Section B**Structure, governance and management**

Description of the charity's trusts

Type of governing document

(e.g. trust deed, constitution)

The Group's governing documents are those of the The Scout Association. They consist of a Royal Charter, which in turn gives authority to the Bye Laws of the Association and The Policy, Organisation and Rules of The Scout Association.

How the charity is constituted

(e.g. trust, association, company)

The Group is a trust established under its rules which are common to all Scouts.

Trustee selection methods

(e.g. appointed by, elected by)

The Trustees are appointed in accordance with the Policy, Organisation and Rules of The Scout Association.

Additional governance issues (optional information but encouraged as best practice)

You may choose to include additional information, where relevant, about:

The Group is managed by the Group Trustee Board, the members of which are the 'Charity Trustees' of the Scout Group which is an educational charity. As charity trustees they are responsible for complying with legislation applicable to charities. This includes the registration, keeping proper accounts and making returns to the Charity Commission as appropriate.

Policies and procedures adopted for:
a) the induction and training of trustees;
b) trustee' consideration of major risks and the systems and procedures to manage them

The Trustee Board consists of the Chair, Treasurer and 3 Trustees and meets every 4 months.

Members of the Trustee Board complete Being a Scouts Trustee learning within the first 6 months of joining the Board.

This Group Trustee Board exists to make sure the charity is well-managed, risks are assessed and mitigated, buildings and equipment are in good working order, and everyone follows legal requirements and the organisation's policies and rules. Their support helps other volunteers run high-quality and safe programmes that gives young people skills for life.

Section B**Structure, governance and management (continued)****Risk and Internal Control**

The group has in place systems of internal controls that are designed to provide reasonable assurance against material mismanagement or loss, these include 2 signatories for all payments and a comprehensive insurance policies to ensure that insurable risks are covered.

Injury to leaders, helpers, supporters and members. The Group through the capitation fees contributes to the Scout Associations national accident insurance policy. Risk Assessments are undertaken before all activities.

Reduced income from fund raising. The Group is primarily

reliant upon income from subscriptions and fundraising. The group does hold a reserve to ensure the continuity of activities should there be a major reduction in income. The Board could raise the value of subscriptions to increase the income to the group on an ongoing basis, either temporarily or permanently.

Reduction or loss of leaders. The group is totally reliant upon volunteers to run and administer the activities of the group. If there was a reduction in the number of leaders to an unacceptable level in a particular section or the group as a whole then there would have to be a contraction, consolidation or closure of a section. In the worst case scenario the complete closure of the Group.

Section C	Objectives and activities
Summary of the objects of the charity set out in its governing document	<p>The Purpose of Scouting Scouting exists to actively engage and support young people in their personal development, empowering them to make a positive contribution to society.</p> <p>The Values of Scouting As Scouts we are guided by these values: Integrity - We act with integrity; we are honest, trustworthy and loyal. Respect - We have self-respect and respect for others. Care - We support others and take care of the world in which we live. Belief - We explore our faiths, beliefs and attitudes. Co-operation - We make a positive difference; we co-operate with others and make friends.</p> <p>The Scout Method Scouting takes place when young people, in partnership with adults, work together based on the values of Scouting and: - enjoy what they are doing and have fun - take part in activities indoors and outdoors - learn by doing - share in spiritual reflection - take responsibility and make choices - undertake new and challenging activities - make and live by their Promise.</p>
Summary of the main activities in relation to these objects	<p>The main activities are based around the Scouting methods. Our weekly meetings include kayaking, sailing, camp skills, walking, navigational skills. The Scouts get to attend a minimum of two weekend camps per year and there is an option to take part in Ten Tors</p>

Additional details of the objectives and activities (optional information but encouraged as best practice)

You **may choose** to include further statements, where relevant, about:

- policy on grantmaking;
- contribution made by volunteers;
- policy on investments.

Public benefit statement

The Group meets the Charity Commission's public benefit criteria under both the advancement of education and the advancement of citizenship or community development headings.

Section D

Achievements and performance

Summary of the main achievements of the charity during the year

Continue to successfully run weekly scout meeting.
To begin the build of a new scout hut.

Section E

Financial Review

Brief statement of the charity's policy on reserves

Reserves Policy

The Group's policy on reserves is to hold sufficient resources to continue the charitable activities of the group should income and fundraising activities fall short. The Group Trustee Board considers that the group should hold a sum equivalent to 24 months running costs, circa £8k.

The Group held reserves of approximately £28k against this at year end. This is above the level/below required for operating expenses. However this can be explained by keeping a reserve for future unknowns.

Details of any funds materially in deficit (circumstances plus steps to eliminate)

N/A

Further financial review details (optional information)

You **may choose** to include additional information, where relevant, about:

- the charity's principal sources of funds (including any fundraising);

Investment Policy

The Group's Income and Expenditure is very small and as a consequence does not have sufficient funds to invest in longer-term investments such as stocks and shares. The Group has therefore adopted a low risk strategy to the investment of its funds. All funds are held in cash using only mainstream banks or building societies.

- how expenditure has supported the key objectives of the charity;

The Group Trustee Board regularly monitors the levels of bank balances and the interest rates received to ensure the group obtains maximum value and income from its banking arrangements. Occasionally this may involve using an account that requires a period of notice before funds may be withdrawn, before doing so the Group Trustee Board considers the cash flow requirements.

- investment policy and objectives;
