Funding has supported the training and qualification of the coaches, with a particular emphasis on developing young coaches, thereby strengthening the clubs long term capability and leadership pipeline. Investment in the essential equipment has improved the quality and safety of training, while financial support for competition attendance has enabled gymnastics to broaden their experience and progress within the sport. With these benefits it encourages that encourages continued participation that promotes physical health, confidence, team work and sportsmanship.

Ensuring our work delivers our aims:

£ 844.20

Principle funding sources:

Income is generated by our kit sales, entrances fees to our in house competitions and annual display entrance fees. Multiple raffles throughout the year and sweet sales.

Plans for future periods:

The charity plans to continue its original activities and also a presentation evening is planned, this will include a disco games afterwards for all. Further donations from raffles and fete style interactive stalls will be planned from this event. This will help towards purchasing further pieces of equipment, help with costly competition entrance fees and further training opportunities.
