#### ***HFYFC Annual Report – Grace Welling***

*I wish to give a brief report on another brilliant year of Hampshire YFC.*

*We always start off the new year with the 'dreaded' public speaking competitions. This year the Junior competition was kindly hosted by Beaulieu YFC with competitors taking part in the public speaking, reading and member of the year competitions. Although the winning Beaulieu team were absolutely brilliant (even bringing out the old laying flowers on the table trick), Ted Stride was my personal highlight. Never before, and I suspect never since, will I hear such a passionate reading of the farm sales section of Farmers Weekly.*

*In February Robyn Gibbons kindly represented Hampshire YFC at the NFU Conference in Birmingham. She fed back the experience to the committee including the speech by our 'not so current' prime minister Rishi Sunak.*

*March is always a particular calendar favourite for HFYFC standing host to our much anticipated Farm Skills Day. Activities spanning from hazard perception, to safe gun handling and even pairs blindfold 4 x 4 reversing (a particularly nerve racking competition for the judge). The event was a brilliant success with over 90 members attending the day. The day couldn't run without our judges, stewards, and parent helpers which we are always grateful for. As always though, we are especially grateful to Crawfords host welcoming us back year after year and for putting in a huge amount of work to make sure the day happens!*

*March was particularly busy this year as we also hosted the South East Area Spring Competitions at Sparsholt College with over 100 YFC members from across the South East attending a full day of competitions which included volleyball, public speaking competitions, choir and even Disco Dancing. It was brilliant to be able to welcome the Mayor of Winchester to the day to observe the brilliant standard of public speaking on display and even better to see some brilliant Hampshire results placing 3rd in Public Speaking, 2nd in Situations Vacant, 2nd in Volleyball and 1st in Junior Member of the Year.*

*In April 2024 we hosted another brilliant stockjudging day. This time with some brilliant beef animals to judge thanks to the kind support of neighbouring Eddy Wheeler. We continue to be extremely grateful to Sparsholt College for allowing us to utilise the campus and for all of their help preparing pens of stock for the competitions day. It was brilliant that, this year, Julie Milburn could attend to view firsthand some of what was a brilliant day. Thank yous must also go to Ed Sibley, Kieron Thomas and all of our stewards and judges for support on the day. John and Wendy Bedford also kindly sponsored the competitions which enabled us to ensure our judges and stewards got more than just a verbal thank you for the time they gave up. As always I would like to particularly thank Lynsey Martin for continuing to willingly judge the pig stockjudging despite travelling from Kent at ridiculous o'clock to get to Sparsholt College every year.*

*For the first year in many Hampshire YFC hosted a county round of the fencing competition in May. It was brilliant to see such keen fencing enthusiasts with Felix Hayward even being offered a job (whenever he wanted one) by the judges. Thank you particularly to Ben Robinson for allowing us to utilise his land for the competition. We also utilised the opportunity to host a county round of the Static Competition ahead of the South of England Show with some brilliant craft hot air balloon entries as well as scrapbook, club display and picnic hampers.*

*The training at Sparsholt College stood us in good stead for the area stockjudging competitions at the South of England Show in June with Gemma Hobbs, Izzy Bennett & Will Hill all walking away with 1<sup>st</sup> place positions in their respective categories.*

*It is not all competitions though as June also saw Lucy Bailey, Silas Lawson and Pete MacPherson hosting the Ibiza themed party which (with perfect weather) raised £1000 for HFYFC all whilst having a brilliant evening.*

*In July, Young Farmers from many Hampshire clubs shared their passion for agriculture in the Farming experience zone at the New Forest Show. The young farmers showcased their experiences and shared the benefits of being part of the YFC organisation with Izzy Bennett putting together a brilliant presentation to showcase everything great about YFC. Brockenhurst even ran a wellie decorating competition that attracted entries from YFC clubs across county with particular success from the IOW entries. Special thanks to the*

*Brockenhurst, Beaulieu and Avon Valley clubs for all their hard work on the Show stand to make it a brilliant success with amazing feedback from the general public.*

*Hampshire were also busy playing in the big leagues in July with Izzy Bennett competing in stockjudging at the Great Yorkshire Show.*

*Whilst August saw our members busy at harvest clubs came back with a bang in September with the 'It's a Knockout' competition at Romsey Show where clubs from across the county competed in a novelty relay in the main ring. 1<sup>st</sup> place went to Brockenhurst, SEH were 2<sup>nd</sup> and Avon Valley 3<sup>rd</sup> with brilliant teamwork from both seniors and juniors all round.*

