Trustees' Report

The trustees present their annual report together with the accounts for the year ended 31st December 2024.

Constitution

Melplash Village Hall has been a charity since 1944 and is governed by a Charity Commission Scheme dated 2 December 1982 as amended by a resolution dated 27 March 2025. It is registered with the Charities Commission – Number 301152.

Charitable Objects

The object of the Charity was amended by resolution on the 27th March 2025 to the following:

The object of the charity is the general benefit of the inhabitants of the Ecclesiastical Parish of Melplash in such charitable ways as the Trustees think fit.

The previous object during the period of this report was:

The object of the Charity shall be the provision and maintenance of a village hall for the use of the inhabitants of the Ecclesiastical Parish of Melplash and its immediate vicinity (hereinafter called 'the area of benefit') without distinction of political, religious, or other opinions, including use for meetings, lectures and classes, and for other forms of recreation and leisure-time occupation, with the object of improving the conditions of life for the said inhabitants.

The land with the building thereon specified in the said schedule shall be held upon trust for the purposes of a village hall as aforesaid.

Trustees of Melplash Village Hall have complied with their duty to have due regard to the Charity Commission's guidance on public benefit. For this year, to achieve the best value for the sale of its assets prior to the sale of the hall itself and to establish the charity 'Melplash Community Fund' which will use the proceeds for the general benefit of the inhabitants of the Ecclesiastical Parish of Melplash in such charitable ways as the Trustees think fit.

Review of the Year

Melplash Village Hall has been available for hire for a range of activities since the late 1920s. The stated beneficiaries are the inhabitants of the ecclesiastical parish of Melplash but in practice anyone may make a request to hire the space.

Following public meetings in 2021 and 2022 it was agreed to sell the village hall. The preferred option is to pursue an offer made by a local resident to purchase the site and develop social housing, with any surplus returned to the charity. In the spring the trustees announced the proposed sale in the local press and invited comments. None was received. Solicitors for both sides continue to work on the sale to ensure best value for the charity, however, it was determined that private sale would not be possible and that sale by auction was required to ensure best value was achieved.

Financial Review

In view of uncertainty over the hall's future direction the trustees kept expenditure to a minimum. The hall continued to be closed and prepared for sale with assets being disposed of. The accounts are on the following page and have been prepared on a receipts and payments basis.

All funds of the charity are unrestricted. No restricted or endowment funds were held during the year.

Income includes a contribution from the Corner Garage in acknowledgement of being allowed to park vehicles when the space is not required by the hall. During the past two years, the assets have been disposed or transferred at best realisable value. Several assets will remain the property of the charity and are being housed in the church on behalf of the community. The Charity received a one-off legacy donation during the year of £30,000 and interest on the savings account.

Expenses: The hall continues to receive mandatory and discretionary rate relief from Dorset Council. Electricity prices increased again during the year as did the water rates. Because the hall is closed to the public - and to comply with insurance requirements - the trustees switched off the electricity supply, so the overall cost is manageable. The defibrillator remains the property of the charity which continues to fund its maintenance.

The village itself was vested in the Official Custodian in 1944. The hall was valued by Turner Associates in May 2022. The new valuation at 31st December 2024 reflects the value received at auction in the year ended 2025.

Due to the receipt of the legacy of £30,000, the charities accounts are required to have an independent examination, which is attached to this report.
