TRUSTEES' REPORT
FOR THE YEAR ENDED 31 MARCH 2021

The Trustees, who are also directors of the Charity under the Companies Act, present their annual report together with the audited financial statements of the company for the year 1 April 2020 to 31 March 2021. The Trustees confirm that the Annual report and financial statements of the company comply with the current statutory requirements, the requirements of the company's governing document and the provisions of the Statement of Recommended Practice (SORP), applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019).

Since the company qualifies as small under section 383, the strategic report required of medium and large companies under The Companies Act 2006 (Strategic Report and Director's Report) Regulations 2013 is not required.

The reference and administrative details of the company are shown on pages 1 and 2.

Objectives and activities

a. Policies and objectives

The main objective of the charity is to provide or assist in providing facilities and services for recreation, physical education or other leisure time occupation.

Generally, we contribute to the health and quality of life of our communities through the provision of affordable sports and leisure activities that encourage wider participation. The charity will continue to provide teaching and coaching of sport and leisure skills to the wider public to improve the levels of participation in sport, leisure, health and fitness activities and will support amateur sports clubs.

b. Strategies for achieving objectives

The strategies employed to achieve the charity's objectives are to:

- Achieve continuous improvement throughout all areas of operation
- Contribute to improving and maintaining good health and wellbeing and promote healthy lifestyles
- Provide a range of sport and leisure opportunities, accessible to everyone in our local communities
- Increase opportunities for children and young people to participate in sport and leisure activity
- Develop new business opportunities that enable us to increase our contribution
- Be an outstanding employer that people choose to work for

c. Main activities undertaken to further the charity's purposes for the public benefit

The Trustees have taken due consideration of the Charity Commission guidance on Public Benefit in reviewing the charity's objectives and activities.

TRUSTEES' REPORT (CONTINUED)
FOR THE YEAR ENDED 31 MARCH 2021

Achievements and performance

a. Review of activities

The main areas of charitable activity include education, health and the advancement of amateur sport with the continued provision of a large multi-functional sports/leisure complex with a wide range of activities available for the general public. Special emphasis is given to the educational programme teaching participants, particularly young people, and swimming. Extensive support is also given to those in the community who are disadvantaged, and programmes such as the Cardiac Rehabilitation, GP Referral programmes, Active Minds, and Falls Prevention classes are provided.

Opening a new site, bstFitness, in Newbury in 2015 enabled the Charity to expand its expertise in physical activity to new populations in and around Newbury. The site provides health and fitness, swimming and a swim school. The site continues to perform well and to targets. As well as the site encouraging a far greater number of people to take part in regular physical activity, a longer-term aim is the generation of additional surplus, which will help fund extended health programmes in the future.

During FY2020-21 all activities were severely impacted by the Covid-19 pandemic, which resulted in full closure of both sites for 8 months of the financial year, and continuing restrictions on many of the activities outside of full lockdown. Health and Wellbeing activities such as Cardiac Rehabilitation, GP Referral programmes, Special Population programmes and over 55's sessions were particularly adversely impacted, and will take some time to get back to pre-pandemic levels. However, it is anticipated that all activities that were being undertaken pre-pandemic will resume at some point when conditions allow.

This report does not include every activity undertaken but concentrates on those that have a level of significance within the charity.

The advancement of education

• Learn to Swim

Providing this programme is a high priority for the Charity, targeting primarily young people to learn how to swim and progress with technique improvement and developing new skills. The programme is aligned with Swim England and provides opportunities for the very young (parents and babies) up to adult beginners/improvers. Classes are held for 45 weeks of the year, and short courses lasting up to 5 days are held during school holidays. Private swimming lessons are also available.

Learn to Swim lessons for children are also provided at bstFitness, Newbury with up to 400 children learning to swim each week. At Newbury, we are aligned with the Swim Teachers Association syllabus.

As well as teaching swimming, classes also include lifesaving and snorkelling.

A session for children with additional needs is held each Wednesday morning.

The Charity provides both the main and teaching pool for local schools (including schools catering for additional needs children) so they can deliver swimming as part of the national curriculum. Teaching and lifeguarding personnel are provided at Basingstoke Sports Centre, and hire charges are reduced by 25% to enable the schools to work within their limited budgets.

All swimming activities were unavailable during the site closures imposed as a result of Covid-19 lockdowns, but since re-opening in April 2021 swimming activity has recovered strongly across both sites and there is a strong demand, especially for children's lessons.

FOR THE YEAR ENDED 31 MARCH 2021

Achievements and performance (continued)

• **Badminton Courses**

These are organised each term and are targeted at young people from 8 – 17 years of age. Instruction is undertaken by the Trust's Badminton England coach. Classes reached full capacity with more than 25 attendances on each course. Short courses are also held during the school holidays.

Further to this, the Charity hosts the local Community Badminton Network in a bid to increase the number of people participating in the sport across the Borough. Two clubs now have weekly meetings at Basingstoke. The Badminton morning has continued for adults of all ages and ability.

• **Adult Tuition/Classes**

A range of classes/educational programmes are organised for adults. Each year Basingstoke Sports Centre provides, through Active IQ, an in-depth training programme for students who wish to qualify as health and fitness instructors. Students attend over an 11-month course and have the opportunity of practising the skills they learn with customers in the Gyms. Active IQ has several associated courses and programmes available, including Gym Instructor, Exercise To Music, Personal Trainer and Nutrition.

