Report of the Trustees

Structure, Governance and Management

The Freshwater Inshore Rescue Organisation was established in 1972 and was registered with the Charity Commission in 1986 after the withdrawal of the Isle of Wight Council involvement. The Charity was renamed the Freshwater Lifeboat Organisation in 1996. The registered number has been 293657 since 1986.

The Executive Committee are elected or approved on an annual basis.

The Trust is organised as an independent association of members who pay an annual subscription with an Executive Committee comprising elected and, if appropriate, co-opted members. The Trustees are chosen from long serving Committee Members or for their technical expertise.

The Charity operates so that the Trustees meet regularly to manage its affairs. There are no employees.

We are very grateful for the support of the volunteers who support our projects and without whom they would not be possible. Some of our funding is provided by the income from a charity shop, which the Charity runs.

Object and Activities of the Trust

(a) to promote technical education in lifesaving and resuscitation of the apparently drowned, and to provide suitable training of personnel.

(b) to provide volunteer life saving services to the beaches and coastline in the freshwater area, and to ensure that this service is efficient and dependable in every way.

The Charity is a declared facility of His Majesty's Coastguard (HMCG) and undergoes operational audits by HMCG and the SSRO. The Charity operates a 7.5m Atlantic Rigid Inflatable Boat and a 'D' Class.

As stated in the 2021 the Spirit of West Wight 3 has now been sold (September 2022) and replaced by an Atlantic 75. Over the next year plans are being made to replace the Atlantic 75 with the larger Atlantic 85 which is best suited for the conditions in which we operate. Rescue craft are on loan to Ryde Independent Lifeboat whom are able to launch these assets in most weather conditions.

Financial Review

The financial statements for the year ended 30 September 2022 are included on the pages 10 through to 18. They have been prepared in accordance with Statement of Recommended Practice: Accounting and Reporting by Charities (FRS102) (effective 1 January 2015).

The past year has seen a strong recovery from Covid-19. The Charity's total income was £ 221,780.00 compared to £ 184,492.00 in 2021.

FILB celebrated its 50th year anniversary in July 2022 with an open day which was well supported by local residents and tourists alike. It is to be noted Martin Gould one of the founding fathers of FILB is still a trustee and operations manager of the unit.

The shop had strong trading all season combined with the donations collected from open days and normal trading broke all records. The unit would like to thank Rod Adams MBE, for his continued efforts managing collection boxes from local retail venues in West Wight and application of grants for the unit. Grants received this financial year amount to £ 44,162.00.

Income from the Lifeboat Lotto £ 13,622 (2021: £14,435) from the Lifeboat Lotto, which benefits all three independent lifeboats on the island.

It is considered prudent to maintain a designated fund of £30,000 to £50,000.00 of the unrestricted funds have been re-designated towards the renewal of the D-Class lifeboat in 2024. The £250,000.00 which was designated towards the slipway extension is now no longer required as the Atlantic 75 and in the future Atlantic 85 will be tractor launched. This designated fund will now be used for the purchase of the Atlantic 85.

Total operating expenses for the year were £275,752 (2021: £125,278) The net loss for the period is £53,971 (2021: £4,688 profit). The net loss is due to decision by the Trustees to right off items associated with the Spirit of West Wight 3 launch and recovery system that are no longer operational (Launch Trolley).

The Trustees consider the finances of the charity to be sound.

Executive Committee's Responsibilities in Relation to the Financial Statements

The Executive Committee members are required by company law to prepare financial statements for each financial year which give a true and fair view of the financial activities of the Charity and of its financial position at the end of that year. In preparing those financial statements the Trustees are required to:

- a) select suitable accounting policies and apply them consistently;
- b) make judgements and estimates that are reasonable and prudent;
- c) state whether the policies adopted are in accordance with applicable accounting standards and statements of recommended practice, subject to any material departures disclosed and explained in the financial statements;
- d) prepare the financial statements on a Going Concern basis unless it is inappropriate to assume the Charity will continue to operate

The Executive Committee are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the Charity and enable them to ensure that the financial statements comply with the Charities Act 2011. They are also responsible for safeguarding the assets of the Charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Going Concern

The Charity's financial statements have been prepared on a going concern basis which assumes an ability to continue operating for the foreseeable future.

Trustees have considered the impact of Covid-19 on its operations and have concluded that there is a reasonable expectation that the Charity has adequate resources to continue in operational existence for the foreseeable future. No other significant concerns have been noted and we consider it appropriate to continue to prepare the financial statements on a going concern basis.

