

Good morning everyone & thank you for giving up
your Monday morning to attend the 12th Annual Village
Association A.G. 17. We are making today today as
this is the first time we have held an A.G. 17. only
10 months since our last one held in May 2021.
But the accounts have been Audited - for 11 back
from the Carthage & I am trying to hold our
meeting closer to the end of our financial year.
As I mentioned in my Chairman's report last year
I had hoped that village like use of the hall
would soon return to normality. But we are
not there yet are we. Our elderly residents &
organisations are still nervous about
meeting in large numbers but they are slowly
returning & at present we do have 13 groups
using the hall which does include the
library. Unfortunately we are still without
the Pop-in group which is a great loss to
village life. It was started by Sonia Collier
with the help of her husband Richard & with
the help of volunteers from the Gloucestershire
Trustship and committees all these
Thursday morning coffee meetings & also due
to our very low rental for use of the hall,
over the years several thousands of pounds

2 have been donated to Naom's (house) for sewing. I also hope that the Chinese will make 10-12 more to provide again this special meeting opening for our residents. Thank you again Sonia for spreading so much pleasure through your coffee mornings.

Last year, with so little use being made of the hair there was not quite so much general cleaning needed. so following the 17th A.G. 17, ~~the~~ 17th. Keith 17th. Keith being an extremely capable decorator & handyman transformed the hall with a complete painting & plastering session. He also greatly improved the entrance with 2 attractive & colourfully painted pots. Thank you Keith & for always being ready to help with any problems. You are much appreciated.

We would also like to thank our

valued cleaners 17. Paul 17th

who ensures that the Village Hall

Village Hall meetings are always bright & lively & he very kindly gives this service for free. We are also indebted to 17a1c at Village House for being a hostess for the village hall ^{which} they ^{very} kindly makes running the hall easier for everyone. What can I say about the library? Reading group meeting ^{which} is held voluntarily they are all a charming & hard working group of 17a1c. Jill Mill. They the leadership of 17a1c a main welcome & provide a constant variety of books, & now, a popular selection of 17a1c. Puzzles; Apart from library are the they also hold a monthly book sale - do support them. They have a wonderful selection of good quality books. Their sales are held on the second Saturday morning of the month, ~~so the~~ ^{the} I am sure you would find a good read. They have also been busy pursuing opportunities for grants. Not look forward to having a full library report from our library representative

During the year we have held several committee meetings mostly concerned with possible work needed on the structure of the hall. As we are anxious to do our best to maintain it in a safe & attractive condition - we were very grateful to Mr. Bob Buring for organizing an inspection of the roof by a leading local firm & to our enormous relief we were assured that it was safe for several years to come. However that was before storm & ^{fall} had fallen & there was a small amount of water damage. Mr. Christopher Hobbs has found a local builder who is willing to do some investigations work which will be discussed at our committee meeting following the A.C.I.T. I am sorry to report that we have just received notice that Mr. Neal will be vacating the village hall office in June. This will be more loss of income ^{to M.V.A.} it would be good to find

1/2 a new tenant who would be happy to share the space with my 9 sons & 2 daughters. I am happy to share a possible tenant, moving from home & needing with - please get in touch.

I don't think I have anything else to report - but I am pleased to have an opportunity to thank all of you who volunteered to keep the village hall & library operating. all of you have different strengths & I thank you all for your contribution & friendship. Thank you & I couldn't do this job without you -