It was not possible to run the usual range of National Pool Lifeguard Qualification, First Aid and STA swim teacher courses due to the Covid-19 pandemic. However, since re-opening the National Pool Lifeguard Qualification courses have resumed and are in high demand. Whilst most of this activity takes place at Basingstoke Sports Centre, we also run some courses at bstFitness, Newbury.

• **The Advancement of Health**

The very nature of the activities available promotes and sustains good health. The Charity provides a comprehensive programme for all ages and abilities and delivers health and fitness facilities that appeal to a wide audience. Customers are encouraged to subscribe to membership if they are regular visitors; alternatively, a session fee can be paid before each activity.

The Charity supports disadvantaged people and concessionary charges which reduce the normal membership fee are available.

• **Concessionary Charges**

Teen / Student membership £19.95 a month
Cardiac Rehabilitation/Seniors (60+) £29.95 a month

At the end of March 2021, Teen / Student membership totalled 357.
At the end of March 2021, Cardiac/Senior/Health totalled 408.

• **Special Population Programmes**

During FY2020-21 the Special Population Programmes previously operated by the charity were suspended due to the Covid-19 pandemic. However, since re-opening most have re-commenced or are planned to re-commence.

The Active in Health GP programme works in partnership with local surgeries in addition to the Bridge Centre and private physiotherapists and psychotherapists. GPs recommend patients to Basingstoke Sports Centre for a supervised exercise programme as an alternative to medication. The programme lasts for 12 weeks, with a reduced rate charged. At completion, customers can subscribe to a subsidised membership for a further nine months, or continue to pay for each session. The majority of the exercise programme takes place in the Gym,

with a dedicated group exercise circuit each week.

Partnership with key stakeholders, such as Hampshire County Council and Basingstoke and Deane Borough Council, and North Hampshire Clinical Commissioning Group continue to enable the Charity to provide a range of ongoing programmes including a 12-week programme funded by NHCCG, a programme designed for those with mild depression and anxiety.

- **Cardiac Rehabilitation Programme**

The Cardiac Rehabilitation Programme was suspended during FY2020-21 but has since re-commenced programme continues to be strong with 8 classes maintained each week throughout the year. Clients are referred from a specialist Cardiac Rehabilitation Centre in Alton, Hampshire, and are supervised at Basingstoke Sports Centre by BACPR (British Association for Cardiovascular Prevention and Rehabilitation) qualified instructors. Cardiac clients who received confirmation from their Cardiologist could enhance their facility usage outside of the Cardiac Classes.

- **Over 55s Sessions**

6 times a week supervised sessions continued to be provided for this user group at discounted rates. Activities predominantly include badminton, table tennis and dance classes. Senior swim continues to take place weekly and is well supported. We run an over 55s swim course on Thursday afternoons for beginners and improvers. Walking Football for the over 55s is also proving very popular.

- **Move Wellbeing Suites**

Move Wellbeing Suites, utilising Shapemaster equipment, opened in September 2019 at Basingstoke and November 2019 at Newbury. Investment was made to extend the Trusts health and wellbeing offer to provide for our increasing ageing population in Basingstoke and West Berkshire and for those with conditions that prevent them using traditional gyms. The investment also provides for a significant return through growing memberships for Move, further aiding the Trust in furthering its charitable objectives.

- **Children's Activities**

To encourage young children from one year of age to become involved in activity, unsupervised sessions are held seven days a week in the soft play area. Skills developed are balance, coordination and agility with strong attendances. Football sessions continue, four sessions a week, for children aged from 2 – 11 years, as well as a separate skill session for children aged 5 – 11 years. Junior Bootcamp sessions continue as do Mother and Baby Fitness Sessions. Gymwise (beginner's gym course for young adults with additional needs) continues to go from strength to strength. The Trust continues to run birthday parties in the soft play area for children up to 7 years of age, Sports Hall parties for children aged 7-12 years and Saturday evening pool parties, for all ages.

- **Scholarship Programme**

Basingstoke Sports Council – Athletes living in the Borough, who have represented the county in their sport, can apply each year for a Sports Trust Scholarship. This enables them to use the facilities at Basingstoke Sports Centre free of charge to further their development.

Hampshire Talented Athletes Scheme (HTAS) – Athletes living in the county can apply for a scholarship through the county sports partnership, Energise Me.

Achievements and performance (continued)

• **Health & Fitness**

A wide range of health and fitness provision is offered across both sites. All levels are catered for, with young people from 11 years being able to attend a wide range of classes accompanied by an adult. Income from health and fitness membership for the two sites was £699,231 for the year. The income provided by membership fees enabled the Trust to support the other activities already referred to.

• **Room Hire**

Room hire was significantly reduced during FY2020-21 due to covid-19 restrictions but since re-opening room hire has re-commenced with Ingeus (NHS Diabetes programme), and Solent NHS Trust. The Therapy Room continues to be occupied by Target Therapies and the hair salon is occupied by Krisa. At Newbury, the Skin Care Clinic continue to occupy the Club.

• **The Advancement of Amateur Sport**

The Trust supports local amateur sports clubs; these include the Bluefins Swimming Club who meet six times a week.

