Financial Review

Review of the charity's financial position at the end of the period	Para 1.21	Income for the year was higher than previous years due to increased lettings and carefully considered rate increases to ensure we maintain sufficient funds to cover regular costs and one off planned and emergency maintenance. This resulted in a surplus after normal running costs and one off maintenance expenditure and a healthy reserves balance at the end of the year.
Statement explaining the policy for holding reserves stating why they are held	Para 1.22	The hall is an old building which requires regular maintenance which can be expensive. While grants may be available in some circumstances the charity have a policy of holding reserves to ensure all routine and emergency maintenance costs can be met as they fall due. To provide a fund for future expected costs a designated maintenance fund of £20000 was agreed as at the year end.
Amount of reserves held	Para 1.22	Reserves at the year end were approximately £37000 including the designated maintenance fund of £20000.
