BROMLEY CITIZENS ADVICE BUREAUX LTD

Report of the Trustees for the year ended 31 March 2023

The trustees who are also directors of the charity for the purposes of the Companies Act 2006, present their report with the financial statements of the charity for the year ended 31 March 2023. The trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019).

Structure, governance and management

Governing document

The charity is controlled by its governing document, a deed of trust, and constitutes a limited company, limited by guarantee, as defined by the Companies Act 2006.

The charity is a registered charity and a company limited by guarantee. The company was incorporated on 15 January 1988 and registered as a charity on 21 December 1988. The charity is also known and referred to as Citizens Advice Bromley. At 31 March 2023 the charity had thirteen members (2022: 8). The limited company was established under a Memorandum of Association dated 15 January 1988, as amended by special resolutions on 21 November 2001, 21 May 2003, 18 November 2014 and 18 April 2018 which established the objects and powers of the charitable company, and is governed under its Articles of Association. In the event of the company being wound up members are required to contribute an amount not exceeding £1.

Recruitment and appointment of new trustees

Trustees (who are also members) are elected at the annual general meeting. Applications are welcome from individuals who approach on a personal basis, or who are co-opted by the trustee board. All applicants are given an "Introduction to the Board of Trustees" document, outlining some of the key requirements of the role, and are asked to complete an application form and a skills audit. The latter document helps ensure that best use is made of the skills, knowledge and experience that trustees are willing to offer. Appointments are made following successful selection interviews by both the chairman and CEO, and subject to satisfactory references.

Induction and training of new trustees

Newly appointed trustees are provided with a comprehensive induction to Citizens Advice Bromley through the provision of training courses and mentoring by established trustees. They are also encouraged to spend some time with our staff and volunteers remotely and, as we move back to office working, we will be encouraging them to spend time in our office in Bromley and at an outreach in order to gain a more detailed understanding of the nature of the work undertaken and challenges faced.

Ongoing training is provided in a variety of ways. Operational updates and presentations given at board meetings provide further insight into the charity's operations and the issues being presented by clients. In addition, there are two Citizens Advice national websites which each have sections aimed specifically at Trustees. They provide detailed reference information and self-help guides on all aspects of the charity's governance.

Organisational structure

The charity is governed by its trustee board which is responsible for setting the strategic direction of the organisation and the policy of the charity. The trustees carry the ultimate responsibility for the conduct of the charity and for ensuring that the charity satisfies its legal and contractual obligations. The board meets bi-monthly. The board is supported by a Resources sub-committee. The Resources sub-committee meets on alternate months to the board meeting to discuss the charity's finances and procedures, and makes recommendations to the board.

Management and administration

Citizens Advice Bromley works with partner organisations: Age UK Bromley & Greenwich; Bromley Mencap and Bromley, Lewisham & Greenwich Mind as members of Bromley Third Sector Enterprise CIO (BTSE). The Chief Executive of Citizens Advice Bromley is also a trustee of BTSE.

BTSE successfully won the contract for the primary and secondary intervention services, known as Bromley Well. Citizens Advice Bromley is responsible for the Single Point of Access on the Bromley Well service as well as continuing our current services throughout Bromley.

Within Citizens Advice Bromley the Chief Executive is responsible for ensuring that the strategic plans are implemented and for managing the members of the Management Team. The Chief Executive is also responsible for budgeting, financial planning and reporting, developing partnerships and assisting the Board in its strategic decision-making, as well as ensuring there is synergy and consistency across the local office and outreach venues.

The Service Operations Managers are responsible for the day-to-day operation of the local office and outreaches and for the operational management of the charity. It is their job to ensure there is adequate cover, provide technical support to the volunteers and caseworkers and manage the practicalities of advice sessions. In addition, they also lead on specific projects or pieces of work. They are supported by our Single Point of Access Supervisor, our Casework Supervisor and our Training Supervisor.

Related parties

The charity is a member of Citizens Advice, which provides a framework for standards of advice and casework management as well as monitoring progress against these standards. Operating policies are independently determined by the board in order to fulfil its charitable objectives and comply with the national membership requirements.

The charity also co-operates and liaises with a number of other advisory services, local charities and social services departments on behalf of clients. Where one of the trustees holds the position of trustee/director of another charity they may be involved in discussions regarding that other charity but not in the ultimate decision-making process.

Risk management

The trustees recognise that the major strategic, business and operational risks which the charity faces need to be regularly reviewed and systems are in place to manage those risks. To that end they regularly monitor risk and take mitigating action as appropriate.

BROMLEY CITIZENS ADVICE BUREAUX LTD

Report of the Trustees for the year ended 31 March 2023

The charity is largely reliant on a small number of outside, primarily public sector organisations for its funding. The possibility that these sources of income might reduce poses a significant external risk to the charity. Through implementing the action plan referred to above, the trustees have ensured the charity continues to evolve into a revitalised organisation that will continue to attract significant levels of funding for the foreseeable future. Internal risks are minimised by the implementation of procedures for authorisation of all transactions and projects and to ensure consistent quality of delivery for all operational aspects of the charity. These procedures are periodically reviewed to ensure that they still meet the needs of the charity.