Clubs using "dry activities" include Pegasus Badminton Club, Challengers Badminton Club, Lynden Dance and Gymnastics, Basingstoke Squash Club, Soccer Strikers, Su-Ha-Ri Karate and Alchemy Dance.

Financial review

a. Principal Funding

The principal trading funding source was membership income during FY2021-22 of £728,410.

Grants were received from Basingstoke and Deane Borough Council of £24,085 and from West Berkshire Council of £3,000 during the financial year for support during the Covid-19 related lockdowns.

In addition, government support of £728,941 has been claimed during the financial year through the Coronavirus Job Retention Scheme (Furlough).

Due to the closure of both Basingstoke and Newbury sites during the national Covid-19 lockdowns, plus the ongoing reduction in income due to reduced footfall and social distancing measures, it was deemed necessary to apply for a Coronavirus Business Interruption Loan of £750,000. This was received in May 2020 and has been used as working capital to support the business until it can return to generating a cash positive position.

b. Investment Powers and Policy

Under the Memorandum and Articles of Association, the charity has the power to invest the monies of the charity not immediately required for its purpose in or upon such shares, investments, securities or property as may be thought fit. Aside from retaining a prudent amount in reserves most of the charity's funds are to be spent in the short term so there are currently no funds for long-term investment.

THE BASINGSTOKE AND DISTRICT SPORTS TRUST LIMITED
(A Company Limited by Guarantee)

TRUSTEES' REPORT (CONTINUED)
FOR THE YEAR ENDED 31 MARCH 2021

c. Reserves Policy

The Trustees have established a level of reserves (that is those funds that are freely available) that the charity ought to have. Unrestricted funds not committed or invested in tangible fixed assets held by the charity should be equivalent to at least three months of expenditure. Following the opening of bstFitness, Newbury in April 2015 and the increased expenditure, the charity continued to work towards increasing its unrestricted funds to meet this additional requirement.

However, as a result of the impact of the Covid-19 pandemic, the Total Reserves of the business were negative as at March 2021 at (£1,052,946). The value of restricted funds was £551,916 and the value of unrestricted reserves was (£1,604,862), including £1,543,000 of Pension Fund deficit. The Total Reserves continued to decline into FY2021-22 but is forecast to improve in the medium to long term.

d. Management of Risk

The Trust regularly reviews business risk and ensures, where practicable, actions are taken to mitigate and/or minimise the impact on its activities. The two key risks are usage due to competition, and temporary cessation of operating at one or both facilities due to major building fault(s).

A strategic approach is adopted for the pricing of all activities with consideration to the rest of the marketplace so that the best possible activities are provided at the best value prices. This helps our offer to remain competitive and targeted marketing ensures our message reaches the right audiences, which is now particularly important due to increased local competition during the year and the effect of Covid 19 on membership numbers and activity. Buildings leased by the Charity are fully insured via the appropriate landlords. Additional insurance is taken out for both tenant's improvements and contents with business interruption insurance in place to cover loss of revenue.

e. Restrictions on Distributions

The Memorandum of Association prohibits the distribution of income and property of the charity to the members. Upon dissolution or winding up of the charity, the assets shall be given or transferred to some similar institution or institutions having objects similar to the charity.

f. Remuneration

The Trustees set the remuneration for all staff. Pay awards for staff are considered and decided upon as part of the annual budget setting process. This includes the senior management team. Remuneration for the Chief Executive, as well as any changes to senior management remuneration due to revised/increased role and responsibilities, is decided upon by the Trustees Resources Committee or recommended by them to the full Board where necessary.

g. Tax Status

The charity is entitled to exemption from taxation on income and capital gains to the extent that its funds are applied for charitable purposes.

THE BASINGSTOKE AND DISTRICT SPORTS TRUST LIMITED
(A Company Limited by Guarantee)

TRUSTEES' REPORT (CONTINUED)
FOR THE YEAR ENDED 31 MARCH 2021

h. Pension Liability

The pension deficit has been taken into consideration by the Trustees in their assessment of the going concern position of the Charity. The Trustees consider that this risk does not call into question the going concern position of the charitable company as this is a long term liability which will be addressed over the length of the recovery plan and that additional payments are being made to reduce the deficit over this period. It is, therefore, not a liability that needs to be settled in the short term. Pension is showing a net deficit position in the 20-21 accounts prepared. Pension loss for the year has added a further loss to the results of £93k in 2020-21.

i. Going Concern

The global Coronavirus pandemic has had a major impact on the trading position of the Charity, both in FY2020-21 and going forward, in terms of reduced income and working capital. Both sites were completely closed for several months during the financial year, resulting in a very significant reduction of income during this time. In addition, as a result of some activities having delayed dates for re-commencement, and the impact of social distancing on both class sizes and individual sessions in the early months of FY21-22, together with continuing wariness of the Omicron variant has led to a much slower recovery for the business than was originally expected.

In response, the Charity has made full use of Government initiatives such as the Coronavirus Job Retention Scheme, reduced or eliminated areas of expense where practical and reviewed existing loan repayment schedules to maximise available working capital.

However, the Charity has been operating at a loss so far in FY2021-22 and has therefore seen a further reduction in cash reserves.