This report was approved by the Executive Committee on _____ and signed on its behalf by

Report of the Independent Examiner

Independent Examiner's Report to the Trustees of Freshwater Lifeboat

We report to the charity trustees on examination of the accounts of the charity for the year ended 30 September 2022 which are set out on pages 6 to 18.

Responsibilities and basis of report

As the charity's trustees you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the Act').

We report in respect of our examination of the charity's accounts carried out under section 145 of the Act and in carrying out our examination we have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent examiner's statement

We have completed our examination and confirm that no material matters have come to our attention in connection with the examination giving us cause to believe that in any material respect:

1. accounting records were not kept in respect of the charity as required by section 130 of the Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair view' which is not a matter considered as part of an independent examination.

We have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

Notes to the financial statements

Notes to the financial statements

1. Accounting Policies

Accounting Conventions

The financial statements have been prepared under the historical cost convention, and in accordance with the Financial Reporting Standard for Smaller Entities (effective April 2008), the Charities Act 2011 and the requirements of the Statement of Recommended Practice, Accounting and Reporting by Charities (FRS102) (applicable 1 January 2015) and UK Generally Accepted Practice. As a public benefit entity, Freshwater Lifeboat has applied the public benefit entity 'PBE' prefixed paragraphs of FRS102. The charity has elected to take the exemption from the requirement to prepare a Cash Flow Statement due to its turnover being less than £500,000 as permitted by the Statement of Recommended Practice (SORP) "Accounting and Reporting by Charities (FRS102). The following principal accounting policies have been applied

Incoming Resources

All incoming resources are included on the Statement of Financial Activities when the charity is legally entitled to the income and the amount can be quantified with reasonable accuracy.

Resources Expended

Expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all cost related to the category. Where costs cannot be directly attributed to particular headings they have been allocated to activities on a basis consistent with the use of resources.

Donated Goods and Services

Donated goods and services are included in incoming resources when the benefit to the charity is reasonably quantifiable and measurable. They are included at the amount the Trustees would reasonably expect to pay for those goods and services.

Tangible Fixed Assets

Depreciation is charged so as to allocate the cost of assets over their estimated useful lives, using the straight-line method. Depreciation is provided on the following bases:

Boathouse refurbishment	2%
Lifeboat	10%
Plant and machinery	10%
Fixtures and fittings	10%

Stock

Stock is included in the accounts at the lower of cost or net realisable value.

Taxation

The charity is exempt from corporation tax on its charitable activities.

Legacies

Legacies are included within the accounts when there is sufficient evidence to provide the necessary certainty that the legacy will be received and the value of the incoming resources can be measured with sufficient reliability.

Fund Accounting & Reserves

Unrestricted funds can be used in accordance with the charitable objectives at the discretion of the Trustees. Restricted funds can only be used for particular restricted purposes within the objects of the charity. Restrictions arise when specified by the donor or when funds are raised for particular restricted purposes.

Notes to the financial statements continued

2. Analysis of Overheads

	Trading Overheads £	Charitable Activities Overheads £	2022 Total £	2021 Total £
Maintenance	542	35,522	34,980	20,743
Utilities	5,866	1,492	7,290	5,146

Charge for the year	113,778	13,108	28,761	388	156,035
Disposals	-	-192,443	-	-3,607	-196,049
At 30 September 2022	144,355	71,020	135,868	3,101	354,344
NET BOOK VALUE					
At 30 September 2022	-	60,061	19,583	778	80,422
At 1 October 2021	113,779	149,044	48,344	6,575	317,742

The land on which the boathouse is situated belongs to the Isle of Wight Council. The boathouse is the property of Freshwater Lifeboat. It is shown in the accounts at the cost of refurbishment, based on the assumption that the original building would have had negligible net book value at the year end, having been built in 1972.

During the year the charity didn't purchase any assets.

4. Stock

	2022 £	2021 £

	2022 £	2021 £
Trade creditors	2,384	1,182
Accruals	660	660
Capital Grants	-	39,287
	3,044	41,129

8. Staff & Trustee Costs

There are no staff costs in the accounts as all work is carried out by unpaid volunteers.

The charity Trustees were not paid during the year. No charity Trustee received any emolument or payment for professional or other services.

9. Related Party Transactions

Volunteer crewman Ronan McCann has available to him a small section of land from which he runs a community commercial venture. As agreed by the trustees in 2020, he pays the FILB charity a donation each month based on takings.
