MADINA MOSQUE TRUST

REPORT OF THE TRUSTEES FOR THE YEAR ENDED 31 MARCH 2024

The trustees present their report with the financial statements of the charity for the year ended 31 March 2024. The trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019).

OBJECTIVES AND ACTIVITIES

Objectives and aims

To advance the religion of Islam, by means of, but not exclusive to, promoting the teachings and tenets of Islam, in accordance with the Sunni Hanafi School of Thought, provision of facilities for worship, and provision of facilities for Islamic education, the public celebration of religious festivals and the distribution of literature on the Islamic faith to enlighten others. To promote any other charitable purpose for the benefit of Muslims and the wider community.

Our aim is to provide a facility where Muslims can worship and to provide a community facility for all the community of Clapton. Our long-term ambition is to help make our area a peaceful, vibrant, and harmonious community.

Public Benefits

The trustees confirm that they have complied with the duty in section 4 of the Charities Act 2006 to have due regard to public benefit guidance published by the Commission in determining the activities undertaken by the Charity.

MADINA MOSQUE TRUST

REPORT OF THE TRUSTEES FOR THE YEAR ENDED 31 MARCH 2024

OBJECTIVES AND ACTIVITIES

Significant activities and Public Benefits

The charity carries out a wide range of activities in pursuance of its charitable aims. The trustees consider that these activities, summarized below, provide benefit both to our students and the wider community of Clapton, London.

Children's Classes: The charity operates Supplementary School classes on the weekdays catering for approximately 280 students ranging between the ages of 5 - 16.

Hifdh Classes (Qur'an Memorisation Programme): Memorisation of the Qur'an is considered an important element of religious education and training and therefore we continue to provide this facility for our students. We currently have approximately 20 students enrolled onto this programme.

Hifdh Graduation: we held a graduation ceremony to celebrate the marvelous achievement of a student in completing the memorisation of the Qur'an, which was attended and enjoyed by more than 300 people.

Ramadan Night Prayers (Tarawih): One of our Qur'an memorisation programme students lead a large congregation in nightly prayers impeccably for the full month of Ramadan. Many within the congregations were impressed by the quality of their recitation and the strength of their memorisation, despite their young age.

Throughout Ramadan, we held Iftar meals in the Masjid. This provided great support to the oversea students and asylum seekers.

Educational Programmes: At the trust, we hold monthly educational programmes for the students who have left the classes.

Evening Adult Classes: We also operate numerous classes for both male and female adults within the community tailored to their requirements and needs. These include beginner Qur'an classes for adults and other classes focusing on other sciences

Marriage and burial Services

We provide marriage and burial services.

Strategies

We want to make our Mosque an accessible and welcoming venue where all Muslims, or those who wish to know more about our faith can gather together to learn about their religion and worship. The Mosque is open at all times with daily prayers, the Friday prayers being a focus of our activities.

An important part of our strategy is community welfare and education. All our community facilities and activities including classes and seminars are advertised and we welcome the participation of all in our local community.

Volunteers

Most of the charity's activities involve volunteers in the delivery of its activities. We are, as always, grateful to these volunteers in making the activities of our centre a spiritual and pleasant experience for the public.

FINANCIAL REVIEW

Reserves policy

Reserves are needed to bridge the gap between the spending and receiving of income and to cover unplanned emergency repairs and other expenditures. The trust's average monthly spending was £34,975 (2023:£23,905) per month during the year ended 31st March 2024.

The trustees consider that the ideal level of reserves would cover six months of spending which is approximately £209,365 (2023: £147,336). The current reserves come to £6,368,073 (2023: £6,423,178) with cash at the bank of £164,118 (2023: £198,252) at the year-end 31st March 2024. The trustees consider the trust is in a healthy position to continue support the charity objectives.

Going concern

The trustees consider the charity to have sufficient funds to continue in operations for a period of twelve months. The trustees therefore consider the charity to be a going concern.

STRUCTURE, GOVERNANCE AND MANAGEMENT

Governing document

The charity is registered as a Charity with the Charity Commission for England and Wales.

The charity is governed by trustees and the executive committee, made up of the trustees and the management committee, who are responsible for the effective management of the organisation. Meetings are held on a regular basis.

Recruitment and appointment of new trustees

The existing trustees are responsible for the recruitment of new trustees. In selecting new trustees, we seek to identify people who are committed individuals whose views are aligned to the charity's vision in addition to being able to offer relevant skills and experience.

