ROYAL INSTITUTE OF PAINTERS IN WATER COLOURS

TRUSTEES' REPORT FOR THE YEAR ENDED 31 DECEMBER 2021

The Trustees submit their annual report and the financial statements of the Royal Institute of Painters in Water Colours (the RI) for the year ended 31 December 2021. The Trustees confirm that the annual report and financial statements of the charity comply with current statutory requirements, the requirements of the charity's governing document and the provisions of the Statement of Recommended Practice (SORP 2015) applicable to charities preparing their accounts in accordance with FRS 102.

METHOD OF APPOINTMENT OR ELECTION OF TRUSTEES

The management of the charity is the responsibility of the Trustees who are elected and co-opted under the terms of the Trust deed. Under these terms the Trustees are elected by ballot at the AGM.

CONSTITUTION POLICIES AND OBJECTIVES

The charity is governed by the trust deed, known as the rules. The charity was founded in 1831 and in 1863 by command of Queen Victoria was able to use the prefix "Royal". In 1985 it was granted charitable status and the objectives in its governing rules were amended as follows:

The objectives of the RI are for the advancement of the aesthetic education of the public by the promotion of the fine arts and in particular the art of painting in water colours.

REVIEW OF ACTIVITIES AND FUTURE DEVELOPMENTS

These objectives are mainly realised through an annual exhibition of which this year's, the 209th, was delayed due to COVID-19 lockdowns and restrictions and held at the Mall Galleries from 20th to 29th May 2021. It was also shown online through the FBA web-site from 1 April 2021. This exhibition consisted of 439 watercolour or water-based paintings, approximately 52% by the members and 48% by non-members. The non-members' entries were selected by a panel of RI members to ensure the high standard of the exhibition.

It is through the annual exhibition at the Mall Galleries and other exhibitions that the RI has in galleries and museums around the country that the RI has continued to promote the highest standard of watercolour. This is in conjunction with talks, events, demonstrations and workshops normally given by members to the public during the run of the exhibition and at other times during the year. In 2019 the RI published a book, 'RI, Then and Now', a history of the RI that also showcases members and their work.

PUBLIC BENEFIT

The Trustees confirm that they have referred to the guidance contained in the Charity Commission's general guidance on public benefit when reviewing the Charity's aims & objectives and planning future activities.

CONNECTED CHARITIES

The charity is one of nine member societies of the Federation of British Artists (registered charity number 200048 and company number 683275). A representative from the charity sits on the board of trustees of the Federation. The Federation carries out activities in line with the charity's objects and collects income on behalf of the charity.

The charity currently provides a contribution to the costs of the annual exhibition born by the Federation of British Artists (FBA).

RISK MANAGEMENT

As the objectives of the RI are for the advancement of the aesthetic education of the public by the promotion of the Fine Arts and in particular the Art of Painting in Water Colours, and this is done mainly through the annual exhibition, which is funded through the sale of work and the submission fees, the risk would be the inability to hold this exhibition either through a downturn of the market or the unavailability of an exhibition space.

ROYAL INSTITUTE OF PAINTERS IN WATER COLOURS

TRUSTEES' REPORT (CONTINUED) FOR THE YEAR ENDED 31 DECEMBER 2021

Our reserves policy recognises these risks. Were no exhibition space of an appropriate size to be available members would continue to exhibit, and hold demonstration events, singly or in small groups.

In light of this, the Trustees consider that they have assessed the major risks to which the charity is exposed, in particular those related to the operations and finances of the charity, and are satisfied that systems are in place to mitigate the exposure to the major risks.

RESERVES POLICY

It has been the policy of the RI to try to create sufficient reserves to be able to continue our annual exhibition for at least 2 years should anything happen to our present association with the FBA and through them the exhibition space at the Mall Galleries in London. The trustees are of the opinion that sufficient reserves are held for this purpose.

FINANCIAL PERFORMANCE

During the year, the charity had total income of £84,337 (2020: £63,438), of which £82,837 (2020: £61,938) represents unrestricted income and £1,500 (2020: £1,500) represents restricted income. Total expenditure amounted to £87,353 (2020: £62,063), split between unrestricted expenditure of £84,353 (2020: 58,313) and restricted expenditure of £3,000 (2020: £3,500). After a funds transfer of £500 (2020: £Nil), this resulted in a net deficit of £3,016 (2020: net surplus of £1,375), made up of an unrestricted deficit of £2,016 (2020: surplus of £3,625) and a restricted deficit of £1,000 (2020: deficit of £2,250).

Total funds at the year end amounted to £181,385 (2020: £184,401), made up of unrestricted funds of £177,885 (2020: £179,901) and restricted funds of £3,500 (2020: £4,500).

