**FOR THE YEAR ENDED 31 AUGUST 2021**

---

The Trustees present their report and financial statements for the year ended 31 August 2021.

The financial statements have been prepared in accordance with the accounting policies set out in note 1 to the financial statements and comply with the Companies Act 2006 and "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)".

**Objectives and activities**

**Objectives and aims**

The charitable company's principal activity is that of providing gymnastic and other physical recreation in the interests of the social welfare of young people in Rushmoor and the surrounding areas.

**Significant activities**

The significant activities of the Club are coaching, competitions and training camps and the provision of playgym activities for the under 5's. In addition, the Club supports other local sports and social clubs by hiring out its facilities and specialist equipment. Due to the pandemic the Club's activities were severely hampered due to lockdown. We are delighted to inform our members that the Club has made a very quick recovery and is now operating at around pre-pandemic levels due to the enthusiasm and hard work of the staff.

**Public benefit**

A key objective of the Club is the development of activities for the welfare of the community. An important part of this is the very successful Playgym programme that continues to attract around 50,000 under 5's per annum. This activity introduces young children to a healthy lifestyle, helps to combat child obesity and is taking place in a part of the Borough of Rushmoor, that is recognised as being an area of social deprivation. The Club continues to invest in activities to benefit the local community and to subsidise the Playgym programme.

**Volunteers**

The Management Committee and a pool of volunteers normally carry out a number of activities relating to the support of gymnastic programmes, catering and fund raising and give approximately 1,800 hours of support to the Club. However this has not been possible due to Covid restrictions. This is now starting to resume and we would like to thank all who contribute to the Club's ongoing success.

The policies adopted in furtherance of these objects have not changed during the year.

The Trustees have paid due regard to guidance issued by the Charity Commission in deciding what activities the charitable company should undertake.

**Strategic report**

The description under the headings "Achievements and performance" and "Financial review" meet the company law requirements for the Trustees to present a strategic report.

**Achievements and performance**

**Charitable activities**

At 31 August 2021 the Club had around 550 registered members. The Club competes at county, regional, national and International levels and considerable success was achieved in all competition, however competitions in Europe were cancelled over the last two years.

Rushmoor Gymnastics Academy regularly hosts a number of international teams. This includes the prestigious Rose Bowl competition. This event is recognised as a premier international gymnastics competition and attracts teams from all over the world. Once again the 39th edition of this event had to be cancelled in 2020.

*Investment performance*

The results for the year and the financial position of the company are as shown in the annexed financial statements.

The value of funds carried forward at 31 August 2021 of £376,056 (2020 - £375,832) takes account of the Reserves Policy including the replacement policy covering existing gym equipment.

*Internal and external factors*

The Club has developed a strong relationship with Rushmoor Borough Council, British Gymnastics and a good network of users. This together with the commitment of the coaching staff has ensured the Club continues to achieve the annual objectives set by the Management Committee.

**Financial review**

*Principal funding sources*

The principal funding sources for the Club were generated from membership fees, Easter and Summer training camps, hire of the gym and PlayGym.

*Reserves policy*

In line with Charity Commission requirements, the directors recognise the need to maintain reserves to ensure that the Camberley Gymnastics Club meets statutory and contractual obligations. Provision is made to ensure sufficient funds for the following contingencies:

- Staff redundancies
- Sickness cover
- Uninsured losses (e.g. excesses on professional indemnity and employment claims)

The directors also recognise the need for sufficient funds to replace existing and invest in new gym equipment to ensure the continued operation and development of gymnastic programmes.

Taking account of these objectives it is the policy of the Camberley Gymnastics Club to work towards maintaining reserves at a level equivalent to four months forecast running costs. The directors are satisfied that the General Reserve available at the year end of £333,099 satisfies the key elements of this policy.

**Risk**

The trustees have a duty to identify and review the risks to which the charity is exposed and to ensure appropriate controls are in place to provide reasonable assurance against fraud and error.

The management Committee regularly reviews risk management with input from the Directors of Coaching and Administration. This process has been formalised with the establishment of a Risk Register and an associated action plan including responsibilities and timescales for completion. Progress against the action plan is reviewed each February and reported to the Board of Directors.

**Future plans**

The Club will continue to develop the Rose Bowl competition as a major opportunity for top international teams to compete in Britain along with arranging and hosting other important national events.

During the year the Management Committee will update the Rushmoor Gymnastics Academy rolling 5 year plan. This will include performance targets for coaches and gymnasts. Competition targets will be set on a continuing incremental basis and the Management Committee will review progress at monthly meetings.

