Organisationally we continued to place at the heart of all that we do the environment and sustainability within the wider planetary boundaries, which will also become one of our principle activity areas moving forward. A position that saw us in our role of community lead continue to deliver on the Future Neighbourhood 2030 programme phase 1 and 2 and successfully deliver the Climate Action Lottery project, for which we were the lead partner.

Performance

During this year the strongest statement that can be made is that we are financially sound, we have held onto all of our staff for this financial year and at least the next 12 months ahead and we have the requisite six months of running expenditure for both STCA core and the Living Centre.

Financial review

The statement of Financial Activities shows income for the year as £926,865 (2022: £739,113) and total expenditure of £863,961 (2022: £762,081). There is an overall surplus position for the year of £62,904 (2022: surplus £22,968) which is made up of a deficit of £8,769 on restricted (2022: deficit of £84,861) and a surplus on unrestricted of £71,673 (2022: £61,893)

Reserves Policy

The Board of Trustee has examined the Charity's requirements for reserves in light of the main risks to the association. It has established a policy whereby the unrestricted funds not committed, but held by the charity should be 6 months of the planned Centre and Governance expenditure. Budgeted expenditure for 2023-24 is £165,722 for the core hence the Board of trustees consider the year end balance to be sufficient to meet this commitment. Similarly, the Living Centres budgeted expenditure for 2023-2024 is £294,000 is sufficient to meet this commitment. The reserves are needed to meet the working capital requirements of the charity and the Board of Trustees are confident that at this level they would be able to continue the current activities of the association in the event of a significant drop in funding.

The members of the Board of Trustees are responsible for preparing the Annual Report and the Financial Statements in accordance with applicable law and regulations.

THE SOMERS TOWN COMMUNITY CENTRE ASSOCIATION (CAMDEN)

TRUSTEES REPORT FOR THE YEAR ENDED 31 MARCH 2023

Company law requires the members of the Board of Trustees to prepare financial statements for each financial year. Under that law, the members of the Board of Trustees have elected to prepare the financial statement in accordance with United Kingdom Generally Accepted Accounting Practice (United Kingdom Accounting Standards and applicable law). The financial statements are required by law to give a true and fair view of the state of affairs of the company and of the surplus or deficit of the company for that period. In preparing these financial statements the members of the Board of Trustees are required to:-

- select suitable accounting policies and apply them consistently
- make judgement and estimates that are reasonable and prudent
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Association will continue its activities.

The members of the Board of Trustees are responsible for the management of the Association's activities in accordance with its Memorandum and Articles of Association and the keeping of proper accounting records which disclose with reasonable accuracy at any time the financial position of the Association, to enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the Association and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

In accordance with company law, as the Members of the Board of Trustees, we certify that:

- So far as we are aware, there is no relevant audit information of which the company's auditors are unaware; and

INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF THE SOMERS TOWN COMMUNITY CENTRE ASSOCIATION (CAMDEN) FOR THE YEAR ENDED 31 MARCH 2023

Opinion

We have audited the financial statements of The Somers Town Community Association (Camden) (the 'Charity') for the year ended 31 March 2023 which comprise the Statement of Financial Activities, Balance Sheet and the related notes to the financial statements, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102: The Financial Reporting Standard applicable in the UK and Republic of Ireland (United Kingdom Generally Accepted Accounting Practice).

In our opinion, the financial statements:

- give a true and fair view of the state of the Charity's affairs as at 31 March 2022 and of its incoming resources and application of resources for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice;
- have been prepared in accordance with the requirements of the Companies Act 2006.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditor's responsibilities for the audit of the financial statements section of our report. We are independent of the Charity in accordance with the ethical requirements that are relevant to our audit of the financial statements in the UK, including the FRC's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion

Conclusions relating to going concern

We have nothing to report in respect of the following matters in relation to which the ISAs (UK) require us to report to you where:

- the trustees' use of the going concern basis of accounting in the preparation of the financial statements is not appropriate; or
- the trustees have not disclosed in the financial statements any identified material uncertainties that may cast significant doubt about the Charity's ability to continue to adopt the going concern basis of accounting for a period of at least twelve months from the date when the financial statements are authorised for issue.

