COUNCIL MEMBERS' REPORT (INCLUDING DIRECTORS' REPORT)

FOR THE YEAR ENDED 30 SEPTEMBER 2025

The Members of Council present their report and accounts for the year ended 30 September 2025 and incorporating the reference and administrative information.

The accounts have been prepared in accordance with the accounting policies set out in note 1 to the accounts and comply with the charity's Articles of Association, the Companies Act 2006 and "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)" (as amended for accounting periods commencing from 1 January 2016)

Objectives and activities

The charity's objectives are concerned with the administration of The Stockwell Centre, which provides consultation and treatment for patients suffering from psychological or emotional disorders, and educational courses in psychodynamic principles and their application in professional practice. The provision of the premises has enabled the professionals to work through The Stockwell Centre during the year ended 30 September 2025.

The policies adopted in furtherance of these objectives are Risk Management; Investment; Vulnerable Beneficiaries; Conflict of Interest; Volunteer Management; Complaints Handling and there has been no change in these during the year.

The Members of Council have paid due regard to guidance issued by the Charity Commission in deciding what activities the charity should undertake.

Achievements and performance

Details of the activities and the achievements of the charity during the year are given in The Stockwell Centre's AGM report and a copy of this is available on request.

Financial review

For the year ended 30 September 2025, the charity's unrestricted income exceeded expenditure by £10,780 (2024: £9,441).

The financial statements do not include an evaluation of the voluntary contribution made to the running of The Stockwell Centre by its members. The Members of Council recognise and appreciate this contribution of their time.

It is the policy of the charity that unrestricted funds which have not been designated for a specific use should be maintained at a level equivalent to 26 weeks' expenditure. The Members of Council considers that reserves at this level will ensure that, in the event of a significant drop in funding, they will be able to continue the charity's current activities while consideration is given to ways in which additional funds may be raised. This level of reserves has been maintained throughout the year.

The Members of Council have assessed the major risks to which the charity is exposed, and are satisfied that systems are in place to mitigate exposure to the major risks.

Plans for future periods

The long term desire remains to provide psychotherapy and counselling for the local community and continue to support the bursary funds.

Structure, governance and management

The charity is a company limited by guarantee, incorporated on 19 September 1979 and granted charitable status by the Charity Commission on 2 May 1985. Its governing document is its Memorandum and Articles of Association, under which the Members of the Council of Management constitute the Charity's Trustees.

- 1 accounting records were not kept in respect of the charity as required by section 386 of the Companies Act 2006.
- 2 the financial statements do not accord with those records; or
- 3 the financial statements do not comply with the accounting requirements of section 396 of the Companies Act 2006 other than any requirement that the financial statements give a true and fair view, which is not a matter considered as part of an independent examination; or
- 4 the financial statements have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities applicable to charities preparing their financial statements in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the financial statements to be reached.

NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 30 SEPTEMBER 2025

1 Accounting policies

Charity information

The Stockwell Centre (Colchester) Limited is a private company limited by guarantee incorporated in England and Wales. The registered office is The Stockwell Centre, 44 East Stockwell Street, Colchester, Essex, CO1 1SR.

1.1 Accounting convention

The financial statements have been prepared in accordance with the charity's Memorandum and Articles of Association, the Companies Act 2006 and "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)". The charity is a Public Benefit Entity as defined by FRS 102.

The charity has taken advantage of the provisions in the SORP for charities applying FRS 102 Update Bulletin 1 not to prepare a Statement of Cash Flows.

The financial statements are prepared in sterling, which is the functional currency of the charity. Monetary amounts in these financial statements are rounded to the nearest £.

The accounts have been prepared under the historical cost convention, modified to include the revaluation of freehold properties. The principal accounting policies adopted are set out below.

1.2 Charitable funds

Unrestricted funds are available for use at the discretion of the Members of Council in furtherance of their charitable objectives.

Restricted funds are subject to specific conditions by donors or grantors as to how they may be used. The purposes and uses of the restricted funds are set out in the notes to the financial statements.

1.3 Incoming resources

All incoming resources are included in the statement of financial activities when the charity is entitled to the income and the amount can be quantified with reasonable accuracy. The following specific policies are applied to particular categories of income:

- Consulting room rents are included by reference to the month to which they relate. Restricted grants are recognised on receipt. Gift Aid recoveries on donations from individuals (including through fundraising) are recognised in the same period as the donation.
- Donated services and facilities are included at their value to the charity where this can be quantified. The value of services provided by volunteers has not been included in these financial statements.
- Investment income is included when receivable and comprises bank interest.

(Continued)

1.4 Resources expended

Expenditure is recognised once there is a legal or constructive obligation to transfer economic benefit to a third party, it is probable that a transfer of economic benefits will be required in settlement, and the amount of the obligation can be measured reliably.

Expenditure is classified by activity. The costs of each activity are made up of the total of direct costs and shared costs, including support costs involved in undertaking each activity. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs which contribute to more than one activity and support costs which are not attributable to a single activity are apportioned between those activities on a basis consistent with the use of resources. Central staff costs are allocated on the basis of time spent, and depreciation charges are allocated on the portion of the asset's use.

Expenditure is recognised on an accruals basis as a liability is incurred. Expenditure includes non-recoverable VAT, and is reported as part of the expenditure to which it relates:

- Charitable expenditure comprises those costs incurred by the charity in the delivery of its activities and services for its beneficiaries.

1.5 Tangible fixed assets

Tangible fixed assets are initially measured at cost and subsequently measured at cost or valuation, net of depreciation and any impairment losses.

Depreciation is provided at rates calculated to write off the cost less estimated residual value of each asset over its expected useful life, as follows:

Fixtures, fittings & equipment	15% straight line
--------------------------------	-------------------

Provision for depreciation of the freehold property is not considered by the Members of the Council to be necessary as the estimated useful life exceeds fifty years. It is the company policy to have its property maintained in good condition, which prolongs its useful life and any depreciation arising would not be material.

1.6 Impairment of fixed assets

At each reporting end date, the charity reviews the carrying amounts of its tangible assets to determine whether there is any indication that those assets have suffered an impairment loss. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent of the impairment loss (if any).

1.7 Financial instruments

Basic financial instruments are initially recognised at transaction value and subsequently measured at amortised cost.

Financial assets comprise cash at bank and in hand, together with trade and other debtors. A specific provision is made for debts for which recoverability is in doubt. Cash at bank and in hand is defined as all cash held in instant access bank accounts and used as working capital.

Financial liabilities held at amortised cost comprise all creditors except social security and other taxes, deferred income and provisions.

1.8 Employee benefits

The cost of any unused holiday entitlement is recognised in the period in which the employee's services are received.

1.9 Retirement benefits

Payments to defined contribution retirement benefit schemes are charged as an expense as they fall due.

1.10 Taxation

As a charity, the company is exempt from tax on income and gains falling within Sec 505 of the Taxes Act 1998 or Sec 256 of the Taxation of Chargeable Gains Act 1992 to the extent that these are applied to its charitable objectives. No tax charges have arisen in the charity.

1.11 Fund accounting

- Unrestricted funds are available for use at the discretion of the Members of Council in furtherance of the general objectives of the charity.
- Restricted funds are subjected to restrictions on their expenditure imposed by the donor, or contained in the terms of a grant.

1.12 Going concern

We have continued to prepare the accounts on a going concern basis and deem this appropriate. We do not consider that a material uncertainty about our going concern status currently exists. In making this assessment we have considered the likely operating conditions for a period of twelve months from the date of our approval of these accounts.
