4 Restart dancing 27 July 2021

We will be restarting the dancing with lessons from 7.30 to 8.30 pm with Debbie and Carly. Then we will continue until 10 pm with social dancing

The Springhouse have informed us that the hall will be opened with no restrictions, as will be the bar, no masks are required, but it will be personal choice, if dancers would still prefer to wear a mask when entering the premises and going to the bar.

It was suggested that hand sanitiser be available, JH will buy enough to provide a bottle on each table. Dancing with other people will be personal preference. Sequence dancing will not be progressive, but the situation will be under constant review. The doors will be opened for additional ventilation.

Derek and Jenny are available to provide our music. They will also let our regular Wickford dancers know.

It was decided to make the first evening back dancing, to be a free night but for non members they will have to pay the Springhouse door fee of £2.

JT will have the dancing fixture cards ready to hand out on 27th July.
MT will try to source a welcome back banner.