*For the county officers September also means AGM season with everyone taking it in turns to ensure every AGM has a county representative in attendance. Julian Gibbons took the long journey this year attending the Isle of Wight AGM which was run to military level efficiency under the watchful eye of Graham Biss.*

*October means National Young Farmers Week with this years theme centring around 'YFC for Everyone'. Clubs took turn hosting joint meets across Hampshire as well as taking part in the National initiative to donate to our local food banks.*

*Lucy Bailey and Charlotte Kennedy got a first glimpse of at the National Committee with the NFYFC One Team Conference for county chairs. They were able to learn a lot about their new roles ahead of taking post as well as make brilliant connections with fellow council members.*

*Martin Attwell continued to be an excellent supporter of HFYFC hosting his Big Band Swing Evening at Upham Village Hall raising £1,143.87 for HFYFC so thank you Martin!*

*In November the year came back at us once again with Club Officer Training, County Sports and even a South East Area Train the Trainer Course. It is invaluable to HFYFC to have regular access to the Sports Hall for making sure our skill set is up to scratch for Netball, Badminton, 5 Aside Football and Rounders competitions this year – we still need some more practice before the area round in March that's for sure. Maisy Eastman attended the Train the Trainer course and greatly enjoyed it so is now the newest addition to our list of qualified trainers in Hampshire.*

*I wanted to finish the annual report however on a particular high as we had not one but two finalists at the National Achiever Awards this year. The event was a sell out and competition was tough so it was brilliant to have both Sian Grove from the IOW for Young Farmer of the Year and Martin Attwell for YFC Supporter of the Year. Congratulations to them both!*

*Now I will keep the personal word from me short and sweet as you have listened to me rattle on for far too long. Being Hampshire County Chairman has been a joy. Don't get me wrong there have been challenges and I would be lying if I hadn't had the occasional day where I wondered why I bother but when you can see the good YFC does across the rural community it is nothing less than a pleasure to give a small part to the cause. Gemma Hobbs couldn't even look up from her sheet of paper the first time I interviewed her for member of the year and this year she made it all the way to National and is confidently chairing meetings at Beaulieu YFC. Watching people flourish in this way is why I, and why we all commit so much time to this brilliant organisation. The more you put in, the more you get out and I can't wait to continue my journey within YFC but for now I am grateful to be leaving you in the extremely safe hands of Lucy Bailey!*

Julian offered thanks to Grace for all that she had done in her role as County Chairman commending her on her hard work, dedication and her ability to run an Exec meeting to military precision.

## 7. President's Challenge

New for 2023/2024 HFYFC introduced the Presidents Challenge, Martin, Annie along with Grace challenged clubs to use a £50 float (loaned by Annie Carder, thank you Annie) Clubs had one year to increase the value of the float and raise funds for HFYFC. Annie will be refunded her deposit. The funds raised will be used to boost cashflow at HFYFC  
Martin and Annie congratulated and thanked clubs that took part. Annie confirmed she would be happy to make the same fund arrangements for 2026 as this competition will run by-annually.

We would like to congratulate all the clubs that took part. The results:

BEAULIEU	Donated 10% of all club fundraising which included a very successful Horse race night	£250.00

Close runners up were Petersfield & Alresford so congratulations to them. Thank you to Avon Valley, Beaulieu & South East Hants for taking part a raising funds.

The winning club came together to work out how they were going to tackle the challenge, they had a brain storm meeting and came up with a couple of ideas and thought to make it more interesting they would take things a bit further by setting a little club challenge too, so

on the 17th of February Henry Cooke & Emily Chick with help from Lewis Potter & Ella Benson-Cooke organised a Tractor run starting at Longdown Activity Farm where they travelled to The Plough pub near the YFC Hall, they raised £525.

Then on the 13th of April a tack sale was organised by Izzy Bennett, Immy Wagner, Oscar Wilkinson, Tilly and Kitty Hawson. The sale took place at Ford Farm where Trudy & James kindly hosted the sale and they raised £409.78 so with a bit of friendly competition the Brockenhurst club raised a total of £943.78

Martin presented Brockenhurst with a cheque for £250 and the President's cup

Grace thanked Martin for all that he had done and for the funds he had raised for HFYFC

Julian introduced Steve Broom as the guest speaker

Steve approached HFYFC in April 2022 to offer his services and has worked with clubs in a supporting role around mental health training.

