

The Nora and Olive Brewer Memorial Trust
(Registered as a charity, number 296988)

Trustees' Report
For the year ended 31 December 2024

Governing Instrument

The Olive and Nora Brewer Memorial Trust was established by Trust Deed dated 22 May 1987.

Objective

The primary trust is to pay the income arising from the trust fund:

- 60% in equal shares absolutely to the following charities:
 - Save the Children Fund
 - Guide Dogs (formerly Guide Dogs for the Blind Association)
 - Action on Hearing Loss (formerly Royal National Institute for the Deaf)
 - Livability (formerly John Groom's Association for the Disabled)
 - Cancer Research UK (formerly Imperial Cancer Research Fund)
 - Helen House Hospice
- The remaining 40% to the Parochial Church Council of the Parish of Putney "for the maintenance and renewal of and additions to the Church buildings and their contents within the said Parish other than the vicarage and the parish office".

Brief History

The Trust remained inactive until the death of Miss Olive Brewer on 8 December 1999, Miss Nora Brewer having died earlier.

The sisters had left their interest in their family home in Putney to the Trust and this property was sold in February 2001. Sale proceeds of £1,535,000 were received by the Trustees on 12 March 2001 and balancing distributions from the Estate of Olive Brewer of £23,516 during 2002.

Trustees

The Trustees who held office during the year are:

Gerald Allison
Michael Bull
Ben Helm
Richard Holman
Mark Leadley
Graham Shaw

All decisions of the Trust are made at full meetings of all the trustees. One meeting was held in 2024. The investment sub-committee, consisting of three trustees, has continued to monitor the performance of the charity's portfolio.

The power of appointing new trustees is vested in the continuing trustees.

Registered Address

The registered address of the Trust is 11 Genoa Avenue, Putney, London SW15 6DY.

Advisers

Alastair Cameron, Chartered Accountant, is the Independent Examiner of the accounts.

The Trust's banker is National Westminster Bank, 111-117 Putney High Street, London SW15 2LL.

The Trust has invested in a range of charity common funds comprising fixed interest, equity and commercial property assets, all managed by major international investment managers.

Public Benefit

The Trust provides public benefit by giving substantial and consistent financial support to the religious and community work of the Parish of Putney as well as to six well established national charities.

Financial Report

The founding Deed gives the Trustees "the same full and unrestricted powers of investing and transposing investments in all respects as if they were absolutely entitled to the Trust Fund beneficially".

The Trustees' investment strategy is risk averse and is designed to maximise income while protecting the value of the assets and seeking capital growth that at least equates with inflation. The Trust is a long term investor.

Since the charity exists to distribute income and has few expenses it does not seek to retain any reserves.

The income for the year amounted to £90,383 (2023: £87,529). The increase in income was due to the disposal of one equity fund holding, the proceeds of sale being held on deposit for the rest of the year to take advantage of high interest rates. There were no administrative expenses (2023: Nil) and all income is payable as grants.

Grants are paid annually in the autumn and comprise the Trust's income for the twelve months to 30 September.

Unrealised gains on the Trust's investments in 2024 amounted to £58,631 (2022: losses £502). Realised losses in 2024 were £13,082 (2023: £Nil). Equity funds performed well but those invested in property saw a slight fall, but have been retained by the trustees due to their high yield.

The total value of Trust assets at 31 December 2024 was £1,957,667 (2022: £1,912,117).

Accounting Policies

- The Accounts have been prepared under the historical cost convention.
- Credit is taken for investment income in the Statement of Affairs in the year in which it arises.
- Grants made by the Trust are recognised in the Statement of Financial Affairs of the year in which the income from which they are paid arises.
- Investments are shown at bid price at 31 December 2024.

Other information

The Trust itself has no connection with any other charity, but Richard Holman, Graham Shaw and Mark Leadley are members of the Parochial Church Council of the Parish of Putney ("the PCC"), a beneficiary of the Trust. The Trust Deed requires that at least two trustees shall be members of the PCC at all times.

Signed on behalf of the Trustees

.....
Richard Holman (Chairman)

Independent Examiner's report to the Trustees of The Nora and Olive Brewer Memorial Trust

I report to the Trustees on my examination of the accounts of the Trust for the year ended 31st December 2024, which are set out on pages 4 to 6.

Respective responsibilities of Trustees and Examiner

As the charity's Trustees you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011. The charity's Trustees consider that an audit is not required for this year (under section 43(2) of the Charities Act 1993 (the Act) as amended by s.28 of the Charities Act 2006) and that an independent examination is needed.

It is my responsibility:

- To examine the accounts (under section 43 of the Act, as amended);
- To follow the procedures laid down in the General Directions given by the Charity Commission (under Section 43(7)(b) of the Act, as amended); and
- To state whether particular matters have come to my attention.

Basis of independent examiner's report

My examination was carried out in accordance with the General Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from the trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently I do not express an audit opinion on the accounts.

Independent examiner's statement

I have completed my examination. I confirm that, in the course of my examination, no matter has come to my attention;

- (1) which gives me reasonable cause to believe that, in any material respect, the Trustees have not met the requirements to ensure that:
 - proper accounting records are kept (in accordance with Section 41 of the Act); and
 - accounts are prepared which agree with the accounting records and comply with the accounting requirements of the Act
- (2) which raises any concern and to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

Notes to the Accounts

For the year ended 31st December 2024

ACCOUNTING POLICIES

Accounting convention

The financial statements have been prepared under the historical cost convention and have been drawn up in accordance with the statement of recommended practice for accounting by charities.

Recognition of income and expenditure

Investment income from charity common funds is recognised in the period in which it is received. Deposit interest is recognized in the period in which it arises, on an accruals basis.

Since the terms of the Trust Deed require all income to be distributed to specific beneficiaries, grants made by the Trust are charged in the accounts in the period in which the income from which they are derived is recognized.

1. GRANTS PAYABLE

The total of grants payable equals the Trust's income for the year. The distribution of the income for the period from 1st October 2023 to 30th September 2024 was paid between mid-November and mid-December 2024. The amount shown under Liabilities on the Balance Sheet represents fourth quarter income, which will be paid in 2025.

2. INVESTMENTS

Bid price value at 1 January 2024	1,903,476
Sales in 2024	(299,016)
Realised losses during the year	(13,082)
Unrealised gains during the year	58,631
Bid price value at 31 December 2024	<u><u>£1,650,009</u></u>