Cash Flow forecasts were prepared using the best information available which indicated that the Charity would only have sufficient working capital until early 2022 and then would not be able to fulfil its outstanding financial commitments.

In light of the above, the Charity have explored several potential options to avoid insolvency, including discussions with Greenwich Leisure Limited (GLL) regarding a potential merger. These discussions have led to GLL taking control of The Basingstoke and District Sports Trust through the resignation of existing Trustees and the appointment of 9 new Trustees on 14th December 2021. GLL have indicated their commitment to financially supporting the Basingstoke and District Sports Trust Ltd through the creation of a Loan Funding Agreement which will operate until The Basingstoke and District Trust Ltd is fully merged within GLL.

Therefore, after making appropriate enquires, the Trustees have a reasonable expectation that the Trust has adequate resources to continue in operational existence for the foreseeable future. For this reason, they continue to adopt the going concern basis in preparing the financial statements. Further details regarding the adoption of the going concern basis can be found in the Accounting Policies.

Structure, governance and management

a. Governing Document

The Basingstoke and District Sports Trust Limited is a company limited by guarantee governed by its Memorandum and Articles of Association, incorporated 20 May 1970. The governing document was replaced by Special Resolution on 28 March 2018 when it was updated and is predominantly now based on the Charity Commission's model articles. Anyone can become a member of the company, and there are currently 10 members each of which agreed to contribute £10 in the event of the charity winding up.

b. Methods of appointment or election of Trustees

The directors of the company are also charity Trustees under charity law. Under the requirements of the Memorandum and Articles of Association three directors must retire each year. All members of the Board are eligible to offer themselves for re-election. The Board members have the power to co-opt members. Co-opted members hold office for the period for which co-opted or, if not specified, for a period of one year. Basingstoke and Deane Borough Council has the right to nominate to the board one observer.

The nominee appointed by Basingstoke and Deane Borough Council is subject to the appointment process of that body and the guidelines on appointment to public office as they apply to local government nominees.

c. Policies adopted for the induction and training of Trustees

The Board comprises of 10 Trustees. Members come from a variety of professional backgrounds, all having a keen interest in the health and welfare of the local community. The Board meets eight times each year. Separate sub-committees meet as required, and include the Resources Committee dealing with Human Resources matters. A Chief Executive is appointed by the Trustees to manage the day-to-day operations of the charity. The Chief Executive has delegated authority for operational matters, including finance, employment and marketing. The Chief Executive is supported by heads of department, which include Finance, Operations, and Business Development.

All departmental heads are allocated budgets and are fully accountable for income and costs.

d. Related party relationships

The Charity has a close relationship with Basingstoke and Deane Borough Council who has supported the Charity since inception.

e. Risk management

The Trustees have conducted a review of the major risks to which the charity is exposed. A risk register has been established and is updated periodically. Appropriate systems and/or procedures have been established to manage the risks the charity faces. Further information on the approach to risk management and the register can be obtained by request.

f. Future developments

Following the change of control to Greenwich Leisure Ltd (GLL) in December 2021, the business will continue to monitor and forecast the on-going impact of the Coronavirus pandemic on the working capital of the business and will continue to implement all possible steps to ensure working capital is maximised. As explained in the Going Concern paragraph, several steps have already been implemented to this effect and these will be under regular review. GLL have committed to financially supporting the charity, with the aim of merging the charity into GLL in the short/medium future.

The Charity will capitalise on increasing visits to the pool area and will concentrate on providing an extensive Learn to Swim programme targeted primarily at young people. The C will also concentrate on providing an increased level of activity for young people aged 6 – 13 years outside the pool environment.

Expansion of the health and wellbeing programme to more of our local communities remains a key focus and the Trust is exploring how to provide for an inactive and ageing population within the catchment areas of its two sites. The Trust will continue to promote good health to the local community with the use of its facilities, particularly through membership of the Move Wellbeing Suites.

Auditors

Wise & Co Chartered Accountants were re-appointed as Auditors during the period.

Statement of Trustees' responsibilities

The Trustees (who are also the directors of the charity for the purposes of company law) are responsible for preparing the Trustees' Report and the financial statements in accordance with applicable law and United Kingdom Accounting Standards (United Kingdom Generally Accepted Accounting Practice).

Company law requires the Trustees to prepare financial statements for each financial year. Under company law, the Trustees must not approve the financial statements unless they are satisfied that they give a true and fair view of the state of affairs of the charity and of its incoming resources and application of resources, including its income and expenditure, for that period. In preparing these financial statements, the Trustees are required to:

- select suitable accounting policies and then apply them consistently;
- observe the methods and principles of the Charities SORP (FRS 102);
- make judgments and accounting estimates that are reasonable and prudent;
- state whether applicable UK Accounting Standards (FRS 102) have been followed, subject to any material departures disclosed and explained in the financial statements;
- prepare the financial statements on the going concern basis unless it is inappropriate to presume that the charity will continue in business.

The Trustees are responsible for keeping adequate accounting records that are sufficient to show and explain the charity's transactions and disclose with reasonable accuracy at any time the financial position of the charity and enable them to ensure that the financial statements comply with the Companies Act 2006. They are also responsible for safeguarding the assets of the charity and hence for taking reasonable steps for the prevention and detection of fraud and other irregularities.