Steve is a chartered member of the Institute of Safety and Health (IOSH) & has worked as a health and safety specialist in high hazard, safety critical industries (rail, highways and aviation) for more than 26 years, he is a mental health first aider and course instructor. Steve won the RoSPA influencer of the year award in 2019 and is a practitioner of the Institute of Environmental Management Assessment (IEMA).

Steve shared a brilliant presentation on Health, Safety and Wellbeing.

Mental health plays a huge part in a person's ability to stay safe at work

If you are in the right frame of mind for work, you are less likely to engage in the type of behavior that could cause an accident.

92% of UK farmers under the age of 40 rank poor mental health as the biggest hidden problem facing farmers today

Steve shared he is very much looking forward to working with clubs and members, delivering Mental Health 1<sup>st</sup> Aid training. He is also very interested in supporting members at work within the farming community with site visits and advice.

Julian thanked Steve for his presentation and shared his own experience to loss from Farming accidents, staying safe is everyone's responsibility.

Tom Peters from the NFU shared the NFU have a Farm Safety day coming up and encouraged everyone to get involved.

Matt Portnall shared the Hampshire & IOW Air Ambulance were offering CPR and 1<sup>st</sup> aid training to HFYFC members

### **Independent Examiners Report**

#### **Independent Examiner's Report to the trustees of Hampshire County Federation of Young Farmers' Clubs**

I report to the trustees on my examination of the financial statements of Hampshire County Federation of Young Farmers' Clubs for the year ended 31 October 2024.

#### **Responsibilities and basis of report**

As the charity's trustees you are responsible for the preparation of the financial statements in accordance with the requirements of the Charities Act 2011 ('the Act').

I report in respect of my examination of the charity's financial statements carried out under section 145 of the 2011 Act and in carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

#### **Independent examiner's statement**

I have completed my examination. I can confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

- the accounting records were not kept in respect of the charity as required by section 130 of the Act; or
- the financial statements do not accord with those records; or
- the financial statements do not comply with the applicable requirements concerning the form and content of financial statements set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the financial statements give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the financial statements to be reached.

## Notes to the Accounts

for the year ended 31 October 2024

### 1 Accounting policies

#### Basis of preparation

The financial statements have been prepared in accordance with Statement of Recommended Practice: Accounting and Reporting by Charities preparing their accounts in accordance with the Financial Reporting Standard applicable in the UK and Republic of Ireland (FRS 102) issued on 16 July 2014 and the Financial Reporting Standard applicable in the United Kingdom and Republic of Ireland (FRS 102) and the Charities Act 2011.

#### Change in basis of accounting or to previous accounts

There has been no change to the accounting policies (valuation rules and method of accounting) since last year and no changes have been made to accounts for previous years.

#### Fund accounting

Unrestricted funds	These are available for use at the discretion of the trustees in furtherance of the general objects of the charity.
Designated funds	These are unrestricted funds earmarked by the trustees for particular purposes.
Revaluation funds	These are unrestricted funds which include a revaluation reserve representing the restatement of investment assets at their market values.
Restricted funds	These are available for use subject to restrictions imposed by the donor or through terms of an appeal.

#### Income

Recognition of income	Income is included in the Statement of Financial Activities (SoFA) when the charity becomes entitled to, and virtually certain to receive, the income and the amount of the income can be measured with sufficient reliability.
Income with related expenditure	Where income has related expenditure the income and related expenditure is reported gross in the SoFA.
Donations and legacies	Voluntary income received by way of grants, donations and gifts is included in the the SoFA when receivable and only when the Charity has unconditional entitlement to the income.
Tax reclaims on donations and gifts	Income from tax reclaims is included in the SoFA at the same time as the gift/donation to which it relates.
Donated services and facilities	These are only included in income (with an equivalent amount in expenditure) where the benefit to the Charity is reasonably quantifiable, measurable and material.
Volunteer help	The value of any volunteer help received is not included in the accounts.
Investment income	This is included in the accounts when receivable.
Gains/(losses) on revaluation of fixed assets	This includes any gain or loss resulting from revaluing investments to market value at the end of the year.
Gains/(losses) on investment assets	This includes any gain or loss on the sale of investments.

