Structure, Governance and Management:

Pastor and Board members, all of whom are Trustees

All decisions are made by the Pastor and Trustees (Board Members) jointly at board meetings held once every four months or earlier if the need arise.

All Trustees hold different offices within the church structure e.g.: Secretary, Treasurer, Sister, Evangelist.

The congregation are informed of the vacancies on the Church Board and are encouraged to take up leadership roles.

If a person is voted in to a position on the board, then that person becomes a Trustee. Trustees do not receive any benefits.

The charity is governed by a constitution dated 19 May 1988. It is registered under the Charities Act, charity registration number 299303. The Trust is administered on a day-to-day basis by the under the direction of the Trustees.

Public Benefit

The Trustees refer to the guidance contained in the Charity Commission's General Guidance on Public Benefit when reviewing the Trust's aims in establishing its activities and planning future activities.

Financial Review

Financially, the charity operates from the Tithes and Offerings received from the members and friends of the church. We do not hold fund raising events.

The tithes and offerings are checked by two persons from different households and given to the Treasurer. The treasurer banks the monies on a fortnightly or monthly basis.

The charity reported a surplus of £25,231 (2024: £27,628). The Trustees are satisfied that the Trust has sufficient funds for them to continue to meet the objectives of the charity. At the year end the charity's reserves were £641,585 (2024: £616,354), all of which were unrestricted.

The charity is continuing to build the reserves and have a stable cash flow which has enabled commitments to be met on time.

Use of Reserves:

- Cover unexpected shortfalls in income or increased expenses.
- Fund emergencies or strategic opportunities aligned with the charity's mission.

Any use of reserves must be approved by the trustees.

Independent Examiner's Report to the Trustees of Zion Church of Christ (Apostolic)

Year ended 31 March 2025

I report to the trustees on my examination of the financial statements of Zion Church of Christ (Apostolic) ('the charity') for the year ended 31 March 2025.

Responsibilities and basis of report

As the trustees of the charity you are responsible for the preparation of the financial statements in accordance with the requirements of the Charities Act 2011 ('the Act').

I report in respect of my examination of the charity's financial statements carried out under section 145 of the 2011 Act and in carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the charity as required by section 130 of the Act; or
2. the financial statements do not accord with those records; or
3. the financial statements do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

Notes to the Financial Statements

Year ended 31 March 2025

1. General information

The charity is a public benefit entity and a registered charity in England and Wales and is unincorporated. The address of the principal office is Perth Road, Wood Green, London, N22 5QP.

2. Statement of compliance

These financial statements have been prepared in compliance with FRS 102, 'The Financial Reporting Standard applicable in the UK and the Republic of Ireland', the Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (Charities SORP (FRS 102)) and the Charities Act 2011.

3. Accounting policies

Basis of preparation

The financial statements have been prepared on the historical cost basis, as modified by the revaluation of certain financial assets and liabilities and investment properties measured at fair value through income or expenditure.

The financial statements are prepared in sterling, which is the functional currency of the entity.

Going concern

There are no material uncertainties about the charity's ability to continue.

Judgements and key sources of estimation uncertainty

The preparation of the financial statements requires management to make judgements, estimates and assumptions that affect the amounts reported. These estimates and judgements are continually reviewed and are based on experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

Significant judgements

There have not been any judgements (apart from those involving estimations) that management has made in the process of applying the entity's accounting policies and that have the most significant effect on the amounts recognised in the financial statements.

Fund accounting

Unrestricted funds are available for use at the discretion of the trustees to further any of the charity's purposes.

Designated funds are unrestricted funds earmarked by the trustees for particular future project or commitment.

Restricted funds are subjected to restrictions on their expenditure declared by the donor or through the terms of an appeal, and fall into one of two sub-classes: restricted income funds or endowment funds.

3. Accounting policies *(continued)*

Incoming resources

All incoming resources are included in the statement of financial activities when entitlement has passed to the charity; it is probable that the economic benefits associated with the transaction will flow to the charity and the amount can be reliably measured. The following specific policies are applied to particular categories of income:

- income from donations or grants is recognised when there is evidence of entitlement to the gift, receipt is probable and its amount can be measured reliably.
- legacy income is recognised when receipt is probable and entitlement is established.
- income from donated goods is measured at the fair value of the goods unless this is impractical to measure reliably, in which case the value is derived from the cost to the donor or the estimated resale value. Donated facilities and services are recognised in the accounts when received if the value can be reliably measured. No amounts are included for the contribution of general volunteers.
- income from contracts for the supply of services is recognised with the delivery of the contracted service. This is classified as unrestricted funds unless there is a contractual requirement for it to be spent on a particular purpose and returned if unspent, in which case it may be regarded as restricted.

