TRUSTEES REPORT

FOR THE YEAR ENDED 31 AUGUST 2025

The Trustees present their annual report and financial statements for the year ended 31 August 2025.

The financial statements have been prepared in accordance with the accounting policies set out in note 01 to the financial statements and comply with the Charity's governing document, a deed of trust, and constitutes an unincorporated charity, the Charities Act 2011 and "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)" (as amended for accounting periods commencing from 1 January 2019).

Objectives and activities

The objective of the charity continues to be the promotion of participation in the sport of gymnastics.

We continue to provide classes and training sessions for members to take part in gymnastic activities and participate in competitions and events to promote healthy recreation through sport to the local community. Our gymnasts participate in competitions from recreational level to Elite gymnastics during each year.

Public benefit

The Club's membership and activities are primarily for the people of Runnymede and surrounding local areas. We are open to all regardless of age, race, or gender.

As our sport requires specialist facilities and equipment, we do have a high ratio of qualified coaches to gymnasts to ensure that all activities are carried out safely and to a high standard.

All our coaches are fully qualified with British Gymnastics approved qualifications. All staff are DBS checked and fully trained in Safeguarding and First Aid. Due to this we do charge fees for the use of our facilities and the coaching received. We run 2 disability classes per week, and we offer concessionary classes for Meath School (a speech and language special school).

We continue to have a bursary programme in place to cater for hardship situations where access to the club and the sport would not be possible.

Achievements and performance

Significant activities and achievements against objectives

Recreational gymnasts have who train for 1 hour per week sit at 335 children which has been stable even through there was a small increase in fees in April 2025.

The pre school has seen a small decline in numbers due to free nursery place and the club have 27 children currently in preschool.

Intermediate and advanced gymnasts training between 2 and 7 hours sit at 82 which has also stayed stable.

Squad gymnasts training from 5-16 hours per week sit at 27. Three gymnasts are now in the Southeast squad which is the most the club have ever achieved.

Meath school have continued to have sessions here twice a week. Soft play and parties have stayed stable in turnover for the year

The recreational gymnasts have taken part in 3 competitions. The inter/advanced in 3 competitions and the Elite girls have competed at grades and national competitions. The Christmas Show went well, and the staff also had a small summer show for squad gymnasts. Other fundraising has seen an egg hunt /gym sleepover and Halloween party which have worked well.

The trustees would like to thank all the staff and volunteers for their time this year. Without this ongoing help the club would not be able to function effectively.

Financial review

During the period the Charity had income resources of £396,995 (2024 £391,306) and a total expenditure of £418,123 (2024 £397,540) resulting in net deficit of £21,520 (2024 deficit £6,234).

Reserves policy

Reserves are needed to bridge the gap between the spending and receiving of income and to cover unplanned emergency expenditure. The trustees consider £40,000 is the ideal level of reserves, and being sufficient unrestricted reserves to fund a minimum of twelve months.

The trustees consider that adequate resources continue to be available to fund the activities of the Charity for the foreseeable future. The trustees are of the view that the charity is a going concern.

The Trustees are responsible for preparing the Trustees Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

The law applicable to charities in England and Wales requires the Trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the Charity and of the incoming resources and application of resources of the Charity for that year.

In preparing these financial statements, the Trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements; and

The Trustees are responsible for keeping sufficient accounting records that disclose with reasonable accuracy at any time the financial position of the Charity and enable them to ensure that the financial statements comply with the Charities Act 2011, the Charity (Accounts and Reports) Regulations 2008 and the provisions of the trust deed. INDEPENDENT EXAMINER'S REPORT

TO THE TRUSTEES OF WEYBOURNE GYMNASTICS CLUB

I report to the Trustees on my examination of the financial statements of Weybourne Gymnastics Club (the Charity) for the year ended 31 August 2025, which are set out on pages 06 to 16.

Responsibilities and basis of report

As the Trustees of the Charity you are responsible for the preparation of the financial statements in accordance with the requirements of the Charities Act 2011 (the 2011 Act).

I report in respect of my examination of the Charity's financial statements carried out under section 145 of the 2011 Act. In carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

Independent examiner's statement

Since the Charity's gross income exceeded £250,000 your examiner must be a member of a body listed in section 145 of the 2011 Act. I confirm that I am qualified to undertake the examination because I am a member of ICAEW, which is one of the listed bodies.

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

- 1 accounting records were not kept in respect of the Charity as required by section 130 of the 2011 Act; or
- 2 the financial statements do not accord with those records; or
- 3 the financial statements do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the financial statements to be reached.

NOTES TO THE FINANCIAL STATEMENTS

FOR THE YEAR ENDED 31 AUGUST 2025

1 Accounting policies

Charity information

Weybourne Gymnastics Club is a Charity controlled by its governing document, a deed of trust, and constitutes an unincorporated charity..

1.1 Accounting convention

The financial statements have been prepared in accordance with the Charity's [governing document], the Charities Act 2011 and "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102)" (as amended for accounting periods commencing from 1 January 2019). The Charity is a Public Benefit Entity as defined by FRS 102.

The Charity has taken advantage of the provisions in the SORP for charities applying FRS 102 Update Bulletin 1 not to prepare a Statement of Cash Flows.

