HACKNEY HISTORIC BUILDINGS TRUST (THE)

REPORT OF THE TRUSTEES FOR THE YEAR ENDED 31 MARCH 2022

The trustees who are also directors of the charity for the purposes of the Companies Act 2006, present their report with the financial statements of the charity for the year ended 31 March 2022. The trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019).

OBJECTIVES AND ACTIVITIES

Objectives and aims

To preserve for the benefit of the inhabitants of the London Borough of Hackney and the nation at large whatever of the historical, architectural and constructional heritage may exist in and around the Borough in the form of buildings of particular beauty or historical interest.

Public benefit

The Trustees confirm that they have complied with the duty in section 4 of the Charities Act 2006 to have due regard to public benefit guidance published by the Commission in determining the activities undertaken by the charity.

Going Concern and Impact of Covid 19

Given the huge impact the Sars-Cov2 pandemic had on the events industry and heritage sector, the board of trustees are pleased with the financial result for the year ending 31st March 2022. Through prudent financial management, appropriate use of the Job Retention Scheme, significant grant support via local government administered schemes and from the National Lottery Heritage Fund together with an entrepreneurial spirit and preparedness meant that Hackney Historic Buildings Trust as an entity, its properties and its finances remained in good shape.

The Round Chapel was used extensively as a location facility for various productions when it was unable to open to the public. Concerts and markets took place when they could, bringing welcome relief to our communities in between lockdowns. St Augustine's Tower was unable to open during the year.

The charity continues to make input from time to time into planning and consultations.

As a result of the above, we confirm that the Organisation would be operating as a going concern for the next twelve months.

FINANCIAL REVIEW

Financial position

The board of the Trustees is pleased with the results of the charity during the year, enabling it to continue to manage two significant listed buildings, the Grade II listed Round Chapel and the Grade I St Augustine's Tower. We have seen a broad range of activities take place at the Round Chapel hosting food and drink festivals, civil marriages and wedding celebrations, film shoots, markets and concerts covering a wide range of music genres.

The Round Chapel has remained accessible to the local community through its work with schools, community groups and charities and by holding regular community dances.

The charity has continued to develop activities at St Augustine's Tower, which it manages and maintains via a lease from the owners, Hackney Council. This includes open days, school visits, talks and Santa's grotto. Activities re-commenced in earnest with new community and family events, history talks and a new exhibition.

The charity continues to make input from time to time into planning consultations, particularly where these involve the setting of the charity's heritage assets.

The Trustees and staff of the charity are grateful to the generosity of individuals and organisations who support the Trust. The Trustees acknowledge the contribution of the many volunteers who assist the Trust particularly in carrying out duties vital to the regular opening of St Augustine's Tower.

Reserves policy

The Trustees aim to maintain reserves to enable it to meet its objectives.

Funds in Surplus

The Trustees consider the charity remains in a strong position to continue its activities during the coming year and that the charity assets are adequate to fulfil its obligations. The Board of Trustees is satisfied that the charity's assets in each fund are available and adequate to fulfil its obligations in respect of each fund.

Total income received in the year amounted to £221,461 217,396 (2021: £170,789) indicating an increase of £50,672 over the previous year, and resources expended were £182,410 (2021: £206,531), indicating a reduction of £24,121 from previous year.

Funds carried forward as at year ended 31st March 2022 was £269,367 (2021: £230,316).

FUTURE PLANS

The board of Trustees will continue to re-invest funds in the maintenance and restoration of the Round Chapel. The Trust is developing plans for works including re-roofing the Round Chapel and re-instating heating in the building. These will require a big investment and the Trust is committed to protecting and restoring its property and will strive to generate sufficient reserves through hire income and fundraising. The charity has continued to explore opportunities for external funding for works at St Augustine's Tower to update exhibitions and carry out remedial works.

STRUCTURE, GOVERNANCE AND MANAGEMENT

Structure, Governance and Management

Hackney Historic Buildings Trust is a registered charity and private company incorporated on 22nd January 1985 and limited by guarantee. It has no share capital and is permitted to omit the word limited from its title. The governing document is the Limited Company Memorandum and Articles of Association. A management committee governs the work of the charity as the decision-making body, according to its governing document. The committee meets regularly. The senior management team report to the committee. The Trustees are regularly trained on their own role within the charity, including induction, and are kept fully up to date by the managers on important issues.

Round Chapel

The Trust owns the freehold of a major Heritage Asset known as The Round Chapel on Lower Clapton Road, which is a Grade II* listed building, together with an adjoining cottage. The day to day running costs of the building are funded by the hire of the building and its facilities to local residents, community groups and private companies/individuals for both public and private events. The Cottage is let out to generate income. The buildings have a book value of £63,245 (which is carried in the accounts). The Trustees consider the actual value of the building, including the attached dwelling which brings in a rental income stream, to be substantially in excess of the acquisition cost. However, in current market conditions and bearing in mind the listed status of the property, the Trustees believe it would not be prudent to include a revaluation in the accounts and have opted to include this disclosure in the Trustees' Report rather than create a revaluation reserve that has neither certainty nor purpose.

