TRUSTEES' REPORT

YEAR ENDED 31 MARCH 2023

GOVERNANCE

This report also serves as a directors' report as required by company law.

The Company was incorporated in England and Wales on 13 February 1985 and is limited by guarantee under Company number 1885692. It is a registered Charity under number 0291764 and is governed by its Memorandum and Articles of Association.

The directors of the charitable company ("the Charity") are its trustees for the purpose of Charity Law and throughout this report are collectively referred to as the trustees. Trustees are appointed by the members of the charitable company attending the Annual General Meeting. Each year one third of the trustees retire from office but are eligible for re-election. The number of trustees shall not be less than 5 nor more than 7.

The five Trustees delegate decisions to an Executive Committee of the Incorporation of Weavers Fullers & Shearmen who are appointed annually. All administration functions are carried out by the Clerk.

The Trustees are appointed from The Court of Assistants who consist of prominent local business people who became Assistants by invitation and are provided with a full history of the Charity, its objectives and management procedures.

PUBLIC BENEFIT STATEMENT

The Trustees have reviewed the outcomes and achievements of our objectives and activities for the year, to ensure they remain focused on our charitable aims, and continue to deliver benefits to the public. We have complied with the duty under the Charities Act 2011 to have due regard to public benefit guidance published by the Commission.

OBJECTS AND ACTIVITIES

The main objects of the Charity are:

- i) The maintenance and restoration of the medieval Hall known as Tuckers Hall of Exeter.
- ii) Betterment of the facilities at the Hall to encourage wider access and to extend the educational role of the premises.
- iii) Maintain the historical links and connections with the City of Exeter including attending Civic Processions.

Tuckers Hall represents a rare surviving building that can be identified with a trade that was of huge importance to Exeter and Devon.

Tuckers Hall was built between 1472 and 1479 as a chapel for the Guild of woollen cloth workers in Exeter. It is part of the story of the woollen cloth trade in Exeter, which made the city wealthy and a centre for international trade from the 1430s until the end of the 18th century.

By 1700 Exeter was the third most important city outside London, following Bristol and Norwich - this importance based on the woollen cloth trade. The chapel was built on a plot of land given to the Guild, which developed the neighbouring properties uphill and downhill. The building has a fine wagon roof. It was converted into a hall for the Guild at the Reformation, to avoid its being confiscated. Guild meetings were probably held in the chapel from the outset.

TUCKERS HALL EXETER LIMITED

TRUSTEES' REPORT (continued)

YEAR ENDED 31 MARCH 2023

After the Reformation the building was divided into two storeys and the upper room was used for meetings of the Guild. This use has continued ever since and the Guild, known as "The Incorporation of Weavers, Fullers and Shearmen", which survives in an adapted form, still uses the building for meetings today. The records of the organisation survive, carefully catalogued and deposited in the Devon Record Office. They make significant contribution to the documentary history of the city of Exeter. In the 17th century the upper room was refurbished with high-quality ornamental panelling. There was a school for the children of the cloth-workers on the ground floor from the late 17th century until 1841.

After the decline of the Exeter woollen cloth industry in the late 18th century, membership of the Guild broadened in terms of occupation and the organisation became one that dispensed funds from various charities it administered. Many of the major figures in Exeter's history held office in the Guild. The building was the cause of major concern in the 19th century and the front wall was rebuilt - this was in Venetian Gothic style in 1875. In 1901 the upper room was thoroughly refurbished, including re-exposing the chapel roof, which had been largely concealed by plaster. A few years later a fine new staircase in a late 17th century style was installed, a good example of local craftsmanship of the period.

In the latter half of the 20th century, looking after the building and its history has been the main preoccupation of the Guild. In 1968 the Guild commissioned Joyce Youings to write an academic publication on the history of the Guild and the building. This useful study painted a detailed and wide-ranging picture of the Guild and its members.

FINANCIAL REVIEW

Unrestricted income in total was £40,846 (2022: £24,785) and this was used to cover the running costs of the hall and administration costs of £43,681 (2022: £28,275) excluding depreciation of £13,104 (2022: £13,974). Coupled with gains/(deficits) on investments of (£7,566) (2022: £12,857), net expenditure for the year was (£23,505) (2022: £4,877).

Restricted income of £2,505 was received during the year. £1,593 of the restricted funds were used during the year, leaving £1,382 to carry forward towards intern costs.

ACHIEVEMENTS AND PERFORMANCE

The renovation and development of Tuckers Hall has continued and its Interpretation Centre to attract visitors from all over the world.

Recent works to the building include new railings to the front of the building, new internal glazed doors and screens, and new display boards and cases for weapons and armoury displays. The cost of these works were partly funded by grants and the reserves of the trust. The Hall has also acquired a wedding licence and it is hoped that this will provide additional income for the trust in future years.