**INDEPENDENT AUDITORS' REPORT TO THE MEMBERS OF THE BASINGSTOKE AND DISTRICT
SPORTS TRUST LIMITED**

Opinion

We have audited the financial statements of The Basingstoke and District Sports Trust Limited (the 'charity') for the year ended 31 March 2021 which comprise the Statement of Financial Activities, the Balance Sheet, the Statement of Cash Flows and the related notes, including a summary of significant accounting policies. The financial reporting framework that has been applied in their preparation is applicable law and United Kingdom Accounting Standards, including Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' (United Kingdom Generally Accepted Accounting Practice).

In our opinion the financial statements:

- give a true and fair view of the state of the charitable company's affairs as at 31 March 2021 and of its incoming resources and application of resources, including its income and expenditure for the year then ended;
- have been properly prepared in accordance with United Kingdom Generally Accepted Accounting Practice; and
- have been prepared in accordance with the requirements of the Companies Act 2006.

Basis for opinion

We conducted our audit in accordance with International Standards on Auditing (UK) (ISAs (UK)) and applicable law. Our responsibilities under those standards are further described in the Auditors' responsibilities for the audit of the financial statements section of our report. We are independent of the charitable company in accordance with the ethical requirements that are relevant to our audit of the financial statements in the United Kingdom, including the Financial Reporting Council's Ethical Standard, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our opinion.

Material uncertainty related to going concern

We draw attention to note 2.2 in the financial statements, which indicates that losses continue to be made for the year ended 31 March 2021 and into the year to date, that the charity would only have sufficient working capital to early 2022 without additional measures and that the negative effect of the coronavirus pandemic on the operating position and cash flows cast significant doubt on the charitable company's ability to continue as a going concern. As stated in note 2.2, these events or conditions, along with the other matters as set forth in note 2.2, indicate that a material uncertainty exists that may cast significant doubt on the charitable company's ability to continue as a going concern. Our opinion is not modified in respect of this matter.

In auditing the financial statements, we have concluded that the Trustees' use of the going concern basis of accounting in the preparation of the financial statements is appropriate.

Our responsibilities and the responsibilities of the Trustees with respect to going concern are described in the relevant sections of this report.

Other information

The other information comprises the information included in the Annual Report other than the financial statements and our Auditors' Report thereon. The Trustees are responsible for the other information contained within the Annual Report. Our opinion on the financial statements does not cover the other information and, except to the extent otherwise explicitly stated in our report, we do not express any form of assurance conclusion thereon. Our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the financial statements or our knowledge obtained in the course of the audit, or otherwise appears to be materially misstated. If we identify such material inconsistencies or apparent material misstatements, we are required to determine whether this gives rise to a material misstatement in the financial statements themselves. If, based on the work we have performed, we conclude that there is a material misstatement of this other information, we are required to report that fact.

We have nothing to report in this regard.

Opinion on other matters prescribed by the Companies Act 2006

In our opinion, based on the work undertaken in the course of the audit:

- the information given in the Trustees' Report for the financial year for which the financial statements are prepared is consistent with the financial statements.
- the Trustees' Report has been prepared in accordance with applicable legal requirements.

Matters on which we are required to report by exception

In the light of our knowledge and understanding of the charitable company and its environment obtained in the course of the audit, we have not identified material misstatements in the Trustees' Report.

We have nothing to report in respect of the following matters in relation to which Companies Act 2006 requires us to report to you if, in our opinion:

- adequate accounting records have not been kept, or returns adequate for our audit have not been received from branches not visited by us; or
- the financial statements are not in agreement with the accounting records and returns; or
- certain disclosures of Trustees' remuneration specified by law are not made; or
- we have not received all the information and explanations we require for our audit; or
- the Trustees were not entitled to prepare the financial statements in accordance with the small companies regime and take advantage of the small companies' exemptions in preparing the Trustees' Report and from the requirement to prepare a Strategic Report.

Responsibilities of trustees

As explained more fully in the Trustees' Responsibilities Statement, the Trustees (who are also the directors of the charitable company for the purposes of company law) are responsible for the preparation of the financial statements and for being satisfied that they give a true and fair view, and for such internal control as the Trustees determine is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, the Trustees are responsible for assessing the charitable company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the Trustees either intend to liquidate the charitable company or to cease operations, or have no realistic alternative but to do so.

Auditors' responsibilities for the audit of the financial statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an Auditors' Report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with ISAs (UK) will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

Irregularities, including fraud, are instances of non-compliance with laws and regulations. We design procedures in line with our responsibilities, outlined above, to detect material misstatements in respect of irregularities, including fraud. The extent to which our procedures are capable of detecting irregularities, including fraud is detailed below:

We gained an understanding of the legal and regulatory framework applicable to the company and the industry in which it operates, and considered the risk of acts by the company that were contrary to applicable laws and regulations, including fraud. We designed audit procedures to respond to the risk, recognising that the risk of not detecting a material misstatement due to fraud is higher than the risk of not detecting one resulting from error, as fraud may involve deliberate concealment by, for example, forgery or intentional misrepresentations, or through collusion.

We focussed on laws and regulations which could give rise to a material misstatement in the financial statements, including, but not limited to, the Charities Act 2011, the Companies Act 2006 and UK tax legislation.