Resources expended

Expenditure is recognised on an accruals basis as a liability is incurred. Expenditure includes any VAT which cannot be fully recovered, and is classified under headings of the statement of financial activities to which it relates:

- expenditure on raising funds includes the costs of all fundraising activities, events, non-charitable trading activities, and the sale of donated goods.
- expenditure on charitable activities includes all costs incurred by a charity in undertaking activities that further its charitable aims for the benefit of its beneficiaries, including those support costs and costs relating to the governance of the charity apportioned to charitable activities.
- other expenditure includes all expenditure that is neither related to raising funds for the charity nor part of its expenditure on charitable activities.

All costs are allocated to expenditure categories reflecting the use of the resource. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs are apportioned between the activities they contribute to on a reasonable, justifiable and consistent basis.

Tangible assets

Tangible assets are initially recorded at cost, and subsequently stated at cost less any accumulated depreciation and impairment losses. Any tangible assets carried at revalued amounts are recorded at the fair value at the date of revaluation less any subsequent accumulated depreciation and subsequent accumulated impairment losses.

Zion Church of Christ (Apostolic)

Notes to the Financial Statements *(continued)*

Year ended 31 March 2025

3. Accounting policies *(continued)*

Tangible assets *(continued)*

An increase in the carrying amount of an asset as a result of a revaluation, is recognised in other recognised gains and losses, unless it reverses a charge for impairment that has previously been recognised as expenditure within the statement of financial activities. A decrease in the carrying amount of an asset as a result of revaluation, is recognised in other recognised gains and losses, except to which it offsets any previous revaluation gain, in which case the loss is shown within other recognised gains and losses on the statement of financial activities.

Depreciation

Depreciation is calculated so as to write off the cost or valuation of an asset, less its residual value, over the useful economic life of that asset as follows:

| | | |
|-----------------------|---|----------------------|
| Freehold property | - | 5% reducing balance |
| Fixtures and fittings | - | 25% reducing balance |
| Equipment | - | 20% reducing balance |

Impairment of fixed assets

A review for indicators of impairment is carried out at each reporting date, with the recoverable amount being estimated where such indicators exist. Where the carrying value exceeds the recoverable amount, the asset is impaired accordingly. Prior impairments are also reviewed for possible reversal at each reporting date.

For the purposes of impairment testing, when it is not possible to estimate the recoverable amount of an individual asset, an estimate is made of the recoverable amount of the cash-generating unit to which the asset belongs. The cash-generating unit is the smallest identifiable group of assets that includes the asset and generates cash inflows that largely independent of the cash inflows from other assets or groups of assets.

For impairment testing of goodwill, the goodwill acquired in a business combination is, from the acquisition date, allocated to each of the cash-generating units that are expected to benefit from the synergies of the combination, irrespective of whether other assets or liabilities of the charity are assigned to those units.

Financial instruments

A financial asset or a financial liability is recognised only when the charity becomes a party to the contractual provisions of the instrument.

Basic financial instruments are initially recognised at the amount receivable or payable including any related transaction costs.

Current assets and current liabilities are subsequently measured at the cash or other consideration expected to be paid or received and not discounted.

Debt instruments are subsequently measured at amortised cost.

Where investments in shares are publicly traded or their fair value can otherwise be measured reliably, the investment is subsequently measured at fair value with changes in fair value recognised in income and expenditure. All other such investments are subsequently measured at cost less impairment.

Zion Church of Christ (Apostolic)

Notes to the Financial Statements *(continued)*

Year ended 31 March 2025

3. Accounting policies *(continued)*

Financial instruments *(continued)*

Other financial instruments, including derivatives, are initially recognised at fair value, unless payment for an asset is deferred beyond normal business terms or financed at a rate of interest that is not a market rate, in which case the asset is measured at the present value of the future payments discounted at a market rate of interest for a similar debt instrument.

Other financial instruments are subsequently measured at fair value, with any changes recognised in the statement of financial activities, with the exception of hedging instruments in a designated hedging relationship.

Financial assets that are measured at cost or amortised cost are reviewed for objective evidence of impairment at the end of each reporting date. If there is objective evidence of impairment, an impairment loss is recognised under the appropriate heading in the statement of financial activities in which the initial gain was recognised.

