**Phyllis Rampton Narrow Gauge
Railway Trust**

**Report of the Trustees
for the Year Ended 31 December 2024**

The trustees present their report with the financial statements of the charitable group for the year ended 31 December 2024. The trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019).

OBJECTIVES AND ACTIVITIES

Objectives and aims

The objectives of the Phyllis Rampton Narrow Gauge Trust are to preserve, exhibit, display and to loan for demonstration for the public benefit and for the advancement of technical, historical and general education steam and other railway locomotives, rolling stock, equipment, machines and relics which are of (a) historical operational and general interest and in addition (b) of educational value.

Public benefit

The Phyllis Rampton Narrow Gauge Trust provides financial support to its charitable subsidiary the Vale of Rheidol Railway Limited.

The Vale of Rheidol Railway operates to demonstrate the operation of a Victorian narrow-gauge railway for the benefit of the public.

The railway is open to all members of the public. The public can benefit from and see the preserved locomotives and rolling stock in operation. Various fare concessions are also available including discounts for children and large groups and both single and return journeys are available.

Accessible toilets facilities are in both Aberystwyth and Devil's Bridge. All trains have accessible areas, with one accessible open carriage with ramp access and a larger wheelchair bay and one First/Guard carriage has an enclosed larger wheel chair bay with ramp access on each train.

Dogs are welcome to travel with passengers in third class for a small charge as are guide dogs in first class and third class for a small charge.

The public further benefits from the opening on 25th March 2024 of the new narrow-gauge railway museum in the Great Western Railway locomotive shed in Aberystwyth. The facility allows visitors to view a number of locomotives from the Vale of Rheidol museum collection. Admission is complimentary for railway passengers.

The Trustees confirm that they have complied with the requirements of section 17 Charities Act 2011 to have due regard to the public benefit guidance published by the Charity Commission for England and Wales.

Activities

During the year the financial support provided by the Phyllis Rampton Narrow Gauge Railway Trust to its charitable subsidiary the Vale of Rheidol Railway Limited has included:

- Funding the costs of transporting locomotive 9017, known as the "Dukedog" from the Bluebell Railway by kind loan from the Blue Bell Railway and displayed in the Vale of Rheidol Railway Limited's new museum.
- Contributing towards the research costs for the publication of a new book about "Collection X", the railway museum's collection (which will include all items inherited by the Charity from the estate of Peter Rampton).
- Contributing to the design costs of extending the Vale of Rheidol Railways' storage facilities at Capel Bangor to store heritage narrow gauge locomotives inherited from the estate of peter Rampton.
- Contribution to the costs of restoration work carried out by the Vale of Rheidol Railway Limited in its Surrey workshop of narrow-gauge heritage locomotives and carriages. This has included:
 - Completion of the restoration of a narrow-gauge Isle of Man Composite carriage F68 which was delivered for display in the Vale of Rheidol Railway's new museum.
 - Continuing restoration of a Ruston Proctor paraffin locomotive. It is anticipated this will be completed in 2025 and delivered for display in the museum in Aberystwyth.

FINANCIAL REVIEW

Principal funding sources

The funds of the Phyllis Rampton Narrow Gauge Railway Trust come from the income generated from its portfolio of investments and income earned on bank deposits.

Investment policy and objectives

The investments of the Phyllis Rampton Narrow Gauge Railway Trust are managed by James Hambro LLP under an Investment Policy Statement agreed with the trustees which aims to maximise the income and capital returns on investment from a mixed risk portfolio.

Reserves policy

It is the policy of the Phyllis Rampton Narrow Gauge Railway Trust to maintain unrestricted funds which are the free reserves of the charity sufficient to cover management, administration and support costs.

As at 31 December 2024 total funds amounted to £26,436,006 (2023 : £24,143,020). There were no restricted funds as at the year ended 31 December 2024 nor 31 December 2023. Total endowment fund amounted to £633,650 as at the year ended 31 December 2024 and 31 December 2023.