Our tests included agreeing the financial statement disclosures to underlying supporting documentation and enquiries with management. There are inherent limitations in the audit procedures described above and, the further removed non-compliance with laws and regulations is from the events and transactions reflected in the financial statements, the less likely we would become aware of it. We did not identify any key audit matters relating to irregularities, including fraud. As in all our audits, we also addressed the risk of management override of internal controls, including testing journals and evaluating whether there was evidence of bias by the directors that represented a risk of material misstatement due to fraud.

A further description of our responsibilities for the audit of the financial statements is located on the Financial Reporting Council's website at: www.frc.org.uk/auditorsresponsibilities. This description forms part of our Auditors' Report.

Use of our report

This report is made solely to the charitable company's members, as a body, in accordance with Chapter 3 of Part 16 of the Companies Act 2006. Our audit work has been undertaken so that we might state to the charitable company's members those matters we are required to state to them in an Auditors' Report and for no other purpose. To the fullest extent permitted by law, we do not accept or assume responsibility to anyone other than the charitable company and its members, as a body, for our audit work, for this report, or for the opinions we have formed.

THE BASINGSTOKE AND DISTRICT SPORTS TRUST LIMITED
(A Company Limited by Guarantee)

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 MARCH 2021

1. General information

Basingstoke & District Sports Trust Limited is a private charitable company limited by guarantee. The members of the company are the Trustees named on page 1. In the event of the charity being wound up, the liability in respect of the guarantee is limited to £10 per member of the charity.

The company is incorporated in England & Wales. The registered office and principal address is Basingstoke Sports Centre, Festival Place, Basingstoke, Hampshire, RG21 7LE.

2. Accounting policies

2.1 Basis of preparation of financial statements

The financial statements have been prepared in accordance with the Charities SORP (FRS 102) - Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019), the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) and the Companies Act 2006.

The Basingstoke and District Sports Trust Limited meets the definition of a public benefit entity under FRS 102. Assets and liabilities are initially recognised at historical cost or transaction value unless otherwise stated in the relevant accounting policy.

The preparation of financial statements in compliance with FRS 102 requires the use of certain critical accounting estimates. It also requires management to exercise judgment in applying the charitable company's accounting policies. Estimates and judgments are continually evaluated by Management and the Trustees based on historical experience and other factors including expectations of future events that are believed to be reasonable under the circumstances.

The charity's operating currency is GB pounds sterling and the figures are rounded to the nearest £1.

These financial statements present information about the company as an individual undertaking and not about its group. The company is exempt from the preparation of group accounts under section 402 of the Companies Act 2006 as its only subsidiary undertaking can be excluded from consolidation under section 405 as it is dormant for the purposes of giving a true and fair view.

FOR THE YEAR ENDED 31 MARCH 2021

2. Accounting policies (continued)

2.2 Going concern

These financial statements have been prepared on the going concern basis which assumes that the charitable company will continue in operation for the foreseeable future, considered to be at least 12 months from the date of signing these financial statements.

The global Coronavirus pandemic has had a major impact on the trading position of the Trust, both in FY2020-21 and going forward, in terms of reduced income and working capital. Both sites were completely closed for several months during the financial year, resulting in a very significant reduction of income during this time. In addition, as a result of some activities having delayed dates for re-commencement, and the impact of social distancing on both class sizes and individual sessions in the early months of FY21-22, together with continuing wariness of the Omicron variant has led to a much slower recovery for the business than was originally expected.

In response, the Trust has made full use of Government initiatives such as the Coronavirus Job Retention Scheme, reduced or eliminated areas of expense where practical and reviewed existing loan repayment schedules to maximise available working capital.

However, the Trust has been operating at a loss so far in FY2021-22 and has therefore seen a further reduction in cash reserves.

Cash Flow forecasts were prepared using the best information available which indicated that the Trust would only have sufficient working capital until early 2022 and then would not be able to fulfil its outstanding financial commitments.

In light of the above, the Trust have explored several potential options to avoid insolvency, including discussions with Greenwich Leisure Limited (GLL) regarding a potential merger. These discussions have led to GLL taking control of The Basingstoke and District Sports Trust through the resignation of existing Trustees and the appointment of 9 new Trustees on 15th December 2021. GLL have indicated their commitment to financially supporting the Basingstoke and District Sports Trust Ltd through the creation of a Loan Funding Agreement which will operate until The Basingstoke and District Trust Ltd is fully merged within GLL.

Therefore, after making appropriate enquires, the Trustees have a reasonable expectation that the Trust has adequate resources to continue in operational existence for the foreseeable future. For this reason, they continue to adopt the going concern basis in preparing the financial statements.

**NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 MARCH 2021**

2. Accounting policies (continued)

2.3 Incoming resources

Provision of facilities

Entrance fees are recognised as they are received. Membership subscriptions are recognised as income evenly over the period to which the membership relates.

Donations

Donations are recognised as income when they are received.

Grants

Grants receivable are recognised in the financial statements once the conditions relating to their receipt have been satisfied. Grants received in relation to fixed assets have been recognised upon receipt as a restricted reserve which is released in line with the depreciation on these assets. Annual operating grants have been classified as income from charitable activities.

Investment Income

Investment income is recognised as it becomes receivable.

