The trustees present their report with the financial statements of the charity for the year ended 31 December 2023. The trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019).

OBJECTIVES AND ACTIVITIES

Objectives and aims

The trust was formed by declaration of trust on 5 February 1985. The trust's objects are to make donations to body or bodies as are exclusively charitable according to the law of England and Wales, at the discretion of the trustees.

Public benefit

The trustees have considered their duty set out in Section 17 of the Charities Act 2011 to have due regard to public benefit guidance published by the Commission, and in their opinion the foregoing report on the achievements and performance demonstrates that they have complied therewith.

Grantmaking

The trustees make grants to other charities at their discretion.

Volunteers

The trust is not dependent upon the services of unpaid volunteers or donations-in-kind.

ACHIEVEMENT AND PERFORMANCE

Investment performance

All the trustees' capital is invested in quoted investments. The value of the trust's portfolio as at 31 December 2023 totalled £1,230,034 an increase from £1,163,612 as at 31 December 2022. The Trustees have reviewed the portfolio regularly and are satisfied with its performance allowing for the exceptional economic conditions which have occurred during the year.

FINANCIAL REVIEW

Financial position

Total incoming resources were £25,590 (£26,928 in 2022) with £9,941 (£9,837 in 2022) being used to generate such funds. Commitments to charitable donations totalled £12,102 (£7,347 in 2022) with £2,170 (£3,190 in 2022) being paid in respect of support costs and other investment management costs. Recognised and unrecognised gains totalled £74,402 (Losses of £90,597 in 2022) resulting in an overall net increase in funds of £75,419 (reduction of £84,043 in 2022).

Investment policy and objectives

The Trustees have not delegated their investment powers. Investments are managed for them by Investec on an advisory basis having regard to the Trustees' investment policy of maintaining an even balance between income and capital growth with medium-risk profile.

Reserves policy

The trustees consider their investments as expendable endowments, providing a relatively secure and predictable stream of income from which to make grants. The trustees aim to distribute a large percentage of the income, net of expenses, in each financial year and therefore do not maintain income reserves as such; however, income levels are continually reviewed by the trustees to ensure that they have sufficient funds to meet with their objectives.

Going concern

The trustees have a reasonable expectation that the Charity has adequate resources to continue in operational existence for the foreseeable future. For this reason, they continue to adopt the going concern basis in preparing the financial statements.

REPORT OF THE TRUSTEES
FOR THE YEAR ENDED 31 DECEMBER 2023

FUTURE PLANS

STRUCTURE, GOVERNANCE AND MANAGEMENT

Governing document

The charity is controlled by its governing document, a deed of trust and constitutes an unincorporated charity.

Recruitment and appointment of new trustees

The power of appointing new or additional trustees is vested in the trustees, who prior to appointment would be introduced to the workings of the Trust and advised of their joint and several responsibilities.

Where costs cannot be directly attributed to particular headings they have been allocated to activities on a basis consistent with the use of resources.

Grants offered subject to conditions which have not been met at the year end date are noted as a commitment but not accrued as expenditure.

Taxation

The charity is exempt from tax on its charitable activities.

Fund accounting

Unrestricted funds can be used in accordance with the charitable objectives at the discretion of the trustees.

Restricted funds can only be used for particular restricted purposes within the objects of the charity. Restrictions arise when specified by the donor or when funds are raised for particular restricted purposes.

Further explanation of the nature and purpose of each fund is included in the notes to the financial statements.

Foreign currencies

Assets and liabilities in foreign currencies are translated into sterling at the rates of exchange ruling at the balance sheet date. Transactions in foreign currencies are translated into sterling at the rate of exchange ruling at the date of transaction. Exchange differences are taken into account in arriving at the operating result.
