Structure, governance and management

The governing documents of the 10th Harpenden (Methodist) Scout Group (the “Group”) are those of the Scout Association. They consist of a Royal Charter, which in turn gives authority to the Bye Laws of the Association and The Policy, Organisation and Rules (“POR”) of The Scout Association.

The Group is a trust established under its rules which are common to all Scouts.

The Trustees are appointed in accordance with the Policy, Organisation and Rules of The Scout Association. As charity trustees they are responsible for complying with legislation applicable to charities. This includes the registration, keeping proper accounts and making returns to the Charity Commission as appropriate.

The Group is managed by the Executive Committee, the members of which include the ‘Charity Trustees’. The Committee also consists of additional independent representatives from the constituent scout groups and major activities within the Group and meets 4 times per year. All members of the committee are Ex-officio as defined by POR.

This Executive Committee exists to support the Trustees in meeting the responsibilities of the appointments and is responsible for:

- The maintenance of property;
- The raising of funds and the administration of Group finance;
- The insurance of persons, property and equipment;
- Appointing any sub committees that may be required;

The Group is currently made up of 2 Beaver sections, 2 Cub sections and 2 Scout sections.

Risk and Internal Control

The Executive Committee has identified the major risks to which they believe the Group is exposed, these have been reviewed and systems have been established to mitigate against them. The main areas of concern that have been identified are:

Damage to the building, property and equipment. The Group has sufficient buildings and contents insurance in place to mitigate against permanent loss.

Injury to leaders, helpers, supporters and members. The Group through the capitation fees contributes to the Scout Association’s national accident insurance policy. Risk Assessments are undertaken before all activities. The District has also purchased Personal Accident for Non-Members and Supporters Insurance covering district activities. The Group also has personal accident insurance for non-members.

Reduced income from fund raising. The Group is primarily reliant upon income from donations from active Beavers, Cubs and Scouts. The Group does hold a reserve to ensure the continuity of activities should there be a major reduction in income and also charges others for use of the premises owned by the Group.

Reduction or loss of leaders. The Group is totally reliant upon volunteers to run and administer the activities of the district and its constituent groups and units. If there was a reduction in the number of volunteers to an

unacceptable level in a particular section or group then there would have to be appropriate contraction, consolidation or closure of a section. In the worst-case scenario the complete closure of a section might be required.

Reduction or loss of members. The Group's units and constituent groups provide activities for all young people aged 6 to 16. If there was a reduction in membership in a particular section then there would have to be appropriate contraction, consolidation or closure of a section. In the worst-case scenario the complete closure of the group might be required.

The Group has in place systems of internal controls that are designed to provide reasonable assurance against material mismanagement or loss, these include 2 signatories for all payments and comprehensive insurance policies to ensure that insurable risks are covered.

Objectives and activities

The objectives of the group are as a unit of the Scout Association.

The Aim of The Scout Association is to promote the development of young people in achieving their full physical, intellectual, social and spiritual potentials, as individuals, as responsible citizens and as members of their local national and international communities. The method of achieving the Aim of the Association is by providing an enjoyable and attractive scheme of progressive training, based on the Scout Promise and Law and guided by adult leadership.

Public benefit statement

The Group meets the Charity Commission's public benefit criteria under both the advancement of education and the advancement of citizenship or community development headings.

Achievements and performance

Chairman's Review

2021 was a return to "semi normality" following the global pandemic. The first part of the year was still disrupted, but toward the second half of the year meetings returned to being fully in person at the hut at Crabtree Fields and normal scouting activities returned. Whilst the unit coped well by managing to hold meetings in the best possible way that they could, it was a great to be able to have scouting return back to the way it is intended. The 10th has handled the situation admirably and have shown tenacity and resilience. We look forward to a bright 2022, which is the 60th year of the 10th's existence.

Being Chairman remains simple and a pleasure and that credit goes to all of those involved with the 10th. The unit continues to be exceptionally well run and well managed, which is reflected in the large number of engaged and enthused young individuals across the Scouting spectrum.

The committee is fully supported by elected and non-elected members.

The Crabtree Fields site remains in good condition and continues to be well maintained. It continues to provide excellent facilities to all of those who benefit and the improvements from previous years are being utilised well. In addition to the day-to-day facilities, it provides for the 10th it also enables additional activities for the members for events such as the very popular comedy night, which returned to a physical onsite event in 2021. Rental during the daytime during the week continues to be a valuable revenue for the benefit of the 10th although slightly impacted by one group who is no longer hiring the facility, but the impact is minor. The property continues to be maintained as required and the historic issue with water pressure has finally been tackled with the installation of new mains to the property.

