For the year ended 30 April 2020 (Continued)

Organisation

The Company operates through a Board of Directors which also acts as Trustees for the charitable activities of the Company. The Trustees determine the general policy of the Company.

The Board meets regularly as circumstances require. It is pleased to recognise the assistance of many individuals who bring their expertise and enthusiasm to support the project.

Related parties

The company is a subsidiary of The Paddle Steamer Preservation Society (PSPS) which holds the majority (55) of its issued shares. There are 11 partly paid shares held by others - J H Megoran - 3 shares; G F Hundy - 3 shares; J M Gold - 3 shares and R J Martin - 2 shares.

Risk Management

The Trustees examine the major risks that the Company faces when preparing and updating their plans. The Company has developed systems to monitor and control these risks to manage any impact that they may have on the Company in the future.

Objectives and activities

The Company continues with its prime objective of preserving and operating, in sailing condition, the historic vessel PS Kingswear Castle.

PS Kingswear Castle is chartered to Dart Pleasure Craft Limited (DPC) who operate the ship on her original home waters of the river Dart. The trustees of PSKCT continue to be very pleased with the way in which the ship is being operated and preliminary discussions are underway about a major overhaul before the ships centenary in 2024.

Our progress and success in meeting our objectives is reported in more detail under 'Achievements and performance'.

In setting our objectives and planning our activities the Trustees have given careful consideration to the Charity Commission's general guidance on public benefit and in particular to its supplementary public benefit guidance on advancing education.

Achievements and performance

The Trust continues to be very pleased with the way in which the charterer maintains and operates Kingswear Castle on our behalf. The attention to detail during the annual refit at the shipyard at Old Mill Creek continues to be excellent and the use of epoxy paints on the hull has proved to be beneficial. This year, as well as usual refit work, a small amount of plating was renewed on the hull and the rudder received attention. We are now working up a plan for a major rebuild of the ship to take her forward for the next twenty five years. Kingswear Castle ran harbour cruises from Dartmouth on most days during the 2019 season from June to September, as well as making occasional visits to Totnes giving passengers the opportunity to sail aboard a real paddle steamer from another age. The Trust continues to try to educate the wider public about the history of paddle steamers through regular features on its website.

Financial review

The result for the period was a surplus of £15,724.

The Trustees are mindful of the need for PSKCT to maintain sufficient reserves to see the Trust through any unforeseen issues, particularly the need for any unplanned mechanical work. The restricted funds of PSKCT, which originate from specific funds for Kingswear Castle transferred from the PSPS in the year ended 30 April 2014, are regarded as sufficient for any maintenance issues which may fall outside the charter agreement with DPC and for the planned major overhaul.

Trustees Report**For the year ended 30 April 2020 (Continued)****Trustees responsibilities in relation to the financial statements**

The Trustees are responsible for preparing the Annual Report and the financial statements in accordance with applicable law and regulations.

In preparing these financial statements, the Trustees are required to:

- Select suitable accounting policies and then apply them consistently;
- observe the methods and principles in the Charities SORP 2015 (FRS102);
- make judgements and estimates that are reasonable and prudent;
- state whether applicable UK accounting standards have been followed, subject to any material departures disclosed and explained in the financial statements;

INDEPENDENT EXAMINER'S REPORT TO THE TRUSTEES OF PADDLE STEAMER KINGSWEAR CASTLE LIMITED for the year ended 30 April 2020.

I report on the accounts of the Charity for the year ended 30 April 2020, which are set out on pages 7 to 12.

The charity's trustees are responsible for the preparation of the accounts. The charity's trustees consider that an audit is not required this year under section 144(2) of the Charities Act 2011 (the 2011 Act) and that an independent examination is needed.

It is my responsibility to :

- examine the accounts under section 145 of the 2011 Act;
- follow the procedures laid down in the general directions given by the Charity Commission under section 145(5)(b) of the 2011 Act; and
- to state whether particular matters have come to my attention.

BASIS OF INDEPENDENT EXAMINER'S REPORT

My examination was carried out in accordance with the general directions given by the Charity Commission. An examination includes a review of the accounting records kept by the charity and a comparison of the accounts presented with those records. It also includes consideration of any unusual items or disclosures in the accounts, and seeking explanations from you as trustees concerning any such matters. The procedures undertaken do not provide all the evidence that would be required in an audit and consequently no opinion is given as to whether the accounts present a 'true and fair view' and the report is limited to those matters set out in the statement below.

INDEPENDENT EXAMINER'S STATEMENT

In connection with my examination, no matter has come to my attention:

(1) which gives me reasonable cause to believe that in any material respect the requirements:

- to keep accounting records in accordance with section 130 of the 2011 Act; and
- to prepare accounts which accord with the accounting records and comply with the accounting requirements of the 2011 Act

have not been met; or

(2) to which, in my opinion, attention should be drawn in order to enable a proper understanding of the accounts to be reached.

Tangible fixed assets

Tangible fixed assets are stated at cost or valuation.

The trustees are of the opinion that the current market value of the vessel is at least that capitalised and hence no depreciation has been provided.

The machinery and equipment from PS Compton Castle are disclosed at their purchase price in 2015. These items are not being used and are not subject to wear and tear, consequently no depreciation has been provided.

Incoming resources

Donations and charter income are credited on the statement of financial activities in the year in which they are received. Income relating to restricted funds is separately disclosed.

No amounts are included in the financial statements for services donated by volunteers.

Income from legacies is recognised at the earlier of the date on which either: the charity is aware that probate has been granted, the estate finalised and notification received by the charity that a distribution will be made or has been received. Receipt of a legacy, in whole or in part, is only considered probable when the amount can be measured reliably and the charity notified of the executor's intention to make a distribution.

Resources expended

Resources expended are recognised when a liability is incurred.

Cost of generating funds are those costs incurred in attracting voluntary income.

Charitable activities includes resources expended associated with the maintenance of PS Kingswear Castle, equipment and any support costs associated with those activities.

Governance costs include those incurred in the governance of the charity and its assets and are primarily associated with constitutional and statutory requirements.

Fund accounting

Unrestricted funds are defined as grants, sponsorship and other income received or generated for the objectives of the Charity without further specified purpose and which are available as general funds.

Restricted funds are to be used for specific purposes as laid down by the donor. Expenditure, which meets these criteria, will be identified to the fund.
