Constitution

Thatcham Memorial Foundation is a registered charity no. 300214 being an unincorporated organisation. The Foundation is governed by a scheme sealed by the Charity Commission on 29th December 1981, pursuant to the Charities Act 1960. The Foundation's governing document is written in respect of the Trust Deed dated 15th July 1947; this outlines the public subscription that acquired the land, purposes for which it should be used and the compliment of the *Committee of Management*.

Following a motion to pursue the incorporation of the Foundation at the 2018 Annual General Meeting, the Board of Trustees have been exploring the options and have decided to form a Charitable Incorporated Organisation. Current governance arrangements were reviewed as part of the process. Following a *Special General Meeting* held in February 2019 and consultation of our community partners a new *Supplemental Deed* dated 7th March 2019 was submitted to Charities Commission. This changed the complement of the Board, removing representatives of organisations not thought to be of relevance to the Foundation today, and adding those that are. The number of trustees from the community rose from 4 to 6. All terms of office for trustees have been increased from 1 year to 4 years.

On January 9th 2020 a *charitable incorporated organisation [CIO]* was sealed by the Charity Commission. A vesting deed legally transferred all the assets of *Memorial Hall & Playing Fields [300214]* to the new *CIO Thatcham Memorial Foundation [1187212]* on 1st April 2020.

Charitable Aims & Public Benefit

Outlined in section 3 of the constitution "*The object of the charity shall be to provide or assist in the provision of facilities to include a village hall and playing fields for the inhabitants of the Parish of Thatcham and the neighbourhood thereof, for recreation and other leisure-time occupation in the interests of social welfare.*" On a weekly basis the hall, lounge and associated facilities form the base of some 12 regular hirers including charities and community groups through to wellbeing classes; the hall continues to be used for birthday and anniversary parties. The basketball court and goal posts provide the focus of recreational sport on the playing fields, with daily use by members of the public exercising their dogs to varying degrees of success.

Selection of Trustees

The Board of Trustees is comprised of 12 members. 6 *nominated Trustees* appointed by organisations contributing to the Foundation and the site. 6 *Community Trustees* are appointed by the Board of Trustees from candidates drawn for the local community. A poll of attendees at the AGM indicated the trustees appointed by the Board. In addition to the 12 Voting Trustees, 2 members may be co-opted. A vacancy for a community trustees became available following the 2019 AGM and was filled by February 2020. The West Berkshire Council nominated trustee was officially appointed in March 2020.

Governance Arrangements

The Board of Trustees meets 4 time throughout the year. A set of smaller sub committees and working parties is now established through ratified standing orders, together with a schedule of delegated powers. The Foundation now has the following; Operations Committee, Finance Committee, and War Memorial Committee. The Operations & Development Sub-Committee meets every six weeks and primarily addresses matters relating to the day-to-day running of the charity. The group also oversees the delivery of capital expenditure projects, and includes the office bearers along with lead trustees for human resources, Health & Safety and Fundraising. The committee membership is agreed by resolution of the Board of Trustees. The Finance Committee focuses on monitoring the accounts, recommendations of hire charges, and ensuring the investment policy is adhered to. The War Memorial Committee works on specific projects furthering the Foundations original purpose to remember the sacrifice of the fallen.

Report on the Foundation's Activities

Strategic priorities for the Foundation across the 2019 – 2020 year were agreed by the Board following the 2019 Annual General Meeting;

1. To complete the reclassification of the charity as a *Charitable Incorporated Organisation* as soon as practicable.
2. To engage a car park management company or lease giving the Foundation the flexibility its needs to serve the community.
3. To confirm and consult on the final design proposal for the redevelopment of Thatcham War Memoria and its garden of remembrance.

Following the new CIO being approved by the Charities Commission in early 2020 the vesting deed was prepared by our legal advisers transferring all assets on April 1st. The deed provided the legal instrument and what follows is the physical

transfer of each contract and account – at the date of writing there remains some items still to be completed.

Generation of income from the main car park is vital to the operations of the Foundation, but since introducing charging in 2013 the Charity is aware it doesn't fit all the needs of site users. A 6-month extension to the previous leasehold agreement allowed a rigorous assessment process during summer 2019; after consulting with 8 parking companies *Enterprise Parking Solution Ltd* was selected by the Trustees on a 3-year management contract. Coming into effect on November 20th 2019 the arrangement gives the Board greater flexibility across the contract to tailor the parking conditions to suit the needs of the site e.g. introducing a 30 – minutes free window for picking up scouts and guides of an evening as well as the ability to cease charging on specific days like Armistice Day. The ANPR system allows greater enforcement of the existing fee structure rather than having to increase the fees. A key part of the development was putting a new access road to the hall, field and clubs – this was the major ticket item in the capital expenditure.

Phase two of the War Memorial Renovation is the redevelopment of the War Memorial Gardens. A garden design company was engaged in January 2020 to lead the project for the Foundation with a briefing day for the community to share their ideas planned for Friday 24th April 2020 – this was cancelled due to the COVID-19 pandemic.

The COVID-19 Pandemic hit the Foundation towards the end of the financial year with the site closing along with other hospitality and leisure venues. Unfortunately, as we began to understand the impact of the pandemic our Clerk of almost 10 years Karen Pitt left the charity on April 30th.

The accounts once again show a healthy income, however the loss of 4 hirers during the year means a noticeable drop in income year on year. No in year profit is recorded due to the large capital expenditure item of the new access road. We continue to keep a tight hold on finances as we see pandemic restrictions develop.

My personal thanks to the Board and our staff. In particular, to Phil Dewsbury who is stepping down after a number of years as a Trustee, serving as our Treasurer for the last three.

N. M. Gregory Esq.

Management Committee's Responsibilities

We are required under the Charities Act 1993 to prepare financial statements for each financial year which give a true and fair view of the state of the Charity, and of its results for that period. In preparing those financial accounts we are required to:

ACCOUNTS FOR THE PERIOD 1 APRIL 2019 TO 31 MARCH 2020
REGISTERED CHARITY NUMBER 300214**

**INDEPENDENT EXAMINER'S REPORT TO THE TRUSTEES OF THATCHAM MEMORIAL
FOUNDATION**

I report to the trustees on my examination of the accounts of the Thatcham Memorial Hall (Charity number 300214) for the year ended 31.03.2020.

Responsibilities and basis of report

As the charity trustees of the Trust, you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ('the Act').

I report in respect of my examination of the Trust's accounts carried out under section 145 of the 2011 Act and in carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

- (1) accounting records were not kept in respect of the Trust as required by section 130 of the Act; or
- (2) the accounts do not accord with those records; or
- (3) the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.