STATEMENT OF TRUSTEES' RESPONSIBILITIES FOR THE YEAR ENDED 31 DECEMBER 2021

The Trustees are responsible for preparing the Trustees' report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

The law applicable to charities in England & Wales requires the Trustees to prepare financial statements for each financial which give a true and fair view of the state of affairs of the charity and of its incoming resources and application of resources, including its income and expenditure, for that period. In preparing these financial statements, the Trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles of the Charities SORP (FRS 102);
- make judgments and accounting estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards (FRS 102) have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business.

The Trustees are responsible for keeping adequate accounting records that are sufficient to show and explain the charity's transactions and disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Charities Act 2011, the Charity (Accounts and Reports) Regulations 2008 and the provisions of the Trust deed. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Approved by order of the members of the board of Trustees on 4 JULY 2022 and signed on its behalf by:

ROYAL INSTITUTE OF PAINTERS IN WATER COLOURS

INDEPENDENT EXAMINER'S REPORT FOR THE YEAR ENDED 31 DECEMBER 2021

Independent examiner's report to the Trustees of Royal Institute of Painters in Water Colours (the charity)

I report to the charity Trustees on my examination of the accounts of the charity for the year ended 31 December 2021.

Responsibilities and basis of report

As the Trustees of the charity you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the 2011 Act').

I report in respect of my examination of the charity's accounts carried out under section 145 of the 2011 Act and in carrying out my examination I have followed the applicable Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

Independent examiner's statement

Your attention is drawn to the fact that the charity has prepared the accounts in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) in preference to the Accounting and Reporting by Charities: Statement of Recommended Practice issued on 1 April 2005 which is referred to in the extant regulations but has been withdrawn.

I understand that this has been done in order for the accounts to provide a true and fair view in accordance with the Generally Accepted Accounting Practice effective for reporting periods beginning on or after 1 January 2015.

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the charity as required by section 130 of the 2011 Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

This report is made solely to the charity's Trustees, as a body, in accordance with Part 4 of the Charities (Accounts and Reports) Regulations 2008. My work has been undertaken so that I might state to the charity's Trustees those matters I am required to state to them in an Independent examiner's report and for no other purpose. To the fullest extent permitted by law, I do not accept or assume responsibility to anyone other than the charity and the charity's Trustees as a body, for my work or for this report.

ROYAL INSTITUTE OF PAINTERS IN WATER COLOURS

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 DECEMBER 2021

1. General information

The entity is an unincorporated trust registered with the Charity Commission in England and Wales, charity number 291405. Its principal office is 16 Beverley Path, Barnes, London, SW13 0AL, which is also its principal place of operation.

The activity of the trust remained that of the advancement of the aesthetic education of the public by the promotion of the fine arts and in particular the art of painting in water colours.

These financial statements have been prepared in GBP and all amounts have been rounded to the nearest £.

2. Accounting policies

2.1 Basis of preparation of financial statements

The financial statements have been prepared in accordance with the Charities SORP (FRS 102) - Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and the Charities Act 2011.

The financial statements have been prepared to give a 'true and fair' view and have departed from the Charities (Accounts and Reports) Regulations 2008 only to the extent required to provide a 'true and fair' view. This departure has involved following the Charities SORP (FRS 102) published on 16 July 2014 rather than the Accounting and Reporting by Charities: Statement of Recommended Practice effective from 1 April 2005 which has since been withdrawn.

Royal Institute of Painters in Water Colours meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy.

The trustees confirm their unreserved and explicit compliance with the above regulations.

2.2 Tangible fixed assets

Tangible fixed assets comprise the chairman's chain of office which is carried at valuation and is not depreciated as a useful life cannot be established with reasonable certainty.

2.3 Income

All income is recognised once the charity has entitlement to the income, it is probable that the income will be received and the amount of income receivable can be measured reliably.

The recognition of income from legacies is dependent on establishing entitlement, the probability of receipt and the ability to estimate with sufficient accuracy the amount receivable. Evidence of entitlement to a legacy exists when the charity has sufficient evidence that a gift has been left to them (through knowledge of the existence of a valid will and the death of the benefactor) and the executor is satisfied that the property in question will not be required to satisfy claims in the estate. Receipt of a legacy must be recognised when it is probable that it will be received and the fair value of the amount receivable, which will generally be the expected cash amount to be distributed to the charity, can be reliably measured.

Gifts in kind donated for fundraising purposes are included at valuation and recognised as income when they are sold.

