sell, the net proceeds will become available for distribution or reinvestment in other income producing assets.

Going Concern

The Trustees have prepared the Unaudited Accounts on a going concern basis because in their opinion it is appropriate to presume that the Charity will continue in operation.

Investments Policy

The Charity owns a portfolio of Residential Investment Properties and aims to achieve a return based on rental income in excess of 3.0% based on the Trustees' valuation. The Trustees aim to achieve capital growth in the market value of these properties in excess of 3.0% per annum.

The Trustees are pleased to report that the rental income in the year from the Investment Properties was £170k (2021: £191k), meeting the target with a return of 5.5% (2021: 6.1%). The Trustees do not expect any long term negative consequences from Covid-19 for the Charity from the general downturn in the UK property market on the contrary, now that the UK property market is recovering the Charity is going to benefit from further Capital and Rental growth and that it is in the best interests of the Charity and its beneficiaries for the Charity to continue holding these Investments for the foreseeable future.

TRUSTEES' ANNUAL REPORT (*Continued*)

Risk Management

There are three major risks that have been identified by the Trustees. The first is the risk of a fall in property values and rental income. The Trustees feel that the risk is mitigated by their expertise in the property market, which they feel would allow them to protect the interests of the Charity. The Trustees meet regularly to assess the performance of the Charity's property portfolio. The Trustees feel that, due to stability in rental income, it is in the best interest of the Charity and its beneficiaries for the Charity to continue to hold the properties for the foreseeable future.

The second is the risk of a reduction in donations. The Trustees feel that this is beyond their control, however, they continue to monitor the situation on an ongoing basis.

Thirdly, there is a risk that Charitable Loans will not be repaid. This is mitigated by the careful consideration and interviewing of applicants by the Trustees prior to any funding being provided. To date, the Charity has not had to write off any loans.

● ***STRUCTURE, GOVERNANCE AND MANAGEMENT***

The Charity is constituted by Declaration of Trust dated 18 July 1984 and was Registered with the Charity Commission on 19 February 1985 under Charity Number 291070.

The Trustees in office in the year were as follows:

M. S. Landau
M. Leifer
Mrs. S. D. Leifer

The power of appointing new Trustees or a new Trustee thereof shall be exercisable by the persons who are, for the time being, the Trustees hereof.

● ***REFERENCE AND ADMINISTRATIVE DETAILS***

The Trustees declare that they have approved the Trustees' Report above.

INDEPENDENT EXAMINER'S REPORT
TO THE TRUSTEES OF
THE BEIS NADVORNE CHARITABLE TRUST

Charity Registration Number 291070

FOR THE YEAR 1 OCTOBER 2021 TO 30 SEPTEMBER 2022

I report to the Trustees on my examination of the Unaudited Accounts ("the Accounts") of The Beis Nadvorne Charitable Trust ("The Charity") for the year ended 30 September 2022.

Responsibilities and Basis of Report

As the Charity's Trustees, you are responsible for the preparation of the Accounts in accordance with the requirements of the Charities Act 2011 ("the 2011 Act").

I report in respect of my examination of the Accounts of the Charity carried out under Section 145 of the 2011 Act and in carrying out my examination, I have followed all the applicable Directions given by the Charity Commission (under Section 145(5)(b) of the 2011 Act).

Independent Examiner's Statement

The Charity's gross income exceeded £250,000 and I am qualified to undertake the examination by being a qualified member of The Institute of Chartered Accountants in England and Wales.

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination which give me cause to believe that in, any material respect:

- the accounting records were not kept in accordance with Section 130 of the 2011 Act; or
- the Accounts do not accord with the accounting records; or
- the Accounts did not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair view' which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the Accounts to be reached.

- **OBJECTIVES AND ACTIVITIES**

Summary of purposes of the Charity as set out in its Governing Document

Grant Making Policy

To act according to the Declaration of Trust which enables grants to be made from both income and capital. All applications to the Charity for grants, donations or loans are considered carefully by the Trustees at regular meetings. On most occasions, if the Trustees feel that the application meets their approval in principle, they will meet the applicants face to face and discuss with them the most effective way of providing assistance. The Trustees usually then have a further meeting before making a decision as to whether assistance should be granted, and if so, in what form and to what level.

The Trustees find that, in most cases, this is the most effective way of aiding Charitable Institutions and Beneficiaries as it allows the Trustees a degree of flexibility in terms of deciding whether they will assist by way of a Donation or a Charitable Loan and also ensures that each application to the Charity is considered fairly.

