Review of major risks: The most significant potential risks are in the operation of the building. These are reduced as far as possible by adhering to Health and Safety and Fire regulations and observing statutory inspection requirements. Financially the buildings are covered by insurance. Other risks include food safety and child safety. The charity has a published policy on Child Protection which all trustees and hirers are made aware of. The kitchen is inspected by the Local Authority. The playground is inspected annually by RoSPA.

Summary of the main activities undertaken for the public benefit in relation to these objects (include within this section the statutory declaration that trustees have had regard to the guidance issued by the Charity Commission on public benefit)	Maintaining the Recreation Ground as an open space for general recreation with facilities of a Playground for small children and football fields for the use of local teams. The charity does not make grants to other organisation or individuals. The charity has no significant liquid assets. Cash not required for immediate use is saved in an interest bearing account. The contribution of volunteers is absolutely vital to the maintenance of the hall and grounds and the continuing success of the community activities and events organised. See below for details.

Section D Achievements and performance

Summary of the main achievements of the charity during the year

A year to forget mostly as Covid 19 wiped out the majority of the hall's activities and income. However the committee have not been idle particularly our treasurer Mary Mathers applying for the many Government and County Council grants and aid packages. Also we took the opportunity to decorate most of the interior of the building, thanks to Martin Legg for his efforts.

On a positive note together with the Parish council we were able to run some children's activities at various times during the year, for the village which have proved to be well received.

Greywood FC have continued to use the field when the rules have permitted that and wish to carry on doing so. Unfortunately Morden FC have not fared so well and are no longer able to play, a fact that has not gone unnoticed judging by the number of enquiries from other teams to use our facilities.

Recruiting new blood onto our committee is as important as it has ever been particularly since we have lost two members this past year, Gary Paine long time Morden FC rep and Dave Ball.

Finally I would like to thank all my committee members for their efforts and enthusiasm over this difficult time.

Section E Financial review

Brief statement of the charity's policy on reserves	The charity aims to hold cash reserves of a minimum of 1 year's operating costs to cover any major unexpected building repairs and loss of income.
Details of any funds materially in deficit	None

Further financial review details (Optional information)

You **may choose** to include additional information, where relevant about:

- the charity's principal sources of funds (including any fundraising);
- how expenditure has supported the key objectives of the charity;
- investment policy and objectives including any ethical investment policy adopted.

In a normal year. the charity's three principle sources of funds are
- hire of the hall for local groups and clubs, public meetings and private events
- fundraising events
- running the bar

Exceptionally this year due to lockdowns, these incomes have largely disappeared. The Government Covid grants have been most welcome to support the ongoing unavoidable fixed costs.

I report to the trustees on my examination of the accounts of the above charity ("the Trust") for the year ended **30/04/2021**

Responsibilties and basis of report

As the charity's trustees, you are responsible for the preparation of the accounts in accordance with the requirements of the Charities Act 2011 ("the Act").

I report in respect of my examination of the Trust's accounts carried out under section 145 of the 2011 Act and in carrying out my examination, I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

Independent examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination which gives me cause to believe that in, any material respect:

- the accounting records were not kept in accordance with section 130 of the Charities Act; or
- the accounts did not accord with the accounting records; or

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.
