The Sue Thomson Foundation Trustees' Report

The trustees are pleased to present their report together with the financial statements of The Sue Thomson Foundation ('STF') for the year ended 31 August 2025. The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice, applicable to charities preparing their Accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (revised 1 January 2019). This is known as the Charities SORP (FRS 102).

OBJECTS AND ACTIVITIES

Objects

STF was endowed in 1988 by Susan Mitchell, who worked in book publishing as Sue Thomson and was active in the grant-making charity sector for many years. She set up STF with the principal object of offering financial support to Christ's Hospital (CH), the School where she was educated from 1947–56, by presenting (nominating) children in need and capable of benefiting from the academic and boarding school education that the School provides. Such children are known as STF's 'presentees'.

STF's Trust Deed dated 17 February 1988 empowers the trustees to allocate the income and capital of the trust fund to or for the benefit of such charities or charitable purposes as they may from time to time in their absolute discretion select.

In the summer of 2025 Susan Mitchell very sadly passed away. She is greatly missed by the Trustees and by her daughter – the Chairman. Her work will continue in her memory and STF will be run with the same objective she had when the charity was founded.

Activities

During the year under review STF, once again, awarded grants to CH and provided practical support to STF's presentees. Support is provided principally by the Director and trustees who keep in contact with the presentee and family throughout the child's school career. In addition, all of our presentees' families received one or more discretionary grants in at least three of the categories of welfare, hardship, study and study aids, music lessons, regulation sports clothing, travel to and from School, and an opportunity for an outing, all of which contributed to their wellbeing and to meeting some of their educational or welfare needs. During 2024/25 the STF 'family' totalled 19, being 7 in the School and 12 former pupils who are still receiving University grants. It is the trustees' intention to continue providing the above-mentioned discretionary grants as appropriate to individual pupils and their families for the remainder of their time at the school and, where applicable, university.

During the year, STF supported two boarding pupils at the City of London Freemen's School, Surrey (CLFS), which has the same general object as that described above in the first paragraph under the heading 'Objects'. Their places are fully funded, 50% by the STF and 50% by the City of London Corporation, with whom the school is developing an expanding Bursary programme.

During the year, STF continued to support Royal Alexandra and Albert School (RAA) – one of only 2 state boarding schools in the country to accept boarders from the age of 7. It has the same general object as above although the benefit to children in significant need of a boarding education is the dominant objective. STF funds two thirds of the boarding fees (education is paid for by the state) for two children, who entered the school due to a very high level of need both socially and financially.

The Sue Thomson Foundation Trustees' Report

The new relationship with Bancroft's School in North London continues to go well. This is an independent Co-Educational day school for students aged 11-18. The relationship was formed after the sad passing of former Trustee of STF, Mary Ireland, who was formerly Head at Bancroft's. STF are supporting one child initially at the school – The Mary Ireland Award – providing 50% of fees (reviewed annually) and also working directly with the family to provide support where needed. STF hope to present a second child in the 26/27 year subject to a suitable child applying to the school.

In addition, STF made grants to four other charities, which are set out in Note 4 to the financial statements. Our grant recipients are charities working in education and/or welfare whose work is familiar or, in some cases, very well known to the trustees and which have impressed us by their aims, achievements, social inclusion and relevance to current social needs

Public benefit

STF's overarching aim is to improve opportunity and quality of life for people in need.

In accordance with the requirement in Section 710 of the Charities Act 2011, the trustees have continued to consider, and to have due regard to, the public benefit guidance published by the Charity Commission on its website. The trustees have noted the legal requirement for charities to benefit the public and for trustees to report on how STF does so. On the basis of this guidance, the trustees believe that STF's own work and that of the grant-making charities it supports do provide public benefits.

Historically, the largest percentage of grants has been paid to CH either directly or to current and former students or to their families referred to in Note 4. There has been a shift away from this for several years due to a conflict between the aims of STF and the direction of CH. 29% of total grants were paid to CH. However, the STF are positive that from 26/27 onwards the situation will revert to more of a financial focus on CH once again. The overall impact of a CH education on its pupils is, generally and in line with CH's mission statement, to fit them for work and service and to enable them to compete confidently with their peers for opportunities in further education and careers. CH encourages the development of skills, learning habits and spiritual awareness to motivate its pupils to continue their education throughout their lives, and to develop a sense of responsibility towards themselves, their families and to society. STF's trustees believe that this aspect of a CH education is of particularly great public benefit, both to the children and to society at large.