Finances have remained stable, and this is down to the solid management of the finances, but also the well managed utilisation of expenses. The 10th is in a good financial position and in a good position to tackle any unexpected surprise expenditure and have weathered any the impact of the pandemic. The unit are likely to be planning to purchase a new minibus in 2022, to replace part of the ageing fleet, but the finances are well placed to be able to afford this.

GSL review

10th Harpenden Scout Group

2021 has been a busy year for the whole group with all sections enjoying a return to full Scouting activities. This has come as a relief and is warmly welcomed. The unit has enjoyed a range of activities and camps and the unit remains stable and strong, but dependent on the willing support from the numerous leaders.

Highlights have been a Scouts Summer Camp in Dorset, Cubs enjoying outdoor sessions practising fire lighting and cooking skills and the Beavers enjoying a hike. All of the Leaders agree it is fantastic for everyone involved to be back enjoying Scouting.

Financial Review

The Group continues to remain well funded despite a negative movement in the Fund for the year as shown in the financial statements on pages 9-15.

Reserves Policy

The reserves policy of the Group requires that unrestricted funds are available to:

- provide General funds which can be designated to projects to enable these projects to be undertaken at short notice;
- provide sufficient funds to cover key maintenance and repairs for the Hut; and
- over administration and support costs without which the Group would not be able to provide support to the Sections.

The reserves for the Group should be sufficient to cover at least one year's general activities, transport and administration costs. Potential uses for any excess reserves are reviewed on a continual basis by the Executive.

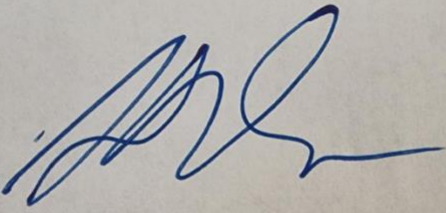

Investment Policy

The Group holds funds in cash accounts with CAF Bank. Each section also holds small amounts of funds in a CAF Bank account in its own name.

Declaration

The trustees declare that they have approved the trustees' report above

Independent Examiner's report to the trustees of the 10th Harpenden (Methodist) Scout Group

I report on the accounts of the 10th Harpenden (Methodist) Scout Group for the year ended 31 December 2021, which are set out on pages 9 to 15.

Respective responsibilities of trustees and examiner

The charity's trustees are responsible for the preparation of the accounts. The charity's trustees consider that an audit is not required for this year under section 144(2) of the Charities Act 2011 (the 2011 Act) and that an independent examination is needed.

It is my responsibility to:

- examine the accounts under section 145 of the 2011 Act;
- to follow the procedures laid down in the general Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act; and
- to state whether particular matters have come to my attention.

Basis of independent examiner's report

My examination was carried out in accordance with the general Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts and seeking explanations from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit and consequently no opinion is given as to whether the accounts provide a "true and fair view" and the report is limited to those matters set out in the statement below.

Independent examiner's statement

In connection with my examination, no matter has come to my attention:

- (1) which gives me reasonable cause to believe that in any material respect the requirements:
 - to keep accounting records in accordance with section 130 of the 2011 Act; and
 - to prepare accounts which accord with the accounting records and comply with the accounting requirements of the 2011 Act have not been met; or
- (2) to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

Notes to the Accounts for the year ended 31 December 2021

1 ACCOUNTING POLICIES

Basis of accounting

- a) These financial statements are prepared on a receipts and payments basis
- b) The trustees have estimated the current value of the three minibuses to be £4k
- c) The HQ property is recorded at the cost of construction plus the cost of significant enhancements since initial construction. The property is maintained in a good condition and thus, in the absence of a professional valuation, the Trustees have maintained the value of the asset at its historic cost.
- d) The HQ has been erected on leasehold land, the footprint of which included land and buildings also occupied by the Harpenden Explorer Scout Unit (a separate registered charity). Fundraising for the new building was carried out by both the Scout Group and the Explorer Unit. Although the legal ownership of the new HQ is solely in the name of the Scout Group, the Scout Group and the Explorer Unit have entered into a Partnership Agreement which sets out how the Scout Group and the Explorer Unit share the use of the HQ. The land itself is owned by St Albans District and City Council. The Scout Group is in the process of renewing the lease for the land, which will be in the name of The Scout Association Trust Corporation, acting as Custodian Trustee on behalf of the Scout Group. Day to day management of the premises is shared on an equal basis between the Scout Group and the Explorer Unit, as is the management of use of the Scout Group minibuses.
- e) Scouting equipment (e.g. Tents, marquees etc) was revalued some years ago. All subsequent renewals and replacements have been charged to revenue at the time of acquisition representing the replacement of the equipment thus maintaining its value.
