**Report of the Trustees
for the Year Ended 31st December 2023**

The trustees present their report with the financial statements of the charity for the year ended 31st December 2023. The trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019).

OBJECTIVES AND ACTIVITIES

By the Scheme of June 2009 the Objects of the newly merged charity are to further the religious and other charitable work of the Church of England in the Parishes and the extra-parochial area:

- broadening and sustaining the work of the Church of England within the City of Chichester;
- working in conjunction with all those churches recognised as part of the Churches Together in Chichester organisation or any successor organisation at the discretion of the trustees; and
- undertaking such charitable work within the City of Chichester as the trustees determine at their discretion.

INVESTMENT POWERS AND RESTRICTIONS

The investment powers of the trustees are laid down by statute, there being no specific powers contained within the Scheme of Arrangement of 2009 or the Deed of Administration 2009.

ACHIEVEMENT AND PERFORMANCE

This charity has two property interests.

62 Swanfield Drive, Chichester, is jointly owned with The PCC of the parish of St Pancras and St John and in the custodian Trusteeship of Chichester Diocesan Fund and Board of Finance. The property is well maintained, remains under quinquennial inspection and is in broadly satisfactory condition. The property is used as accommodation by approved staff of the parish of St Pancras and St John. If it is not used for that purpose the property is let.

The St John's Hall in St John's Street Chichester is kept in reasonable repair. The trustees have made the Hall available to Chichester Foodbank. They believe the lease to the Foodbank satisfies the Object of using the resource for the benefit of the people of Chichester. Grants have been made to the Foodbank to install heating and to undertake other essential work.

The trustees have approved no further grants in 2023. The grant made to St Wilfrid's PCC (£12,000 payable quarterly over 3 years), was repaid at the trustees' request because the project it was supposed to fund did not materialise. Payments of grants made in 2022 to Confide Counselling (£10,800 payable quarterly over 3 years), and Pregnancy Options (£2,000 payable quarterly in 2023) were made. The trustees received a grant application from the Chichester HEART project but the application was incomplete and the trustees requested further information which was not received in 2023.

PUBLIC BENEFIT

The trustees confirm that they have paid due regard to Part 1 Section 4 of the Charities Act 2011 and the Charity Commission's guidance on public benefit in deciding what activities the Charity should undertake. The guidance makes it clear that what constitutes the public will vary depending on the charity's purposes and can include beneficiaries defined by geographical area. Any restriction must be rational, reasonable and justifiable. The trustees are satisfied that while the charity has a narrow geographical restriction its objects and activities are sufficiently wide to constitute a public benefit in that the grants made are for the benefit of a wide section of the public in the geographical area.

FINANCIAL REVIEW

Financial position

The net movement in funds this year amounted to a deficit of £1,152,795 (2022: £210,310). This consists of a net loss on investments of £72,352 (2022: £241,796) and gains on the revaluation of fixed assets of £35,926 (2022: £41,686). During the year assets were transferred to the newly registered CIO, Saint John's Trust, Chichester totalling £947,632. Total fund balances at the year end amounted to £663,809 (2022: £1,816,604).

for the Year Ended 31st December 2023**

FINANCIAL REVIEW

Investment policy and objectives

The investment portfolio was transferred to the new CIO Saint John's Trust, Chichester on 7 November 2023.

The funds were invested in a well spread portfolio with the aim of producing a balance between income receipts and capital growth. The trustees require their investment advisers, JM Finn & Co Ltd. to look for investments and maintain the portfolio in sound leading stocks, with reliable income streams and strong balance sheets capable of weathering a difficult period. Ethical considerations are taken into account when determining investment strategy.

RESERVES POLICY

At 31 December 2023 the charity had free reserves totalling £40,191. The income arising from these reserves is more than adequate to meet the expenditure requirements of the charity for the foreseeable future. Following the completion of the forecourt works referred to below any remaining funds will be transferred to Saint John's Trust Chichester.

FUTURE PLANS

In 2019 the trustees embarked on a project to restore the Forecourt to St John's Chapel with a view to transferring it to the Churches Conservation Trust. Because of market uncertainties resulting from the COVID 19 pandemic, the trustees put this project on hold in 2020. At their October 2021 meeting the trustees decided to restart the project with a view to submitting a planning application in January 2022. During 2022 Planning Approval and Listed Building Consent were received from Chichester District Council. The trustees, with the support of Harrington Design Architects implemented a rigorous selection process which resulted in DBR Limited being appointed to carry out the refurbishment work for a fixed price of £153,947 excluding VAT. Work began in March 2023 and was expected to last for 17 weeks. All the major work was completed on time with the exception of installation of new iron railings and gates. These were delayed due to a change in design which resulted in the need to seek further planning and listed building consent. The railings were installed in December 2023 and the gates will be installed early in 2024. The trustees were delighted to receive a Heritage Award from Chichester City Council for the restored Forecourt.

INDEPENDENT EXAMINER

The independent examiner, Paul Wright, a partner of Sheen Stickland, has expressed a willingness to continue in the office of independent examiner for the next year and a resolution to reappoint him will be proposed at the next Trustees' meeting.

