Statement of Doctrine

The Unity of the Godhead and the divine co-equality of the Father, the Son, and Holy Spirit; the Sovereignty of God in creation, providence, and redemption.

The true and proper deity of our Lord Jesus Christ; his virgin birth; his real and perfect manhood; the authority of his teaching; the infallibility of all his utterances; his work of atonement for sinners of mankind by his vicarious sufferings, his death, bodily resurrection and ascension into Heaven; his priestly intercession for his people.

The full inspiration of the holy scriptures; their authority and efficiency as not only containing but being in themselves the word of God; the reliability of the New Testament in its testimony to the character and authorship of the old testament; and the need of the preaching of the Holy Spirit to a true and spiritual understanding of the whole.

The reality of original sin in consequence of the fall and the necessity of regeneration.

The justification of the sinner solely by faith through the atoning merits of our Lord and saviour Jesus Christ.

The necessity of the work of the Holy Spirit in conversion and sanctification; also in ministry in worship and in the exercising of spiritual gifts through the body of believers.

Trust Policies and Procedures

Reserves Policy

The Trustees do not consider that the Trust should build up large reserves because the Trust aims to spend its income on the charitable work of the Trust and the other charities that it supports. However, they believe that a minimum unrestricted reserve of £7,000 is required to effectively administer New Life Church Dunstable:-

- To ensure that all invoices and other payments due can be met promptly
- To allow for short term fluctuations in income
- To cover contractual and moral obligations
- To meet unforeseen needs.

Risk Assessment

The Trustees have considered the operational, financial, and strategic risks faced by the Charity. Management information is available to the Trustees to enable them to regularly monitor these risks and take appropriate mitigation measures. A church insurance policy covering material loss and damage and public and employers liability risks together with loss of income cover and personal accident insurance for employees is in force. Twinkle pre school management carry out regular detailed health and safety risk assessments which also satisfy Ofsted requirements.

Staff Disciplinary and Grievance Procedure

The Trust has a formal written staff disciplinary and grievance procedure in place.

Child Protection

The Trust subscribes to the Thirty one:eight Service to provide guidance and carry out Criminal Records Bureau checks on all staff and volunteers who work with children and young people. Written child protection and drugs policies are in force.

Data Protection

The Trust is registered with the Information Commissioner under the Data Protection Act 1998. Registration Number Z7796819.

NEW LIFE CHURCH BEDFORDSHIRE TRUST

TRUSTEES' RESPONSIBILITIES

The Trustees are required to prepare financial statements for each financial year, which give a true and fair view of the state of affairs of the church and of its income for that period. In preparing those financial statements the trustees are required to: -

- select suitable accounting policies and then apply them consistently
- make judgements and estimates that are reasonable and prudent
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the church will continue.

The trustees are responsible for keeping proper accounting records which disclose with reasonable accuracy at any time the financial position of the church and to enable them to ensure that the financial statements comply with the Charities Act 1993. They are also responsible for safeguarding the assets of the church and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

Trustees' Report

The Trust has provided financial support to Ewen Robertson and to Alan Scotland of the Lifelink network of churches, who provided spiritual oversight and leadership to the Church. Sian Rous continued to provide leadership to the church on a full time basis.

The Church continued to be part of the Lifelink Global network of associated churches that work together in the UK and overseas. The charitable work of Lifelink International (Registered Charity 1070770) continued to be financially supported. Charitable gifts were made to various good causes during the year. Funds were raised to support the Nyanga Children's Home, a humanitarian project of Lifelink Global in Zimbabwe. Gifts were given to Foodbank clients for Christmas and Christmas boxes donated to Operation Christmas Child.

Three people make up the senior leadership team who met fortnightly to pray, plan and organise pastoral support. A wider core team of ten individuals met six weekly, providing a creative, support and planning forum.

The church continued to grow slowly. It met for Sunday morning worship on a weekly basis, including monthly brunch events. Smaller Life Groups met regularly for smaller group support and personal discipleship. Men's and women's groups met regularly, and a Young Adults group was started. Monthly worship and prayer events were held. Fortnightly prayer meetings and hospitality events were initiated. Creative prayer and 24-hour unbroken prayer initiatives were organized. Ministry to children and young people continued with a Sunday children's and youth ministries.

Community-facing activities

A youth group served local youth beyond the church, meeting weekly and going on day trips together. Tumbles toddler group continued to be very popular, serving many families from the local community. The service is free and includes Christmas and summer parties.

The church continues to support and contribute by way of personnel to the Dunstable Foodbank Charity where the building is also used as a distribution outlet.

The Bereavement Journey Course was run for people in the local community.

The church supported the Houghton Regis Carnival with two stalls with free offerings of crafts, giveaways and prayers.

Light up the Street - an alternative to Halloween event where 200 gifts and drinks were given away.

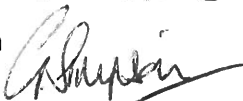

The donations received by the Trust are almost entirely through the giving of the people within the Church. The income of the trust was up 2% on the previous year primarily as a result of one of income from an HMRC rebate, which replaced the building donations income we saw in the previous year. This resulted in a small surplus pre depreciation charges.

TRUSTEES OF NEW LIFE CHURCH BEDFORDSHIRE TRUST

I report on the accounts of the Trust for the year ended 5 April 2025, which are set out on pages 11 to 13

Respective responsibilities of trustees and examiner

As described on page 8, the trustees are responsible for the preparation of the accounts; you consider that the audit requirement of section 43(2) of the Charities Act 1993 (the Act) does not apply. It is my responsibility to state, on the basis of procedures specified in the General Directions given by the Charity Commissioners under section 43(7)(b) of the Act, whether particular matters have come to my attention.

Basis of independent examiner's report

My examination was carried out in accordance with the General Directions given by the Charity Commissioners. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts and seeking explanations from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit, and consequently I do not express an audit opinion on the view given by the accounts.

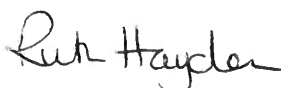

Independent examiner's statement

In connection with my examination, no matter has come to my attention:

1. which gives me reasonable cause to believe that in any material respect the requirements.
 - to keep accounting records in accordance with section 41 of the Act; and
 - to prepare accounts which accord with the accounting records and comply with the accounting requirements of the Act.

Have not been met; or

2. to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

The charity acquired York House, 80a Houghton Road Dunstable on 29 February 2000. Historically the trustees have not charged depreciation and have left the asset in the accounts at cost. During

2009 the trust spent £26,975 on roof repairs and renovations to the property. These have been capitalised. The trustees have decided to depreciate the capitalised expenditure on a straight-line basis over 10 years. An Estate agent 'view of value' was obtained prior to the renovation and repair works and a value of £249,995 given. This is confirmed by way of letter from Smith Estates (Luton) Ltd dated 24th July 2009. The trustees have not thought it appropriate to revalue the asset in line with this value.
