REPORT OF THE DIRECTORS
for the year ended 31st August 2023 (Continued)

Achievements and Performance

When planning the activities for the year the directors have considered the Charity Commission's guidance on public benefit. The company receives income through payroll giving and from that income make regular charitable donations to member charities noted above.

Financial Review

During the year the company received donations amounting to £50,152. The company made donations of £30,000 and incurred other expenditure of £12,404.

Reserves Policy

The directors have examined the charity's requirements for reserves taking account of the main risks to the organisation. It has established a policy whereby the unrestricted funds not committed or invested in tangible fixed assets held by the charity should be between 3 and 4 months of expenditure. The directors consider that this should be £11,000 in general funds. The reserves are needed to meet the working capital requirement of the charity and the directors are confident that at this level they would be able to continue the current activities of the charity in the event of a significant drop in funding. Income funds stand at £25,105 which is more than the intended funds.

The charity is a consortium of four charities and only meets up twice a year (normally) this is when disbursements are agreed.

NOTES TO THE ACCOUNTS
for the year ended 31st August 2023

1. Accounting Policies

The principal accounting policies adopted, judgments and key sources of estimation uncertainty in the preparation of the financial statements are as follows:

a) Basis of Preparation

The Financial Statements have been prepared in accordance with the Statement of Recommended Practice: Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) issued in October 2019 and the Financial Reporting Standard applicable in the United Kingdom and Republic of Ireland (FRS 102) and the Companies Act 2006.

Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy notes.

b) Public Benefit Entity

Worldwide People for People meets the definition of a public benefit entity under FRS 102.

c) Going Concern

The Trustees consider that there are no material uncertainties about the Charity's ability to continue as a going concern.

d) Income Recognition Policies

Items of income are recognised and included in the accounts when all of the following criteria are met:

- The charity has entitlement to the funds;
- any performance conditions attached to the items of income have been met or are fully within the control of the charity;
- there is sufficient certainty that receipt of the income is considered probable; and
- the amount can be measured reliably.

Income received in advance of a specific performance or provision of other specified service is deferred until the criteria for income recognition are met.

e) Interest Receivable

Interest on funds held on deposit is included when receivable and the amount can be measured reliably by the Charity; this is normally upon notification of the interest paid or payable by the bank.

f) Expenditure and Irrecoverable VAT

Expenditure is recognised once there is a legal or constructive obligation to make a payment to a third party, it is probable that settlement will be required and the amount of the obligation can be measured reliably.

Irrecoverable VAT is charged as a cost against the activity for which the expenditure was incurred.

g) Cash at Bank and in Hand

Cash at bank and cash in hand includes cash and short-term highly liquid investments with a short maturity of three months or less from the date of acquisition or opening of the deposit or similar account.