Going concern

After making appropriate enquiries the trustees have a reasonable expectation that the Phyllis Rampton Narrow Gauge Railway Trust has adequate resources to continue in operational existence for the foreseeable future. For this reason they continue to adopt the going concern basis when preparing the financial statements. Further details of the going concern basis can be found on the accounting policies.

FUTURE PLANS

The Phyllis Rampton Narrow Gauge Railway Trust will continue to maximise returns on the investment portfolio to provide sufficient funds to support its subsidiary entity the Vale of Rheidol Railway Limited.

STRUCTURE, GOVERNANCE AND MANAGEMENT

Governing document

The Phyllis Rampton Narrow Gauge Railway Trust is controlled by its governing document, a deed of trust, and constitutes an unincorporated charity.

Charity constitution

The Phyllis Rampton Narrow Gauge Railway Trust was founded in 1985 by a Declaration of Trust. The Trust is a registered charity (charity number 292240).

Organisational structure and decision making

The trustees have met regularly in 2024, overseeing the operations of its subsidiary entity the Vale of Rheidol Railway Limited, and determining the general policy of the charity and its long term strategy, to ensure the objectives of the Phyllis Rampton Narrow Gauge Railway Trust are achieved.

Method of appointment of trustees

The management of the Phyllis Rampton Narrow Gauge Railway Trust is the responsibility of the trustees who are appointed under the terms of the Declaration of Trust.

The Phyllis Rampton Narrow Gauge Railway Trust seeks to recruit new trustees with the aim of ensuring that the balance of skills and experience held by the Board of trustees is maintained and relevant to the objectives of the charity.

Simon Paul Moriarty was appointed an additional trustee during the year and brings investment experience to the Board.

Prior to their appointment, prospective trustees are provided with copies of the Declaration of Trust and the latest financial statements.

**Phyllis Rampton Narrow Gauge
Railway Trust**

**Report of the Trustees
for the Year Ended 31 December 2024**

STRUCTURE, GOVERNANCE AND MANAGEMENT

Method of appointment or election of Trustees – continued

Prospective new trustees are invited to attend a number of Board meetings of the trustees and its subsidiary entity where they have an opportunity to discuss the operation of the charity and future plans and objectives can be explained to them. Prospective trustees are also provided with copies of the Charity Commissions Guidance - "The essential trustee what you need to know, what you need to do" and "Charity Trustee: what's involved". Prior to their formal appointment prospective new trustees are also required to complete the Charity Commission's Trustee Eligibility Declaration and HMRC's Fit and Proper Person Declaration.

Risk management

The trustees have considered the major strategies, business and operational risk which the Phyllis Rampton Narrow Gauge Railway Trust faces and confirm that systems have been established to enable regular reports to be produced so that the necessary steps can be taken to lessen the risk.

STATEMENT OF TRUSTEES' RESPONSIBILITIES

The trustees are responsible for preparing the Report of the Trustees and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

The law applicable to charities in England and Wales, the Charities Act 2011, Charity (Accounts and Reports) Regulations 2008 and the provisions of the trust deed requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources, including the income and expenditure, of the charity for that period. In preparing those financial statements, the trustees are required to

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charity SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business.

The trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the charity and to enable them to ensure that the financial statements comply with the Charities Act 2011, the Charity (Accounts and Reports) Regulations 2008 and the provisions of the trust deed. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Approved by order of the board of trustees on 17th October 2025 and signed on its behalf by:

.....
N Acomb - Trustee

**Report of the Independent Auditors to the Trustees of
Phyllis Rampton Narrow Gauge
Railway Trust**

Opinion

We have audited the financial statements of Phyllis Rampton Narrow Gauge Railway Trust (the 'charitable parent') and its subsidiaries (the 'group') for the year ended 31 December 2024 which comprise the Consolidated Statement of Financial Activities, the Consolidated Balance Sheet, the Balance Sheet, the Consolidated Cash Flow Statement and notes to the financial statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

In our opinion the financial statements:

- give a true and fair view of the state of the groups affairs as at 31 December 2024 and of its incoming resources and application of resources, for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditors' responsibilities for the audit of the financial statements section of our report. We are independent of the group in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Conclusions relating to going concern

In auditing the financial statements, we have concluded that the trustees' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Based on the work we have performed, we have not identified any material uncertainties relating to events or conditions that, individually or collectively, may cast significant doubt on the charity's ability to continue as a going concern for a period of at least twelve months from when the financial statements are authorised for issue.

