Report of the Trustees
for the Year Ended 30 June 2025

The trustees present their report with the financial statements of the charity for the year ended 30 June 2025. The trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019).

The Charity was established on 26 October 1987.

The Trustees form the managing committee, whose members are elected and appointed at the Annual General Meeting, held in or around November in each year. The Officers are elected for the terms of three years in the case of the Chairman and Treasurer, two years in the case of the Secretary and one year in the case of all other Trustees. The Officers are elected from the membership of the managing committee. All Trustees are required to be, and remain for the duration of their term, fully paid up Members of the Charity.

OBJECTIVES AND ACTIVITIES

Objectives and aims

The Charity is established to promote animal welfare and to take all appropriate steps to protect equines from cruelty and prevent the infliction of suffering and, where necessary, to take horses and ponies into care for rehabilitation.

The Trustees confirm that they have referred to the guidance contained in the Charity Commission's general guidance on public benefit when reviewing the Charity's aims and objectives.

ORGANISATIONAL AND DECISION MAKING STRUCTURE

All organisational and decision making is made by the Trustees at regular trustee meetings. All decisions are made by majority vote.

RELATIONSHIPS WITH OTHER CHARITIES

The Charity is not affiliated to any other charities but the Charity has an excellent and ongoing working relationship with various equine welfare centres in the UK, in particular with the RSPCA, which has proved to be of great benefit to both charities.

REVIEW OF PROGRESS AND ACHIEVEMENT

The ongoing care of the horses and ponies at the Charity's Sanctuary remains our principal focus. The Charity is situated within one of the most highly horse populated areas in the Country. As ever, the Charity's services are all too regularly called upon from horse owners asking us to take their horse in due to the having fallen on hard financial times. The Charity continues to receive a significant number of calls asking for advice on equine related issues.

The Trustees are happy that the objects and aims of the Charity are being appropriately met. The Charity currently has 310 horses and ponies in foster homes around the Country, who are regularly checked upon by our team of fostering officers, all volunteers with sound equine experience. There has been a small decline in the number of foster enquiries.

The Sanctuary has 45 horses and ponies currently in residence, as well as 3 rescue pigs, 5 goats and 1 cat. All animals (resident and fostered) will remain under the care and ownership of the Charity for the rest of their days. The Charity are steadfastly dedicated in ensuring that they all have the best life we can give them and ensuring all their requirements are properly met.

The Sanctuary is situated on SSSI ("Site of Special Scientific Interest") designated land and the Charity works closely with Natural England to ensure that all the relevant criteria is met.

The Charity undertook a variety of fundraising events throughout the course of the year, hosting various horse shows, dog shows, equine agility events, open days and externally organised events to raise awareness of the Charity's work and to help fund the running of the Sanctuary. Between July 2024 and June 2025 we had 35 new equine intakes.

The Charity remains fortunate, continuing to receive various legacies bequeathed to EHPPS, some of which have been finalised and others are still being dealt with.

FUTURE PLANS

The Trustees' future plans are to ensure that the Charity has the facilities and funding to continue with its much-needed work in equine welfare.

STRUCTURE, GOVERNANCE AND MANAGEMENT

Governing document

The Charity is controlled by its governing document, a deed of Trust, and constitutes an unincorporated charity.

Risk management

The trustees have a duty to identify and review the risks to which the charity is exposed and to ensure appropriate controls are in place to provide reasonable assurance against fraud and error.

Essex Horse & Pony Protection Society

Independent examiner's report to the trustees of Essex Horse & Pony Protection Society

I report to the charity trustees on my examination of the accounts of Essex Horse & Pony Protection Society (the Trust) for the year ended 30 June 2025.

Responsibilities and basis of report

As the charity trustees of the Trust you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the Act').

I report in respect of my examination of the Trust's accounts carried out under Section 145 of the Act and in carrying out my examination I have followed all applicable Directions given by the Charity Commission under Section 145(5)(b) of the Act.

Independent examiner's statement

Since your charity's gross income exceeded £250,000 your examiner must be a member of a listed body. I can confirm that I am qualified to undertake the examination because I am a member of the Association of Chartered Certified Accountants, which is one of the listed bodies.

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the Trust as required by Section 130 of the Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

Notes to the Financial Statements
for the Year Ended 30 June 2025

1. ACCOUNTING POLICIES

Basis of preparing the financial statements

The financial statements of the charity, which is a public benefit entity under FRS 102, have been prepared in accordance with the Charities SORP (FRS 102) 'Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)', Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' and the Charities Act 2011. The financial statements have been prepared under the historical cost convention.

Income

All income is recognised in the Statement of Financial Activities once the charity has entitlement to the funds, it is probable that the income will be received and the amount can be measured reliably.

Expenditure

Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the charity to that expenditure, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all cost related to the category. Where costs cannot be directly attributed to particular headings they have been allocated to activities on a basis consistent with the use of resources.

Tangible fixed assets

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life.

Plant and machinery	- Straight line over 3 years
Fixtures and fittings	- 25% on reducing balance
Motor vehicles	- 25% on reducing balance
Computer equipment	- Straight line over 3 years

Stocks

Stocks are valued at the lower of cost and net realisable value, after making due allowance for obsolete and slow moving items.

Taxation

The charity is exempt from tax on its charitable activities.

Fund accounting

Unrestricted funds can be used in accordance with the charitable objectives at the discretion of the trustees.

Restricted funds can only be used for particular restricted purposes within the objects of the charity. Restrictions arise when specified by the donor or when funds are raised for particular restricted purposes.

Further explanation of the nature and purpose of each fund is included in the notes to the financial statements.

Pension costs and other post-retirement benefits

The charity operates a defined contribution pension scheme. Contributions payable to the charity's pension scheme are charged to the Statement of Financial Activities in the period to which they relate.