For all equity instruments regardless of significance, and other financial assets that are individually significant, these are assessed individually for impairment. Other financial assets are either assessed individually or grouped on the basis of similar credit risk characteristics.

Any reversals of impairment are recognised immediately, to the extent that the reversal does not result in a carrying amount of the financial asset that exceeds what the carrying amount would have been had the impairment not previously been recognised.

Structure, Governance and Management:

Pastor and Board members, all of whom are Trustees

All decisions are made by the Pastor and Trustees (Board Members) jointly at board meetings held once every four months or earlier if the need arise.

All Trustees hold different offices within the church structure e.g.: Secretary, Treasurer, Sister, Evangelist.

The congregation are informed of the vacancies on the Church Board and are encouraged to take up leadership roles.

If a person is voted in to a position on the board, then that person becomes a Trustee. Trustees do not receive any benefits.

The charity is governed by a constitution dated 19 May 1988. It is registered under the Charities Act, charity registration number 299303. The Trust is administered on a day-to-day basis by the under the direction of the Trustees.

Public Benefit

The Trustees refer to the guidance contained in the Charity Commission's General Guidance on Public Benefit when reviewing the Trust's aims in establishing its activities and planning future activities.

Financial Review

Financially, the charity operates from the Tithes and Offerings received from the members and friends of the church. We do not hold fund raising events.

The tithes and offerings are checked by two persons from different households and given to the Treasurer. The treasurer banks the monies on a fortnightly or monthly basis.

The charity reported a surplus of £27,628 (2023: £35,418). The Trustees are satisfied that the Trust has sufficient funds for them to continue to meet the objectives of the charity. At the year end the charity's reserves were £616,354 (2023: £588,726), all of which were unrestricted.

The charity is continuing to build the reserves and have a stable cash flow which has enabled commitments to be met on time.

Use of Reserves:

Reserves will be used to:

- Cover unexpected shortfalls in income or increased expenses.
- Fund emergencies or strategic opportunities aligned with the charity's mission.

Any use of reserves must be approved by the trustees.

Monitoring and Review:

Independent Examiner's Report to the Trustees of Zion Church of Christ (Apostolic)

Year ended 31 March 2024

I report to the trustees on my examination of the financial statements of Zion Church of Christ (Apostolic) ('the charity') for the year ended 31 March 2024.

Responsibilities and basis of report

As the trustees of the charity you are responsible for the preparation of the financial statements in accordance with the requirements of the Charities Act 2011 ('the Act').

I report in respect of my examination of the charity's financial statements carried out under section 145 of the 2011 Act and in carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

1. accounting records were not kept in respect of the charity as required by section 130 of the Act; or
2. the financial statements do not accord with those records; or
3. the financial statements do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

Notes to the Financial Statements

Year ended 31 March 2024

1. General information

The charity is a public benefit entity and a registered charity in England and Wales and is unincorporated. The address of the principal office is Perth Road, Wood Green, London, N22 5QP.

2. Statement of compliance

These financial statements have been prepared in compliance with FRS 102, 'The Financial Reporting Standard applicable in the UK and the Republic of Ireland', the Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (Charities SORP (FRS 102)) and the Charities Act 2011.

3. Accounting policies

Basis of preparation

The financial statements have been prepared on the historical cost basis, as modified by the revaluation of certain financial assets and liabilities and investment properties measured at fair value through income or expenditure.

The financial statements are prepared in sterling, which is the functional currency of the entity.

Going concern

There are no material uncertainties about the charity's ability to continue.

Judgements and key sources of estimation uncertainty

The preparation of the financial statements requires management to make judgements, estimates and assumptions that affect the amounts reported. These estimates and judgements are continually reviewed and are based on experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

Significant judgements

There have not been any judgements (apart from those involving estimations) that management has made in the process of applying the entity's accounting policies and that have the most significant effect on the amounts recognised in the financial statements.

Fund accounting

Unrestricted funds are available for use at the discretion of the trustees to further any of the charity's purposes.

Designated funds are unrestricted funds earmarked by the trustees for particular future project or commitment.

Restricted funds are subjected to restrictions on their expenditure declared by the donor or through the terms of an appeal and fall into one of two sub-classes: restricted income funds or endowment funds.

