Doynton Village Hall Trustees' Report

A Year in Review

Introduction

Doynton Village Hall is at the heart of our village—it's where we come together to share good times, learn new things, and make memories. As the Trustees, we look after the hall, keep things running smoothly, and make sure it stays a welcoming place for everyone. Here's a look at what we've been up to this past year, what we've achieved, what's been tricky, and how our finances are shaping up.

What We Do

Our main aim is simple: to make sure Doynton Village Hall is a safe, friendly, and accessible spot for all sorts of village activities—everything from parties and classes to clubs and celebrations. We keep the building in good shape, and try to offer something for everyone.

This year, the hall's been busy with:

- Village meetings and chatty get-togethers
- Weddings, birthdays, anniversaries, and other special occasions
- Clubs like yoga, gaming.
- Dementia cafe
- Fundraisers, quiz nights, and coffee mornings
- The much-loved Village Fête.

How We're Run

A group of volunteers from the village makes up the Board of Trustees. We handle the daily running of the hall, take care of all the paperwork, and plan for the future. We meet regularly to talk things over and make plans. If you want to see any of our meeting notes or financial reports, just ask—we're happy to share.

This Year at the Hall

It's been a year full of activity and new ideas. While we still focus on our main goals, we're always adjusting to what people need.

Events and Activities

Our calendar has never been busier. As things opened up after the pandemic, more people wanted to use the hall—and we worked hard to keep everything safe and welcoming. Some highlights:

- The Summer Fête was back, with over 250 people joining—plus we raised a tidy sum for the village.
- Extra activities for kids during school breaks

Keeping Things in Good Shape

Looking after the hall is a big part of our job. This year, we've:

- Given the main hall a makeover with better lighting
- Upgraded the sound system for all the music and movies
- Installed a sound level limiter, to minimise noise nuisance for our neighbours.

Money Matters

We've kept a close eye on the finances. Thanks to more bookings our income has increased.

Where the Money Comes From

Our main income this year was from:

- Renting out the hall for events
- PV panel feed in tariff
- Our income went up compared to last year

What We Spent

Big expenses included:

- Regular cleaning and maintenance
- Bills and insurance
- Paying for cleaners and helpers

We ended the year with a small surplus, which we've set aside for future repairs and projects.

Challenges

Not everything was easy. We're keeping an eye on:

- Rising energy and running costs

- Making sure the hall stays accessible for everyone

We tackle these by reviewing things regularly and staying flexible.

Looking Ahead

Here's what we're planning for next year:

- We are investigating battery storage, to reduce bills.
- Improvements to the entrance.
- Increasing storage space

Thanks!

None of this would be possible without our amazing volunteers, friendly neighbours, and everyone who pitches in or donates. Thank you for helping make Doynton Village Hall a place where everyone's welcome.

Wrapping Up

We're proud of what Doynton Village Hall means to our village. With your support and a bit of careful planning, we're confident it'll be a special place for many years to come. We hope you'll join us—whether you want to help out, use the hall, or just come along and enjoy what's on offer!

DOYNTON VILLAGE HALL AGM – TREASURER’S REPORT

January 2025

1. The accounts for Doynton Village Hall cover the period from 1st January 2024 until 31st December 2024.
2. As the annual turnover is less than £250,000, the accounts have been prepared on a Receipts and Payments basis.
3. The financial position of the hall remains very strong, with closing balances of £34,247 in the bank accounts, and £24,616 held in investments.
4. Despite significant investment in improvements and maintenance of the hall, a profit was made of £4,542
5. The hall continues its ownership of a card-payment machine, which is for shared use with other village charities. The savings account called ‘CAF Gold Account 2’ is used solely for this purpose, with the card takings being deposited directly into this account, and the equal amount being paid directly to the relevant charity. A small balance is held within the account, along with any interest earned, to prevent the bank from closing the account.

Independent examiner's statement

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination (~~other than those disclosed below~~) which gives me cause to believe that in, any material respect:
