### **Report of the Trustees for the Year Ended 31 March 2023**

The trustees present their report with the financial statements of the charity for the year ended 31 March 2023. The trustees have adopted the provisions of Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019).

#### **OBJECTIVES AND ACTIVITIES**

##### **Objectives and aims**

Bournemouth YMCA was the sole trustee throughout the year and the Charity runs the Pokesdown Community Youth Centre. Appointment of the Trustee was made by a Charity Commission Scheme dated 21 November 2000. Strategic decisions are made by the Board of Trustees of Bournemouth YMCA, with the chairman holding the casting vote.

The objective of the charity as set out in the constitution is: -

To help educate boys and girls through their leisure time activities and so to develop their physical, mental and spiritual capacities that they may grow to full maturity as individuals and members of society and their conditions of life may be improved.

The Trustees have had regard to Charity Commission guidance on public benefit.

#### **ACHIEVEMENT AND PERFORMANCE**

##### **Charitable activities**

Pokesdown Community Youth Centre continues to operate as a youth centre in the Southbourne area of Bournemouth. Pokesdown is one of the oldest youth clubs in the country with thousands of young people having benefited over 100+ years.

Pokesdown Youth provides a safe place for young people to go, providing positive opportunities for them to develop personal and social/interpersonal skills. They are supported by trained youth workers, who are able to advise, encourage and work with young people at a critical time in their lives, to maximise their potential.

Open youth work sessions were initially run one night a week, but numbers remained low, and the sessions stopped later on in the year, with the intent to restart sessions again during 2023/2024. Other children and youth work took place from the facilities throughout the year and we also used a room for the YMCA's Counselling service to provide support to the staff working in the building and for their clients.

Lettings of premises help to make the centre financially viable when not in use by the youth team or for other children and youth activities. Our office hirers 365 Degree Learning continued to do be in throughout the year. Mr G Nicholls, who produces/mixes music for the game/motion picture industry, also continued to hire the upstairs sound room on a permanent basis. The hall bookings continued to grow over the year with more regular hirers, including ongoing use by a Church, and one-off birthday/anniversary parties and exercise classes being held. Income from lettings amounted to £42,529 for the year compared to a budget of £35,750.

#### **FINANCIAL REVIEW**

##### **Financial position**

In 2022/23, the charity experienced a net surplus for the year of £9,415 and increases the reserves to £94,825, of which £36,248 are restricted. Reserves are held for the furtherance of the development of the activities of Pokesdown Community Youth Centre and its premises, with the restricted reserves specifically for providing youth work for the Centre.

The Battersby Trust have continued to secure youth work in the Pokesdown area with funding of £6,000 released throughout the year.

YMCA Bournemouth continued to be proactive in increasing resources to the fundraising team throughout the period to ensure the ongoing sustainability of the charity. The charity undertakes its own fundraising activities and does not use the services of a professional fundraiser or commercial participator. In doing so, it provides information to individuals who express an interest in donating to the charity or leaving a legacy, but it does not directly canvass individuals for fundraising purposes but relies on Charitable Trusts for financial support.

YMCA Bournemouth is registered with the Chartered Institute of Fundraising and has produced a fundraising strategy for the future. During the year 2022/2023 the charity has received no complaints in respect of the charity's fundraising activities.

Total expenditure for the year was £39,409 compared to the budget of £32,090. All financial commitments were met, and all compliance works completed. There was no capital investment in the centre in this financial year.

The Trustees consider that the financial performance reflects the activity undergone in the period and continue to be satisfied that future benefits will be derived from them.

The report is a fair review of the Pokesdown Community and Youth Centre's business and is in accordance with the SORP.

#### **FUTURE PLANS**

Ongoing promotion of the community hall, youth areas and music facilities will continue to help find regular income streams which will enable the sustainability of the youth work. We aim to restart regular youth weekly sessions to support the young people in the Pokesdown and Southbourne areas. We also want to develop the counselling offer from the Youth Centre to support more young people as well as other clients and staff.

The Trustees are committed to focussing on the Christian ethos of the Charity and develop and expand this area as a support mechanism to the youth work.

In conclusion, the trustees would like to record our thanks to everyone involved and committed to the Charity who tirelessly and sacrificially give of themselves for the benefit of others and to the youth workers who have responded to challenges that have arisen over the year.

#### **STRUCTURE, GOVERNANCE AND MANAGEMENT**

##### **Governing document**

Bournemouth YMCA are the sole trustees of the Charity.

Bournemouth YMCA is governed by its Memorandum and Articles of Association. Trustees are elected Full Members of the Association at the Annual General Meeting. The Board of Trustees have power of co-option, up to one third of its numbers during the year and such person co-opted are eligible for election at the next AGM.

##### **Structure of Group**

Bournemouth YMCA (Company No. 3817056 and Charity No. 1078728) act as the parent to Pokesdown Community Youth Centre. Full consolidated accounts for these two entities along with other group member Townsend Youth Partnership (Company No. 04236016 and Charity No. 1093213) can be found in the accounts section of the Bournemouth YMCA page on the Charity Commission.

### **Report of the Trustees for the Year Ended 31 March 2023**

#### **STRUCTURE, GOVERNANCE AND MANAGEMENT**

##### **Risk management**

The major risks during the period were to the funding of the youth work, which is secured for the next three years, which ensures the financial viability in the medium term. The continuing effect of the COVID19 pandemic resulted in a high risk to the charity and was reflected in the Risk Register and additional grant funding applications were made to sustain the charity through this time.