## Hampshire County Federation of Young Farmers' Clubs

### Notes to the Accounts

#### Expenditure

Recognition of expenditure	Expenditure is recognised on an accruals basis. Expenditure includes any VAT which cannot be fully recovered, and is reported as part of the expenditure to which it relates.
Expenditure on raising funds	These comprise the costs associated with attracting voluntary income, fundraising trading costs and investment management costs.
Expenditure on charitable activities	These comprise the costs incurred by the Charity in the delivery of its activities and services in the furtherance of its objects, including the making of grants and governance costs.
Grants payable	All grant expenditure is accounted for on an actual paid basis plus an accrual for grants that have been approved by the trustees at the end of the year but not yet paid.
Governance costs	These include those costs associated with meeting the constitutional and statutory requirements of the Charity, including any audit/independent examination fees, costs linked to the strategic management of the Charity, together with a share of other administration costs.
Other expenditure	These are support costs not allocated to a particular activity.

#### Taxation

The charity is exempt from tax on its charitable activities.

#### Tangible fixed assets and depreciation

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life:

Plant & Machinery	18% Reducing balance
Fixtures, fittings & equipment	18% Reducing balance

Computer equipment held within Fixtures, fittings & equipment is depreciated at 20% on a straight line basis.

#### Freehold investment property

Investment properties are measured initially at cost and subsequently at fair value at each balance sheet date and are not depreciated. All gains or losses are taken to the Statement of Financial Activities as they arise.

#### Stocks

Stock is included at the lower of cost or net realisable value. Donated items of stock are recognised at fair value which is the amount the charity would have been willing to pay for the items on the open market.

#### Trade and other debtors

Trade and other debtors are recognised at the settlement amount due after any trade discount offered. Prepayments are valued at the amount prepaid net of any trade discounts due.

**Notes to the Accounts**

**Cash and cash equivalents**

Cash and cash equivalents comprise cash at bank and on hand, demand deposits with banks and other short-term highly liquid investments with original maturities of three months or less and bank overdrafts. In the statement of financial position, bank overdrafts are shown within borrowings or current liabilities. In the Statement of Cash Flows, cash and cash equivalents are shown net of bank overdrafts that are repayable on demand and form an integral part of the company's cash management.

**Trade and other creditors**

Short term creditors are measured at the transaction price. Other creditors and provisions are recognised where the charity has a present obligation resulting from a past event that will probably result in the transfer of funds to a third party and the amount due to settle the obligation can be measured or estimated reliably. Creditors and provisions are normally recognised at their settlement amount after allowing for any trade discounts due.

**Research and development**

Expenditure on research and development is written off in the year in which it is incurred.

**Foreign currencies**

Monetary assets and liabilities denominated in currencies other than the functional currency of the charity are translated at the rates of exchange prevailing at the end of the reporting period. Transactions in currencies other than the functional currency of the charity are recorded at the rate of exchange on the date that the transaction occurred. All exchange differences are taken into account in arriving at net income/expenditure.

**Leased assets**

Where the charity enters into a lease which entails taking substantially all the risks and rewards of ownership of an asset, the lease is treated as a finance lease.

Leases which do not transfer substantially all the risks and rewards of ownership to charity are classified as operating leases.

Assets held under finance leases are initially recognised as assets of the charity at their fair value at the inception of the lease or, if lower, at the present value of the minimum lease payments. The corresponding liability to the lessor is included in the balance sheet date as a finance lease obligation. Lease payments are apportioned between finance expenses and reduction of the lease obligation so as to achieve a constant rate of interest on the remaining balance of the liability. Finance expenses are recognised immediately, unless they are directly attributable to qualifying assets, in which case they are capitalised in accordance with the charity's policy on borrowing costs.

Assets held under finance leases are depreciated in the same way as owned assets.

Operating lease payments are recognised as an expense on a straight-line basis over the lease term. In the event that lease incentives are received to enter into operating leases, such incentives are recognised as a liability. The aggregate benefit of incentives is recognised as a reduction of rental expense on a straight-line basis.

## Hampshire County Federation of Young Farmers' Clubs

### Notes to the Accounts

#### Pension costs

The charity operates a defined contribution plan for its employees. A defined contribution plan is a pension plan under which the charity pays fixed contributions into a separate entity. Once the contributions have been paid the charity has no further payments obligations. The contributions are recognised as expenses when they fall due. Amounts not paid are shown in accruals in the balance sheet. The assets of the plan are held separately from the charity in independently administered funds.