Gifts and donations in kind

Gifts and donations in kind are included in the financial statements as gifts and donations with a corresponding expense where the amount of the gift or donation is quantifiable.

The donation in kind relating to the pool redevelopment in 2008 was recognised upon receipt as a restricted reserve which is being released in line with the depreciation of these assets.

2.4 Resources expended

Resources expended are included in the Statement of Financial Activities on an accruals basis. Certain expenditure is directly attributable to specific activities and has been included in those cost categories. Certain other costs, which are attributable to more than one activity, are apportioned across cost categories on the basis of an estimate of the proportion of time spent by staff on those activities.

Governance costs include those costs associated with meeting the constitutional and statutory requirements of the charity and include audit fees.

Due to its Charitable Trust status, the company follows partial exemption rules for VAT. Only VAT on costs for the part of the business that is fully taxable is claimed back, which includes the café and vending. Non-business income includes grants and donations. All other costs are posted to the Statement of Financial Activity at gross cost. On a quarterly basis, the partial exemption calculation is then completed and an adjustment for the total claimable VAT on these costs is written to the Statement of Financial Activity.

Costs of generating funds are costs incurred in attracting voluntary income, and those incurred in trading activities that raise funds.

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 MARCH 2021

2. Accounting policies (continued)

2.4 Resources expended (continued)

Expenditure is recognised once there is a legal or constructive obligation to transfer economic benefit to a third party, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is classified by activity. The costs of each activity are made up of the total of direct costs and shared costs, including support costs involved in undertaking each activity. Direct costs attributable to a single activity are allocated directly to that activity. Shared costs which contribute to more than one activity and support costs which are not attributable to a single activity are apportioned between those activities on a basis consistent with the use of resources. Central staff costs are allocated on the basis of time spent, and depreciation charges allocated on the portion of the asset's use.

Expenditure on charitable activities is incurred on directly undertaking the activities which further the charity's objectives, as well as any associated support costs.

2.5 Interest receivable

Interest on funds held on deposit is included when receivable and the amount can be measured reliably by the trust; this is normally upon notification of the interest paid or payable by the Bank.

2.6 Tangible fixed assets and depreciation

Tangible fixed assets costing £1,000 or more are capitalised and recognised when future economic benefits are probable and the cost or value of the asset can be measured reliably.

Tangible fixed assets are initially recognised at cost. After recognition, under the cost model, tangible fixed assets are measured at cost less accumulated depreciation and any accumulated impairment losses. All costs incurred to bring a tangible fixed asset into its intended working condition should be included in the measurement of cost.

Depreciation is provided at rates calculated to write off the cost or valuation less estimated residual value of each asset, over its expected life. Assets are charged a full month's depreciation in the month of addition and none in the month of disposal.

Depreciation is provided on the following bases:

Leasehold property (Initial cost)	- 2% straight line
Leasehold improvements	- 5-20% straight line
Fixtures and fittings	- 10-20% straight line
Sports equipment	- 10-25% straight line
Computer equipment	- 33.3% straight line

2.7 Investments

Investments are stated at cost.

2.8 Stocks

Stocks are valued at the lower of cost and net realisable value. Cost is calculated on a first in first out basis. Net realisable value is estimated after allowing for any further cost to realisation.

NOTES TO THE FINANCIAL STATEMENTS
FOR THE YEAR ENDED 31 MARCH 2021

2. Accounting policies (continued)

2.9 Debtors

Trade and other debtors are recognised at the settlement amount after any trade discount offered. Prepayments are valued at the amount prepaid net of any trade discounts due.

2.10 Cash at bank and in hand

Cash at bank and in hand includes cash and short-term highly liquid investments with a short maturity of three months or less from the date of acquisition or opening of the deposit or similar account.

2.11 Liabilities and provisions

Liabilities are recognised when there is an obligation at the Balance Sheet date as a result of a past event, it is probable that a transfer of economic benefit will be required in settlement, and the amount of the settlement can be estimated reliably.

Liabilities are recognised at the amount that the charity anticipates it will pay to settle the debt or the amount it has received as advanced payments for the goods or services it must provide.

Provisions are measured at the best estimate of the amounts required to settle the obligation. Where the effect of the time value of money is material, the provision is based on the present value of those amounts, discounted at the pre-tax discount rate that reflects the risks specific to the liability. The unwinding of the discount is recognised within interest payable and similar charges.

2.12 Financial instruments

The trust only has financial assets and financial liabilities of a kind that qualify as basic financial instruments. Basic financial instruments are initially recognised at transaction value and subsequently measured at their settlement value with the exception of bank loans which are subsequently measured at amortised cost using the effective interest method.

2.13 Leases

Rentals paid under operating leases are charged against income on a straight line basis over the lease term.

Benefits received and receivable as an incentive to sign an operating lease are recognised on a straight line basis over the lease term.

FOR THE YEAR ENDED 31 MARCH 2021

2. Accounting policies (continued)

2.14 Pensions

The charity operates a defined contribution pension scheme and the pension charge represents the amounts payable by the trust to the fund in respect of the year.