Potential trustees are invited to attend trustees' meetings to meet the trustees and have an informal interview and are given more details about the charity's aims and activities and, if all agree, they are then proposed as new trustees at the subsequent trustees' meeting.

This process allows due consideration of the person's eligibility, personal competence, specialist knowledge and skills.

Organisational structure

The charity trustees are responsible for the general control and management of the charity. The trustees meet together as a body and are responsible for overall governance. The management committee oversees the management and day to day running of the charity. To organise the governance of the charity, the trustees are in the process of setting up a number of sub-committees to delegate key areas of responsibility.

The day-to-day management of Seven kings Muslim Educational Trust and administration of the projects are controlled by the management committee.

STATEMENT OF TRUSTEES' RESPONSIBILITIES

The trustees are responsible for preparing the Report of the Trustees and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

MADINA MOSQUE TRUST

REPORT OF THE TRUSTEES FOR THE YEAR ENDED 31 MARCH 2024

STATEMENT OF TRUSTEES' RESPONSIBILITIES - continued

The law applicable to charities in England and Wales, the Charities Act 2011, Charity (Accounts and Reports) Regulations 2008 and the provisions of the trust deed requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources, including the income and expenditure, of the charity for that period. In preparing those financial statements, the trustees are required to

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charity SORP;
- make judgements and estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business.

The trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the charity and to enable them to ensure that the financial statements comply with the Charities Act 2011, the Charity (Accounts and Reports) Regulations 2008 and the provisions of the trust deed. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

REPORT OF THE INDEPENDENT AUDITORS TO THE TRUSTEES OF MADINA MOSQUE TRUST

Opinion

We have audited the financial statements of Madina Mosque Trust (the 'charity') for the year ended 31 March 2024 which comprise the Statement of Financial Activities, the Balance Sheet and notes to the financial statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

In our opinion the financial statements:

- give a true and fair view of the state of the charity's affairs as at 31 March 2024 and of its incoming resources and application of resources, for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Charities Act 2011.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditors' responsibilities for the audit of the financial statements section of our report. We are independent of the charity in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

In auditing the financial statements, we have concluded that the trustees' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the charity's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the trustees with respect to going concern are described in the relevant sections of this report.

Other information

The trustees are responsible for the other information. The other information comprises the information included in the Annual Report, other than the financial statements and our Report of the Independent Auditors thereon.

Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether this gives rise to a material misstatement in the financial statements themselves. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

REPORT OF THE INDEPENDENT AUDITORS TO THE TRUSTEES OF MADINA MOSQUE TRUST

Matters on which we are required to report by exception

We have nothing to report in respect of the following matters where the Charities (Accounts and Reports) Regulations 2008 requires us to report to you if, in our opinion:

- the information given in the Report of the Trustees is inconsistent in any material respect with the financial statements; or
- sufficient accounting records have not been kept; or
- the financial statements are not in agreement with the accounting records and returns; or
- we have not received all the information and explanations we require for our audit.

Responsibilities of trustees

As explained more fully in the Statement of Trustees' Responsibilities, the trustees are responsible for the preparation of the financial statements which give a true and fair view, and for such internal control as the trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the trustees are responsible for assessing the charity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the trustees either intend to liquidate the charity or to cease operations, or have no realistic alternative but to do so.

Our responsibilities for the audit of the financial statements

We have been appointed as auditors under Section 144 of the Charities Act 2011 and report in accordance with the Act and relevant regulations made or having effect thereunder.

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue a Report of the Independent Auditors that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

The extent to which our procedures are capable of detecting irregularities, including fraud is detailed below.

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedure in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud.

We obtained understanding of the legal and regulatory framework applicable to the entity and how it complies with framework by discussing with senior management and checking compliance with the regulations.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at www.frc.org.uk/auditorsresponsibilities. This description forms part of our Report of the Independent Auditors.

REPORT OF THE INDEPENDENT AUDITORS TO THE TRUSTEES OF
MADINA MOSQUE TRUST

Use of our report

This report is made solely to the charity's trustees, as a body, in accordance with Part 4 of the Charities (Accounts and Reports) Regulations 2008. Our audit work has been undertaken so that we might state to the charity's trustees those matters we are required to state to them in an auditors' report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charity and the charity's trustees as a body, for our audit work, for this report, or for the opinions we have formed.

Expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all cost related to the category. Where costs cannot be directly attributed to particular headings they have been allocated to activities on a basis consistent with the use of resources.