RGA will continue to strengthen coaching resources to extend training programmes and other initiatives and develop the Easter and summer training camps to attract teams from other countries and UK based Gymnastic Clubs. In addition RGA will continue to grow and expand Playgym and community activities for the benefit of Rushmoor and the surrounding areas..

(Resigned 5 November 2020)

**Recruitment and appointment of new trustees**

The directors of the company under the company's Articles are known as members of the Management Committee. Under the requirements of the Memorandum and Articles of Association the members of the Management Committee are elected at the Annual General Meeting each year to serve for a period of one year until the next Annual General Meeting.

The Management Committee seeks to ensure that the interests of the gymnasts and the development of the Club are appropriately reflected through the skills and diversity of the trustee body. Individuals who exhibit a close active interest in the daily running and activities of the Club, have appropriate skills and strong community links are invited to join the Management Committee. The development of the Club within the community is of paramount importance, and a key duty of the trustees.

**Organisational structure**

The company employs a team of coaching staff, led by the Senior Coach, that report to the Directors of Coaching and Administration. Between them, they are responsible for all operational matters, including the financing and management of gymnastic activities. The Directors of Coaching and Administration are responsible to the Board of Directors.

**Induction and training of new trustees**

Newly appointed trustees are familiar with the operations of the Club. Additionally new trustees are encouraged to attend a series of training sessions to familiarise them with the charity and the structure of British Gymnastics. These sessions are conducted by the Director of Coaching and the Director of Administration of the charity and cover the following areas:

- The obligations of the Management Committee members.
  - The operational framework of the charity.
  - The resources and current financial position as set out in the latest published accounts.
  - The future plans and objectives.
  - The Rushmoor Gymnastics Academy responsibility within the Rushmoor community.
- The Charity Commission's guide 'Responsibilities of Charity Trustees' is also issued to new trustees on appointment.

**Related parties**

No trustee or other person related to the charity had any personal interest in any contract or transaction entered into by the charity during the year.

**COVID 19 & Changes to Management**

Due to Government restriction during the Pandemic we have been unable to hold Management Committee meetings or Annual General Meetings, during the last 18 months, all executive decisions have been carried out by the Managing Director with the full backing of the Management Committee.

During this period there has been a loss of income due to the facility being closed for many months. The government furlough scheme ensured that no staff were laid off and all have now returned to work. Rushmoor B.C Business Grants and Government and Covid re-start grants were awarded, helping us survive this very difficult period. While classes are now once again fully operational, some activities such as our very popular Playgym and parties are still restricted for numbers and therefore still curtailing income.

The Trustees' report, including the strategic report, was approved by the Board of Trustees.

**1 Accounting policies**

**Charity information**

CAMBERLEY GYMNASTICS CLUB is a private company limited by guarantee incorporated in England and Wales. The registered office is Pool Road, Aldershot, Hampshire, GU11 3SN.

**1.1 Accounting convention**

The financial statements have been prepared in accordance with the charitable company's [governing document], the Companies Act 2006 and "Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)". The charitable company is a Public Benefit Entity as defined by FRS 102.

The financial statements are prepared in sterling, which is the functional currency of the charitable company. Monetary amounts in these financial statements are rounded to the nearest £.

The financial statements have been prepared under the historical cost convention, modified to include the revaluation of freehold properties and to include investment properties and certain financial instruments at fair value. The principal accounting policies adopted are set out below.

**1.2 Going concern**

At the time of approving the financial statements, the Trustees have a reasonable expectation that the charitable company has adequate resources to continue in operational existence for the foreseeable future. Thus the Trustees continue to adopt the going concern basis of accounting in preparing the financial statements.

**1.3 Charitable funds**

Unrestricted funds are available for use at the discretion of the Trustees in furtherance of their charitable objectives.

Restricted funds are subject to specific conditions by donors as to how they may be used. The purposes and uses of the restricted funds are set out in the notes to the financial statements.

Endowment funds are subject to specific conditions by donors that the capital must be maintained by the charitable company.

**1.4 Income**

Income is recognised when the charitable company is legally entitled to it after any performance conditions have been met, the amounts can be measured reliably, and it is probable that income will be received.

Cash donations are recognised on receipt. Other donations are recognised once the charitable company has been notified of the donation, unless performance conditions require deferral of the amount. Income tax recoverable in relation to donations received under Gift Aid or deeds of covenant is recognised at the time of the donation.