Zion Church of Christ (Apostolic)

3. Accounting policies *(continued)*

Incoming resources

All incoming resources are included in the statement of financial activities when entitlement has passed to the charity; it is probable that the economic benefits associated with the transaction will flow to the charity and the amount can be reliably measured. The following specific policies are applied to particular categories of income:

- income from donations or grants is recognised when there is evidence of entitlement to the gift, receipt is probable and its amount can be measured reliably.
- legacy income is recognised when receipt is probable and entitlement is established.
- income from donated goods is measured at the fair value of the goods unless this is impractical to measure reliably, in which case the value is derived from the cost to the donor or the estimated resale value. Donated facilities and services are recognised in the accounts when received if the value can be reliably measured. No amounts are included for the contribution of general volunteers.
- income from contracts for the supply of services is recognised with the delivery of the contracted service. This is classified as unrestricted funds unless there is a contractual requirement for it to be spent on a particular purpose and returned if unspent, in which case it may be regarded as restricted.

Resources expended

Expenditure is recognised on an accruals basis as a liability is incurred. Expenditure includes any VAT which cannot be fully recovered, and is classified under headings of the statement of financial activities to which it relates:

- expenditure on raising funds includes the costs of all fundraising activities, events, non-charitable trading activities, and the sale of donated goods.
- expenditure on charitable activities includes all costs incurred by a charity in undertaking activities that further its charitable aims for the benefit of its beneficiaries, including those support costs and costs relating to the governance of the charity apportioned to charitable activities.
- other expenditure includes all expenditure that is neither related to raising funds for the charity nor part of its expenditure on charitable activities.

All costs are allocated to expenditure categories reflecting the use of the resource. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs are apportioned between the activities they contribute to on a reasonable, justifiable and consistent basis.

Tangible assets

Tangible assets are initially recorded at cost, and subsequently stated at cost less any accumulated depreciation and impairment losses. Any tangible assets carried at revalued amounts are recorded at the fair value at the date of revaluation less any subsequent accumulated depreciation and subsequent accumulated impairment losses.

Zion Church of Christ (Apostolic)

Notes to the Financial Statements *(continued)*

Year ended 31 March 2024

3. Accounting policies *(continued)*

Tangible assets *(continued)*

An increase in the carrying amount of an asset as a result of a revaluation, is recognised in other recognised gains and losses, unless it reverses a charge for impairment that has previously been recognised as expenditure within the statement of financial activities. A decrease in the carrying amount of an asset as a result of revaluation, is recognised in other recognised gains and losses, except to which it offsets any previous revaluation gain, in which case the loss is shown within other recognised gains and losses on the statement of financial activities.

Depreciation

Depreciation is calculated so as to write off the cost or valuation of an asset, less its residual value, over the useful economic life of that asset as follows:

| | | |
|-----------------------|---|----------------------|
| Freehold property | - | 5% reducing balance |
| Fixtures and fittings | - | 25% reducing balance |
| Equipment | - | 20% reducing balance |

Impairment of fixed assets

A review for indicators of impairment is carried out at each reporting date, with the recoverable amount being estimated where such indicators exist. Where the carrying value exceeds the recoverable amount, the asset is impaired accordingly. Prior impairments are also reviewed for possible reversal at each reporting date.

For the purposes of impairment testing, when it is not possible to estimate the recoverable amount of an individual asset, an estimate is made of the recoverable amount of the cash-generating unit to which the asset belongs. The cash-generating unit is the smallest identifiable group of assets that includes the asset and generates cash inflows that largely independent of the cash inflows from other assets or groups of assets.

For impairment testing of goodwill, the goodwill acquired in a business combination is, from the acquisition date, allocated to each of the cash-generating units that are expected to benefit from the synergies of the combination, irrespective of whether other assets or liabilities of the charity are assigned to those units.

Financial instruments

A financial asset or a financial liability is recognised only when the charity becomes a party to the contractual provisions of the instrument.

Basic financial instruments are initially recognised at the amount receivable or payable including any related transaction costs.

Current assets and current liabilities are subsequently measured at the cash or other consideration expected to be paid or received and not discounted.

Debt instruments are subsequently measured at amortised cost.

Where investments in shares are publicly traded or their fair value can otherwise be measured reliably, the investment is subsequently measured at fair value with changes in fair value recognised in income and expenditure. All other such investments are subsequently measured at cost less impairment.