Our responsibilities and the responsibilities of the trustees with respect to going concern are described in the relevant sections of this report.

Other information

The trustees are responsible for the other information. The other information comprises the information included in the Annual Report, other than the financial statements and our Report of the Independent Auditors thereon.

Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether this gives rise to a material misstatement in the financial statements themselves. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact. We have nothing to report in this regard.

Matters on which we are required to report by exception

We have nothing to report in respect of the following matters where the Charities (Accounts and Reports) Regulations 2008 requires us to report to you if, in our opinion:

- the information given in the Report of the Trustees is inconsistent in any material respect with the financial statements; or
- sufficient accounting records have not been kept; or
- the financial statements are not in agreement with the accounting records and returns; or
- we have not received all the information and explanations we require for our audit.

**Report of the Independent Auditors to the Trustees of
Phyllis Rampton Narrow Gauge
Railway Trust**

Responsibilities of trustees

As explained more fully in the Statement of Trustees' Responsibilities, the trustees are responsible for the preparation of the financial statements which give a true and fair view, and for such internal control as the trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the trustees are responsible for assessing the charity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the trustees either intend to liquidate the charity or to cease operations, or have no realistic alternative but to do so.

Our responsibilities for the audit of the financial statements

We have been appointed as auditors under Section 144 of the Charities Act 2011 and report in accordance with the Act and relevant regulations made or having effect thereunder.

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue a Report of the Independent Auditors that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

The extent to which our procedures are capable of detecting irregularities, including fraud is detailed below:

In relation to fraud, the objectives of our audit are to identify and assess the risk of material misstatement of the financial statements due to fraud, to obtain sufficient audit evidence regarding the assessed risks of material misstatement due to fraud through designing and implementing appropriate responses and to respond appropriately to fraud or suspected fraud identified during the audit.

However, it is the primary responsibility of management, with the oversight of those charged with governance, to ensure that the entity's operations are concluded in accordance with the provisions of laws and regulations and for the prevention and detection of fraud.

In identifying and assessing risks of material misstatement in respect of irregularities, including fraud and non-compliance with laws and regulation, we considered the following:

- obtained an understanding of the nature of the industry and sector, including the legal and regulatory framework that the group operates in and how the group is complying with the legal and regulatory framework;
- inquired of management, and those charged with governance, about their own identification and assessment of the risks of irregularities, including any known actual, suspected or alleged instances of fraud;
- discussed matters about non-compliance with laws and regulations and how fraud might occur including assessment of how and where the financial statements may be susceptible to fraud.

As a result of these procedures we consider the most significant laws and regulations that have a direct impact on the financial statements are SORP FRS102, and the Companies Act 2006. We performed audit procedures to detect non-compliance which may have a material impact on the financial statements which included reviewing financial statement disclosures.

The audit engagement team identified the risk of management override of controls as an area where the financial statements were most susceptible to material misstatement due to fraud. Audit procedures performed included but were not limited to evaluating the business rationale in relation to any significant, unusual transactions and transactions entered into outside the normal course of business.

In addition to the above, our procedures included:

- reviewing the financial statement disclosures and testing to supporting documentation to assess compliance with relevant laws and regulations
- enquires of management and those charged with governance concerning actual and potential litigation and claims
- performing analytical procedures to identify any unusual or unexpected relationships that may indicate risks of material misstatement due to fraud
- review of minutes of committee meetings
- written representations

**Report of the Independent Auditors to the Trustees of
Phyllis Rampton Narrow Gauge
Railway Trust**

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at www.frc.org.uk/auditorsresponsibilities. This description forms part of our Report of the Independent Auditors.