St Augustine's Tower

The Trust cares for St Augustine's Tower which it leases from Hackney Council at a rent of £100 per annum and the lease runs for a period of 25 years from 3rd December 2004. Following a refurbishment project funded by the Heritage Lottery Fund and completed in 2006 the building is regularly open to the public. It is also used for educational visits, exhibitions and both public and private events.

Contribution of Volunteers

The charity has drawn upon the pool of volunteers without whom the level of work that it undertakes would be significantly reduced. The charity uses volunteers whenever necessary and appropriate for specific tasks and projects.

Risk management

The trustees have examined the business and operational risks the charity faces and confirm that systems have been established to lessen these risks.

**INDEPENDENT EXAMINER'S REPORT TO THE TRUSTEES OF
HACKNEY HISTORIC BUILDINGS TRUST (THE)**

Independent examiner's report to the trustees of Hackney Historic Buildings Trust (THE) ('the Company')

I report to the charity trustees on my examination of the accounts of the Company for the year ended 31 March 2022.

Responsibilities and basis of report

As the charity's trustees of the Company (and also its directors for the purposes of company law) you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 ('the 2006 Act').

Having satisfied myself that the accounts of the Company are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of your charity's accounts as carried out under section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under section 145(5) (b) of the 2011 Act.

Independent examiner's statement

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe:

1. accounting records were not kept in respect of the Company as required by section 386 of the 2006 Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the accounting requirements of section 396 of the 2006 Act other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination; or
4. the accounts have not been prepared in accordance with the methods and principles of the Statement of Recommended Practice for accounting and reporting by charities (applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

The charitable company is entitled to exemption from audit under Section 477 of the Companies Act 2006 for the year ended 31 March 2022.

The members have not required the company to obtain an audit of its financial statements for the year ended 31 March 2022 in accordance with Section 476 of the Companies Act 2006.

The trustees acknowledge their responsibilities for

- (a) ensuring that the charitable company keeps accounting records that comply with Sections 386 and 387 of the Companies Act 2006 and
- (b) preparing financial statements which give a true and fair view of the state of affairs of the charitable company as at the end of each financial year and of its surplus or deficit for each financial year in accordance with the requirements of Sections 394 and 395 and which otherwise comply with the requirements of the Companies Act 2006 relating to financial statements, so far as applicable to the charitable company.

HACKNEY HISTORIC BUILDINGS TRUST (THE)

NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 31 MARCH 2022

1. ACCOUNTING POLICIES

Basis of preparing the financial statements and assessment of going concern

The financial statements of the charitable company, which is a public benefit entity under FRS 102, have been prepared in accordance with the Charities SORP (FRS 102) 'Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)', Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' and the Companies Act 2006. The financial statements have been prepared under the historical cost convention.

Going Concern and Implication of Covid-19

With the easing off of Covid restrictions, the Trust started to operate at an increasing capacity which enabled the Trust to secure further additional income.

As a result of this, the Board confirms that they would be in a position to operate for the next twelve months.

For the above reasons, the accounts have been prepared on a going concern basis.

Income

Turnover is measured at the fair value of the consideration received or receivable, net of discounts and value added taxes. Turnover includes revenue earned from the rendering of services which are recognised by reference to the stage of completion of the contract. The stage of completion of a contract is measured by comparing the costs incurred for work performed to date to the total estimated contract costs.

Expenditure and irrecoverable vat

Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the charity to that expenditure, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all cost related to the category. Where costs cannot be directly attributed to particular headings they have been allocated to activities on a basis consistent with the use of resources.

Resources expended include attributable VAT which cannot be recovered.

Taxation

The charity is exempt from corporation tax on its charitable activities.

Fund accounting

Unrestricted funds can be used in accordance with the charitable objectives at the discretion of the trustees.

Restricted funds can only be used for particular restricted purposes within the objects of the charity. Restrictions arise when specified by the donor or when funds are raised for particular restricted purposes.

Further explanation of the nature and purpose of each fund is included in the notes to the financial statements.

HACKNEY HISTORIC BUILDINGS TRUST (THE)

NOTES TO THE FINANCIAL STATEMENTS - continued FOR THE YEAR ENDED 31 MARCH 2022

1. ACCOUNTING POLICIES - continued

Debtors

Basic financial assets, including trade and other debtors, are initially recognised at transaction price, unless the arrangement constitutes a financing transaction, where the transaction is measured at the present value of the future receipts discounted at a market rate of interest. Such assets are subsequently carried at amortised cost using the effective interest method, less any impairment.

Creditors

Basic financial liabilities, including trade and other creditors, loans from third parties and loans from related parties, are initially recognised at transaction price, unless the arrangement constitutes a financing transaction, where the debt instrument is measured at the present value of the future payments discounted at a market rate of interest. Such instruments are subsequently carried at amortised cost using the effective interest method, less any impairment.

Pension costs and other post-retirement benefits

The charitable company operates a defined contribution pension scheme. Contributions payable to the charitable company's pension scheme are charged to the Statement of Financial Activities in the period to which they relate.