The continual updating of Policies and Procedures remained a key priority, together with the Risk Register.

A review of the major risks to which the charity is exposed has been undertaken and systems established to mitigate those risks.

##### **KPI's**

Key Performance Indicators are set for the department and are regularly reviewed to ensure quality of provision and performance by the youth team.

Annual Appraisals are undertaken which allows for a continuing assessment of performance and corrective action if required.

**Independent examiner's statement**

I have completed my examination. I confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

2. the accounts do not accord with those records; or
3. the accounts do not comply with the applicable requirements concerning the form and content of accounts set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the accounts give a true and fair view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the accounts to be reached.

## **Pokesdown Community Youth Centre**

### **Notes to the Financial Statements for the Year Ended 31 March 2023**

#### **1. LEGAL FORM**

Pokesdown Community Youth Centre is a registered charity, registration number 301918, registered in the United Kingdom. The registered address of the charity is Delta House, 56 Westover Road, Bournemouth, Dorset, BH1 2BS. The nature of the charity's operations and principal activities are described in the Trustees annual report.

#### **2. ACCOUNTING POLICIES**

##### **Basis of preparing the financial statements**

The financial statements of the charity, which is a public benefit entity under FRS 102, have been prepared in accordance with the Charities SORP (FRS 102) 'Accounting and Reporting by Charities: Statement of Recommended Practice applicable to charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) (effective 1 January 2019)', Financial Reporting Standard 102 'The Financial Reporting Standard applicable in the UK and Republic of Ireland' and the Charities Act 2011. The financial statements have been prepared under the historical cost convention.

These accounts are compliant with Update Bulletin 1 and FRS 102 Section 1A.

##### **Name of parent of group**

These financial statements are consolidated in the financial statements of Bournemouth Young Men's Christian Association.

The financial statements of Bournemouth Young Men's Christian Association (Charity no. 1078728) may be obtained from the Charity Commission.

##### **Critical accounting judgements and key sources of estimation uncertainty**

In the application of the charity's accounting policies, the trustees are required to make judgements, estimates and assumptions about the carrying amounts of assets and liabilities that are not readily apparent from other sources. The estimates and associated assumptions are based on historical experience and other factors that are considered to be relevant. Actual results may differ from these estimates.

The estimates and underlying assumptions are reviewed on an ongoing basis. Revisions to accounting estimates are recognised in the period in which the estimate is revised if the revision affects only that period, or in the period of the revision and future periods if the revision affects both current and future periods.

Freehold land has not been depreciated because the trustees consider the high level of ongoing maintenance extends the life of the asset for an indefinite period. The trustees have considered whether any impairment has occurred and are not aware of any events or matters (such as damage or exceptional deterioration) that will require a write down against the carrying value of the property.

Following review of fixed assets in the year the depreciation rate has been changed from the start of this period in relation to fixtures and fittings. The new policy is detailed in the depreciation and amortisation accounting policy below.

##### **Income**

###### **Donations**

Donations and grants are recognised on a receivable basis when receipt is probable and the amount can be reliably measured.

###### **Grants receivable**

Grants (including government grants) are recognised when the charity has an entitlement to the funds and any conditions linked to the grants have been met. Where performance conditions are attached to the grant and are yet to be met, the income is recognised as a liability and included on the balance sheet as deferred income to be released.

**Pokesdown Community Youth Centre**

**Notes to the Financial Statements - continued  
for the Year Ended 31 March 2023**

**2. ACCOUNTING POLICIES - continued**

**Income**

**Other trading activities**

Fees receivable and charges for services are accounted for in the period in which the service is provided.

**Investment income**

Investment income is recognised on a receivable basis.

**Charitable activities**

Income from charitable activities includes income recognised as earned (as the related goods or services are provided).

**Expenditure**

Liabilities are recognised as expenditure as soon as there is a legal or constructive obligation committing the charity to that expenditure, it is probable that a transfer of economic benefits will be required in settlement and the amount of the obligation can be measured reliably. Expenditure is accounted for on an accruals basis and has been classified under headings that aggregate all cost related to the category. Where costs cannot be directly attributed to particular headings they have been allocated to activities on a basis consistent with the use of resources.

**Charitable activities**

Charitable expenditure comprises those costs incurred by the Charity in the delivery of its activities and services for its beneficiaries. It includes both costs that can be allocated directly to such activities and those costs of an indirect nature necessary to support them.

**Support costs**

Support costs include central functions and have been allocated to activity cost categories on a basis consistent with the use of resources, for example, allocating property costs by floor areas, or per capita, staff costs by the time spent and other costs by their usage.

**Governance costs**

These include the costs attributable to the Charity's compliance with constitutional and statutory requirements, including independent examination, strategic management and Trustee's meetings and reimbursed expenses.

**Tangible fixed assets**

Individual fixed assets costing £500 or more are initially recorded at cost.

**Depreciation and amortisation**

Fixtures and fittings brought forward at the 1 January 2019 are depreciated on a four year straight line basis using the net book value brought forward as at 1 January 2019.

Any new additions after this date are depreciated at cost over the useful economic life of the asset. All the depreciation policies for new additions from the 1 January 2019 are summarised below.

Depreciation is provided on tangible fixed assets so as to write off the cost or valuation, less any estimated residual value, over their expected useful economic life as follows:

<b>Asset class</b>	<b>Depreciation method and rate</b>
Furniture and equipment	4 year Straight Line
Land	Not depreciated

**Taxation**

The charity is exempt from tax on its charitable activities.
