Chair's Report

The year to the end of December 2022 has been a particularly successful one for the Hall. The trustees, who I give many thanks to for their continuing support, have overseen a number of significant new activities in the Hall along with some successful development work making the Centre an ever more attractive venue for one-off or regular bookings or for long term use of some rooms in the Hall. We were pleased to continue our work with the Forest Community Media, Ken Penman Taekwondo Classes and Japanesee Marshal Arts. We also had regular bookings from groups such as the Royal Forest of Dean Car Club as well as continuing with helping local residents with car parking. In addition we have had regular support from the Wesley Players. We have had many new refurbishments including the main hall floor being re-sanded and re-polished, repainting of the main lounge and lower hall, repainting of the south-west side of the building and the installation of defibrillation equipment on the main exterior wall.

Treasurers Report

Our policy of renting out space in the building continues to have major benefits in offsetting Hall costs. The Community Media contributed £270.00 per month plus extra to cover the utility bills and the Twaikwondo make further payments of almost £500 per month plus utility bills. Forest of Dean Car Club contribute £60 per week. Coupled with residents parking charges, grants, donations, club and activity weekly bookings, parties and other events have given the Hall a revenue income of approximately £27,500. These monies have enabled the Hall to both continue to run effectively and make some significant infrastructure improvements. We continue to monitor costs carefully and have maintained a healthy current account balance throughout the year.

Reserves Policy Statement

The trustees confirm that no formal reserves policy has been adopted but that they will seek to maintain sufficient financial reserves to enable the proper settlement of any debts incurred in running the charity and hold, if possible, sufficient cash reserves to enable the running of the charity for a period of 6 months. We have assessed the likely financial risks to the organisation.

How are we Meeting our Charitable objects?

1. by the provision of facilities for the inhabitants of Cinderford and surrounding villages by :-

booking in Dancing, Fitness, Self-Defence, Forrest Community Media, Wesley Players, Forest of Dean Car Club

holding events, private parties

staging regular weekend music events

hosting meetings and charity events

providing car parking for local residents

providing facilities for the provision of local services including Forest of Dean District Council.

2. by holding the land in trust – the land and building continue to be held in trust by the Official Custodian

Public Benefit Statement

Trustees confirm that they have taken due notice of the guidance published by the Charity Commission in regards to the public benefit when reviewing the aims and objectives of the charity and in planning the activities.

Specifically they have, during the year to December 31st 2022, continued to provide a public meeting place for the Cinderford and the surrounding villages and to promote entertainment and the use of the facilities for a the use of formal and informal groups. These activities are provided to all irrespective of age, ability, faith, gender, sexual orientation, race, political view or any other belief, condition or trait. Furthermore the land will continue to be held in trust for the ongoing realisation of the charity's objects.

Trustee Recruitment and Induction Statement

Trustees shall be elected by votes cast by those eligible to do so at the Annual General Meeting or be co-opted by the Management Committee at some other time provided the total number of trustees does not exceed the maximum number allowed. Prospective trustees shall put forward details of their potential contribution to the running of the charity and be appropriately proposed and seconded. Support for new trustees will be given by the provision of a pack containing details of the charity, records of meetings held in the past year and, if required, appropriate training to enable the new trustee to fulfil their role to the benefit of the charity and its beneficiaries.
