Section C

Objectives and activities

Summary of the objects of the charity set out in its governing document

The charity exists for the benefit of supporting the education of pupils at the school. It does this by providing, or helping to provide, educational facilities that the school would not otherwise be able to provide. In addition, to further its aim, the charity works in ways to strengthen relationships between staff, parents, and others connected with the school including the local community.

Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)

The main focus of the charity's activities is to raise funds for the school to use for the benefit of staff and pupils. The charity achieves this mainly through fundraising events. During the accounting period, the charity organised a fireworks display in November, an 80s disco in November, and a quiz night in March. It also ran fundraising initiatives alongside school-organised events, such as shows in which pupils performed. The fireworks event was a large community gathering, attended by many families and local residents with no direct connection to the school. The quiz and disco were primarily enjoyed by staff and parents, while the shows arranged by the drama department or the school band club were attended by pupils and their families. These events also provided social and wellbeing benefits for pupils, parents, and staff.

The Headteacher submits requests for funds to the charity on behalf of the teaching community. The trustees consider and prioritise these requests, and when they agree to provide funding, it is made as a financial donation to the school. The school, in turn, provides updates on the use of these donations, ensuring accountability for how the funds benefit pupils and teachers.

In addition to fundraising through events, the charity promotes its work to parents and potential donors through newsletters and other means. As a result, the charity receives a mix of regular and one-off donations, primarily from parents of current pupils.

The trustees have complied with their duty under section 4 of the 2006 Act to have due regard to the Charity Commission's guidance on public benefit when exercising their powers and duties

Additional details of objectives and activities (Optional information)

You **may choose** to include further statements, where relevant, about:

- policy on grantmaking;
- policy programme related investment;
- contribution made by volunteers.

Summary of the main achievements of the charity during the year

As a result of the fundraising efforts of the volunteers, the charity has donated a total of £33,026 to RPA, enabling specific purchases identified by the head teacher as benefiting the school. These included new lighting and microphones for the drama department, funding for additional out of hours GCSE tutoring and sports kit for pupils and PE teachers.

The year 11s have an end of year prom. This year the charity contributed £500 towards the cost of the prom to cover lowered ticket prices for the pupils.

Section E

Financial review

Brief statement of the charity's policy on reserves

The charity does not hold reserves other than surplus cash necessary for the continued funding of the charity and events held by it. The charity aims to hold a reserve of around £10,000 to enable the payment for the larger events including the fireworks which has large up-front costs which need to be paid up to 6 months in advance to secure the booking.

Details of any funds materially in deficit

None

Further financial review details (Optional information)

You **may choose** to include additional information, where relevant about:

- the charity's principal sources of funds (including any fundraising);
- how expenditure has supported the key objectives of the charity;
- investment policy and objectives including any ethical investment policy adopted.

The principal fundraising activity is the annual bonfire night fireworks display. Over 1,400 people from the local area regularly attended the evening, raising net funds of almost £12,000 for the charity and, in addition, providing a fundraising opportunity for the Year 11 prom.

The annual quiz night raised net funds of more than £2,600, the 80s disco over £1,600, and the shows by pupils raised more than £1,100.

Some parents opt to give monthly donations to the charity, and the charity has received some one-off donations. These donations combined exceed £6,500.