In addition, the charitable purpose of CH itself is summarised in the objects of that charity. They include the advancement of education of children, principally for the benefit of those whose families are in social, financial or other specific need. STF's presentees to CH come from diverse cultural and social backgrounds in the UK; invariably they come from low-income families at the date of admission and, in addition, have at least one other compelling need for a boarding education that would not otherwise be available to them.

A further 37% of the total grants paid were paid either direct to CLFS or to their current and former pupils. The support was for the benefit of families who are in social and financial need and who come from diverse social and cultural backgrounds in the UK. They come from low-income families and have potential academically that may not be promoted in the 6th form opportunities otherwise offered to them. The total figure is high due to STF paying 50% of full fees for two pupils – this is for their education and for a boarding place.

At CH, STF is currently awarding a single grant of £30,000 (and then continuing amounts direct to families).

At Bancroft's School the fees are for one third of a day place (8.5% of total grants paid)

At RAA, the figures donated are for the boarding aspect of the schooling only due to RAA being a state funded boarding school (13% of grants paid)

The Sue Thomson Foundation Trustees' Report

The trustees are confident that the work of all the charities we support is conducted for the benefit of members of the public who have particular needs that are not met, or are only partially met, by the state, or who are otherwise deprived of opportunity.

ACHIEVEMENT AND PERFORMANCE

STF continues to work with CH but is not presenting any new children for another year, when the position will be reviewed.

Good contacts with all the families supported by the STF were maintained with by the Director and trustees. All families continued to benefit from the additional support which STF had committed to them from the time they were admitted to the School until their departure.

One student from RAA completed their GCSE in the summer of 2025 and gained five Level 8 grades, three Level 9 grades and two Level 6 grades. A second pupil from CLFS achieved ABB and has taken up a place at Newcastle to study Dietetics. 2 students completed their university degrees, and all achieved a 2:1 with one now going on to train with the Met Police and one taking a Masters in Psychology at Bristol.

FINANCIAL REVIEW FOR YEAR ENDED 31 AUGUST 2025

Grants paid in the year amounted to £163,090 (2023-24: £142,042). STF has awarded future grants of £179,232 of which £92,960 is payable in 2025-26. As at 1 September 2025, STF has made financial commitments in respect of one pupil currently at RAA for the remainder of their career at that school. In line with best practice, STF recognises this and other future commitments as liabilities in its financial statements.

In Notes 2 and 3, grants made and future grants to which STF are committed are analysed between those made for education and those made for welfare, with an apportionment being made based on the nature of expenditure by CH and other charities receiving grants.

Reserves and Resources

The Expendable Endowment Fund represents the unspent balance of the original and subsequent donations by the Settlor and others together with the realised and unrealised gains and losses arising from the investment assets that comprise that Fund. It is STF's principal reserve fund, the income from which is transferred to the Unrestricted Fund as it is received and used for grant making, support costs and the management and administration of STF.

The capital value of the expendable endowment fund in the year under review increased as a result of the increase in the value of STF's investments.

STF was able to meet all its current commitments in the year under review and the Unrestricted Fund stood at £429,794 at the balance sheet date. The financial statements show the current state of STF's finances, which the trustees consider to be sufficient to enable them to meet their present and future commitments.

The trustees are of the view that STF should maintain cash reserves of approximately one year's expenditure and sufficient unrestricted reserves in order to ensure that STF would be able to meet its obligations to current beneficiaries from unrestricted funds even in adverse financial circumstances.

Investment powers, strategy and objectives

The Trust Deed of 17 February 1988 defines the trustees' investment powers, which are widely drawn. These powers are exercised by the Board. The trustees' investment strategy is to manage the assets in such

The Sue Thomson Foundation Trustees' Report

a way as to ensure the continuation of STF in perpetuity. It therefore aims to preserve the value of its capital assets while allowing a measure of flexibility from one year to the next.

