The Alchemy Foundation

Report of the trustees for the year ended 5 April 2022

The trustees present their report and accounts for the year ended 5 April 2022.

Structure, Governance and Management

The charity was established, as The Starlight Foundation, by a charitable trust deed on 14 August 1985 under charity number 292500. The name was changed to The Alchemy Foundation on 2 June 1987.

The trustees who have served during the year and since the year end are set out below. Trustees meet as required to discuss the charity. Richard and Annabel Stilgoe, who are both trustees, run the day to day activities of the charity.

The trustees who served during the year were:

Alex Armitage
Tony Elias
Andrew Murison
Caroline Pedley
Lady Annabel M Stilgoe OBE
Holly J M Stilgoe
Jack E Z Stilgoe
Dr Jemima R Stilgoe
Joseph R I Stilgoe
Sir Richard H Z S Stilgoe OBE
Rufus N A Stilgoe

Trustees may serve indefinitely and new trustees may be co-opted by existing trustees. All trustees are advised of their responsibilities under charity law.

Related parties

The Alchemy Foundation is connected to another charity, The Orpheus Centre Trust, with which it co-operates in the pursuit of its charitable objectives.

Risk factors

The trustees make regular reviews of the risks which the charity faces.

The most significant risks facing the charity are:

- (a) Continuing reduction in royalties assigned by Sir Richard Stilgoe
- (b) A reduction in the value of the investments

No influence can be exercised over the first of these. Secondly, a portion of all investments is in the form of prime fixed interest quoted securities thereby being subject to minimal risk as to their value.

Objectives and Public Benefits of the charity

The charity's objects are particularly focused on The Alchemist Scheme (funding the costs of fundraisers assigned to other charities to assist with their fundraising efforts), water projects in the developing world, disability (particularly mobility, access, helplines and communications), social welfare (inner city community projects, disaffected youth, family mediation, homelessness), personal reform, penal reform (work with prisoners, especially young prisoners, and their families), medical research and aid (especially in areas of blindness and disfigurement), individual enterprise (by helping Raleigh International, Project Trust and similar organisations to give opportunities to young people according to need) and respite for carers.

Under the terms of the trust deed, the trustees have power to invest monies of the Foundation in any investments they deem fit, to accumulate income and to convert income into capital.

The Alchemy Foundation

Report of the trustees for the year ended 5 April 2022

Review of activities

In furtherance of the charity's objectives, the Foundation made 129 donations during the year.

The grant-making policy of the Foundation has been to support a variety of good causes, with special emphasis on The Alchemist Scheme whereby the Foundation supported the costs of fundraisers at, amongst others, Surrey Care Trust, Youth Music and Wateraid.

The Foundation's income has always mainly come from royalties from musicals running in the U.S.A. During Covid, these shows have closed temporarily. Total income has increased by £2,958 during the year.

The investment policy of the Foundation has been to take moderate risk.

The Foundation has no employees and therefore no employee costs were incurred during the year.

None of the trustees (or any persons connected with them) received any remuneration or benefits during the year.

Financial review

During the year, incoming resources of £50,645 were received and £269,670 was expended. The net current assets at the end of year amounted to £995,458.

Reserves

Reserves are held with the expectation that the Foundation's main source of income, royalties assigned by Richard Stilgoe, will eventually fall. The reserves amounted to £995,458 at 5 April 2022.

Trustees' responsibilities

Law applicable to charities in England and Wales require the trustees to prepare financial statements for each financial year which give a true and fair view of the charity's financial activities during the year and of its financial position at the end of the year (unless the charity is entitled to prepare accounts on the alternative receipts and payment basis).

In preparing financial statements giving a true and fair view, the trustees should follow best practice and:

- select suitable accounting policies and then apply them consistently;
- make judgements and estimates that are reasonable and prudent;
- state where applicable accounting standards and statements of recommended practice have been followed, subject to any departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in operation.

The trustees are responsible for keeping accounting records which disclose with reasonable accuracy the financial position of the charity and which enable them to ensure that the financial statements comply with the Charities Act 2011. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Independent examiner's report to the trustees of The Alchemy Foundation

I report on the accounts of the Trust for the year ended 5 April 2022, which are set out on pages 6 to 12.

Respective responsibilities of trustees and examiner

The charity's trustees are responsible for the preparation of the accounts. The charity's trustees consider that an audit is not required for this year under section 144 of the Charities Act 2011 (the Charities Act) and that an independent examination is needed.

It is my responsibility to:

- examine the accounts under section 145 of the Charities Act;
- to follow the procedures laid down in the general Directions given by the Charity Commission (under section 145(5)(b) of the Charities Act); and
- to state whether particular matters have come to my attention.

Basis of independent examiner's report

My examination was carried out in accordance with the General Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently no opinion is given as to whether the accounts present a 'true and fair' view and the report is limited to those matters set out in the statement below.

Independent examiner's statement

In connection with my examination, no matter has come to my attention:

- (1) which gives me reasonable cause to believe that in any material respect the requirements
 - to keep accounting records in accordance with section 130 of the Charities Act; and
 - to prepare accounts which accord with the accounting records and comply with the accounting requirements of the Charities Act have not been met; or
- (2) to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

1 Accounting policies

Basis of accounting

The financial statements have been prepared under the historical cost convention, as modified by the revaluation of investments, and are in accordance with applicable standards, and the Financial Reporting Standard applicable in the UK and the Republic of Ireland (FRS 102).

Incoming resources

Income is accounted for in the period in which the charity is entitled to receipt.

Resources expended

Expenditure is included on an accruals basis.

Investments

All investments are stated at market value at the year-end. Income arising from investments is accounted for in the period when it is receivable.

Governance costs

Governance costs are associated with the governance arrangements of the charity and include the cost of external accountancy fees and legal fees.