Use of our report

This report is made solely to the group's trustees, as a body, in accordance with Part 4 of the Charities (Accounts and Reports) Regulations 2008. Our audit work has been undertaken so that we might state to the charity's trustees those matters we are required to state to them in an auditors' report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charity and the charity's trustees as a body, for our audit work, for this report, or for the opinions we have formed.

**Notes to the Financial Statements
for the Year Ended 31 December 2024**

1. ACCOUNTING POLICIES

Basis of preparing the financial statements

The financial statements of the group, which is a public benefit entity under FRS 102, have been prepared in accordance with the Charities SORP (FRS 102) 'Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)', Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland', the Charities Act 2011 and the Companies Act 2006. The financial statements have been prepared under the historical cost convention, with the exception of investments which are included at market value, as modified by the revaluation of certain assets.

Basis of consolidation

The consolidated financial statements consolidate the financial statements of the charity and its subsidiary undertakings drawn up to 31 December 2024.

No statement of financial activities is presented for the charity as permitted by section 408 of the Companies Act 2006. The charity made a surplus for the financial year of £2,292,986 (2023: £3,065,304)

A subsidiary is an entity controlled by the charity. Control is achieved where the charity has the power to govern the financial and operating policies of an entity so as to obtain benefits from its activities.

The results of subsidiaries acquired or disposed of during the year are included in the statement of financial activities from the effective date of acquisition or up to the effective date of disposal, as appropriate. Where necessary, adjustments are made to the financial statements of subsidiaries to bring their accounting policies into line with those used by the group.

The purchase method of accounting is used to account for business combinations that result in the acquisition of subsidiaries by the group. The cost of a business combination is measured as the fair value of the assets given, equity instruments issued and liabilities incurred or assumed at the date of exchange, plus costs directly attributable to the business combination. Identifiable assets acquired and liabilities and contingent liabilities assumed in a business combination are measured initially at their fair values at the acquisition date. Any excess of the cost of the business combination over the acquirers interest in the net fair value of the identifiable assets, liabilities and contingent liabilities recognised is recorded as goodwill.

Inter-company transactions, balances and unrealised gains on transactions between the charity and its subsidiaries, which are related parties, are eliminated in full.

Inter-group losses are also eliminated but may indicate an impairment that requires recognition in the consolidated financial statements.

Accounting policies of subsidiaries have been changed where necessary to ensure consistency with the policies adopted by the group. Non-controlling interest in the net assets of consolidated subsidiaries are identified separately from the group's equity therein. Non-controlling interests consist of amounts of those interests at the date of the original business combination and the non-controlling shareholder's share of changes in equity since the date of the combination. Total comprehensive income is attributed to non-controlling interests even if this results in the non-controlling interests having a deficit balance.

Going Concern

The group's activities and future plans are set out in the Trustees Report. The Trustees have assessed the charity's ability to continue as a going concern taking into account the financial impacts of Covid-19. The Trustees have considered several factors in forming their conclusions as to whether the use of the going concern basis is appropriate in preparing these financial statements, including cash reserves, liquidity and anticipated demand for services.

The organisation has considerable financial resources. As a consequence, the Trustees believe that the organisation is well placed to manage its business risks successfully.

The Trustees have a reasonable expectation that the group has adequate resources to continue operating successfully for the foreseeable future. For these reasons they continue to adopt the going concern basis of accounts preparation.

**Notes to the Financial Statements - continued
for the Year Ended 31 December 2024**

1. ACCOUNTING POLICIES - continued

Income

All income is recognised once the charity has entitlement to the income, it is probable that the income will be received and the amount of the income receivable can be measured reliably. Deferred income represents monies received for periods in the future and consequently released to income during the relevant period.

Donations and legacies

Donations are accounted when received by the charity. In the event that a donation is subject to conditions that require a level of performance by the charity before the charity is entitled to the funds, the income is deferred and not recognised until either those conditions are fully met, or the fulfilment of those conditions is wholly within the control of the charity and it is probable that these conditions will be fulfilled in the reporting period.

Legacy gifts are recognised on a case by case basis following the grant of probate when the administrator/executor for the estate has communicated in writing both the amount and settlement date. In the event that the gift is in the form of an asset other than cash or a financial asset traded on a recognised stock exchange, recognition is subject to the value of the gift being reliably measurable with a degree of reasonable accuracy and the title of the asset having been transferred to the charity.