#### Receipt of donated goods, facilities and services

All donated goods, facilities and services received are recognised within incoming resources and expenditure at an estimate of the value to the charity.

### **Independent Examiners Report**

#### **Independent Examiner's Report to the trustees of Hampshire County Federation of Young Farmers' Clubs**

I report to the trustees on my examination of the financial statements of Hampshire County Federation of Young Farmers' Clubs for the year ended 31 October 2024.

#### **Responsibilities and basis of report**

As the charity's trustees you are responsible for the preparation of the financial statements in accordance with the requirements of the Charities Act 2011 ('the Act').

I report in respect of my examination of the charity's financial statements carried out under section 145 of the 2011 Act and in carrying out my examination I have followed all the applicable Directions given by the Charity Commission under section 145(5)(b) of the Act.

#### **Independent examiner's statement**

I have completed my examination. I can confirm that no material matters have come to my attention in connection with the examination giving me cause to believe that in any material respect:

- the accounting records were not kept in respect of the charity as required by section 130 of the Act; or
- the financial statements do not accord with those records; or
- the financial statements do not comply with the applicable requirements concerning the form and content of financial statements set out in the Charities (Accounts and Reports) Regulations 2008 other than any requirement that the financial statements give a 'true and fair' view which is not a matter considered as part of an independent examination.

I have no concerns and have come across no other matters in connection with the examination to which attention should be drawn in this report in order to enable a proper understanding of the financial statements to be reached.

#### Change in basis of accounting or to previous accounts

There has been no change to the accounting policies (valuation rules and method of accounting) since last year and no changes have been made to accounts for previous years.

#### Fund accounting

Unrestricted funds	These are available for use at the discretion of the trustees in furtherance of the general objects of the charity.
Designated funds	These are unrestricted funds earmarked by the trustees for particular purposes.
Revaluation funds	These are unrestricted funds which include a revaluation reserve representing the restatement of investment assets at their market values.
Restricted funds	These are available for use subject to restrictions imposed by the donor or through terms of an appeal.

#### Income

Recognition of income	Income is included in the Statement of Financial Activities (SoFA) when the charity becomes entitled to, and virtually certain to receive, the income and the amount of the income can be measured with sufficient reliability.
Income with related expenditure	Where income has related expenditure the income and related expenditure is reported gross in the SoFA.
Donations and legacies	Voluntary income received by way of grants, donations and gifts is included in the the SoFA when receivable and only when the Charity has unconditional entitlement to the income.
Tax reclaims on donations and gifts	Income from tax reclaims is included in the SoFA at the same time as the gift/donation to which it relates.
Donated services and facilities	These are only included in income (with an equivalent amount in expenditure) where the benefit to the Charity is reasonably quantifiable, measurable and material.
Volunteer help	The value of any volunteer help received is not included in the accounts.
Investment income	This is included in the accounts when receivable.

## Hampshire County Federation of Young Farmers' Clubs

### Notes to the Accounts

#### Expenditure

Recognition of expenditure	Expenditure is recognised on an accruals basis. Expenditure includes any VAT which cannot be fully recovered, and is reported as part of the expenditure to which it relates.
Expenditure on raising funds	These comprise the costs associated with attracting voluntary income, fundraising trading costs and investment management costs.
Expenditure on charitable activities	These comprise the costs incurred by the Charity in the delivery of its activities and services in the furtherance of its objects, including the making of grants and governance costs.
Grants payable	All grant expenditure is accounted for on an actual paid basis plus an accrual for grants that have been approved by the trustees at the end of the year but not yet paid.
Governance costs	These include those costs associated with meeting the constitutional and statutory requirements of the Charity, including any audit/independent examination fees, costs linked to the strategic management of the Charity, together with a share of other administration costs.
Other expenditure	These are support costs not allocated to a particular activity.

#### Taxation

The charity is exempt from tax on its charitable activities.

#### Tangible fixed assets and depreciation

Depreciation is provided at the following annual rates in order to write off each asset over its estimated useful life:

Plant & Machinery	18% Reducing balance
Fixtures, fittings & equipment	18% Reducing balance

Computer equipment held within Fixtures, fittings & equipment is depreciated at 20% on a straight line basis.

#### Freehold investment property

Investment properties are measured initially at cost and subsequently at fair value at each balance sheet date and are not depreciated. All gains or losses are taken to the Statement of Financial Activities as they arise.