- **ACHIEVEMENTS AND PERFORMANCE**

Summary of the main achievements of the Charity

The Trustees continued to support The Beis Nadvorne Synagogue, Institutions of Higher and Further Education, and Institutions caring for the poor and sick, who qualify as Charitable Beneficiaries under English Law.

During the current year, the Trustees are delighted to announce that the Charity in the year ended 30 September 2021 made donations of some £410k (2020: £502k) to Charitable Beneficiaries and Institutions that support such Beneficiaries.

Monies are raised by way of Charitable Donations received from Charitable Foundations, Corporate Donors and Individuals. The Charity also owns a portfolio of residential properties which provide rental income for the Charity to distribute. The returns on investment from the Investment Properties are detailed in the Investments Policy below.

- **FINANCIAL REVIEW**

Review of the Charity's Financial Position at the end of the period

Although the Charity's Incoming Resources decreased by some £43k (2020: *decreased £50k*), the Trustees decreased its Resources Expended by some £109k (2020: *decreased of £4k*) and, including a surplus on the disposal of one of the Charity's Investments in the sum of £0k (2020: *£137k*). The Trustees took the view that the Covid-19 pandemic made the value of its Investment Properties uncertain and in the previous year they reduced the valuation of its portfolio by some 20% (2020: *£834k*). Current year the Trustees opinion is that the market has stabilised on property values have been left unchanged. Consequently, there was a surplus for the year of some £42k (2020: *deficit £720k*). The Charity's Funds therefore increased/decreased by the same amount (2020: *increased/decreased by the same amount*).

Reserves Policy

The Charity's Reserves are represented primarily in Fixed Assets as described in the section headed "Investments Policy". The Trustees try to retain cash reserves where practical, however, the continued improvement of the Investment Property portfolio and Synagogue facilities are the primary objectives. The Trustees feel comfortable relying on their pool of donors and work hard to ensure that the Charity is not dependent on one or two individuals which ensures regular cash flow into the Charity. At the end of the year the Charity held an Unrestricted Fund Reserve amounting to £2.807m (2020: *£2.765m*).

The Charity does not normally retain cash however, it currently has large reserves, mainly incorporating the Revaluation Reserve £1,584k (2020: *£1,584k*) which is unrealised and not yet available for distribution. The balance of Reserves is the Income and Expenditure Account £1,224k (2020: *£1,181k*) which comprises property rental surpluses used to pay off borrowings which had been drawn down to fund property investments made in the past. The Trustees have taken the decision to temporarily cease making further property investments. In time, when the Trustees feel that the property market is at the point where it is in the interests of the Charity and its Beneficiaries to sell, the net proceeds will become available for distribution or reinvestment in other income producing assets.

Going Concern

The Trustees have prepared the Unaudited Accounts on a going concern basis because in their opinion it is appropriate to presume that the Charity will continue in operation.

Investments Policy

The Charity owns a portfolio of Residential Investment Properties and aims to achieve a return based on rental income in excess of 3.0% based on the Trustees' valuation. The Trustees aim to achieve capital growth in the market value of these properties in excess of 3.0% per annum.

The Trustees are pleased to report that the rental income in the year from the Investment Properties was £110k (2020: *£168k*), meeting the target with a return of 3.5% (2020: *5.4%*). The Trustees do not expect any long term negative consequences from Covid-19 for the Charity from the general downturn in the UK property market on the contrary, now that the UK property market is recovering the Charity is going to benefit from further Capital and Rental growth and that it is in the best interests of the Charity and its beneficiaries for the Charity to continue holding these Investments for the foreseeable future.

TRUSTEES' ANNUAL REPORT (*Continued*)

Risk Management

There are three major risks that have been identified by the Trustees. The first is the risk of a fall in property values and rental income. The Trustees feel that the risk is mitigated by their expertise in the property market, which they feel would allow them to protect the interests of the Charity. The Trustees meet regularly to assess the performance of the Charity's property portfolio. The Trustees feel that, due to stability in rental income, it is in the best interest of the Charity and its beneficiaries for the Charity to continue to hold the properties for the foreseeable future.

The second is the risk of a reduction in donations. The Trustees feel that this is beyond their control, however, they continue to monitor the situation on an ongoing basis.

Thirdly, there is a risk that Charitable Loans will not be repaid. This is mitigated by the careful consideration and interviewing of applicants by the Trustees prior to any funding being provided. To date, the Charity has not had to write off any loans.

