### **TRUSTEE'S REPORT FOR THE YEAR ENDED 5 APRIL 2025**

---

#### **Financial review and investment policy**

The Financial Statements cover all the activities of the Charity during the year. Gross income totalled £27,670.89 (£24,853.87 in 2024).

#### **Related parties**

The Charity does not have a relationship with any other charity or organisations.

#### **Review of the activities and future developments**

During the year, the Trustee did not make any donations.

The Trustee is satisfied with the financial position of the Charity and confirm that it has adequate assets available to fulfil its obligations.

By a Deed of Appointment dated 18 August 2016 the Trustees of the Sir Frederick Bennett Will Trust appointed the trust fund to the Trustee of the Bennett Kleinwort Charitable Settlement.

#### **Charity's public benefit**

The Trustee has ensured that all activities throughout the period have been for the public benefit.

#### **Reserves policy and risk management**

It is the Trustee's intention to reserve a small balance of income to enable them to respond quickly to appeals requiring more significant support where appropriate, the timing of which is unpredictable.

The Trustee has considered what risks the charity faces and believes these to be fraud or poor investment performance. Adequate systems are in place to mitigate fraud and investment performance is regularly monitored.

#### **Trustee's responsibilities in relation to the financial statements**

The charity Trustee is responsible for preparing a Trustee's annual report and financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

The law applicable to charities in England and Wales requires the charity Trustee to prepare financial statements for each year which give a true and fair view of the state of affairs of the charity and of the incoming resources and application of resources, of the charity for that period. In preparing the financial statements, the Trustee is required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the applicable Charities SORP;
- make judgements and estimates that are reasonable and prudent;
- state whether applicable accounting standards have been followed, subject to any material departures that must be disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business.

The Trustee is responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of the charity and to enable them to ensure that the financial statements comply with the Charities Act 2011, the applicable Charities (Accounts and Reports) Regulations, and the provisions of the Trust Deed. They are also responsible for safeguarding the assets of the charity and taking reasonable steps for the prevention and detection of fraud and other irregularities.

### **INDEPENDENT EXAMINERS REPORT**

---

#### **Independent Examiner's Report to the Trustee of the Bennett Kleinwort Charitable Trust**

I report to the Trustee on my examination of the accounts of the Bennett Kleinwort Charitable Trust for the year ended 5 April 2025 which are set out on pages 4 to 13.

#### **Responsibilities and basis of report**

As the charity Trustee of the Trust you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the Act').

I report in respect of my examination of the Trust's accounts carried out under section 145 of the 2011 Act and in carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

#### **Independent examiner's statement**

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. Accounting records were not kept in respect of the Trust as required by section 130 of the Act; or
2. The accounts do not accord with those records; or
3. The accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair view' which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

**NOTES TO THE FINANCIAL STATEMENTS  
FOR THE YEAR ENDED 5 APRIL 2025**

---

**1 Accounting Policies**

These financial statements have been prepared in accordance with the particular accounting policies described below.

**Basis of Preparation and Assessment of Going Concern**

The financial statements have been prepared under the historical cost convention except for investments, which have been included at market value. The financial statements have been prepared in accordance with the Statement of Recommended Practice: Accounting and Reporting by Charities preparing their Financial Statements in accordance with the Financial Reporting Standard applicable in the United Kingdom and Republic of Ireland (FRS 102 2019) issued in October 2019 and the Charities Act 2011.

The charity constitutes a public benefit entity as defined by FRS 102. The Trustee considers that there are no material uncertainties about the charity's ability to continue as a going concern.

The presentation currency of these financial statements is Pounds Sterling.

The figures have not been rounded.

**Basis of Accounting**

**- Income recognition**

All incoming resources are included in the Statement of Financial Activities when the charity is legally entitled to the income and the amount can be quantified with reasonable accuracy.

Income tax recoverable in relation to investment income is recognised at the time investment income is receivable.

Donations are recognised when the charity has been notified in writing of both the amount and settlement date. In the event that a donation is subject to conditions that require a level of performance before the charity is entitled to the funds, the income is deferred and not recognised until either those conditions are fully met, or the fulfilment of those conditions is wholly within the control of the charity and it is probable that those conditions will be fulfilled in the reporting period.

Legacy gifts are recognised on a case by case basis following the granting of probate when the administrator/executor for the estate has communicated in writing both the amount and settlement date. In the event that the gift is in the form of an asset other than cash or a financial asset traded on a recognised stock exchange, recognition is subject to the value of the gift being reliably measurable with a degree of reasonable accuracy and the title to the asset having been transferred to the charity.

Interest on funds held on deposit is included when receivable and the amount can be measured reliably by the charity; this is normally upon notification of the interest paid or payable by the bank. Dividends are recognised once the dividend has been declared and notification has been received of the dividend due. This is normally upon notification by our investment manager of the dividend yield of the investment portfolio.

### NOTES TO THE FINANCIAL STATEMENTS FOR THE YEAR ENDED 5 APRIL 2025

---

#### - Expenditure recognition

Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the charity to that expenditure, it is probable that settlement will be required and the amount of the obligation can be measured reliably.

All expenditure is accounted for on an accruals basis and has been included under expense categories that aggregate all costs for allocation to activities. Where costs cannot be directly attributed to particular activities they have been allocated on a basis consistent with the use of the resources.

Grants payable are charged in the year when the offer is made except in those cases where the offer is conditional, such grants being recognised as expenditure when the conditions attaching are fulfilled. Grants offered subject to conditions which have not been met at the year end are noted as a commitment, but not accrued as expenditure.

#### Fund Structure

Income funds are unrestricted funds which are available for use at the discretion of the Trustee in furtherance of the general objectives of the charity and which have not been designated for other purposes.

Capital funds comprise expendable endowments, whereby there is no requirement to spend the capital unless, or until, the charity Trustee decide to do so. These funds are invested to produce unrestricted income which can be spent in accordance with the charitable objectives.

Investment income, gains and losses are allocated to the appropriate fund.

#### Investments

Listed investments are included in the financial statements at mid-market value at the balance sheet date. Unlisted investments are included in the balance sheet at their historical cost less any amounts written off. Investments include cash held for investment purposes.

#### Realised gains and losses

All gains and losses are taken to the Statement of Financial Activities as they arise. Realised gains and losses on investments are calculated as the difference between sales proceeds and their opening carrying value or their purchase value if acquired subsequent to the first day of the financial year. Unrealised gains and losses are calculated as the difference between the fair value at the year end and their carrying value.