Legacies are recognised on receipt or otherwise if the charitable company has been notified of an impending distribution, the amount is known, and receipt is expected. If the amount is not known, the legacy is treated as a contingent asset.

**1.5 Expenditure**

All costs are allocated between expenditure categories of the SoFA on a basis designed to reflect the use of the resource. Costs relating to a particular activity are allocated directly.

**CAMBERLEY GYMNASTICS CLUB**  
**TRADING AS RUSHMOOR GYMNASTICS ACADEMY**  
**NOTES TO THE FINANCIAL STATEMENTS (CONTINUED)**

**1 Accounting policies**

**(Continued)**

Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the charity to that expenditure, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all cost related to the category. Where costs cannot be directly attributed to particular headings they have been allocated to activities on a basis consistent with the use of resources.

**1.6 Tangible fixed assets**

Tangible fixed assets are initially measured at cost and subsequently measured at cost or valuation, net of depreciation and any impairment losses.

Depreciation is recognised so as to write off the cost or valuation of assets less their residual values over their useful lives on the following bases:

Leasehold improvements	10% on reducing balance
Plant and equipment	25% on reducing balance
Computers	25% on reducing balance
Motor vehicles	25% on reducing balance

The gain or loss arising on the disposal of an asset is determined as the difference between the sale proceeds and the carrying value of the asset, and is recognised in net income/(expenditure) for the year.

**1.7 Impairment of fixed assets**

At each reporting end date, the charitable company reviews the carrying amounts of its tangible assets to determine whether there is any indication that those assets have suffered an impairment loss. If any such indication exists, the recoverable amount of the asset is estimated in order to determine the extent of the impairment loss (if any).

**1.8 Stocks**

Stocks are stated at the lower of cost and estimated selling price less costs to complete and sell. Cost comprises direct materials and, where applicable, direct labour costs and those overheads that have been incurred in bringing the stocks to their present location and condition. Items held for distribution at no or nominal consideration are measured the lower of replacement cost and cost.

Net realisable value is the estimated selling price less all estimated costs of completion and costs to be incurred in marketing, selling and distribution.

**1.9 Cash and cash equivalents**

Cash and cash equivalents include cash in hand, deposits held at call with banks, other short-term liquid investments with original maturities of three months or less, and bank overdrafts. Bank overdrafts are shown within borrowings in current liabilities.

**1.10 Financial instruments**

The charitable company has elected to apply the provisions of Section 11 'Basic Financial Instruments' and Section 12 'Other Financial Instruments Issues' of FRS 102 to all of its financial instruments.

Financial instruments are recognised in the charitable company's balance sheet when the charitable company becomes party to the contractual provisions of the instrument.

Financial assets and liabilities are offset, with the net amounts presented in the financial statements, when there is a legally enforceable right to set off the recognised amounts and there is an intention to settle on a net basis or to realise the asset and settle the liability simultaneously.

**1 Accounting policies**

(Continued)

***Basic financial assets***

Basic financial assets, which include debtors and cash and bank balances, are initially measured at transaction price including transaction costs and are subsequently carried at amortised cost using the effective interest method unless the arrangement constitutes a financing transaction, where the transaction is measured at the present value of the future receipts discounted at a market rate of interest. Financial assets classified as receivable within one year are not amortised.

***Basic financial liabilities***

Basic financial liabilities, including creditors and bank loans are initially recognised at transaction price unless the arrangement constitutes a financing transaction, where the debt instrument is measured at the present value of the future payments discounted at a market rate of interest. Financial liabilities classified as payable within one year are not amortised.

Debt instruments are subsequently carried at amortised cost, using the effective interest rate method.

Trade creditors are obligations to pay for goods or services that have been acquired in the ordinary course of operations from suppliers. Amounts payable are classified as current liabilities if payment is due within one year or less. If not, they are presented as non-current liabilities. Trade creditors are recognised initially at transaction price and subsequently measured at amortised cost using the effective interest method.

***Derecognition of financial liabilities***

Financial liabilities are derecognised when the charitable company's contractual obligations expire or are discharged or cancelled.

**1.11 Employee benefits**

The cost of any unused holiday entitlement is recognised in the period in which the employee's services are received.

Termination benefits are recognised immediately as an expense when the charitable company is demonstrably committed to terminate the employment of an employee or to provide termination benefits.

**2 Critical accounting estimates and judgements**

In the application of the charitable company's accounting policies, the Trustees are required to make judgements, estimates and assumptions about the carrying amount of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised where the revision affects only that period, or in the period of the revision and future periods where the revision affects both current and future periods.