● ***STRUCTURE, GOVERNANCE AND MANAGEMENT***

The Charity is constituted by Declaration of Trust dated 18 July 1984 and was Registered with the Charity Commission on 19 February 1985 under Charity Number 291070.

The Trustees in office in the year were as follows:

INDEPENDENT EXAMINER'S REPORT
TO THE TRUSTEES OF
THE BEIS NADVORNE CHARITABLE TRUST

Charity Registration Number 291070

FOR THE YEAR 1 OCTOBER 2020 TO 30 SEPTEMBER 2021

I report to the Trustees on my examination of the Unaudited Accounts ("the Accounts") of The Beis Nadvorne Charitable Trust ("The Charity") for the year ended 30 September 2021.

Responsibilities and Basis of Report

As the Charity's Trustees, you are responsible for the preparation of the Accounts in accordance with the requirements of the Charities Act 2011 ("the 2011 Act").

I report in respect of my examination of the Accounts of the Charity carried out under Section 145 of the 2011 Act and in carrying out my examination, I have followed all the applicable Directions given by the Charity Commission (under Section 145(5)(b) of the 2011 Act).

Independent Examiner's Statement

The Charity's gross income exceeded £250,000 and I am qualified to undertake the examination by being a qualified member of The Institute of Chartered Accountants in England and Wales.

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination which give me cause to believe that in, any material respect:

- the accounting records were not kept in accordance with Section 130 of the 2011 Act; or
- the Accounts do not accord with the accounting records; or
- the Accounts did not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair view' which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the Accounts to be reached.

TRUSTEES' ANNUAL REPORT

The Trustees of The Beis Nadvorne Charitable Trust ("the Charity") present their Annual Report along with the Unaudited Accounts ("the Accounts") of the Charity for the year from 1 October 2019 to 30 September 2020. The Accounts have been prepared in accordance with the Accounting Policies set out on Pages 8 & 9 and comply with the Declaration of Trust and applicable law.

- **OBJECTIVES AND ACTIVITIES**

Summary of purposes of the Charity as set out in its Governing Document

The Trustees shall stand possessed of the Trust Fund upon trust to pay or apply the whole of the income and the capital of the Trust Fund to or towards or in furtherance or for the benefit of such one or more charities, charitable institutions or charitable purposes in any part of the world in such shares and in such manner as the Trustees in their absolute discretion may from time to time determine provided always that:

1. The Trustees shall have power if they so think fit to make payments direct to individual persons in any part of the world (provided that such persons shall qualify as charitable beneficiaries according to English Law) and shall not be limited to making payments to organisations or institutions.
2. Nothing herein contained shall empower or authorise the Trustees to apply any part of the Trust Fund or the income thereof other than for the purposes which are charitable according to English Law.

Charities and Public Benefit

The Trustees have considered the Charity Commission's general guidance on public benefit and are satisfied that the Charity complies with that guidance.

Grant Making Policy

To act according to the Declaration of Trust which enables grants to be made from both income and capital. All applications to the Charity for grants, donations or loans are considered carefully by the Trustees at regular meetings. On most occasions, if the Trustees feel that the application meets their approval in principle, they will meet the applicants face to face and discuss with them the most effective way of providing assistance. The Trustees usually then have a further meeting before making a decision as to whether assistance should be granted, and if so, in what form and to what level.

The Trustees find that, in most cases, this is the most effective way of aiding Charitable Institutions and Beneficiaries as it allows the Trustees a degree of flexibility in terms of deciding whether they will assist by way of a Donation or a Charitable Loan and also ensures that each application to the Charity is considered fairly.

- **ACHIEVEMENTS AND PERFORMANCE**

Summary of the main achievements of the Charity

The Trustees continued to support The Beis Nadvorne Synagogue, Institutions of Higher and Further Education, and Institutions caring for the poor and sick, who qualify as Charitable Beneficiaries under English Law.

During the current year, the Trustees are delighted to announce that the Charity in the year ended 30 September 2020 made donations of some £502k (2019: £505k) to Charitable Beneficiaries and Institutions that support such Beneficiaries.

The Charity also owns a portfolio of residential properties which provide rental income for the Charity to distribute. The returns on investment from the Investment Properties are detailed in the Investments Policy below.