Other information

The trustees are responsible for the other information. The other information comprises the information included in the annual report other than the financial statements and our auditor's report thereon. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon.

In connection with our audit of the financial statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether there is a material misstatement in the financial statements or a material misstatement of the other information. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

Opinions on other matters prescribed by the Companies Act 2006

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the trustees' report (incorporating the strategic report and the directors' report) for the financial year for which the financial statements are prepared is consistent with the financial statements; and
- the trustees' report (incorporating the strategic report and the directors' report) have been prepared in accordance with applicable legal requirements.

Matters on which we are required to report by exception

In the light of the knowledge and understanding of the Charity and its environment obtained in the course of the audit,

INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF THE SOMERS TOWN COMMUNITY CENTRE ASSOCIATION (CAMDEN) FOR THE YEAR ENDED 31 MARCH 2023

we have not identified material misstatements in the Trustees' Annual Report.

We have nothing to report in respect of the following matters in relation to which the Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept or returns adequate for our audit have not been received from branches not visited by us;
- the financial statements are not in agreement with the accounting records and returns;
- we have not obtained all the information and explanations necessary for the purposes of our audit;
- the directors were not entitled to prepare the financial statements in accordance with the small companies' regime and take advantage of the small companies' exemption in preparing the directors' report and take advantage of the small companies' exemption from the requirement to prepare a strategic report.

Responsibilities of the trustees

As explained more fully in the trustees' responsibilities statement set out on pages 9-10, the trustees are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as they determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the trustees are responsible for assessing the Charity's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the trustees either intend to liquidate the Charity or to cease operations, or have no realistic alternative but to do so.

Our responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements. A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at: [www.frc.org.uk/auditorsresponsibilities]. This description forms part of our auditor's report.

Extent to which the audit was considered capable of detecting irregularities, including fraud

- the engagement partner ensured that the engagement team collectively had the appropriate competence, capabilities and skills to identify or recognise non-compliance with applicable laws and regulations;
- we identified the laws and regulations applicable to the company through discussions with directors and other management, and from our commercial knowledge and experience of the computer software and support sector;
- we focused on specific laws and regulations which we considered may have a direct material effect on the financial statements or the operations of the company, including the Companies Act 2006, data protection and FCA regulation;
- we assessed the extent of compliance with the laws and regulations identified above through making enquiries of management and inspecting legal correspondence; and
- identified laws and regulations were communicated within the audit team regularly and the team remained alert to instances of non-compliance throughout the audit.

Audit response to risks identified

We assessed the susceptibility of the company's financial statements to material misstatement, including obtaining an understanding of how fraud might occur, by:

- making enquiries of management as to where they considered there was susceptibility to fraud, their knowledge of actual, suspected and alleged fraud; and
- considering the internal controls in place to mitigate risks of fraud and non-compliance with laws and regulations.

To address the risk of fraud through management bias and override of controls, we:

INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF THE SOMERS TOWN COMMUNITY CENTRE ASSOCIATION (CAMDEN) FOR THE YEAR ENDED 31 MARCH 2023

- performed analytical procedures to identify any unusual or unexpected relationships;
- tested journal entries to identify unusual transactions;
- assessed whether judgements and assumptions made in determining the accounting estimates set out in Note 1 were indicative of potential bias; and
- investigated the rationale behind significant or unusual transactions.

In response to the risk of irregularities and non-compliance with laws and regulations, we designed procedures which included, but were not limited to:

- agreeing financial statement disclosures to underlying supporting documentation and;
- enquiring of management as to actual and potential litigation and claims.
-

There are inherent limitations in our audit procedures described above. The more removed that laws and regulations are from financial transactions, the less likely it is that we would become aware of non-compliance. Auditing standards also limit the audit procedures required to identify non-compliance with laws and regulations to enquiry of the directors and other management and the inspection of regulatory and legal correspondence, if any.

Material misstatements that arise due to fraud can be harder to detect than those that arise from error as they may involve deliberate concealment or collusion.

Use of our report

This report is made solely to the Charity's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the Charity's members those matters we are required to state to them in an auditor's report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the Charity's members as a body, for our audit work, for this report, or for the opinions we have formed.

The cost of all equipment acquired is written off in full in the year of acquisition.