Retirement benefits are provided by the Local Government Superannuation Scheme (LGSS). This is a defined benefit scheme which is externally funded. The Fund Administering Authority is Hampshire County Council. Contributions to the scheme are calculated so as to spread the cost of pensions over employees' working lives in such a way that the pensions cost is a substantially level percentage of present and future pensionable payroll. The contributions are determined by qualified actuaries on the basis of triennial valuations using the projected unit method. This scheme was closed to new members and from 1 May 2014 and a group defined contribution scheme was made available under auto-enrolment.

2.15 Fund accounting

Funds held by the charity are either:

General funds

These are funds which can be used in accordance with the charitable objects at the discretion of the Trustees.

Pension fund deficit

This relates to the deficit on the charitable company's proportion of the LGSS pension scheme.

Restricted funds

These are funds that can only be used for particular restricted purposes within the objects of the charity. Restrictions arise when specified by the donor or when funds are raised for particular restricted purposes. Further explanation of the nature and purpose of each fund is included in the notes of the financial statements.

3. Critical accounting estimates and areas of judgment

Estimates and judgments are continually evaluated and are based on historical experience and other factors, including expectations of future events that are believed to be reasonable under the circumstances.

Critical accounting estimates and assumptions:

The charity makes estimates and assumptions concerning the future. The resulting accounting estimates and assumptions will, by definition, seldom equal the related actual results. The estimates and assumptions that have a significant risk of causing a material adjustment to the carrying amounts of assets and liabilities within the next financial year are discussed below.

Life of the assets and depreciation rates

Management assess the life of assets and depreciation rates by using historic experience and considering the type of assets.

Treatment of leases - operating or finance leases

Management assess the classification and treatment of leases based on the factors set out in FRS102. Leases are then either classified as an operating or finance lease.

Defined benefit pension valuation

Management use the valuation report prepared by AON Solutions UK Limited, for Hampshire County Council, to value the defined benefit pension scheme.

21. Statement of funds (continued)

Pool redevelopment represents £2,470,000 received in 2008 as a donation in kind relating to the redevelopment of the swimming pool. This is being released in line with the depreciation on the asset acquired.

The men's changing room and lift refurbishments represent grants received of £50,000 and £102,000 respectively, which are also being released in line with depreciation.

In the year ended 31 March 2019 a grant was received totalling £122,500. The grant was received for the ladies' changing room and air conditioning in the Shape ladies' gym, split £104,241 and £18,259, respectively. This is being released in line with depreciation. Conditions of the grant include the use of the assets for a period of not less than 7 years, plus after one year of completion, outcomes are to be monitored, checked and evidence shown to ensure that the upgraded facilities are being used for the purpose initially stated, this includes carrying out a survey and showing an increase in female membership.

In the year ended 31 March 2020 a grant was received totalling £20,000 from the North Hampshire Clinical Group (CCG) for the provision of programmes tailored for people with mental health needs.

27. Pension commitments

The charity operates a defined benefit pension scheme.

There is a defined contribution auto-enrolment scheme which started in May 2014 and is with Aviva. The assets of the scheme are held separately from those of the charity in an independently administered fund. The contributions payable by the company to the fund amounted to £15,705 (2020: £19,518). There were no outstanding contributions to the fund at the year end (2020: £nil).

The charity operates a defined benefit pension scheme. This is a Local Government Superannuation Scheme (LGSS). The LGSS is a funded scheme, with the assets held in separate trustee-administered fund. The employer is the Basingstoke and District Sports Trust and the Fund Administering Authority is Hampshire County Council. The amounts in the financial statements for the year ended 31 March 2021 relating to pensions were based on a full actuarial valuation at 31 March 2019, by a qualified independent actuary, the actuary has rolled forward to 31 March 2021. The LGSS scheme is closed to new members.

The other key assumption is mortality rates. The mortality assumptions at the accounting date are based on actual mortality experience of members within the fund based on analysis carried out as part of the 2019 Actuarial Valuation, and allow for expected future mortality improvements. Sample life expectancies at age 65 in normal health resulting from these mortality assumptions are:

	At 31 March 2021 Years	At 31 March 2020 Years
Mortality rates (in years)

29. Related party transactions

No transaction with related parties occurred in the year that are required to be disclosed under Charities SORP (FRS 102).

30. Post balance sheet events

Since the Covid-19 pandemic began in early 2020, The Basingstoke and District Sports Trust Ltd has been under significant cash-flow pressure, as country wide lockdowns and public uncertainty have reduced membership numbers and limited activities on offer. In the light of the above, the Board of Trustees explored a range of options which would give the charity sufficient time to re-build its financial reserves. One of the options considered was a merger with another organisation that had similar aims, and this led to merger discussions with Greenwich Leisure Ltd.

On the 14th December 2021 the entire Board of Trustees voted to resign and was replaced on 15th December 2021 by new Trustees, made up of individuals nominated by Greenwich Leisure Ltd. This gave Greenwich Leisure Ltd (GLL) control of The Basingstoke and District Sports Trust Ltd and facilitated the commencement of financial support through an Inter-company loan arrangement until the charity can be fully merged into GLL.

It is GLL's intention to fully merge The Basingstoke and District Sports Trust Ltd into the existing GLL legal entity, and to then close The Basingstoke and District Sports Trust Ltd as a company registered at Company's House and as a charity registered with the Charity Commission. This will be done as soon as is practical and once completed, the sports centres at Basingstoke and Newbury will be much more financially secure moving forward.
