Statement of Financial Activities	8
Summary Income and Expenditure Account	9
Balance Sheet	10
Notes to the Accounts	11 to 18

The trustees who are also directors of the charity for the purposes of the Companies Act 2006, present their report with the financial statements of the charity for the year ended 31 March 2020. The trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019).

OBJECTIVES AND ACTIVITIES

Objectives and aims

The objects of the charity are: To undertake, explore develop and promote the creative, artistic, social and educational use of multi-cultural music for the benefit of all persons especially the socially and physically disadvantaged, residing or employed in the Islington area.

Achievements and performance

IMW operates an open access system for recruitment to our course programme that includes Assisted Training Places for Islington residents who are registered disabled. The curriculum takes account of the demands of the industry and the principles of equal access for all. We continue to encourage female applicants and balance the requirements of the programme with a marketing programme to raise the level of technical education/interest among young women. We continue to run a scheme of internship for successful female graduates to provide limited but important support between qualification and employment.

The programme for the year was greatly affected by the Covid pandemic. Full-time staff were furloughed onto the Governments Job Retention Scheme where appropriate and part-time skeleton staffing was arranged for the upkeep the studio facilities throughout the year.

The HND course that was in place at the start of the year was transferred to an online delivery and all the student successfully completed.

During this period some staff were able to work from home and progress our application to the City of Westminster College for a new range of FE and HE courses to begin when Covid restrictions were lifted.

Similarly, we were also able to advance our discussions with the University of East London to establish a partnership to deliver their Level 3 and Diploma of Higher Education qualifications.

Under normal conditions, the Workshop functions five days per week from 8am-11pm for 48 weeks of the year and students are enrolled on our FE and HE programmes. Our annual nation-wide survey of studios generates extremely positive responses to our training programme. We receive a high level of interest in recruiting our graduates for employment in the industry. Our graduates go on to complete their degrees at Universities of their choice, manage studio facilities, teach, engineer and assist in major studios in the UK and USA. Alumni have gone on to win Grammys and Oscars co-writing and producing highly successful albums, film theme music and set up their own very hi-spec studios. Others have set up a very successful production studio hire businesses, become a music production educational consultant and university research consultant.

The successful development of future contracts during a very challenging time reflected the dedication and commitment of IMW staff. Dealing with the requirements of a constantly changing funding regime and course specifications is extremely time consuming and challenging and it is a testament to staff creativity and professional integrity that this was advanced.

Financial review

In 2019-20 the trustees carried out a review of the charity's activities and the strategic plan. Our resilience this year has demonstrated the value of this review and of the practice of monitoring progress against the strategic plan. Our recovery plan is based on strong financial management and a robust strategic plan.

Public benefit

The trustees have taken due notice of the recent guidance issued by the Charity Commission concerning public benefit. The nature of our educational programmes means that the benefits enjoyed by participants are both tangible and easily identifiable, and are clearly in line with our stated aims of the promotion of the creative, artistic and educational use of multi cultural music. IMW's training programmes are supported by City and Islington College and are intended for all those who will benefit most and particularly those socially and physically disadvantaged in the Islington area.

Investment policy and objectives

Under the Memorandum and Articles of Association, the charity has the power to invest in any way the board wishes. The board, having regard to the liquidity requirements of operating a training organization in the community and to the reserves policy, have operated a policy of keeping available funds in an interest bearing deposit account and seeks to achieve a rate of deposit interest which exceeds inflation as measured by the retail prices index.

Reserves policy

The board has established the level of reserves (that is those funds that are freely available) that the charity ought to have. Reserves are needed to bridge the funding gaps between spending on the course programme and receiving funds through charges and contract fees that provide funding. In addition IMW reserves strategy includes the following provisions: winding up the affairs of the organisation including outstanding creditors, salaries and redundancy costs in the sum of £100,000 and an equipment replacement fund of £100,000. The balance of reserves is represented by a capacity building fund and normal working capital balances. The major risks to which the charity is exposed, as identified by the board, have been reviewed and systems have been established to mitigate those risks.

FUTURE PLANS

At the end of a very challenging year, IMW is well placed to pursue sustained recovery and capacity building when possible and progressing contracts with City of Westminster College and the University of East London.

Covid pandemic

The sudden emergence of the Covid pandemic in April 2020 has meant that the Board has had to take a very different view of IMW's activity over the years 20-21 and 21-22. We had already begun negotiations with City of Westminster College and the University of East London in September 2019 to relaunch our course program in January or September 2020. However the great uncertainty created by the virus and lockdowns meant that we have had to take advantage of JRS grants and finalising a restart date for onsite face-to-face courses has remained extremely difficult. Surveys of our target cohort showed us that there was no great interest in doing hands-on courses remotely.

With the success of the vaccine rollout, the board and its partners are now more confident that our relaunch can now take place in October 2021. The combination of JRS grant and our resilience and recovery reserves puts IMW in a very good place to relaunch as the vaccines take effect and the lockdown is lifted.