1.4 *Income & Expenditure recognition and Support Costs allocations*

Income is recognised when the charity has entitlement to the funds, any performance conditions attached to the items of income have been met, it is probable that the income will be received and the amount can be measured reliably.

THE SOMERS TOWN COMMUNITY CENTRE ASSOCIATION (CAMDEN)

DETAILED STATEMENT OF FINANCIAL ACTIVITIES FOR THE YEAR ENDED 31 MARCH 2023

The Charity derives a substantial proportion of its income from centre activities funding for specific projects and in recent years, letting income. Such funds are recognised and entered into the accounting records when they are received. Coronavirus Job Retention Scheme (CJRS) grant income is presented gross (and not netted off against expenditure). Income is deferred where there is no entitlement for the funds as at the balance sheet date. Other income, such as bank interest, is accounted for when receivable and the amount can be measured reliably by the charity; this is normally upon notification of interest paid or payable by the bank.

All expenditure is accounted for on accruals basis. Support costs are those that assist the work of the charity but do not directly represent charitable activities and include office costs, governance costs, administrative payroll costs. They are incurred directly in support of expenditure on the objects of the charity and include project management carried out at both centres. Where support costs cannot be directly attributed to particular headings they have been allocated to cost of expenditure on charitable activities on a basis consistent with use of the resources.

1.5 Debtors and creditors receivable/ payable within one year

Debtors and creditors with no stated interest rate and receivable or payable within one year are recorded at transaction price. Any losses arising from impairment are recognised in expenditure.

1.6 Charitable funds

Unrestricted funds are revenue funds, principally Grant Aid, and Letting income used to run the association on a day-to-day basis. These are available as general funds or for purposes as designated and agreed by all the Trustees. The Association have discretion to use such funds within the framework of its annual grant application to Camden Council and in line with the conditions of Grant Aid.

Designated funds are unrestricted funds earmarked by the Trustees for particular purposes.

Restricted Funds are grants received from any source for the sole use of specific projects for which the funding was granted. At the discretion of the Management Committee, once a project has fulfilled its conditions, remaining balances are permitted to be transferred between appropriate funds.

1.7 Financial instruments

The charity has elected to apply the provisions of Section 11 'Basic Financial Instruments' and Section 12 'Other Financial Instruments Issues' of FRS 102 to all of its financial instruments.

Financial instruments are recognised in the charity's balance sheet when the charity becomes party to the contractual provisions of the instrument.

Financial assets and liabilities are offset, with the net amounts presented in the financial statements, when there is a legally enforceable right to set off the recognised amounts and there is an intention to settle on a net basis or to realise the asset and settle the liability simultaneously.

Basic financial assets, which include debtors and cash and bank balances, are initially measured at transaction price including transaction costs and are subsequently carried at amortised cost using the effective interest method unless the arrangement constitutes a financing transaction, where the transaction is measured at the present value of the future receipts discounted at a market rate of interest. Financial assets classified as receivable within one year are not amortised.

THE SOMERS TOWN COMMUNITY CENTRE ASSOCIATION (CAMDEN)

DETAILED STATEMENT OF FINANCIAL ACTIVITIES FOR THE YEAR ENDED 31 MARCH 2023

Basic financial liabilities, including creditors and accruals are initially recognised at transaction price unless the arrangement constitutes a financing transaction, where the debt instrument is measured at the present value of the future payments discounted at a market rate of interest. Financial liabilities classified as payable within one year are not amortised.

Trade creditors are obligations to pay for goods or services that have been acquired in the ordinary course of operations from suppliers. Amounts payable are classified as current liabilities if payment is due within one year or less. If not, they are presented as non-current liabilities. Trade creditors are recognised initially at transaction price and subsequently measured at amortised cost using the effective interest method.

1.8 Retirement benefits

Payments to defined contribution retirement benefit schemes are charged as an expense as they fall due.

1.9 Leases

Rentals payable under operating leases are charged to the Statement of Financial Activities on a straight-line basis over the period of the lease.

2. Critical accounting estimates and judgements

In the application of the charity's accounting policies, the trustees are required to make judgements, estimates and assumptions about the carrying amount of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised where the revision affects only that period, or in the period of the revision and future periods where the revision affects both current and future periods.
