Description of the charity's trusts

Type of governing document (eg. trust deed, constitution)	The Group's governing documents are those of the Scout Association. They consist of a Royal Charter, which in turn gives authority to the by-laws of the Association and the policy, organisation and rules of the Scout Association.
How the charity is constituted (eg. trust, association, company)	The Group is a trust established under its rules which are common to all Scouts.
Trustee selection methods (eg. appointed by, elected by)	The Trustees are appointed in accordance with the policy, organisation and rules of the Scout Association.

Additional governance issues (Optional information)

You may choose to include additional information, where relevant, about:

- policies and procedures adopted for the induction and training of trustees;
- the charity's organisational structure and any wider network with which the charity works;
- relationship with any related parties;
- trustees' consideration of major risks and the system and procedures to manage them.

The Group is managed by the Group Executive Committee, the members of which are the 'Charity Trustees' of the Scout Group, which is an educational charity. As charity trustees, they are responsible for complying with legislation applicable to charities. This includes the registration, keeping proper accounts and making returns to the Charity Commission as appropriate.

The core Committee consists of five independent representatives:

Chair, Treasurer, Secretary and, as a sponsored church group, our local rector together with the Group Scout Leader. Individual section leaders (if they have opted to take on the responsibility) and parents' representatives are also trustees and may apply at the AGM to join the committee. The Committee aims to meet every two months.

Members of the Executive Committee (excluding members of the Scout Association) complete 'Essential Information for Executive Committee' training within the first five months of joining the committee.

This Group Executive Committee exists to support the Group Scout Leader in meeting the responsibilities of the appointments, and is responsible for:

- The maintenance of Group property;
- The raising of funds and the administration of Group finance;
- The insurance of persons, property and equipment;
- Group public occasions;
- Assisting in the recruitment of leaders and other adult support;
- Appointing any sub-committees that may be required;
- Appointing Group administrators and advisors other than those who are elected.

The Group Executive Committee has identified the major risks to which they believe the Group is exposed, these have been reviewed and systems have been established to mitigate against them. The main areas of concern that have been identified are:

Damage to the building, property and equipment

The Group would request the use of buildings, property and equipment from neighbouring organisations such as the church and other Scout Groups. Similar reciprocal arrangements exist with these organisations. The Group has sufficient buildings and contents insurance in place to mitigate against permanent loss.

Injury to leaders, helpers, supporters and members

The Group, through the capitation fees, contributes to the Scout Association's national accident insurance policy. Risk assessments are undertaken before all activities. Separate insurance is in place for parent helpers and occasional helpers not covered by the Scout Association insurance.

Reduced income from fund raising

The Group is primarily reliant upon income from subscriptions and fundraising. The Group does hold a reserve to ensure the continuity of activities should there be a major reduction in income. The Committee could raise the value of subscriptions to increase the income to the Group on an ongoing basis, either temporarily or permanently.

Reduction or loss of leaders

The Group is totally reliant upon volunteers to run and administer the activities of the Group. If there were a reduction in the number of leaders to an unacceptable level in a particular section, or the Group as a whole, then there would have to be a contraction, consolidation or closure of a section. In the worst-case scenario, this would lead to the complete closure of the Group.

Reduction or loss of members

The Group provides activities for all young people aged 6 to 14. If there were a reduction in membership in a particular section, or the Group as whole, then there would have to be a contraction, consolidation or closure of a section. Again, in the worst-case scenario, this would lead to the complete closure of the Group.

Internal controls

The Group has in place systems of internal controls that are designed to provide reasonable assurance against material mismanagement or loss. These include two signatories for all payments and comprehensive insurance policies to ensure that insurable risks are covered.

Summary of the objects of the charity set out in its governing document

The Purpose of Scouting

Scouting exists to actively engage and support young people in their personal development, empowering them to make a positive contribution to society.

The Values of Scouting

As Scouts we are guided by these values:

- **Integrity** - We act with integrity; we are honest, trustworthy and loyal.
- **Respect** - We have self-respect and respect for others.
- **Care** - We support others and take care of the world in which we live.
- **Belief** - We explore our faiths, beliefs and attitudes.
- **Co-operation** - We make a positive difference; we cooperate with others and make friends.

