In preparing those financial statements, the charity is required to:

- select suitable accounting policies and apply them consistently;
- observe the methods and principles of the Charities SORP
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any departures disclosed and explained in the financial statements; and
- Prepare the financial statements on the going concern basis unless it is inappropriate to presume that the activities of the charity will continue.

The charity is responsible for keeping adequate accounting records which disclose with reasonable accuracy at any time the financial position of the charity and enables them to ensure that the financial statements comply with the Charities Act 2011, the Charity (Accounts and Reports Regulations 2008 and the provisions of the governing document. ## Report of the Independent Examiner to the Trustees of Ecclesiastical Charities of John Wild of Edmonton and Others

---

I report on the accounts of the Ecclesiastical Charities of John Wild of Edmonton and Others for the year ended 31 December 2024, which are set out on pages 7 to 13.

### ***Respective responsibilities of charity and examiner***

The charity are responsible for the preparation of the accounts. The charity consider that an audit is not required for this year (under section 144(2) of the Charities Act 2011 (the 2011 Act)) and that an independent examination is needed.

It is my responsibility to:

- examine the accounts (under section 145 of the 2011 Act);
- to follow the procedures laid down in the General Directions given by the Charity Commissioners (under section 145(5)(b) of the 2011 Act); and
- to state whether particular matters have come to my attention.

### ***Basis of independent examiners' report***

My examination was carried out in accordance with the General Directions given by the Charity Commissioners. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and the seeking of explanations from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit and, consequently, no opinion is given as to whether the accounts present a 'true and fair view' and the report is limited to those matters set out in the statement below.

### ***Independent examiners' statement***

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the church as required by section 130 of the Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair view' which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

## Notes to the Financial Statements For the year ended 31 December 2024

---

### I. Accounting Policies

The principal accounting policies adopted, judgements and key sources of estimation uncertainty in the preparation of the financial statements are as follows:

#### Basis of accounting

The financial statements have been prepared under the Charities Act 2011 and in accordance with the Charities Statement of Recommended Practice (Charities SORP (FRS 102)) and Financial Reporting Standard 102 (FRS 102). The financial statements are drawn up on the historical cost basis of accounting except for the revaluation of leasehold land and buildings and investments which are shown at market value.

The charity meets the definition of a public benefit entity under FRS 102.

#### Going Concern

There are no material uncertainties about the charity's ability to continue as a going concern and accordingly the accounts have been drawn up on a going concern basis.

#### Income recognition

Interest on funds held on deposit is included when receivable and the amount can be measured reliably by the charity; this is normally upon notification of the interest paid or payable by the bank.

#### Expenditure recognition

Expenditure is accrued as soon as a liability is considered probable, and the amount of obligation can be measured reliably. Longer term liabilities are discounted to present value. The charity is not registered for VAT and accordingly expenditure includes VAT where appropriate.

Charitable expenditure includes those costs in fulfilling the charity's principal objects, as outlined in the Report of the Charity. These include grants payable and governance costs

- Grants payable are payments made to third parties in furtherance of the charity's objects. In the case of an unconditional grant offer this is accrued once the recipient has been notified of the grant award. The notification gives the recipient a reasonable expectation that they will receive the grant. Grants awards that are subject to the recipient fulfilling performance conditions are only accrued when the recipient has been notified of the grant and any remaining unfulfilled condition attaching to that grant is outside of the control of the charity.
- Governance costs comprise all costs involving the public accountability of the charity and its compliance with regulation and good practice. These costs include costs related to the independent examination and legal fees.

#### Investments

Listed investments are stated at market value. Realised and unrealised gains and losses on investments are reflected through the Statement of Financial Activities.

#### Debtors

Debtors are included at the settlement amount due. Prepayments are valued at the amount prepaid.

#### Creditors and provisions

Creditors and provisions are recognised where the charity has a present obligation arising from a past event that will probably result in the transfer of funds to a third party and the amount due to settle the obligation can be measured or estimated reliably. Creditors and provisions are recognised at their settlement amount.

#### Fund accounting

The funds held by the charity are either:

- Unrestricted general funds - these are funds which can be used in accordance with the charitable objects at the discretion of the trustees.
- Restricted funds - these are funds that can only be used for particular restricted purposes within the objects of the charity. Restrictions arise when specified by the donor or when funds are raised for particular restricted purposes.
- Endowment funds - these are funds whose capital must be maintained.