Grants receivable

Grants are recognised when the group has an entitlement to the funds and any conditions linked to the grant have been met. Where performance conditions are attached to the grant income is only recognised to the extent that the charity has provided the specified goods and services. Capital grants are recorded in the Statement of Financial Activities in the year of receipt.

Gifts in kind

Gifts in kind are recognised in different ways dependent on how they are used by the charity:

- (i) Those donated for resale produce income when they are sold. They are valued at the amount actually realised.
- (ii) Those donated for onward transmission to beneficiaries are included in the Statement of Financial Activities as incoming resources and resources expended when they are distributed. They are valued at the amount the charity would have had to pay to acquire them.
- (iii) Those donated to use by the charity itself are included when receivable. They are valued at the amount the charity would have had to pay to acquire them.

Investment income

Investment income is recognised at the time the investment income is receivable. Investment return of Fixed Asset Investment Bond Accumulation Funds is not shown as investment income but is reflected in the price of each unit and therefore reflected in the market value of the units at the year-end date.

Turnover is recorded net of any applicable VAT.

Expenditure

All expenditure is recognised once there is a legal or constructive obligation to the expenditure, it is probable settlement is required and the amount can be measured reliably. All costs are allocated to the applicable expenditure heading that aggregate similar costs to that category. Where costs cannot be directly attributed to particular headings they have been allocated on a basis consistent with the use of resources, with central staff costs allocated on the basis of time spent, and depreciation charges allocated on the portion of the assets used. Other support costs are allocated based on the spread of staff costs.

Raising funds

These are costs incurred in attracting voluntary income, the management of investments and those incurred in trading activities that raise funds.

**Phyllis Rampton Narrow Gauge
Railway Trust**

**Notes to the Financial Statements - continued
for the Year Ended 31 December 2024**

1. ACCOUNTING POLICIES - continued

Charitable activities

Charitable expenditure comprises those costs incurred by the charity in the delivery of its activities and services for its beneficiaries. It includes both costs that can be allocated directly to such activities and those costs of an indirect nature necessary to support them.

Support Costs

Support costs include central functions and have been allocated to activity cost categories on a basis consistent with the use of resources, for example, allocating property costs by floor areas, or per Capita, Staff costs by time spend and other costs by their usage.

Governance costs

These include the costs attributable to the charity's compliance with constitutional and statutory requirements, including audit, strategic management and trustees meetings and reimbursed expenses.

Tangible fixed assets

Individual fixed assets of any value are initially recorded at cost, less and subsequent accumulated depreciation and subsequent accumulated impairment losses.

Work completed in the restoration of assets is funded by surpluses from the Group.

Depreciation and amortisation

Depreciation is provided on tangible fixed assets so as to write off the cost or valuation, less any estimated residual value, over their expected useful economic life as follows:

Asset Class	Depreciation method and rate
Land and buildings	2% straight line basis
Plant and machinery	10% or 20% or 25% straight line basis
Motor vehicles	20% straight line basis
Civil engineering and track	2% straight line basis on track only

Woodland is not subject to depreciation

Heritage assets

Owing to the unique nature of heritage assets, the cost of obtaining valuations would be onerous compared with the corresponding benefits to the charitable company and the users of the financial statements. The heritage assets are therefore shown at original cost and are not depreciated as the trustees are of the opinion that all heritage assets have an indefinite life. The objective of heritage assets is to display them in the proposed museum. As much documentation as to the provenance of heritage assets is obtained and retained by the charitable company. Access to the assets is carefully managed in order for preservation. The trustees review the list of heritage assets on an annual basis for impairment. Any impairment identified is recognised in the financial statements at the year end.

**Phyllis Rampton Narrow Gauge
Railway Trust**

**Notes to the Financial Statements - continued
for the Year Ended 31 December 2024**

1. ACCOUNTING POLICIES - continued

Fixed asset investments

Fixed asset investments, other than programme related investments, are included at market value at the balance sheet date. Realised gains and losses on investments are calculated as the difference between sales proceeds and their market value at the start of the year, or their subsequent cost, and are charged or credited to the Statement of Financial Activities in the period of disposal.