TRUSTEES' REPORT (continued)

YEAR ENDED 31 MARCH 2023

Tuckers Hall Interpretation Centre Synopsis OBJECTIVES

- To display the origins, history and development of the Incorporation of Weavers, Fullers and Shearmen (IWFS).
- To explain the features of Tuckers Hall and its use as a chapel, meeting place and a schoolroom.
- To put in context the significance of the cloth trade and its impact on the prosperity of Exeter.
- To establish a learning centre for schools and educational projects; for individual students and the public.

The Interpretation Centre occupies the Entrance Hall and Lower Hall and will achieve the objectives by:

- An audio/visual DVD presentation with subtitles and an induction loop; with removable theatre style seating.
- Computer screens with tracker balls, interactively displaying the history of the Hall, the Incorporation and the cloth trade, with links to other, associated historic sites in Exeter and the surrounding area.
- Graphic boards illustrating the chronology of the Incorporation and the Hall.
- Display cases with the Officers' Robes and associated artefacts.

Tuckers Hall is an historic listed building which dates back to 1471. The timber 'Barrel' Roof is original and a very special feature of the building. The Charity's policy on reserves is to maintain a sufficient level of resources in order to maintain Tuckers Hall and deal with unexpected expenditure on repairs and restoration that is often a feature of such old buildings, and to increase those reserves if possible. We aim to hold unrestricted reserves of approximately £100,000 to cover large one off repairs. Any excess reserves are invested to provide returns that will cover general repairs to Tuckers Hall should future donations not be sufficient. At the year end total reserves amounted to £434,941. Of this, £17,797 was held in tangible fixed assets, £269,329 in heritage assets, and £1,382 in restricted funds. This leaves £147,815 of free reserves as at the year end (2022: £159,841).

As well as the financial risk referred to above, the major risk to which the Charity is exposed is fire damage to the Hall. In order to reduce the risk the following preventative action has been taken:

- i) Fire alarm connected to monitoring centre and fire service.
- ii) Rewiring of part of electrical installation and regular testing of electrical system.
- iii) Installation of burglar alarm system connected to call centre.
- iv) Reviewing and increasing insurance cover.
- v) Forming property sub-committee to supervise all matters relating to the building. This sub-committee is currently undertaking a full review of the condition of the building.

RELATED PARTIES

The Charity has common Trustees with Weavers Fullers and Shearmen Charities Limited. Both charities were set up by the Incorporation of Tuckers Hall.

STATEMENT OF TRUSTEES RESPONSIBILITIES

Company law requires the trustees to prepare financial statements for each financial year which show a true and fair view of the state of affairs of the Charity and its financial activities for that period. In preparing those financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards and statements of recommended practice have been followed subject to any departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Charity will continue in operation existence.

The trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the Charity and to enable them to ensure that the financial statements comply with the Companies Act 2006 and the Charities Act 2011. The trustees are also responsible for safeguarding the assets of the Charity and hence for taking reasonable steps for prevention and detection of fraud and other irregularities.

STATUS OF REPORT

**INDEPENDENT EXAMINERS REPORT
TO THE TRUSTEES OF
TUCKERS HALL EXETER LIMITED**

I report on the accounts of the Charity for the year ended 31 March 2023, which are set out on pages 6 to 11.

Respective Responsibilities of Trustees and Examiner

The trustees (who are also the directors of the company for the purposes of company law) are responsible for the preparation of the accounts. The charity's trustees consider that an audit is not required for this year under Section 144(2) of the Charities Act 2011 (the 2011 Act) and that an independent examination is needed.

Having satisfied myself that the Charity is not subject to audit under company law and is eligible for an independent examination it is my responsibility to:

- examine the accounts under section 145 of the 2011 Act;
- to follow the procedures laid down in the General Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act; and
- to state whether particular matters have come to my attention.

Basis of Independent Examiner's Report

My examination was carried out in accordance with the General Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and the seeking of explanations from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit and, consequently, no opinion is given as to whether the accounts present a "true and fair view" and the report is limited to those matters set out in the statement below.

Independent Examiner's Statement

In connection with my examination, no matter has come to my attention:

- which gives me reasonable cause to believe that, in any material respect, the requirements
 - a) to keep accounting records in accordance with section 386 of the Companies Act 2006; and
 - b) to prepare accounts which accord with the accounting records, comply with the accounting requirements of section 396 the Companies Act and with methods and principles of the Statement of Recommended Practice Accounting and Reporting by Charities
- have not been met or to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

The property is preserved and maintained by members of the Incorporation and now includes a modern interactive Interpretation Centre, which is open to the public, illustrating the Woollen Cloth manufacturing processes and the Development of the Cloth Trade in Exeter.