STRUCTURE, GOVERNANCE AND MANAGEMENT

Governing document

The charity is controlled by its governing document, a deed of trust, and constitutes a limited company, limited by guarantee, as defined by the Companies Act 2006.

Charity constitution

Islington Music Workshop Limited is a company limited by guarantee governed by its Memorandum and Articles of Association dated 19th October 1983 and amended to allow for current governance arrangement on 4 September 1986. It is registered as a charity with the Charity Commission. Anyone over the age of 18 can apply to become a member of the Company by application to the board and there are currently 6 members, each of whom agrees to contribute £1 in the event of the charity winding up.

Appointment of trustees

All members are circulated with invitations to nominate members of the board prior to the AGM advising them of the retiring board members and requesting nominations for the AGM. When considering co-opting trustees, the Board has regard to the requirement for any specialist skills needed.

Organisation

The board of management, which can have up to 9 members, administers the charity. The board meets quarterly and there are sub-committees covering development, finance and audit which meets as required. A Workshop Director is appointed by the board to manage the day-to-day operations of the charity. To facilitate effective operations, the Workshop Director has delegated authority, approved by the board, for operational matters including financial, employment and programme related activity.

Trustee induction and training

New trustees undergo an orientation day to brief them on their legal obligations under charity and company law, the content of the Memorandum and Articles of Association, the committee and decision-making processes, the business plan and recent financial performance of the charity. During the induction day they meet key employees and other trustees. Trustees are encouraged to attend appropriate external training events where these will facilitate the undertaking of their Appointment of trustees.

STRUCTURE, GOVERNANCE AND MANAGEMENT

Risk Management

The trustees have a risk management strategy that comprises:

- an annual review of the risks the charity may face
- the establishment of systems and procedures to mitigate those risks identified in the plan
- the implementation of procedures designed to minimise any potential impact on the charity should those risks materialise

Islington Music Workshop Ltd
Trustees Annual Report

This work has identified only a few minor new risks but it has resulted in better emergency procedures and contingency plans and has given the impetus for better planning. Particular attention has focused on non-financial risks arising from fire, health and safety of staff and students. A key element in the management of financial risk is the setting of a reserves policy and its regular review by trustees.

The trustees (who are also the directors of Islington Music Workshop Limited for the purposes of company law) are responsible for preparing the Report of the Trustees and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice) including Financial Reporting Standard 102 "The Financial Reporting Standard applicable in the UK and Republic of Ireland"

Company law requires the trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the charitable company and of the incoming resources and application of resources, including the income and expenditure, of the charitable company for that period. In preparing those financial statements, the trustees are required to

Islington Music Workshop Ltd
Trustees Annual Report

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charity SORP;
- make judgements and estimates that are reasonable and prudent;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charitable company will continue in business.

The trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the charitable company and to enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charitable company and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

The above report has been prepared in accordance with the provisions applicable to companies subject to the small companies regime as set out in Part 15 of the Companies Act 2006 and in accordance with the Charities SORP (FRS 102).

Independent Examiner's Report to the trustees of Islington Music Workshop Ltd

I report to the charity trustees on my examination of the accounts of Islington Music Workshop Ltd for the year ended 31 March 2021 which comprise the Statement of Financial Activities, the Summary Income and Expenditure Account, the Balance Sheet and the related notes.

Responsibilities and basis of report

As the trustees of the charity (and also its directors for the purposes of company law) you are responsible for the preparation of the accounts in accordance with the requirements of the Companies Act 2006 ('the 2006 Act).

Having satisfied myself that the accounts of the charity are not required to be audited under Part 16 of the 2006 Act and are eligible for independent examination, I report in respect of my examination of your charity's accounts as carried out under section 145 of the Charities Act 2011 ('the 2011 Act'). In carrying out my examination I have followed the Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

Independent examiner's statement

I have completed my examination. I can confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that:

- accounting records were not kept in accordance with section 386 of the 2006 Act ; or
- the accounts do not accord with those records; or
- the accounts do not comply with the accounting requirements under section 396 of the 2006 Act other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination; or
- the accounts have not been prepared in accordance with the Charities SORP (FRS 102).

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

1 Accounting policies

Basis of preparation

The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2015) - (Charities SORP (FRS 102)), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and the Companies Act 2006.

The trustees consider that there are no material uncertainties about the charity's ability to continue as a going concern.

Change in basis of accounting or to previous accounts

There has been no change to the accounting policies (valuation rules and method of accounting) since last year and no changes have been made to accounts for previous years.

Fund accounting

Unrestricted funds	These are available for use at the discretion of the trustees in furtherance of the general objects of the charity.
Designated funds	These are unrestricted funds earmarked by the trustees for particular purposes.
Revaluation funds	These are unrestricted funds which include a revaluation reserve representing the restatement of investment assets at their market values.
Restricted funds	These are available for use subject to restrictions imposed by the donor or through terms of an appeal.

