## Trustees report 2020/2021

Once again we are showing a large increase to our income over previous years. This is partly due to very generous donations of nearly £6,000.00 from parishioners and the Parish Council supporting our application to Dorset Council for an additional £5,000.00 of section 106 money which meant that the kitchen extension and refurbishment of the old part of the kitchen could continue.

The devastation caused by the Covid 19 pandemic, while hampering our ability to fund raise and made Hall closure mandatory, meant that we could apply for certain Government grants to assist with the running and maintenance of the building during lockdowns. We were fortunate to have received just over £19,000.00 in total.

We have ended this financial year with a healthy balance of £26,333.00. We still have some electrical work to carry out and want to improve the area outside of the Hall, hopefully this work will not interfere with the expected lifting of restrictions to allow us to re-open.

Obviously, the trustees have not been able to have their usual face to face meetings but have been kept informed, via email, of our financial condition and the progress of the building work which was able to continue during the lock-downs, as no-one was using the Hall and the builders kept to all Covid restrictions.

The next financial year I expect our accounts will show a substantial reduction in the income and expenditure.