The Scout Method

Scouting takes place when young people, in partnership with adults, work together based on the values of Scouting and:

- enjoy what they are doing and have fun;
- take part in activities indoors and outdoors;
- learn by doing;
- share in spiritual reflection;
- take responsibility and make choices;
- undertake new and challenging activities; and
- make and live by their Promise.

Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)

Activities for children which are consistent with the aims of the Scout movement:

- Scouting badges and awards (Beavers, Cubs and Scouts);
- Pond Clearing (Friends of Bradmore Pond);
- Delivering the church's Christmas post;
- Coppice Clearing; and
- Church Parades.

The Trustees have had regard to the guidance issued by the Charity Commission on public benefit. The Group meets the Charity Commission's public benefit criteria under both the advancement of education and the advancement of citizenship or community development headings.

Additional details of objectives and activities (Optional information)

You **may choose** to include further statements, where relevant, about:

- policy on grantmaking;
- policy programme related investment;
- contribution made by volunteers.

The input and support from the Leaders and their assistants is vital and invaluable. It is because of them that the Group continues to flourish. The activities and support they show to the young people has gone to make us one of the larger youth Groups in Old Coulsdon. They instil the Scouting values in the young people and make them an asset to the community. Supported further by the tireless work of the professional Executive Committee, those helping behind the scenes have worked hard to ensure we have had sufficient funds and resources available to deliver a full and thorough programme to the young people. The focus on future sustainability will ensure the Group thrives for future young people.

All the parents of 17th Purley are supportive and attend when help is required. They also support the Group financially by attending these events. When an event is organised for a date outside normal meeting times a large percentage of the children and parents will attend.

Section D

Achievements and performance

Summary of the main achievements of the charity during the year

As a charity, youth group and community organisation we are active within two key areas: Scouting values and community engagement.

Over the past year we have finally managed to resume our normal level of activities throughout the year. We were fortunate to be able to run five camps during the year, with the highlight being a fantastic weekend for the whole group at Frylands once again, where much fun was had by all.

Our community work supporting local events increased during the year and included providing BBQ services to the Queens' Jubilee Picnic weekend; the Old Coulsdon Village Fair and the Christmas Light of Old Coulsdon (CLOC) for the turning on of the Christmas lights. We also worked in partnership with other local groups to clear the village pond and tend the woodland in Coulsdon coppice.

We managed to participate once again in the Annual Rotary Christmas Street Collections, which was great fun and raised us a total of £2,666 in the year, £1,428 of which was paid into our bank account in January 2022 related to 2021.

Finally, we finished our major project to renew the Scout hut ceiling, spending a further £4,012 in 2022 for the remainder of the electrical works. This work was essential for our continued enjoyment of the hut and should hopefully see us good for many years to come. We also spent £2,499 on a projector and accessories for the hut, to assist in running our varied scouting programmes.

Section E

Financial review

Brief statement of the charity's policy on reserves

The Group's policy on reserves is to hold sufficient resources to continue the charitable activities of the Group should income and fundraising activities fall short. The Group Executive Committee considers that the Group should hold, as unrestricted reserves, a sum equivalent to a minimum of 3 months' "normal" expenditure (circa £2,750) and a maximum of 12 months' "normal" expenditure.

At the year end, the charity held £9,539.

Details of any funds materially in deficit

None.

Further financial review details (Optional information)

You **may choose** to include additional information, where relevant about:

- the charity's principal sources of funds (including any fundraising);
- how expenditure has supported the key objectives of the charity;
- investment policy and objectives including any ethical investment policy adopted.

The principal sources of funds for our Group come from fundraising and subscriptions. All of the children have had the opportunity to take part in the activities that the sections have provided and money has been spent keeping equipment and the premises in good working order for the benefit of the whole Group.

The Group does not have sufficient funds to invest in longer term investments. The Group has therefore adopted a risk-averse strategy to the investment of its funds. All funds are held in cash using only a mainstream bank.
