The Artemis Charitable Trust

Report of the Trustees for the Year Ended 5 April 2024

The trustees present their report with the financial statements of the charity for the year ended 5 April 2024. The trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019).

OBJECTIVES AND ACTIVITIES

Objectives and aims

The objects of the charity are to provide funds for the furtherance, advancement or benefits of charities, charitable institutions, or charitable purposes as the settler during his lifetime and the trustees thereafter select.

The original policy of the trust of making of grants to aid the provision of counselling, psychotherapy, parenting, human relationship training and related activities, primarily through supporting academic research projects, to develop new strategies and methods is being reduced. The trustees will going forward be supporting a wider range of charities including (but not limited to) food banks, child and disabled welfare, education type charities.

In setting objectives and planning for activities, the Trustees have given due consideration to general guidance published by the Charity Commission relating to public benefit, including the guidance 'Public benefit: running a charity (PB2)'.

FINANCIAL REVIEW

Financial position

The accumulated unrestricted funds behind investments on 5th April 2024 amounted to £1,427,514. It is the policy of the trustees to make grants based on the current needs of the grantees utilizing both the capital and income of the trust, and not to restrict the level of grants to the trust's income for the year. The trustees consider the situation of the trust to be satisfactory and are of the view that the trust will be able to carry out its activities for the foreseeable future.

Investment policy and objectives

The trust deed authorizes the Trustees to make and hold investments using the general funds of the charity. There are no restrictions on the charity's power to invest.

The trustees' investment policy is to maintain a balance between capital gain and the growth of income. The investments of the trust are under the management of Rathbones Group PLC.

The trustees and investment managers meet once a year, or more often if required, to ensure that the portfolio is arranged to give the best possible return and performance from the charity's investments.

The Trustees consider the income requirements, the risk profile and the investment managers' view of market prospects in the medium term.

Reserves policy

The Trustees' policy is to maintain unrestricted reserves, which are the free reserves of the charity, invested to generate income to fund the activities of the charity, by providing grants. On 5th April 2024 the total amount held in investments were £1,427,514. This shows an increase from £1,383,770 on the prior financial year to 5th April 2023.

At this level, the Trustees consider that the Trust will be able to carry out its activities for the foreseeable future, due to being able to pay for at least 12 months of expenses and grants with the current level of free reserves held, which is in line with their governance documents. The level of free reserves held as at 5th April 2024 was £1,505,299 (2023 - £1,426,886).

There are no restricted or designated reserves only unrestricted reserves.

Going concern

After making appropriate enquiries, the Trustees have a reasonable expectation that the Charity has adequate resources to continue in operational existence for the foreseeable future. For this reason, they continue to adopt the going concern basis in preparing financial statements. Further details regarding the adoption of the going concern basis can be found in the accounting policies.

It is the policy of the trustees to make grants based on the current needs of grantees, utilizing both the capital and income of the trust, and not to restrict the level of grants to the trust's income for the year. This year the charity made grants of £24,000. The trustees' policy is to award grants in accordance with the restrictions imposed by the original donor of the funds.

**Independent Examiner's Report to the Trustees of
The Artemis Charitable Trust**

Independent examiner's report to the trustees of The Artemis Charitable Trust

I report to the charity trustees on my examination of the accounts of The Artemis Charitable Trust (the Trust) for the year ended 5 April 2024.

Responsibilities and basis of report

As the charity trustees of the Trust you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the Act').

I report in respect of my examination of the Trust's accounts carried out under Section 145 of the Act and in carrying out my examination I have followed all applicable Directions given by the Charity Commission under Section 145(5)(b) of the Act.

Independent examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the Trust as required by Section 130 of the Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

The Artemis Charitable Trust

Notes to the Financial Statements for the Year Ended 5 April 2024

1. ACCOUNTING POLICIES

Basis of preparing the financial statements

The financial statements of the charity, which is a public benefit entity under FRS 102, have been prepared in accordance with the Charities SORP (FRS 102) 'Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)', Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' and the Charities Act 2011. The financial statements have been prepared under the historical cost convention, with the exception of investments which are included at market value, as modified by the revaluation of certain assets.

Income

Income received for services provided is accounted for on an accruals basis.

Income received is the income raised by selling shares held at a profit.

Any significant non-cash donations are included in the income and expenditure account at the trustees' estimate of their market value when received. The value of voluntary help is not included in the accounts.

Grants and other funding of a revenue nature are deferred and released to the income and expenditure account over the period to which they relate.

Interest on the funds held on deposit is included when receivable and the amount can be measured reliably by the Charity; this is normally upon notification of the interest paid or payable by the institution with whom the funds are deposited.

Expenditure

Expenditure is recognised once there is a legal and constructive obligation to transfer economic benefit to a third party, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is classified by activity. The costs of each activity are made up of the total of direct costs and shared costs, including support costs involved in undertaking each activity. Shared costs which contribute to more than one activity and support costs which are not attributable to a single activity are apportioned between those activities on a basis consistent with the use of resources.

Expenditure on raising funds includes all expenditure incurred by the Charity to raise funds for its charitable purposes and includes costs of all fundraising activities events and non-charitable trading.

Expenditure on charitable activities is incurred on directly undertaking the activities which further the Charity's objectives, as well as any associated support costs.

All expenditure is inclusive of irrecoverable VAT.

Grants payable are charged in the year when the offer is made except in those cases where the offer is conditional, such grants being recognised as expenditure when the conditions attaching are fulfilled. Grants offered subject to conditions which have not been met at the year end are noted as a commitment, but not accrued as expenditure.

Taxation

The charity is exempt from tax on its charitable activities.

Fund accounting

General funds are unrestricted funds which are available for use at the discretion of the Trustees in furtherance of the general objectives of the Charity and which have not been designated for other purposes.

Investment income, gains and losses are allocated to the appropriate fund.

Although these estimates are based on the Charity's best knowledge of the amount, events or actions, actual results ultimately differ from these estimates. The Charity does not consider there to be any material estimates and judgements.
