## **Sir Joseph Williamson's Charitable Trust**

### **Trustees' report**

**For the year ended 31 August 2023**

The Trustees present their annual report together with the financial statements of the Charity for the year ended 31 August 2023.

### **Objectives and activities**

#### **a. Policies and objectives**

The objects of the Charity are, for the benefit of the public:

- to advance education through the provision of a site in Rochester for the School; and
- to advance education through furthering the education of beneficiaries attending the School conducted on the Charity's property by the award of prizes (or other suitable reward); and
- to advance education through giving grants, bursaries or other payments to beneficiaries who are in need of financial assistance (or to educational institutions attended by such beneficiaries); and in providing financial or other assistance to such beneficiaries to assist their entry into a profession, trade or calling or to enable them to travel abroad to pursue their education; and
- to provide and support educational, recreational or ancillary facilities and services for the benefit of the beneficiaries and the inhabitants of the area of benefit.

In setting objectives and planning for activities, the Trustees have given due consideration to general guidance published by the Charity Commission relating to public benefit, including the guidance 'Public benefit: running a charity (PB2)'.

#### **b. Activities undertaken to achieve objectives**

The Trustees have continued to support the activities of the School during the year. This support included contributions of £61,550 (2022 - £31,300) during the year.

#### **c. Main activities undertaken to further the Charity's purposes for the public benefit**

The main purpose of the Charity is the advancement of education. In particular the Charity provides special benefits for Sir Joseph Williamson's Mathematical School, Rochester ("the School"), which are in addition to and beyond the financial support received by the School from central government.

The School is a boys grammar school based in Rochester, Kent. In 2019 the School joined The Leigh Academies Trust (a Multi Academy Trust).

The School is accessible (without payment of fees) to any boy within the Medway Towns who passes the 11 plus examination and for sixth form studies to any boy or girl within the Medway Towns who achieves a suitable level of achievement at GCSE.

The facilities of the School (many of which have been funded or partly funded by the Charity), such as its hall, sports hall, swimming pool, pavilion and synthetic hockey pitch are made available by the School for hire by the wider local community.

The School has community links with other Schools in the area.

The Charity also makes an annual donation to Rochester Grammar School.

## **Sir Joseph Williamson's Charitable Trust**

### **Trustees' report (continued) For the year ended 31 August 2023**

#### **Achievements and performance**

##### **a. Review of activities**

The results for the year are set out on page 8.

The Charity's unrestricted funds have a balance of £773,960 (2022 - £657,826) and the restricted funds have a balance of £7,224,424 (2022 - £7,504,115).

Total grants payable in the year amounted to £61,750, compared to £31,500 in 2022.

##### **b. Investment policy and performance**

The Scheme provides that all sums of cash, other than cash needed for immediate working purposes shall be invested in trust for the Charity. Such cash may be invested in any investments, which are narrower-range or wider-range investments.

#### **Financial review**

##### **a. Going concern**

After making appropriate enquiries, the Trustees have a reasonable expectation that the Charity has adequate resources to continue in operational existence for the foreseeable future. For this reason, they continue to adopt the going concern basis in preparing the financial statements. Further details regarding the adoption of the going concern basis can be found in the accounting policies.

##### **b. Reserves policy**

###### **Restricted fund**

The restricted fund consists of the Capital Account and represents the permanent endowment of the foundation.

###### **Unrestricted funds**

The unrestricted fund consists of the Income and Expenditure Account, which represents the amounts available for general purposes at the discretion of the Trustees.

###### **Reserve fund policy**

The reserves of the Charity are the resources that are available to spend on the Charity's purposes once all commitments have been met and planned expenditure covered. They do not include the restricted funds as these have to be retained in their entirety to generate future income flows.

The Charity's primary objective is to provide special benefits for the School that are not normally provided by central government. As a result, there is not normally any requirement for the Trustees to accumulate reserves and the Trustees' policy is that they should not fall below £20,000. This will allow the Charity to provide consistent funding for the School while allowing for variation in the Charity's other income and expenditure.

However, it is the Trustees' intention to support capital projects in the future where appropriate, if sufficient funds are available. In this event, a minimum reserve of £20,000 would be insufficient and would be increased to the level required to fund the capital project(s).

## **Sir Joseph Williamson's Charitable Trust**

### **Trustees' report (continued) For the year ended 31 August 2023**

#### **Structure, governance and management**

##### **a. Constitution**

Sir Joseph Williamson's Charitable Trust is governed by a Scheme of the Board of Education dated 3 February 1910 as amended by Schemes of 26 June 1912, 8 May 1915, 25 January 1921, 5 November 1921, 10 February 1932 and 19 February 1998 as amended by Special Resolutions dated 14 November 2005, 30 March 2011 and 5 November 2012.