The financial statements have departed from the Charities (Accounts and Reports) Regulations 2008 only to the extent required to provide a true and fair view. This departure has involved following the Statement of Recommended Practice for charities applying FRS 102 rather than the version of the Statement of Recommended Practice which is referred to in the Regulations but which has since been withdrawn.

The financial statements are prepared in sterling, which is the functional currency of the Charity. Monetary amounts in these financial statements are rounded to the nearest £.

The financial statements have been prepared under the historical cost convention. The principal accounting policies adopted are set out below.

1.2 Going concern

At the time of approving the financial statements, the Trustees have a reasonable expectation that the Charity has adequate resources to continue in operational existence for the foreseeable future. Thus the Trustees continue to adopt the going concern basis of accounting in preparing the financial statements.

1.3 Charitable funds

Unrestricted funds are available for use at the discretion of the Trustees in furtherance of their charitable objectives.

1.4 Income

Income is recognised when the Charity is legally entitled to it after any performance conditions have been met, the amounts can be measured reliably, and it is probable that income will be received.

Cash donations are recognised on receipt. Other donations are recognised once the Charity has been notified of the donation, unless performance conditions require deferral of the amount. Income tax recoverable in relation to donations received under Gift Aid or deeds of covenant is recognised at the time of the donation.

1 Accounting policies

(Continued)

Legacies are recognised on receipt or otherwise if the Charity has been notified of an impending distribution, the amount is known, and receipt is expected. If the amount is not known, the legacy is treated as a contingent asset.

1.5 Expenditure

Expenditure is recognised on an accruals basis when incurred. It is reported in the Statement of Financial Activities as follows:

Direct Charitable Expenditure - these are costs incurred by the charity in the delivery of its activities and services for its beneficiaries.

Support costs include other running costs and governance costs. These are incurred by the charity and are necessary to aid and support the running of the charity and are included within expenditure on charitable activities.

All costs are allocated to charitable activities of the SOFA on a basis designed to reflect the use of the resource.

Support Costs relating to a particular fund are allocated directly, others are apportioned on an appropriate basis when applicable. The charity has identified one direct charitable activity.

1.6 Tangible fixed assets

Tangible fixed assets are initially measured at cost and subsequently measured at cost or valuation, net of depreciation and any impairment losses.

Depreciation is recognised so as to write off the cost or valuation of assets less their residual values over their useful lives on the following bases:

Plant and equipment	25% on cost
Fixtures and fittings	25% on cost

The gain or loss arising on the disposal of an asset is determined as the difference between the sale proceeds and the carrying value of the asset, and is recognised in the statement of financial activities.

1.7 Impairment of fixed assets

At each reporting end date, the Charity reviews the carrying amounts of its tangible assets to determine whether there is any indication that those assets have suffered an impairment loss. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent of the impairment loss (if any).

1.8 Stocks

Stocks are stated at the lower of cost and estimated selling price less costs to complete and sell. Cost comprises direct materials and, where applicable, direct labour costs and those overheads that have been incurred in bringing the stocks to their present location and condition. Items held for distribution at no or nominal consideration are measured the lower of replacement cost and cost.

Net realisable value is the estimated selling price less all estimated costs of completion and costs to be incurred in marketing, selling and distribution.

1.9 Cash and cash equivalents

Cash and cash equivalents include cash in hand, deposits held at call with banks, other short-term liquid investments with original maturities of three months or less, and bank overdrafts. Bank overdrafts are shown within borrowings in current liabilities.

Basic financial assets

Basic financial assets, which include debtors and cash and bank balances, are initially measured at transaction price including transaction costs and are subsequently carried at amortised cost using the effective interest method unless the arrangement constitutes a financing transaction, where the transaction is measured at the present value of the future receipts discounted at a market rate of interest. Financial assets classified as receivable within one year are not amortised.

Basic financial liabilities

Basic financial liabilities, including creditors and bank loans are initially recognised at transaction price unless the arrangement constitutes a financing transaction, where the debt instrument is measured at the present value of the future payments discounted at a market rate of interest. Financial liabilities classified as payable within one year are not amortised.

Debt instruments are subsequently carried at amortised cost, using the effective interest rate method.

Trade creditors are obligations to pay for goods or services that have been acquired in the ordinary course of operations from suppliers. Amounts payable are classified as current liabilities if payment is due within one year or less. If not, they are presented as non-current liabilities. Trade creditors are recognised initially at transaction price and subsequently measured at amortised cost using the effective interest method.

Derecognition of financial liabilities

Financial liabilities are derecognised when the Charity's contractual obligations expire or are discharged or cancelled.

1.10 Employee benefits

The cost of any unused holiday entitlement is recognised in the period in which the employee's services are received.

Termination benefits are recognised immediately as an expense when the Charity is demonstrably committed to terminate the employment of an employee or to provide termination benefits.

1.11 Retirement benefits

Payments to defined contribution retirement benefit schemes are charged as an expense as they fall due.

2 Critical accounting estimates and judgements

In the application of the Charity's accounting policies, the Trustees are required to make judgements, estimates and assumptions about the carrying amount of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised where the revision affects only that period, or in the period of the revision and future periods where the revision affects both current and future periods.
