ANNUAL REPORT AND ACCOUNTS

2022

REPORT OF THE TRUSTEES

For the year ended 31 December 2022

The Trustees present their annual report and financial statements of the charity for the year ended 31 December 2022.

REFERENCE AND ADMINISTRATIVE INFORMATION

The charity registration number is 297228.

The charity is managed by the trustees together with an Honorary Treasurer and Honorary Secretary. Names of trustees and honorary officers who served during the year are included as an appendix to this report.

The Chair is elected from the trustees periodically.

The charity does not have an office and can be contacted at the address of the Honorary Secretary.

STRUCTURE, GOVERNANCE AND MANAGEMENT

Governing Document

The charity is an unincorporated association controlled by its governing document, a deed of trust dated 9th July 1987 and subsequent amendment made on 21st February 2006.

Appointment of Trustees

The number of trustees shall not be less than five or more than sixteen. As well as permanent trustees, the two members of the North Hertfordshire District Council for the Parish of Knebworth, the Chairperson and Vice Chairperson of the Knebworth Parish Council, a representative of the Clergy Ministers for the Parish of Knebworth, the Head Teacher or Deputy Head Teacher of the Knebworth Village School, and a representative for the youth organisations for the village. Other trustees may be appointed by a resolution of the Trustees recorded in the minutes.

Trustee induction and training

Prospective trustees are asked to attend a trustee meeting where they can find out more about the role. New trustees are sent a role description, a copy of the trust document, minutes of recent meetings, latest financial accounts and guidance from the charity commission on the role of trustees.

Organisational Structure

The trustees meet four times per calendar year, to consider applications from organisations active in the village for financial support and to review the investment portfolio, policies and strategy. Representatives from applicant organisations are invited to attend the meeting to

present their applications. During 2022, face to face meetings were resumed following a period of virtual meetings due to COVID-19.

OBJECTIVES AND ACTIVITIES

The objectives of the Trust are to promote any charitable purpose for the general benefit of the inhabitants of the parish of Knebworth in the County of Hertfordshire, without distinction of religious or political opinions. The trustees aim to achieve this by encouraging grant applications from organisations active in the village.

ACHIEVEMENT AND IMPACT

The Trust approved grants to eight organisations and community groups during the year. These grants have supported early years provision, community events and village facilities, benefiting some of the youngest residents as well as those in more senior years. Further detail about the size and recipients of grants is available in the financial report.

Grants totalling £9,873 were paid during the year.

FINANCIAL REVIEW

The net assets ("total reserves" or "fund value") of the Trust at 31 December 2022 were £659,030. There was a decrease in fund value from the previous year which was not unexpected given the continuing effects of the pandemic, the ramifications of the war in the Ukraine and domestic political issues. These reserves are held in order to provide continuing income from which grants may be made to achieve the objectives of the Trust.

The reserves policy of the Trust is to retain a fund capable of providing sufficient annual income to meet the charitable objectives so that the Trust may continue as a viable entity for the foreseeable future. To this end, over 94% of the assets are invested in two unit trusts especially designed for charities; the one comprising gilt edged and fixed interest securities, the other high quality equities aimed at producing capital appreciation as well as reasonable income. Over the years the Trustees have endeavoured to safeguard the Trust's long-term viability by maintaining the fund value in real terms using the retail price index as a comparative measure, whilst recognising that for reasons often beyond the control of the trustees this may not always be possible. At 31 December 2022 the fund value was 66% of the original fund value measured in this way.