Unrealised gains and losses represent the movement in market values during the year and are credited or charged to the Statement of Financial Activities based on the market value at the year end.

Cash and cash equivalents

Cash and cash equivalents comprise cash on hand and call deposits, and other short-term highly liquid investments that are readily convertible to a known amount of cash and are subject to an insignificant risk of change in value.

Current asset investments

Current asset investments represent funds invested in a term investment for a period of less than 12 months to maturity.

Financial instruments

The charity only has financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently measured at their settlement value.

Business combinations

Business combinations are accounted for under the purchase method. Where necessary, adjustments are made to the financial statements of subsidiaries to bring the accounting policies used into line with those used by the group. All inter-group transactions, balances, income and expenses are eliminated on consolidation. In accordance with Section 35 of FRS 102, Section 19 of FRS 102 has not been applied in these financial statements in respect of business combinations effected prior to the date of transition.

Stock

Stock is valued at the lower of cost and estimated selling price less costs to complete and sell, after due regard for obsolete and slow moving stocks. Cost is determined using the first-in, first-out (FIFO).

Taxation

The charity is considered to pass the tests set out in Paragraph 1 Schedule 6 of the Finance Act 2010 and therefore it meets the definition of a charity for UK corporation tax purposes. Accordingly, the charity is potentially exempt from taxation in respect of income or capital gains received within categories covered by Chapter 3 Part 11 of the Corporation Tax Act 2010 or Section 256 of the Taxation of Chargeable Gains Act 1992, to the extent that such income or gains are applied exclusively to charitable purposes.

Pension costs and other post-retirement benefits

The group operates a defined contribution pension scheme. Contributions payable to the charitable company's pension scheme are charged to the Statement of Financial Activities in the period to which they relate.

Fund structure

Unrestricted income funds are general funds that are available for use at the trustee discretion in furtherance of the objectives of the group.

Restricted income funds are those donated for use in a particular area or for specific purposes, the use of which is restricted to that area or purpose.

Endowment funds represent contributions and bequests where the contributor has noted that the monies should be kept as capital. The income has been used in accordance with the terms of the endowments and included in the statement of financial activities.

10. TRUSTEES' REMUNERATION AND BENEFITS

During the year the group made the following transactions with trustees:

Mr L AP Lolo received remuneration of £77,400 (2023: £71,000) during the year.

The charity made employer pension contributions on behalf of Mr L Ap Lolo amounting to £1,321 (2023: £1,321)

The remuneration was agreed at board level and approval obtained for by the Charity Commission. Remuneration was paid by the Vale of Rheidol Railway Ltd.

No trustees have received any other benefits from the charity during the year.

During the year, Mr Llyr Ap Lolo received remuneration of £35,000 (net of VAT) for work done in relation to the sale of properties connected with the Estate of Peter Rampton. Payment in respect of these services are considered outside the scope of ordinary duties as a trustee, and paid for by the Vale of Rheidol Railway Ltd.

Trustees' expenses

During the year Trustees within the group received travel expenses of £6,582 for the year ended 31 December 2024 (2023: £591)

TOTAL FUNDS	<u>6,660,106</u>	<u>(3,906,305)</u>	<u>2,604,489</u>	<u>5,358,290</u>

22. RELATED PARTY DISCLOSURES

During the financial year the wife of one of the trustees was paid a remuneration of £400 (2023: Nil) to attend trustee meetings, record detailed notes and write the minutes of every meeting to be circulated to all trustees. The specific remuneration was agreed by the board of trustees and is considered a fair and reasonable amount in respect of the time and travel commitment.
Note 10 refers in detail to the additional remuneration received by Mr Llyr ap Iolo in respect of additional work undertaken outside of his role as an employee and trustee.

23. FUNDS

The specific purpose for which the funds are to be applied as follows:

The endowment fund relates to assets from British Rail as at 1 April 1989.