#### Stocks

Stock is included at the lower of cost or net realisable value. Donated items of stock are recognised at fair value which is the amount the charity would have been willing to pay for the items on the open market.

#### Trade and other debtors

Trade and other debtors are recognised at the settlement amount due after any trade discount offered. Prepayments are valued at the amount prepaid net of any trade discounts due.

**Notes to the Accounts**

**Cash and cash equivalents**

Cash and cash equivalents comprise cash at bank and on hand, demand deposits with banks and other short-term highly liquid investments with original maturities of three months or less and bank overdrafts. In the statement of financial position, bank overdrafts are shown within borrowings or current liabilities. In the Statement of Cash Flows, cash and cash equivalents are shown net of bank overdrafts that are repayable on demand and form an integral part of the company's cash management.

**Trade and other creditors**

Short term creditors are measured at the transaction price. Other creditors and provisions are recognised where the charity has a present obligation resulting from a past event that will probably result in the transfer of funds to a third party and the amount due to settle the obligation can be measured or estimated reliably. Creditors and provisions are normally recognised at their settlement amount after allowing for any trade discounts due.

**Research and development**

Expenditure on research and development is written off in the year in which it is incurred.

**Foreign currencies**

Monetary assets and liabilities denominated in currencies other than the functional currency of the charity are translated at the rates of exchange prevailing at the end of the reporting period. Transactions in currencies other than the functional currency of the charity are recorded at the rate of exchange on the date that the transaction occurred. All exchange differences are taken into account in arriving at net income/expenditure.

**Leased assets**

Where the charity enters into a lease which entails taking substantially all the risks and rewards of ownership of an asset, the lease is treated as a finance lease.

Leases which do not transfer substantially all the risks and rewards of ownership to charity are classified as operating leases.

Assets held under finance leases are initially recognised as assets of the charity at their fair value at the inception of the lease or, if lower, at the present value of the minimum lease payments. The corresponding liability to the lessor is included in the balance sheet date as a finance lease obligation. Lease payments are apportioned between finance expenses and reduction of the lease obligation so as to achieve a constant rate of interest on the remaining balance of the liability. Finance expenses are recognised immediately, unless they are directly attributable to qualifying assets, in which case they are capitalised in accordance with the charity's policy on borrowing costs.

Assets held under finance leases are depreciated in the same way as owned assets.

Operating lease payments are recognised as an expense on a straight-line basis over the lease term. In the event that lease incentives are received to enter into operating leases, such incentives are recognised as a liability. The aggregate benefit of incentives is recognised as a reduction of rental expense on a straight-line basis.

## Hampshire County Federation of Young Farmers' Clubs

### Notes to the Accounts

#### Pension costs

The charity operates a defined contribution plan for its employees. A defined contribution plan is a pension plan under which the charity pays fixed contributions into a separate entity. Once the contributions have been paid the charity has no further payments obligations. The contributions are recognised as expenses when they fall due. Amounts not paid are shown in accruals in the balance sheet. The assets of the plan are held separately from the charity in independently administered funds.

#### Receipt of donated goods, facilities and services

All donated goods, facilities and services received are recognised within incoming resources and expenditure at an estimate of the value to the charity.

## **Trustee's Report 2023**

We are pleased to say that over the past year the Hampshire Federation of Young Farmers Clubs has grown yet again. We had a target of reaching 250 members and together we have smashed it closing with over 300 members signed up.

A large proportion of the developing membership is down to the brilliant club officers we have within county that are attracting new members due to their brilliant programmes and club efficiency of communication.

We, however, would like to think that at least some of the increase in membership may also be attributed to the great success of many of the county competitions.

In January 2023 we started the competitions year off with County Speaking competitions. The Junior round at Brockenhurst YFC Hall was a particular success with many members much improved on their first attempt in 2022. The public speaking is a brilliant way to build confidence in your own ability and flourish despite being outside of their comfort zone. When I interviewed Gemma Hobbs for member of the year in January the only comment I gave her was to look up and meet her interviewer in the eye rather than stare at the desk. Later this year Gemma Hobbs filled in for her Club Chair Honor and chaired the Beaulieu YFC AGM and she did not look down at her paper once. It is little successes like this that prove the value of the public speaking competitions. We also had success higher up the ranks with both Honor Humble from Beaulieu and Kyle Hill from Stockbridge progressing to compete in National Public Speaking finals.