It is the trustees' policy to manage capital risk through diversification and the appointment of leading investment managers. The investment objective is to maximise total return from capital appreciation and by increased income depending on varying investment conditions. The degree of acceptable risk is generally moderate. In fulfilling this policy, and in the interests of ensuring diversification and the professional management of its funds, the trustees continue to hold significant investments in common investment funds for equities and property. The majority of the Investment Portfolio is held in funds that can be easily and quickly realised into cash if so required

The Trustees are satisfied that all the Foundation's investment managers take their responsibilities seriously and are devoting sufficient resources to ESG. The Trustees monitor the investment managers' Quarterly and Annual Reports to ensure this continues to be the case. The Trustees are satisfied that the equity managers have good stewardship arrangements and monitor closely the companies in which they invest. Engagement with investee companies is centred around Climate, Natural Capital, Human Resources, Diversity and Inclusion. Cazenove (Schroders), Sarasin and M&G are founder members of the 'Net Zero Asset Managers' Initiative'. Our property managers focus on environmental issues concerning the buildings they own and there is good evidence of an improving trend over time and in general above peer-group scores.

Investment performance, year ended 31 August 2025

Investments are shown in note 6.

Income from the holdings in common investment funds was received net of the managers' charges. For the purposes of reporting to comply with FRS 102 the income has been stated gross on the SOFA with the investment management charges shown separately.

STF's investment income decreased in the year under review from £208,179 to £199,065.

The total return on the STF's investments (income and net realised and unrealised capital gains, net of management charges) was 7.7% in the year ended 31 August 2025 (2024: 11.9%). We are long-term investors with a diversified portfolio and we have regard to total return. Our funds are managed by leading investment managers. The funds have performed in line with their benchmarks and their peers. Following reviews of the performance with our investment managers we have reduced the weighting allocation to the UK Equity Market and increased our Multi Asset holding. Our funds are now further diversified to mitigate the risk of a fall in any particular market whilst still being invested to provide consistently high income that will allow us to fulfil our ongoing commitments.

STRUCTURE, GOVERNANCE AND MANAGEMENT

Trustees

The trustees consider that the five trustees in post have sufficient breadth of experience and expertise between them to meet STF's current needs. However, Susannah's son, Max Holliman, has now been appointed a 'shadow trustee' after his attendance at the 2025 Autumn trustees' meeting where he made some excellent contributions. Haris Ali has also joined the Foundation as a 'shadow trustee'. Haris has had experience in the charity sector as well as doing extensive tutoring for students preparing for GCSE's and A-levels. This background makes him an ideal candidate for a trustee role in the future.

The Sue Thomson Foundation
Trustees' Report

Director and key management personnel

The trustees are responsible for the overall policies and development of STF. The day-to-day running of the charity is undertaken by the part-time Director, who is STF's key management personnel.

Risk management

The trustees have identified and considered the principal strategic, operational and financial risks and uncertainties to which STF is exposed, and have put in place plans and strategies for managing those risks.

Statement of Trustees' responsibilities for the preparation of financial statements

Law applicable to charities in England and Wales requires the trustees to prepare financial statements for each financial year that give a true and fair view of the state of affairs of STF as at the balance sheet date and of its incoming resources and the application of them for the financial year. In preparing those financial statements, the trustees are required to:

- select suitable accounting policies and then apply them consistently;
- make judgments and estimates that are reasonable and prudent;
- comply with applicable accounting standards subject to any material departures disclosed and explained in the financial statements; and
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that STF will continue in operation.

The trustees are responsible for keeping proper accounting records that disclose with reasonable accuracy at any time the financial position of STF and enable them to ensure that the financial statements comply with the Charities Act 2011. They are also responsible for safeguarding the assets of STF and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Approved by the Trustees on [12] March 2026

Date...[12] March 2026.....

The Sue Thomson Foundation Independent Examiner's Report

I report on the accounts of The Sue Thomson Foundation for the year ended 31 August 2024, which comprise the Statement of Financial Activities, the Balance Sheet, and the related notes 1 to 14.

Respective responsibilities of trustees and examiner

As the charity's trustees you are responsible for the preparation of the accounts. You consider that an audit is not required this year under section 144 of the Charities Act 2011 (the 2011 Act) and that an independent examination is needed.

It is my responsibility to examine the accounts under section 145 of the 2011 Act, follow the procedures laid down in the general Directions given by the Charity Commission under section 145(5) of the Act, and state whether particular matters have come to my attention.