Income

Recognition of income	Income is included in the Statement of Financial Activities (SoFA) when the charity becomes entitled to, and virtually certain to receive, the income and the amount of the income can be measured with sufficient reliability.
-----------------------	---

Income with related expenditure	Where income has related expenditure the income and related expenditure is reported gross in the SoFA.
---------------------------------	--

Donations and legacies	Voluntary income received by way of grants, donations and gifts is included in the the SoFA when receivable and only when the Charity has unconditional entitlement to the income.
------------------------	--

Tax reclaims on donations and gifts	Income from tax reclaims is included in the SoFA at the same time as the gift/donation to which it relates.
-------------------------------------	---

Donated services and facilities	These are only included in income (with an equivalent amount in expenditure) where the benefit to the Charity is reasonably quantifiable, measurable and material.
---------------------------------	--

Volunteer help	The value of any volunteer help received is not included in the accounts.
----------------	---

Investment income	This is included in the accounts when receivable.
-------------------	---

Gains/(losses) on revaluation of fixed assets	This includes any gain or loss resulting from revaluing investments to market value at the end of the year.
---	---

Gains/(losses) on investment assets	This includes any gain or loss on the sale of investments.
-------------------------------------	--

Expenditure

Recognition of expenditure	Expenditure is recognised on an accruals basis. Expenditure includes any VAT which cannot be fully recovered, and is reported as part of the expenditure to which it relates.
Expenditure on raising funds	These comprise the costs associated with attracting voluntary income, fundraising trading costs and investment management costs.
Expenditure on charitable activities	These comprise the costs incurred by the Charity in the delivery of its activities and services in the furtherance of its objects, including the making of grants and governance costs.
Grants payable	All grant expenditure is accounted for on an actual paid basis plus an accrual for grants that have been approved by the trustees at the end of the year but not yet paid.
Governance costs	These include those costs associated with meeting the constitutional and statutory requirements of the Charity, including any audit/independent examination fees, costs linked to the strategic management of the Charity, together with a share of other administration costs.
Other expenditure	These are support costs not allocated to a particular activity.

Taxation

The charity is exempt from corporation tax on its charitable activities.

Tangible fixed assets and depreciation

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life:

Leasehold property	0.8% Straight line
Studio equipment	10% Straight line & reducing balance
Fixtures & Fittings	10% Straight line

Freehold investment property

Investment properties are measured initially at cost and subsequently at fair value at each balance sheet date and are not depreciated. All gains or losses are taken to the Statement of Financial Activities as they arise.

Trade and other debtors

Trade and other debtors are recognised at the settlement amount due after any trade discount offered. Prepayments are valued at the amount prepaid net of any trade discounts due.

Cash and cash equivalents

Cash and cash equivalents comprise cash at bank and on hand, demand deposits with banks and other short-term highly liquid investments with original maturities of three months or less and bank overdrafts. In the statement of financial position, bank overdrafts are shown within borrowings or current liabilities. In the Statement of Cash Flows, cash and cash equivalents are shown net of bank overdrafts that are repayable on demand and form an integral part of the company's cash management.

Trade and other creditors

Short term creditors are measured at the transaction price. Other creditors and provisions are recognised where the charity has a present obligation resulting from a past event that will probably result in the transfer of funds to a third party and the amount due to settle the obligation can be measured or estimated reliably. Creditors and provisions are normally recognised at their settlement amount after allowing for any trade discounts due.

Leased assets

Where the charity enters into a lease which entails taking substantially all the risks and rewards of ownership of an asset, the lease is treated as a finance lease.

Leases which do not transfer substantially all the risks and rewards of ownership to charity are classified as operating leases.

Assets held under finance leases are initially recognised as assets of the charity at their fair value at the inception of the lease or, if lower, at the present value of the minimum lease payments. The corresponding liability to the lessor is included in the balance sheet date as a finance lease obligation. Lease payments are apportioned between finance expenses and reduction of the lease obligation so as to achieve a constant rate of interest on the remaining balance of the liability. Finance expenses are recognised immediately, unless they are directly attributable to qualifying assets, in which case they are capitalised in accordance with the charity's policy on borrowing costs.

Assets held under finance leases are depreciated in the same way as owned assets.

Operating lease payments are recognised as an expense on a straight-line basis over the lease term.

In the event that lease incentives are received to enter into operating leases, such incentives are recognised as a liability. The aggregate benefit of incentives is recognised as a reduction of rental expense on a straight-line basis.

Pension costs

The charity operates a defined contribution plan for its employees. A defined contribution plan is a pension plan under which the company pays fixed contributions into a separate entity. Once the contributions have been paid the company has no further payments obligations. The contributions are recognised as expenses when they fall due. Amounts not paid are shown in accruals in the balance sheet. The assets of the plan are held separately from the company in independently administered funds.

2 Company status

The company is a private company limited by guarantee and consequently does not have share capital.