ROYAL INSTITUTE OF PAINTERS IN WATER COLOURS

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 DECEMBER 2021

2. Accounting policies (continued)

2.4 Expenditure

Expenditure is recognised once there is a legal or constructive obligation to transfer economic benefit to a third party, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably.

Costs of generating funds are costs incurred in attracting voluntary income, and those incurred in trading activities that raise funds.

All expenditure is inclusive of irrecoverable VAT.

2.5 Interest receivable

Interest on funds held on deposit is included when receivable and the amount can be measured reliably by the charity; this is normally upon notification of the interest paid or payable by the Bank with whom the funds are deposited.

2.6 Investments

Fixed asset investments are a form of financial instrument and are initially recognised at their transaction cost and subsequently measured at fair value at the Balance sheet date, unless the value cannot be measured reliably in which case it is measured at cost less impairment. Investment gains and losses, whether realised or unrealised, are combined and presented as 'Gains/(Losses) on investments' in the Statement of financial activities.

Investments in subsidiaries are valued at cost.

2.7 Stocks

Stocks are valued at the lower of cost and net realisable value after making due allowance for obsolete and slow-moving stocks. Cost includes all direct costs and an appropriate proportion of fixed and variable overheads.

2.8 Cash Flow Exclusion

The financial statements do not include a cash flow statement because the charity, as a small reporting entity, is exempt from the requirements to prepare such a statement.

2.9 Cash at bank and in hand

Cash at bank and in hand includes cash and short-term highly liquid investments with a short maturity of three months or less from the date of acquisition or opening of the deposit or similar account.

2.10 Liabilities and provisions

Liabilities are recognised when there is an obligation at the Balance sheet date as a result of a past event, it is probable that a transfer of economic benefit will be required in settlement, and the amount of the settlement can be estimated reliably.

Liabilities are recognised at the amount that the charity anticipates it will pay to settle the debt or the amount it has received as advanced payments for the goods or services it must provide.

Provisions are measured at the best estimate of the amounts required to settle the obligation. Where the effect of the time value of money is material, the provision is based on the present value of those amounts, discounted at the pre-tax discount rate that reflects the risks specific to the liability. The unwinding of the discount is recognised within interest payable and similar charges.

ROYAL INSTITUTE OF PAINTERS IN WATER COLOURS

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 DECEMBER 2021

2. Accounting policies (continued)

2.11 Financial instruments

The charity only has financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently measured at their settlement value with the exception of bank loans which are subsequently measured at amortised cost using the effective interest method.

2.12 Fund accounting

General funds are unrestricted funds which are available for use at the discretion of the Trustees in furtherance of the general objectives of the charity and which have not been designated for other purposes.

Restricted funds are funds which are to be used in accordance with specific restrictions imposed by donors or which have been raised by the charity for particular purposes. The costs of raising and administering such funds are charged against the specific fund. The aim and use of each restricted fund is set out in the notes to the financial statements.

3. Critical accounting estimates and areas of judgment

Estimates and judgments are continually evaluated and are based on historical experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

Critical accounting estimates and assumptions:

The charity's only fixed asset is the chairman's chain of office which is shown at a valuation obtained in 2010. The trustees are of the opinion that the value has not changed significantly since then. Information regarding the cost when created in the 1890's is not readily available.

13. Statement of funds (continued)

Restricted funds represent grants given for specific prizes. In the year to 31 December 2021, they are made up of five specific prizes or awards (six including comparatives):

The Watercolour Award

The Neil Meacher Drawing Prize (renamed Watercolour Award in 2017) is based on an initial donation of £2,500 made in 2010, with annual prizes of £250 to be awarded over 10 years at the annual exhibition. 2020 was the 10th and final year it was awarded.

The Leathersellers' Award

The Leathersellers' Award represents funds originally given to the RI by the Leathersellers in 2014 for what was initially a 5 year period. Further top-ups for prizes have been received in subsequent years so that this award is still very much ongoing.

The James Fletcher-Watson RI Award

The James Fletcher-Watson RI Award is based on a donation by the relatives of the late James Fletcher-Watson RI. The RI acts as a conduit for the award, which is funded on an annual basis by the JFW family.

The Bao Hong Watercolour Artists Award and The Chaosan Watercolour Award

Funds of £3,750 were received on 9 June 2018 in respect of The Bao Hong Watercolour Artists Award (for 2 x £250 awards each year) and The Chaosan Watercolour Award (for £250 each year). Both awards are for the 5-year-period from 2019 to 2023.

The President's Choice Award

On 8 May 2019 £3,000 was received from an RI member who donated his 2019 Winsor & Newton Award to the RI. This is to fund an annual award of £750 for a period of 4 years (from 2020 to 2023).