Basis of independent examiner's report

My examination was carried out in accordance with the general Directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes examination of any unusual items or disclosures in the accounts, and seeking explanations from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit and consequently I do not express an audit opinion on the view given by the accounts and the report is limited to those matters set out in the statement below.

Independent examiner's statement

In connection with my examination, no matter has come to my attention:

(1) which gives me reasonable cause to believe that in any material respect the requirements:

- to keep accounting records in accordance with section 130 of the 2011 Act; and
- to prepare accounts which accord with the accounting records and comply with the accounting requirements of the 2011 Act have not been met; or

(2) to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

The Sue Thomson Foundation
Notes to the Financial Statements
For the year ended 31st August 2025

1 Accounting policies

1.1 Basis of preparation of Financial Statements

The financial statements have been prepared in accordance with Accounting and Reporting by Charities: Statement of Recommended Practice, applicable to charities preparing their Accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (revised 1 January 2019) – (Charities SORP (FRS 102)). The financial statements are also prepared in accordance with the Charities Act 2011.

The Sue Thomson Foundation (registered in England and Wales as charity no 298808) meets the definition of a public benefit entity under FRS102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy note.

The trustees consider that there are no material uncertainties about the charity's ability to continue as a going concern.

1.2 Income

Income from investments is recognised as it becomes receivable by the charity. All investment income is generated from the investment portfolio, except for a small amount from cash on deposit.

Donations are recognised when received. They are restricted in accordance with the donors' instructions.

1.3 Expenditure

All expenditure is included on an accruals basis. Where costs cannot be directly attributed to particular headings they have been allocated to activities on a basis consistent with the use of the resources.

Governance costs are those incurred in connection with administration of the Foundation and compliance with constitutional and statutory requirements. Support costs are allocated.

1.4 Grant expenditure

Grants are included when the Foundation is committed to making the payment and the recipient has been notified of the grant.

1.5 Depreciation

Depreciation is provided on computer equipment at 33% per annum on a straight line basis. This rate is based on the estimated useful economic life of the assets and their anticipated residual value.

1.6 Capitalisation policy

Tangible fixed assets are recorded at cost. It is the policy of the charity that, with effect from the year ended 31 August 2016, no item with a cost of less than £5,000 is capitalised.

1.7 Fund accounting

Unrestricted funds are available for use at the discretion of the Trustees in furtherance of the general objectives of the Foundation.

Restricted funds are funds which are to be used in accordance with specific restrictions imposed by the donors.

Expendable endowment funds are funds which have been donated as capital funds. The trustees have discretionary power to convert such funds into spendable income.

The Sue Thomson Foundation
Notes to the Financial Statements
For the year ended 31st August 2025

Income arising on the endowment funds can be used in accordance with the objects of the charity and is included as unrestricted income. Any capital gains or losses arising on the investments form part of the fund. Investment management charges and legal advice relating to the fund are charged against the fund.

1.8 Investments

Fixed asset investments in quoted shares, traded bonds and similar investments are valued at market value at the year end, with any realised or unrealised surplus or deficit being taken to the Statement of Financial Activities.

2 Analysis of expenditure on charitable activities

	Grants paid £	Future grants accrued £	Support costs £	Total 2025 £	Total 2024 £
Education	76,890	5,288	6,691	88,869	67,537
Welfare	86,200	(19,133)	25,092	92,159	146,707
Governance	-	-	5,281	5,281	5,247
	<u>163,090</u>	<u>(13,845)</u>	<u>37,064</u>	<u>186,309</u>	<u>219,491</u>

3 Allocation of support costs and overheads

The breakdown of support costs and overheads and how these were allocated between governance, education and welfare is shown below.

	Education £	Welfare £	Governance £	Total 2025 £	Total 2024 £	Basis of allocation
Staff costs	5,969	22,385	1,492	29,846	29,384	Staff time
Office expenses	722	2,707	953	4,382	1,993	Use of office
Examination/Audit	-	-	2,836	2,836	2,870	Direct
	<u>6,691</u>	<u>25,092</u>	<u>5,281</u>	<u>37,064</u>	<u>34,247</u>	

There is one member of staff in both years, who is deemed to be the key management personnel by trustees. Her total remuneration is set out above. No employee received emoluments in excess of £60,000 in either year.

The Sue Thomson Foundation
Notes to the financial statements
for the year ended 31 August 2025