- **FINANCIAL REVIEW**

Review of the Charity's Financial Position at the end of the period

Although the Charity's Incoming Resources decreased by some £79k (2019: increase £263k), the Trustees decreased its Resources Expended by some £4k (2019: increase of £253k) and, including a surplus on the disposal of one of the Charity's Investments in the sum of £137k (2019: £Nil). The Trustees took the view that the Covid-19 pandemic made the value of its Investment Properties uncertain and they have reduced the valuation of its portfolio by some 20% or £834k (2019: £Nil). consequently there was a deficit for the year of some £720k (2019: surplus £23k). The Charity's Funds therefore increased by the same amount (2019: increased by the same amount).

Reserves Policy

The Charity's Reserves are represented primarily in Fixed Assets as described in the section headed "Investments Policy". The Trustees try to retain cash reserves where practical, however, the continued improvement of the Investment Property portfolio and Synagogue facilities are the primary objectives. The Trustees feel comfortable relying on their pool of donors and work hard to ensure that the Charity is not dependent on one or two individuals which ensures regular cash flow into the Charity. At the end of the year the Charity held an Unrestricted Fund Reserve amounting to £2.765m (2019: £3.485m).

The Charity does not normally retain cash however, it currently has large reserves, mainly incorporating the Revaluation Reserve £1,584k (2019: £2,729k) which is unrealised and not yet available for distribution. The balance of Reserves is the Income and Expenditure Account £1,181k (2019: £756k) which comprises property rental surpluses used to pay off borrowings which had been drawn down to fund property investments made in the past. The Trustees have taken the decision to temporarily cease making further property investments. In time, when the Trustees feel that the property market is at the point where it is in the interests of the Charity and its Beneficiaries to sell, the net proceeds will become available for distribution or reinvestment in other income producing assets.

Going Concern

The Trustees have prepared the Unaudited Accounts on a going concern basis because in their opinion it is appropriate to presume that the Charity will continue in operation.

Investments Policy

The Charity owns a portfolio of Residential Investment Properties and aims to achieve a return based on rental income in excess of 3.0% based on the Trustees' valuation. The Trustees aim to achieve capital growth in the market value of these properties in excess of 3.0% per annum.

The Trustees are pleased to report that the rental income in the year from the Investment Properties was £168k (2019: £140k), meeting the target with a return of 5.4% (2019: 3.25%). The Trustees do not expect any long term negative consequences from Covid-19 for the Charity from the general downturn in the UK property market on the contrary, now that the UK property market is recovering the Charity is going to benefit from further Capital and Rental growth and that it is in the best interests of the Charity and its beneficiaries for the Charity to continue holding these Investments for the foreseeable future.

TRUSTEES' ANNUAL REPORT *(Continued)*

Risk Management

There are three major risks that have been identified by the Trustees. The first is the risk of a fall in property values and rental income. The Trustees feel that the risk is mitigated by their expertise in the property market, which they feel would allow them to protect the interests of the Charity. The Trustees meet regularly to assess the performance of the Charity's property portfolio. The Trustees feel that, due to stability in rental income, it is in the best interest of the Charity and its beneficiaries for the Charity to continue to hold the properties for the foreseeable future.

The second is the risk of a reduction in donations. The Trustees feel that this is beyond their control, however, they continue to monitor the situation on an ongoing basis.

Thirdly, there is a risk that Charitable Loans will not be repaid. This is mitigated by the careful consideration and interviewing of applicants by the Trustees prior to any funding being provided. To date, the Charity has not had to write off any loans.

INDEPENDENT EXAMINER'S REPORT
TO THE TRUSTEES OF
THE BEIS NADVORNE CHARITABLE TRUST

Charity Registration Number 291070

FOR THE YEAR 1 OCTOBER 2019 TO 30 SEPTEMBER 2020

I report to the Trustees on my examination of the Unaudited Accounts ("the Accounts") of The Beis Nadvorne Charitable Trust ("The Charity") for the year ended 30 September 2020.

Responsibilities and Basis of Report

As the Charity's Trustees, you are responsible for the preparation of the Accounts in accordance with the requirements of the Charities Act 2011 ("the 2011 Act").

I report in respect of my examination of the Accounts of the Charity carried out under Section 145 of the 2011 Act and in carrying out my examination, I have followed all the applicable Directions given by the Charity Commission (under Section 145(5)(b) of the 2011 Act).

Independent Examiner's Statement

The Charity's gross income exceeded £250,000 and I am qualified to undertake the examination by being a qualified member of The Institute of Chartered Accountants in England and Wales.

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination which give me cause to believe that in, any material respect:

- the accounting records were not kept in accordance with Section 130 of the 2011 Act; or
- the Accounts do not accord with the accounting records; or
- the Accounts did not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair view' which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the Accounts to be reached.