The Special Resolution dated 5 November 2012 changed the Charity's name to Sir Joseph Williamson's Charitable Trust. In addition, amendments were made to the objects of the Charity and the composition of the body of Trustees.

##### **b. Methods of appointment or election of Trustees**

Upon the occurrence of a vacancy the Trustees shall cause a note thereof to be entered in their minute book at their next meeting and in the case of a vacancy in the office of Nominated Trustee shall cause notice thereof to be given as soon as possible to the proper appointing body. Any competent Trustee may be re-appointed.

##### **c. Organisational structure and decision-making policies**

The body of Trustees shall consist of seven competent persons. The Trustees shall ask each of the following bodies to nominate one person (who may be but does not have to be a member of the appointing body), to be a Trustee of the Charity:

The Dean and Chapter of Rochester Cathedral, in the County of Kent;  
The Trustees for the time being of the Richard Watts Charity;  
The Wardens and Assistants of the Rochester Bridge, in the County of Kent;  
Medway Council; and  
The Old Williamsonian Club.

##### **Co-opted Trustees:**

Not more than three at the discretion of the Trustees.

The names of the Trustee, who served during the financial year, are shown on page 1.

A Trustees' Committee has been formed which makes recommendations to the main body of Trustees and all decisions are ratified at full meetings of the Trustees.

##### **d. Policies adopted for the induction and training of Trustees**

All Trustees are encouraged to attend training courses and seminars on a regular basis. New Trustees are given full details of the Charity and are encouraged to attend Board meetings regularly to widen their understanding of the work of the Charity.

##### **e. Risk management**

The Trustees have assessed the major strategic, business and operational risks which the charity may face and review risks on a regular basis. The Trustees confirm the systems have been established to enable regular reports to be produced so that necessary steps can be taken to mitigate these risks.

##### **Plans for future periods**

The Charity will continue to pursue its main activities as outlined in page 3.

**Trustees' report (continued)**  
**For the year ended 31 August 2023**

**Statement of Trustees' responsibilities**

The Trustees are responsible for preparing the Trustees' report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

The law applicable to charities in England & Wales requires the Trustees to prepare financial statements for each financial year which give a true and fair view of the state of affairs of the Charity and of its incoming resources and application of resources, including its income and expenditure, for that period. In preparing these financial statements, the Trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles of the Charities SORP (FRS 102);
- make judgments and accounting estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards (FRS 102) have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the Charity will continue in business.

The Trustees are responsible for keeping adequate accounting records that are sufficient to show and explain the Charity's transactions and disclose with reasonable accuracy at any time the financial position of the Charity and enable them to ensure that the financial statements comply with the Charities Act 2011, the Charity (Accounts and Reports) Regulations 2008 and the provisions of the Charity Commission Scheme. They are also responsible for safeguarding the assets of the Charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Approved by order of the members of the board of Trustees and signed on their behalf by:

**R J Race**

Date: 13 November 2023

## **Sir Joseph Williamson's Charitable Trust**

### **Independent examiner's report For the year ended 31 August 2023**

### **Independent examiner's report to the Trustees of Sir Joseph Williamson's Charitable Trust ('the Charity')**

I report to the charity Trustees on my examination of the accounts of the Charity for the year ended 31 August 2023.

#### **Responsibilities and basis of report**

As the Trustees of the Charity you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the 2011 Act').

I report in respect of my examination of the Charity's accounts carried out under section 145 of the 2011 Act and in carrying out my examination I have followed the applicable Directions given by the Charity Commission under section 145(5)(b) of the 2011 Act.

#### **Independent examiner's statement**

Your attention is drawn to the fact that the Charity has prepared the accounts in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) in preference to the Accounting and Reporting by Charities: Statement of Recommended Practice issued on 1 April 2005 which is referred to in the extant regulations but has been withdrawn.

I understand that this has been done in order for the accounts to provide a true and fair view in accordance with the Generally Accepted Accounting Practice effective for reporting periods beginning on or after 1 January 2019.

I have completed my examination. I confirm that no matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the Charity as required by section 130 of the 2011 Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

Signed:

Dated: 13 November 2023

The financial statements were approved and authorised for issue by the Trustees and signed on their behalf by:

  
R J Race

Date: 18 November 2023

The notes on pages 10 to 18 form part of these financial statements.

**Notes to the financial statements  
For the year ended 31 August 2023**

**1. General information**

Sir Joseph Williamson's Charitable Trust ("the Charity") is a charity and is incorporated in England with the registration number 296368. The address of the registered office is 1 Maynard Place, Chatham, Kent, ME5 7HD.