In February 2023 Charlie Tibble (Alresford), Ryan Whitewood and Kingsley Hollis (IOW) attended the NFU Conference hearing updates from some of the main

stakeholders in the agricultural industry. They even first hand experienced the drama of farmer questioning of the secretary of state for DEFRA.

Peter MacPherson, Silas Lawson and Lucy Bailey also organised a fantastic Apres Ski Party kindly hosted by Sam Burge raising a total of £810 for county. Well done to all three in their hard work making it happen!

In March 2023 we hosted our county farm skills day which was generously hosted by Crawfords at their Ropley depot. It was an absolutely brilliant day filled with digger driving, farm safety, welding, brick laying and so much more. Thank you to all of our judges for making it happen and thank you particularly to James Parrett for allowing us to use his truck. Made a particularly brave endeavour since it was used in our blindfolded 4 x 4 reverse challenge. I cannot thank Crawfords enough for their support hosting what is undoubtedly the best competitions day in the Hampshire YFC Calendar.

In April 2023 we hosted our stockjudging competition at Sparsholt. Thank you must be extended to Sparsholt College for allowing us to use the premises and particularly to Ed Sibley acting as my Sparsholt College liaison to make sure everyone was on the same page. Thank you again to all our judges for enabling the event and particular thanks to Stuart Morgan for allowing some outside the box thinking when judging our beef competition made up of in calf heifers. It certainly added an extra level of difficulty to the competition. Particular congratulations to our members from SEH, Alresford and Brockenhurst for progressing to the area competitions hosted at the South of England Show.

In May 2023 we were able to host our summer competitions at a county level for the first time in over 5 years. This was kindly hosted at the Petersfield Growmore Revival

event with winners from the county round going on to place at area in the rock painting, the fascinator and the recycled metal sculpture rounds so particular congratulations to Laura Baty (SEH), Eliza Bailey (SEH) and Charlie Tibble (Alresford) for their brilliant entries in those classes respectively. We hope to revive this as part of the county calendar from now on and hope it will only grow from here.

In June 2023 we also hosted the South East Area round of the Fence Erecting competition again kindly hosted at Sam Burge's farm. Despite not competing together as a team previously to the day I am delighted to say our team won at the South East Area round. Congratulations to Ed Bartlett from Alresford, Kingsley Hollis from the IOW and Ryan Whitewood from the IOW. Target is to smash it at National next year lads so best get practicing.

In tandem with hosting the South East Area fencing we also hosted the South East Area hockey round at Sparsholt College on the same day. Unfortunately, despite a tight game, we succumbed to the greater ability of Buckinghamshire but a great game was played none the less.

In July 2023 the New Forest Clubs banded together to put together a brilliant stand in the Farming Experience Zone at the New Forest Show. I am always extremely impressed by the comments we receive into Hampshire about the efforts at the New Forest Show with Beaulieu, Brockenhurst and Avon Valley doing a brilliant job showcasing the best of our organisation. This year it included a try your own brick laying area, a dress up photo booth and a mini rally circuit just to name a few with brilliant engagement across the 3 day show.

Despite a tumultuous and long harvest for many the September show season also went brilliantly with good comments and brilliant interaction at both the Alresford and

Romsey shows. Special thanks must go to Romsey for hosting a brilliant stand despite coinciding with one of the hottest days of the year.

September also signals the start of the new YFC year and despite the less than exciting start of online safeguarding training clubs all bounced back with more energy than before with everything from bowling to fire safety talks occurring across the county. County staff and volunteers were busy attending AGMs and are delighted to see some brilliantly organised clubs across Hampshire.

National Young Farmers Week spearheaded October 2023 with a brilliant week of meetings across Hampshire including a talk and tour at Wildflower Turf, Tug of War as well as the brilliant President's Quiz hosted by Avon Valley and culminating with the Oktoberfest Social kindly hosted at my parent's residence. Top tip: if you want to use your own family barns to host a party ask your parents after a couple of glasses of wine. It works a treat!

We have also already hosted our Dynamo Cricket and Mixed Volleyball competition for National Sports this year and cannot wait to improve ready for the South East Area Competitions in spring. The young Stride's are unbelievable cricketers with some of our senior members struggling to keep up with their skill set.

In December we have already had the well-attended Junior social at Brockenhurst and cannot wait to keep going with a jam packed and most importantly fun year of competitions and social events again in the New Year!
