**Achievements:** This year we have updated one of our toilets to turn it into an ambulant one.

We have renewed a fire door and have renewed the roof on our boiler room –

all of which have been achieved with grants from our local council, who have

always been very supportive. As the building is over 130 years old, it does need

constant maintenance, and therefore apart from every day running costs, most

of our expenditure is used for updating, decorating and general tidying of

various areas.
