Trustees Report:

Last year's trustee's report showed a donation of £354,442 to the charity Community Life Trust for the purchase of a building next to the one owned by Community Life Trust which is the trust for the work of Beacon Church. The building that was purchased is listed and needs work done to make it fully suitable for the work of the church including its community involvement. The trustees are members of the church and are happy to be involved with this project. For a period of time they have agreed to limit the Living Waters Trust's involvement in its overseas work. This explains the increase in the funds being held by the Living Waters Trust.

The objectives of the trust remain as follows,

1. to advance the Christian Faith.
2. to give help to those who suffer as a result of their faith.
3. to bring help to the disadvantaged, in the U.K. and overseas.

Signed by the trustees,

C. J. Van Den Broek

A. Van Den Broek.