Zion Church of Christ (Apostolic)

Notes to the Financial Statements *(continued)*

Year ended 31 March 2024

3. Accounting policies *(continued)*

Financial instruments *(continued)*

Other financial instruments, including derivatives, are initially recognised at fair value, unless payment for an asset is deferred beyond normal business terms or financed at a rate of interest that is not a market rate, in which case the asset is measured at the present value of the future payments discounted at a market rate of interest for a similar debt instrument.

Other financial instruments are subsequently measured at fair value, with any changes recognised in the statement of financial activities, with the exception of hedging instruments in a designated hedging relationship.

Financial assets that are measured at cost or amortised cost are reviewed for objective evidence of impairment at the end of each reporting date. If there is objective evidence of impairment, an impairment loss is recognised under the appropriate heading in the statement of financial activities in which the initial gain was recognised.

For all equity instruments regardless of significance, and other financial assets that are individually significant, these are assessed individually for impairment. Other financial assets are either assessed individually or grouped on the basis of similar credit risk characteristics.

Any reversals of impairment are recognised immediately, to the extent that the reversal does not result in a carrying amount of the financial asset that exceeds what the carrying amount would have been had the impairment not previously been recognised.

- select suitable accounting policies and apply them consistently

on the unaudited accounts of Zion Church of Church (Apostolic)**

Respective responsibilities of trustees and examiner

The charity's trustees are responsible for the preparation of the accounts. The charity's trustees consider that an audit is not required for this year under Section 144 of the Charities Act 2011 and that an independent examination is needed.

It's our responsibility to:

examine the account under Section 145 of the Charities Act

To follow procedure laid down in the general Directions given by the Charuty Commision

(under Section 145(5)(b) of the Charities Act, and

To state whether particular matters have come to my attention

Basis of independent examiner's statement

Our examination was carried out in accordance with general Directions given by the Charity Commission. An examination include a review of the accounting records kept by the charity and the comparison of the accounts is presented with the records. It also includes consideration of any unusual item or disclosures of the account, and seeking explanations from the trustees concerning any such matter. The procedures undertaken doesn't provide all the evidence that would be required in an audit, and consequently no opinion is given as to whether the account present is 'true and fair' view and the report is limited to those matters set out in the statement below.

Independent Examiners' Statement

In connection with our examination, no material matter have come to our attention which gives us cause to believe that in , any materials respect:

the accounting were not kept in accordance with Section 130 of the Charities Act; or

- the accounts do not accord with the accounting records; or

- the accounts did not comply with the applicable requirements concerning the form and content of the accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirements that the account gives a 'true and fair' view which is not a matter considered as part of an independent examination.

We have come across no matters in connection with the examinations to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

Respective responsibilities of trustees and examiner

The charity's trustees are responsible for the preparation of the accounts. The charity's trustees consider that an audit is not required for this year under Section 144 of the Charities Act 2011 and that an independent examination is needed.

Basis of independent examiner's statement

Our examination was carried out in accordance with general Directions given by the Charity Commission. An examination include a review of the accounting records kept by the charity and the comparison of the accounts is presented with the records. It also includes consideration of any unusual item or disclosures of the account, and seeking explanations from the trustees concerning any such matter. The procedures undertaken doesn't provide all the evidence that would be required in an audit, and consequently no opinion is given as to whether the account present is 'true and fair' view and the report is limited to those matters set out in the statement below.

Independent Examiners' Statement

In connection with our examination, no material matter have come to our attention which gives us cause to believe that in , any materials respect:

the accounting were not kept in accordance with Section 130 of the Charities Act; or
- the accounts do not accord with the accounting records; or
- the accounts did not comply with the applicable requirements concerning the form and content of the accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirements that the account gives a 'true and fair' view which is not a matter considered as part of an independent examination.

Owing to complications and conditions posed by the seller, the Church is having to raise significant funds through donation specific to the purchase and are thus retaining significant funds in their deposit accounts.

- select suitable accounting policies and apply them consistently

It also includes consideration of any unusual item or disclosures of the account, and seeking explanations from the trustees concerning any such matter. The procedures undertaken doesn't provide all the evidence that would be required in an audit, and consequently no opinion is given as to whether the account present is 'true and fair' view and the report is limited to those matters set out in the statement below.

Independent Examiners' Statement

In connection with our examination, no material matter have come to our attention which gives us cause to believe that in , any materials respect:

- the accounts do not accord with the accounting records; or

- the accounts did not comply with the applicable requirements concerning the form and content of the accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirements that the account gives a 'true and fair' view which is not a matter considered as part of an independent examination.