STRUCTURE, GOVERNANCE AND MANAGEMENT

Governing document

The charity is controlled by its governing document, a deed of trust, and constitutes an unincorporated charity. The Charity was created by an Act of Parliament in 1812 and varied by a Scheme of Arrangement of the Charity Commission. Arising from that Scheme completed on 9th November 1978 there were two charities both registered with the Charity Commission with registration numbers:

Church Hall	number 298111
Charity for Ecclesiastical Purposes	number 298112

Under a further Scheme of Arrangement of the Charity Commission dated 22nd June 2009, the two charities were amalgamated into one under the registration number 298111.

With advice from their legal representative Alexander Anderson of Winkworth Sherwood LLP, and their financial adviser Paul Wright of Sheen Stickland LLP the trustees decided to convert to a Charitable Incorporated Organisation (CIO). The CIO, known as Saint John's Trust, Chichester, Charity no. 1203056 was registered by the Charity Commission on 12th May 2023. During the second half of 2023, the process of setting up the new charity and transferring assets to it was implemented. This is expected to complete in 2024 at which time the trustees propose to merge the two charities.

The Clerk to the trustees is Mr S H Holloway. All correspondence regarding the administration of the Charity should be sent to the principal address.

for the Year Ended 31st December 2023**

STRUCTURE, GOVERNANCE AND MANAGEMENT

Recruitment and appointment of new trustees

Trustees are appointed under the terms of the Trust deed. There must be at least six trustees and all trustees shall hold office for a maximum of three years. The maximum number of trustees shall be twelve. One third of trustees shall retire by rotation each year at the Annual General Meeting, although all trustees shall be eligible for reappointment. Those selected to retire shall either be those who have held office for the longest period or shall be selected by lot. Trustees may be nominated or co-opted as follows:

- up to three nominations by the Dean and Chapter (all of whom should be of Habitual Worshippers at the Cathedral)
- one nomination by and from the City Council of Chichester
- up to four nominations, one by and from each of the City Parishes, (all of whom should be of Habitual Worshippers in the respective parishes from which they are nominated)
- up to four trustees to be co-opted by the other trustees PROVIDED THAT the appointment of any such co-opted trustee shall be ratified in general meetings.

Full induction and training is provided to new trustees.

Risk management

The trustees have reviewed and assessed the risks relating to the trust and are satisfied that they have taken all reasonable steps to limit or provide cover for the major risks. This matter will be kept under rolling review.

**Independent Examiner's Report to the Trustees of
St John's Trust, Chichester**

Independent examiner's report to the trustees of St John's Trust, Chichester

I report to the charity trustees on my examination of the accounts of St John's Trust, Chichester (the Trust) for the year ended 31st December 2023.

Responsibilities and basis of report

As the charity trustees of the Trust you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the Act').

I report in respect of my examination of the Trust's accounts carried out under Section 145 of the Act and in carrying out my examination I have followed all applicable Directions given by the Charity Commission under Section 145(5)(b) of the Act.

Independent examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the Trust as required by Section 130 of the Act; or
2. the accounts do not accord with those records; or
3. the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

1. ACCOUNTING POLICIES

Basis of preparing the financial statements

The financial statements of the charity, which is a public benefit entity under FRS 102, have been prepared in accordance with the Charities SORP (FRS 102) 'Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)', Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' and the Charities Act 2011. The financial statements have been prepared under the historical cost convention, with the exception of investments which are included at market value, as modified by the revaluation of certain assets.

Financial reporting standard 102 - reduced disclosure exemptions

The charity has taken advantage of the following disclosure exemptions in preparing these financial statements, as permitted by FRS 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland':

- the requirements of Section 7 Statement of Cash Flows.

Income

All income is recognised in the Statement of Financial Activities once the charity has entitlement to the funds, it is probable that the income will be received and the amount can be measured reliably.

Expenditure

Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the charity to that expenditure, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all cost related to the category. Where costs cannot be directly attributed to particular headings they have been allocated to activities on a basis consistent with the use of resources.

Grants offered subject to conditions which have not been met at the year end date are noted as a commitment but not accrued as expenditure.

Raising funds

Costs of generating funds comprise those costs directly attributable to publicising the Charity.

Charitable activities

Resources expended on the charitable activities of the Trust include the direct costs of grants made.

Tangible fixed assets

Fixed assets are initially recognised at their current open market value. Valuations have been derived for these assets as shown below:

62 Swanfield Drive, Chichester (half share) - an informal valuation by a surveyor
Hall - insured value

The parish obtained an informal survey of the property which forms the basis of the 2018 figures which the trustees consider to be satisfactory. The Hall is now used as part of Chichester Foodbank operation which the trustees consider satisfies the charitable objects and in light of this no quinquennial inspection was undertaken. Professional advice continues to be taken in that regard.

Assets purchased with an initial cost exceeding £500 are capitalised.

Depreciation

Land is not depreciated. No depreciation is provided on freehold property as they are maintained in reasonable repair and it is considered that residual values are such that depreciation is not significant. The requirement to complete an impairment review is undertaken annually.