**2. Accounting policies**

**2.1 Basis of preparation of financial statements**

The financial statements have been prepared in accordance with the Charities SORP (FRS 102) - Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and the Charities Act 2011.

The financial statements have been prepared to give a 'true and fair' view and have departed from the Charities (Accounts and Reports) Regulations 2008 only to the extent required to provide a 'true and fair' view. This departure has involved following the Charities SORP (FRS 102) published in October 2019 rather than the Accounting and Reporting by Charities: Statement of Recommended Practice effective from 1 April 2005 which has since been withdrawn.

Sir Joseph Williamson's Charitable Trust meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy.

**2.2 Going concern**

The Trustees assess whether the use of going concern is appropriate i.e. whether there are any material uncertainties related to events or conditions that may cast significant doubt on the ability of the Charity to continue as a going concern. The Trustees make this assessment in respect of a period of at least one year from the date of authorisation for issue of the financial statements and have concluded that the Charity has adequate resources to continue in operational existence for the foreseeable future and there are no material uncertainties about the Charity's ability to continue as a going concern, thus they continue to adopt the going concern basis of accounting in preparing the financial statements.

**2.3 Income**

All income is recognised once the Charity has entitlement to the income, it is probable that the income will be received and the amount of income receivable can be measured reliably.

Income tax recoverable in relation to investment income is recognised at the time the investment income is receivable.

**2.4 Expenditure**

Expenditure is recognised once there is a legal or constructive obligation to transfer economic benefit to a third party, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably.

Expenditure on raising funds includes all expenditure incurred by the Charity to raise funds for its charitable purposes and includes costs of all fundraising activities events and non-charitable trading.

Expenditure on charitable activities is incurred on directly undertaking the activities which further the Charity's objectives, as well as any associated support costs.

**Notes to the financial statements  
For the year ended 31 August 2023**

**2. Accounting policies (continued)**

**2.4 Expenditure (continued)**

Grants payable are charged in the year when the offer is made except in those cases where the offer is conditional, such grants being recognised as expenditure when the conditions attaching are fulfilled. Grants offered subject to conditions which have not been met at the year end are noted as a commitment, but not accrued as expenditure.

All expenditure is inclusive of irrecoverable VAT.

**2.5 Interest receivable**

Interest on funds held on deposit is included when receivable and the amount can be measured reliably by the Charity; this is normally upon notification of the interest paid or payable by the institution with whom the funds are deposited.

**2.6 Investments**

Fixed asset investments are a form of financial instrument and are initially recognised at their transaction cost and subsequently measured at fair value at the Balance sheet date, unless the value cannot be measured reliably in which case it is measured at cost less impairment. Investment gains and losses, whether realised or unrealised, are combined and presented as 'Gains/(Losses) on investments' in the Statement of financial activities.

**2.7 Tangible fixed assets and depreciation**

The original freehold properties have been included at a nominal value of £1. Subsequent additions are included at cost.

**2.8 Debtors**

Trade and other debtors are recognised at the settlement amount after any trade discount offered. Prepayments are valued at the amount prepaid net of any trade discounts due.

**2.9 Cash at bank and in hand**

Cash at bank and in hand includes cash and short-term highly liquid investments with a short maturity of three months or less from the date of acquisition or opening of the deposit or similar account.

**2.10 Liabilities and provisions**

Liabilities are recognised when there is an obligation at the Balance sheet date as a result of a past event, it is probable that a transfer of economic benefit will be required in settlement, and the amount of the settlement can be estimated reliably.

Liabilities are recognised at the amount that the Charity anticipates it will pay to settle the debt or the amount it has received as advanced payments for the goods or services it must provide.

Provisions are measured at the best estimate of the amounts required to settle the obligation. Where the effect of the time value of money is material, the provision is based on the present value of those amounts, discounted at the pre-tax discount rate that reflects the risks specific to the liability. The unwinding of the discount is recognised in the Statement of financial activities as a finance cost.

**Notes to the financial statements**  
**For the year ended 31 August 2023**

**2. Accounting policies (continued)**

**2.11 Financial instruments**

The Charity only has financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently measured at their settlement value with the exception of bank loans which are subsequently measured at amortised cost using the effective interest method.

**2.12 Fund accounting**

General funds are unrestricted funds which are available for use at the discretion of the Trustees in furtherance of the general objectives of the Charity and which have not been designated for other purposes.

Restricted funds are funds which are to be used in accordance with specific restrictions imposed by donors or which have been raised by the Charity for particular purposes. The costs of raising and administering such funds are charged against the specific fund. The aim and use of each restricted fund is set out in the notes to the financial statements.

Investment income, gains and losses are allocated to the appropriate fund.

**3. Income from donations and legacies**