Objectives and activities

Objectives

The object of Bromley Citizens Advice Bureaux Ltd (the Charity), as defined by the Memorandum of Association, is to promote any charitable purpose for the benefit of the community in the London Borough of Bromley by the advancement of education, the protection and preservation of health and the relief of poverty, sickness and distress.

Aims, objectives, strategies and activities for the year

The Charity provides high quality services across the London Borough of Bromley by delivering free, independent, confidential and impartial advice in the borough. It values diversity, and promotes equality. It seeks to exercise a responsible influence on the development of social policies and services to enable and to ensure individuals do not suffer through a lack of knowledge or an inability to express their needs effectively.

- The main objective for the year is to continue to provide a service for the residents of Bromley particularly during the current cost of living crisis, to ensure that our staff and volunteers are safe and to continue safely offering outreach face to face services to those most vulnerable;
- Operating a one stop telephone service, supported by referrals to our other partners (pathways) and ourselves through a joined up referral process.
- Provide information, advice and guidance
- Continuing the Charity's membership of National Association of Citizens Advice Bureaux (Citizens Advice), to which most local Citizens Advice (LCA) offices in England and Wales belong. Citizens Advice sets strict standards for membership that are regularly audited.
- Actively seeking to influence through our research and campaign work at both national and local level. This included participation in Citizens Advice led campaigns, as well as direct liaison with local policy-makers in order to help raise awareness and influence change.

The Charity provides advice services through our remote telephone service where we offer advice and assistance via telephone and email and at various outreaches in Beckenham & Penge and Orpington. In addition, Citizens Advice Bromley sub contracts, to Age UK Bromley & Greenwich, the forms completion service.

The Charity contributed to both national and local social policy work and campaigns during the year.

Problems with Benefits & Tax Credits once again formed the largest proportion of identifiable codes with a total of 4,315 (2021-22 was 6,070) issues recorded. This was followed by a huge jump in charitable support and food bank 2,079 (2021-22 was not in top ten of issues seen by us) Debt rose slightly again this year to 2,279 (2021-21 was 2,184) Housing issues also rose this year 2,428 (2021-22 was 2,260) and employment queries fell to 754 issues reported (2021-22 was 1,050). Noticeably queries regarding Utilities rose dramatically to 537 from (2021-22 was 161)

By contributing to national and local research and campaign issues we are able to assist in highlighting and influencing change where hardship occurs.

Financial review

Reserves policy

The Charity's position reserve policy is to keep at least three months' expenditure in unrestricted funds. Furthermore, Trustees review the cash balance regularly and consider whether the Charity has enough cash to cover committed expenditure in a worst case scenario, for example if income ceased unexpectedly and debtors defaulted. At 31 March 2023 the cash balance was equivalent to approximately four months' expenditure. The Trustees are satisfied that this would comfortably cover any committed expenditure should the Charity experience a sudden fall in income and be required to close down.

Financial Position

Incoming resources in the year were £697,861 (2022 - £680,439).

A surplus of £29,774 unrestricted funds was generated in the year (2022 - A deficit of £24,931). At 31 March 2023 total reserves were £335,792 (31 March 2022 - £295,867), of which £325,640 represented unrestricted funds.

Principal funding sources

The Charity benefited from funding from a variety of sources during 2022-23. Our core funding was from our Bromley Well project funded by Bromley Third Sector Enterprise (BTSE CIO), further donations were received through Toynbee Hall for our Debt Free Advice Project and Bromley Borough Foodbank for our Foodbank projects, London Citizens Advice for our GLA project, BTSE CIO for our Crisis Loan Project and Citizens Advice for our Energy Advice Project.

Investment policy and objectives

No long term investments were held at the balance sheet date. Funds not required for use in the short term are kept on deposit with CAF Bank Ltd. The overall return during the year was £nil.

Future developments

The Charity has a rolling action plan aimed at achieving the following strategic objectives:

To provide a cost effective high quality advice service that meets the needs of Bromley's communities.

The Charity is seeking to maintain quality standards by ensuring that staff are trained and supported, that they have adequate resources, and are guided by a competent Trustee Board committed to the highest standards of governance.

To influence policy and practice at local and national levels by involving and using the experiences of our clients

Citizens Advice Bromley continues to contribute to the effectiveness of Citizens Advice's national research & campaign initiatives and will use evidence collected by the Charity to argue for improvements to services used by people in Bromley. In addition, the Charity will continue to ensure that the profile of its volunteers is representative of the population of Bromley.

To ensure the continued viability of the Citizens Advice Bromley in Bromley

Obviously no local Citizens Advice can operate without adequate resources. Resources are not always money, but can be people, relationships, or access to new sources of support. We need to maximise all of these in order to deliver the best service we can to people in Bromley. We will continue to aim to achieve greater recognition with the public and with Bromley businesses and institutions, become fully integrated into advice and incorporate health and wellbeing into our agenda and develop this among the wider voluntary and community sector in Bromley and last but not least continue to build effective partnerships to promote equality and social inclusion.

Public Benefit

The trustee board regularly reviews the activities of the charity in the context of the charitable objects, as stated in the Articles of Association. This includes the requirements with respect to public benefit, and in doing so follows the guidance issued by the Charity Commission.

Auditors

The audit business of Haines Watts Kingston LLP was acquired by Cooper Parry Group Limited on 14 November 2023. Haines Watts Kingston LLP has resigned as auditor and Cooper Parry Group Limited has been appointed in its place.
