

THE LIVING WATERS TRUST

Trustee's Report for year ending 31st March 2021

The objectives of the trust are as follows,

1. to advance the Christian Faith.
2. to give help to those who suffer as a result of their faith.
3. to bring help to the disadvantaged, particularly overseas.

There is a continuing need need for financial help for churches, Aid agencies and Missions working in Africa, India and Asia in particular, due to climate change and increasing oppression for Christians. The rent for the main part of the site has returned to the previous level with the completion of the improvements,. However there are rent arrears on the telecoms masts, we are in contact with Pentecom our managers for the masts concerning this. We continue to maintain our support for our longer established connections under each of the objectives of the trust and have used some more of the reserves to do this.

In seeking to further these objectives the trust has this year given support to the following organisations :

Objective 1 Sat-7, Tribal Transformation via Stewardship, The Bible Society, Care, Wycliff, The Gideons now Good News for Everyone and Care.

Objective 2 Open Doors ,Barnabus Trust,Christian Solidarity Worldwide, A.D.F. International.

Objective 3 In agreeing the allocation of support during the year, the trustees have given consideration to the Charity Commissioner's guidance on “ public benefit ”, in particular as it relates to charities involved in the advancement of religion. This year the following support was given to a number of Charities with a specific community interest, while all except one have a Christian basis, all offer their ministries without any discrimination on the basis of class, race, faith or gender.

Safeguarding Vulnerable Groups.

The Charity does not work directly with vulnerable groups, in fact all our support is channelled through U.K. Registered Charities. However the trustees have reviewed

the work of each ministry supported, principally on the basis of the charities' annual reports but in some cases on the basis of their own personal knowledge.
